Check the IAFFE website for detailed submission guidelines.

### TRAVEL FUNDS

IAFFE works to raise funds to provide some financial assistance with travel and other expenses associated with attending our Annual Conferences for people from developing and transition economies, including Eastern Europe and the former U.S.S.R. Our goal is to foster the diversity of the geographical representation and perspectives at IAFFE conferences. People who plan to present a paper at the conference, and who come from countries with developing and transition economies, are eligible to apply for this funding. The deadline is January 31, 2007. You must also submit a paper proposal by the January 31st deadline. Please check the IAFFE website for Travel Grant application information or write to [iaffe@iaffe.org](mailto:iaffe@iaffe.org).
