Waitlists: Waitlisted registrations will be moved to registered status as space becomes available and in accordance with department instructions unless there are time conflicts. In such cases, the waitlisted course will be removed from your registration.
Prerequisites: Students registering in courses do so on the understanding that they will meet/complete course prerequisites prior to the beginning of the course. Prerequisites are listed in the Calendar description. It is the student's responsibility to meet these prerequisites and students not having the required background may be forced to drop courses and to incur any academic and/or financial penalty.
Faculty Approval: Signatures must be obtained from the instructor for courses that require the instructor's consent, to override waitlists, and/or to bypass prerequisite rules.
