International Co-operation. **ACIC**  **CACI**

Social Economy and Sustainability Research Network
Partenariat sur l'économie sociale et la durabilité

Bridging, Bonding, and Building / Renforcement des liens et des capacités

Introduction

- The aims of this project are to foster youth engagement with the natural resources (marine) that are found around them, while also promoting an awareness of the relationships between such resources and their communities at large. There is a particular, but not exclusive, focus on aboriginal youth in Canada and Chile.
- A key objective of this project is to empower
