

SCIENCE STUDENT. VARSITY ATHLETE. PRESIDENT'S SCHOLAR.

Donor Report 2009/2010

Thank You

Every gift received by Mount Saint Vincent University makes a difference. Whether large or small, your generosity has an immediate impact on Mount students, and we want to express our gratitude.

This report includes the names of individuals, companies and associations who made a gift(s) between April 1, 2009 and March 31, 2010. The fiscal giving levels are noted in the table below, recognizing all our donors. The pie chart indicates the areas, programs and initiatives that were supported.

Thank you for your continued investment in Mount students now and in the future.

Meet Emily Burke, Class of 2012. Emily plays striker on the Mount's soccer team. In addition to being named ACAA 2nd Team All Conference, Emily was one of six Mount students named as 2009-2010 SIRC CCAA Academic All-Canadian - the highest number awarded to a school in the country. This Award is the most prestigious student-athlete award presented by the Canadian Colleges Athletic Association, and it exemplifies excellence in academics and athletics.

Hailing from New Waterford, NS, this third year Bachelor of Science student is no stranger to success. Her hard work and dedication to her studies, sport and her community have been recognized through numerous awards including the Mount's prestigious President's Scholarship with a total value of \$36,000 over four years.

"I play soccer with a great bunch of girls and the people I have met while living on campus have been amazing." says Emily, "I am proud to say that I was able to maintain my scholarship while maintaining a healthy, active lifestyle." Emily plans to become a dentist and she is confident that the Mount is the right environment to help her achieve her goal.

Emily spoke at the 2009 Scholars' Luncheon, an annual event that celebrates student success and applauds donor generosity, where she thanked donors who gave her, and fellow scholarship recipients, 'a chance for a great future.'

"I was meant for the Mount and the Mount was meant for me."

Emily Burke

The Mount's Annual Fund Program

There is no other way to give to so many areas – to touch the lives of so many people – and in so many different ways. It's not the amount of your gift that is important; it's the power of giving. **Together, we can make an impact.**

You make it happen!

Through steady gifts to the Annual Fund, one person and one contribution at a time, we can offer scholarships to deserving students, enrich library acquisitions, fund departmental initiatives and ensure Mount students have the best university experience.

Because of the generous support of people like you, the Mount is able to make an immediate impact on students. No other program offers this flexibility. When you receive your Annual Fund request in the mail, or when a Mount student calls, please give generously.

The 1873 Society... Be a part of the future

The 1873 Society is a special group of alumnae and friends of Mount Saint Vincent University who have honoured the University by making a provision for a future gift. A planned gift can have significant tax advantages, making a bequest a win-win for your loved ones and for future generations of students.

As a member of the 1873 Society, you will receive a certificate and a membership pin to wear in honour of your generosity.

We are planning a tomorrow filled with promise and opportunity... and we're *Planning Tomorrow Together*. Thank you for considering becoming a partner in the Mount's success now and well into the future.
