## Mary Leslie

Mary Leslie has a diverse career background, having worked in both the public and private sectors as an educational consultant and administrator. She currently is pursuing a PhD in Education Studies at the University of New Brunswick, with a research interest in the learning needs of family/friend caregivers of older persons.

Mary is responsible for implementing the day-to-day administration of the project, working with agencies for participant recruitment, liaising with nurse trainees and project collaborators, conducting interviews with caregivers and key informants, monitoring data entry and analysis, and assisting with project deliverables. She is the first point of contact for project, and will be very happy to answer any questions about participating in it.
