

Pronoun References

At the Writing Centre, you can receive help on any writing assignment. Discussing your writing with a tutor can make your writing stronger and lead to a greater understanding of the proper mechanics and style expected in academic writing. Tutors spend a good deal of time making sure you understand the expectations of written assignments, as this is an important part of the writing process. Using the Writing Centre will definitely make your writing skills stronger, giving you greater confidence for your next assignment.
