

Student Leadership Award

Mount Saint Vincent University is pleased to offer the Student Leadership Awards to new students who have exhibited high standards of leadership and achievement prior to attending the Mount. It is anticipated that students receiving this Award will continue their high levels of involvement while studying at the Mount. Leadership can be demonstrated in areas such as:

- School leadership, eg: participation on Student Council or membership in school clubs;
- Volunteer activities in your community, e.g. work at a food bank, local hospital or church;
- Participation in arts activities, eg: membership in a band, choir or creation of visual arts;
- Participation in sports either as a player or coach/manager;
- Political involvement at the municipal, provincial or federal level;
- Participation in the activities of non-governmental organizations such as OXFAM, Canada World Youth, Canadian Red Cross.

Student Leadership Awards consist of a room in residence at no charge subject to the following criteria:

- The award consists of the room only, award recipients will be required to purchase the minimum meal plan associated with the room;
- The award will be for one academic year only, it is not renewable;
- Recipients must be entering their first year of study at the Mount;
- Recipients must meet all the normal academic requirements for admission to the Mount;
- While in receipt of the award, recipients must remain in good academic standing in their program of study, i.e. recipients may not be on academic probation;
- Recipients must maintain full time student status while in receipt of the award.
- Recipients will meet with the leadership group once per term and will liaise with an advisor on a per term basis
