

Early Childhood Administrator Continuing Education Certificate

The Early Childhood Administrator Continuing Education Course is a 9-month program designed for experienced childcare practitioners who have or anticipate assuming a role as leader, manager, or administrator of a childcare program.

- **Designed by early childhood experts** in consultation with university faculty and other experienced facilitators
- Take your leadership skills to the next level
- Learn with others in a supportive, collaborative, and reflective learning environment
- Education that allows you to acquire the skills and confidence to develop and implement effective management strategies.
- Learn from university faculty and other experienced facilitators across the many facets of managerial communications, computer applications, human resource management, marketing, strategic planning, pedagogical leadership, financial management, Program/Curriculum Evaluation, policy development and Collaboration & Mentoring Practices
- Face-to-face in person learning through a combination of lecture and small group discussion, participants gain **peer support** from other directors, administrators and team leaders undertaking the program
- Tuition reimbursement upon program completion
