LEGEND

	Blackboard Collaborate, formerly Elluminate Live!	Provides real-time voice access to your instructor via a headset over the Internet. You speak and listen to all the students in your class, including the professor.
	Teleconference	Brings the instructor and students together for a live telephone discussion.
	Downloadable Internet Video	Lectures are available at no charge in your Moodle site. No specified viewing day or time.
	WWW Only	Moodle only
	To Be Announced (TBA)	Delivery method not yet determined

Students will find their syllabus, course notes and communicate with their instructor via Moodle. Please read our Pre-term Checklist for more information.
