1. The University hereby gives notice that while the information contained in this Calendar is considered accurate at the time of its preparation, changes may be made subsequent to publication without prior notice.
2. In the interpretation of academic regulations, the Senate is the final authority.
3. Although advice is readily available on request, the responsibility of selecting the appropriate courses for graduation must ultimately rest with the student.
4. Not all courses listed in the Calendar are offered each year. Students are advised to check the timetable, which is available online via myMount at [msvu.ca/myMount](http://msvu.ca/myMount), for course availability.
5. The academic calendar year begins on September 1 and extends through the following August 31 in any given year. Students who begin study at any point within this period are governed by the regulations in the Calendar which came into effect on the previous September 1.
6. Notwithstanding any other provision of the Calendar, it is expressly understood by all students that Mount Saint Vincent University accepts no responsibility to provide any course of instruction, program or class, residential or other services including the normal range of academic, residential and/or other services in circumstances of utility interruptions, fire, flood, strikes, work stoppages, labour disputes, war, insurrection, the operation of law or acts of God or any other cause (whether similar or dissimilar to those enumerated) which reasonably prevent their provision.
7. The official academic calendar is the PDF version found online at [msvu.ca/calendars](http://msvu.ca/calendars).

## 1.1 Introduction

Welcome to the Mount Saint Vincent University Undergraduate Calendar. This Calendar is a comprehensive guide to all undergraduate programs and courses, including the Bachelor of Education degree. For information on graduate programs and courses, please consult the Mount Saint Vincent University Graduate Calendar.

The Calendar also serves as a record of University academic policies and procedures. It is the responsibility of all students to familiarize themselves with the University's academic regulations and policies in general, and those which apply specifically to their program of study.

The requirements listed in the Calendar for the year in which you are admitted to the program are the requirements to follow as you work through your program.

## 1.2 Academic Advising

*The Mount employs a dual model of Academic Advising where you can meet with staff academic advisors and faculty advisors throughout your program. Visit the Centre for Academic Advising and Student Success, located in Seton 304, to be connected with an advisor or send an email to [advising@msvu.ca](mailto:advising@msvu.ca)*

### Arts and Science Programs

If you are interested in the arts and sciences, you may choose from the various Bachelor of Arts and Bachelor of Science programs which we offer. Students may choose to do a major or a general studies degree.

You must declare your major or general studies degree at the Registrar's Office before you register for your sixth unit of coursework. You may change your program at any time, with the approval of the appropriate department. Refer to section 2.2.11 Declaring a Major on page 27 for specific procedures.

Academic Advisors are available for general advising in the arts and science programs. Furthermore, each arts and science department has faculty who can provide advice on the specific major, concentration, and minor requirements within their department. It is the responsibility of the student to ensure that they have a clear understanding of all the requirements in their program of study.

### Professional Programs

In general, the certificate, diploma and degree programs in the Faculty of Professional Studies and Faculty of Education are more specific with regard to their course requirements. Each professional department has faculty who can advise students on the specific requirements of their programs and students should seek advice for their program of study to ensure that they have a complete understanding of those requirements. Enrolment for several professional programs is limited, so it is essential that you carefully read the admission requirements on pages 18 and 21.

## 1.3 Glossary of Terms

### Academic Alert

Students who achieve a Term Grade Point Average (TGPA) below 1.7 in their Fall Term grades will receive a letter from the Academic Advising Office, notifying them that they are on Academic Alert. Academic Alert is not an academic standing. It is an early alert that a student may be in academic jeopardy and indicates that academic advising should be sought.

### Academic Appeals Procedures

An orderly opportunity for students to question interim grades, final grades and other academic decisions related to their coursework.

### Academic Offences

Plagiarism, cheating and any misrepresentations related to your academic work.

### Academic Probation

Students with a CGPA of less than 1.7 and greater than or equal to 1.0 who have attempted at least 3.0 units, will be placed on academic probation. See section 2.2.19 Academic Standing for more information.

### Academic Standing

There are three types of academic standing:

Good Academic Standing:	Eligible to register
Academic Probation:	Defined above
Academic Suspension:	Defined below

### Academic Suspension

Students on academic probation whose TGPA is less than 1.7 will be academically suspended for a 12-month period. Students whose CGPA is less than 1.0 and who have attempted at least 3.0 units, will be academically suspended for a 12-month period.

### Advanced Standing

Where movement into higher level courses is permitted but no transfer credit is assigned.

### Advisor

A faculty member or administrator who will help you plan your program and select your courses.

### Alumna/Alumnus

A former student or graduate of the University; plural is alumnae.

### Application to Graduate Form

Students must complete this form when enrolling in their final session of coursework. The form indicates when the student intends to graduate (either spring or fall convocation), the program being completed and the name wanted on the parchment. The Application to Graduate form is available at the Registrar's Office and online at [msvu.ca/convocation](https://msvu.ca/convocation).

**Audit Student**

A student who registers with the University to attend a university course for interest purposes but not as a candidate for university credit. No credit will be issued and fees are reduced.

**Bursary**

A monetary grant based on demonstrated financial need.

**Calendar (Undergraduate and Graduate)**

An annual publication listing key dates in the academic year, admission requirements, program requirements, rules and regulations, and course descriptions. Course information changes from year to year but the degree requirements described in the Calendar in the year of your admission to the degree remain in force as you complete your program. Available from Registrar's and Deans' Offices and at [msvu.ca/calendars](http://msvu.ca/calendars).

**CGPA** - see GPA.

**Co-Curricular Recognition Program (CCRP)**

The CCRP provides students an opportunity to document their non-academic extra-curricular involvement in volunteer work, professional development activities, receipt of awards, leadership experiences, varsity athletics, and student society participation on an official university document, the Co-Curricular Record.

**Concentration, Arts & Science**

A concentration in Arts and Science consists of 4.0 units of study as defined by the department offering the program.

**Concentration, Professional**

Several professional degree programs require students to complete a concentration, a minimum of 3.0 units of coursework in a specific area within the professional program. See specific degree requirements in the Calendar.

**Co-operative Education**

Several professional degree programs offer co-operative education allowing students to integrate academic study with alternating paid co-op terms.

**Course Change Form**

The form must be completed if registration changes (adding/dropping courses) are made, including section changes, and submitted to the Registrar's Office. See page 8 for the Academic Course Add/Drop Dates and refer to section 2.2.13 Withdrawal for more information.

**Course Loads**

The maximum course load for the Fall Term, Winter Term or combined Summer Sessions is 2.5 units. Practicum courses are not considered part of the course load. Students with a cumulative GPA of 2.5 or greater may apply to exceed this maximum course limit. Normally, only an additional 0.5 unit will be permitted per term.

**Cross-listed Course**

Cross-listed courses carry two or more subject prefixes. Such courses are recognized by each program shown by the subject prefix and may be counted towards either subject area, but not both.

**Dean**

The head of a faculty within the University. At the Mount, we have a Dean of the Faculty of Arts and Science, a Dean of the Faculty of Professional Studies, a Dean of the Faculty of Education and a Dean of Graduate Studies.

**Deans' List**

A list of outstanding scholars in undergraduate programs, who achieve a GPA of 3.5 or higher in 5.0 consecutive units, with no grade below B-. Students may be enrolled on either a full-time or part-time basis.

**DEF**

A course notation meaning Deferred, given through the Registrar's Office in exceptional cases when a student is unable to complete course requirements due to medical or other reasons during the time frame provided for completing an INC (Incomplete) grade.

**Degree Requirements**

Listed in this Calendar and outlined on department worksheets, indicating the course requirements needed to complete the degree.

**Directed Study**

These courses are normally opportunities for a student to explore, in greater depth, a topic that is covered in another course or a topic that is not covered in an existing course. Directed Study courses are normally offered at the 4000, 5000, 6000 or 9000 level. A maximum of 2.0 units of Direct Study courses can be counted towards a credential. Program may set a lower limit.

**Early Registration**

Selecting and enrolling in classes before the regular September registration period, usually in May for new students.

**Elective**

An optional course or subject not required for a particular program of study.

**Exam Conflict**

An exam conflict might be: overlapping exam times, a work commitment that cannot be changed, or scheduled to write three exams in three consecutive writing times. An Exam Conflict form must be completed and submitted to the Registrar's Office prior to the deadline.

**Exam Schedule (When) and Seating Plan (Where)**

The exam schedule tells when an exam will be written. A detailed schedule listing each course, date and time is posted outside the Registrar's Office and the Seton Auditorium and online at [msvu.ca/exams](http://msvu.ca/exams). The seating plan is posted in the same locations as the schedule during the last week of classes indicating where the exams will be written.

**F\***

A course notation meaning Failure resulting from an academic offence.

**Fees**

Fees are the costs associated with various aspects of attendance at the University. See section 3.2 Fees and Financial Policies.

### **Full-time Students**

Full-time students are enrolled in 3.0 or more units during the September to April academic year.

### **General Studies**

Students enrolled in the Bachelor of Arts or Bachelor of Science degrees can complete their studies with a general studies degree.

Plans to complete a Bachelor of Arts or Bachelor of Science General Studies must be declared prior to registering for the sixth unit of coursework. Once you have declared, changes can be made at any time with the approval of the appropriate department.

### **Grade Point Average (GPA)**

The total of grade points averaged over the number of units contributing points of 0.0 and greater. Final grades with "neutral" points do not effect your GPA. GPA (also called cumulative GPA) is based on all coursework completed from September 1996 onward.

### **Grade Points**

The value (ranging from 0.0 to 4.3) given to each final grade (e.g., A+ = 4.3, F = 0.0).

### **Grade Report**

Available at the end of each academic term/session, a grade report lists the courses taken during the term and the grades earned including withdrawals and failures. Any fees owing to the University for the term/session must be paid in full before receiving a grade report or to view grades through myMount.

### **Graduate Student**

A student enrolled in a graduate program.

### **Harassment and Discrimination Advisor**

An advisor who provides information and assistance, including mediation, of complaints under the Harassment and Discrimination Policy, on behalf of students, faculty and staff. Awareness raising and training sessions are provided by the advisor. The advisor can be reached at 902-457-6766.

### **Honours at Graduation**

Also known as graduating "with distinction," this designation is awarded according to a specific set of guidelines as interpreted by the Committee on Academic Policy in consultation with the Registrar. See 2.2.31 Graduation.

### **Honours Degree**

Awarded after completion of an honours program (see below). An honours degree usually requires 20.0 units.

### **Honours Program**

A course of study which considers a particular discipline in depth, usually undertaken by students with post-graduate study as a goal. Students must fulfill specific departmental and general university requirements.

### **Honours Thesis**

Original research in a specific field written by a candidate for an honours degree.

### **INC**

A course notation meaning Incomplete which is given instead of a grade when an arrangement exists between the professor and the student indicating requirements for the course shall be completed by a predetermined date. If these arrangements are not completed in the specified time, the INC notation shall be changed to F (failure).

### **Independent Study**

Any course in the calendar, with the exception of Directed Study courses, can be offered as an Independent Study course, subject to the approval of a Chair or Director and the appropriate Dean. Independent Study courses are normally offered when a student requires a course to meet graduation requirements or needs to maintain progression in a program of study and cannot register for a scheduled offering of the course due to scheduling conflicts or course unavailability in a particular semester. There is no limit on the number of Independent Study courses that can count towards the requirements for a credential.

### **IP**

A course notation meaning In-Progress. A final grade notation of IP is given in seminars, independent and directed studies at the senior undergraduate level. Students must complete the required work within four months of the month the notation is given.

### **Laboratory**

Regularly scheduled meeting times in addition to lecture times for many courses in the timetable. Lab times are published in the timetable and when registering for a course, students are also required to sign up for a lab time.

### **Letter of Permission (LOP)**

An official document granting prior approval to take a course at another university for credit at the Mount. Forms are available online at [msvu.ca/regofficeforms](https://msvu.ca/regofficeforms).

### **Local Address**

If a student's address changes while attending the University, the Registrar's Office must be notified. Failure to do so could result in not receiving correspondence and other important information.

### **Major**

Students enrolled in the Bachelor of Arts or Bachelor of Science degrees can complete their degrees with a major - a planned selection of courses in one discipline intended to provide background and depth in the discipline. See specific degree requirements.

Students intending to complete their degree with a major must declare the major before registering for the sixth unit of coursework. For the procedures on how to declare your major, refer to section 2.2.11 Declaring a Major.

### **Mature Admissions**

Mature students who wish to continue their education must meet one of the following three criteria: graduated from high school but lacking the required grade average or course requirements and three years have elapsed, not graduated from high school and five years have elapsed or have been away from formal education at the high school or community-college level for five years or more. See 2.1.4.3 Mature Admission Policy.

**Mature Student**

A student who returns to university after a break in her/his education for work, family responsibilities, etc.; normally after 3-5 years have elapsed.

**Minor**

A secondary area of study. A minor normally requires completion of 3.0 units in a related field. Students must achieve a GPA of 2.0 in the required 3.0 units of the minor as specified by the program.

**Moodle**

Moodle (Modular Object Oriented Dynamic Learning Environment) is a course management system used by the University. Faculty may use Moodle to distribute course notes, communicate with students, set and grade quizzes, create assignments, discussions, and much more.

**myMount**

myMount allows Mount students to access the Registration Centre, Moodle and E-Mail along with student specific news, events and information both on and off campus, through a secure environment.

**NCR**

A course notation meaning No Credit, Repeat. It is allowed only in courses graded on a pass/fail scale.

**NXM**

A course notation given in 1.0 unit courses for which no December grades are given.

**Non-Credit Unit**

The term "non-credit unit" defines the instructional time required for a course that does not count for credit towards any academic credential offered at the Mount. A 0.5 non-credit unit is the equivalent of three semester hours of instructional time.

**Non-degree**

A student enrolled in coursework but not working towards a specific degree program. See 2.1.4.5 Non-Degree Students.

**Orientation**

A program providing academic and social information to introduce new students to the University environment.

**Part-time Students**

Part-time students are enrolled in 2.5 or fewer units during the September to April academic year.

**Passport Learners**

The program opens many regular undergraduate courses to persons not seeking academic credit. Learners may attend lectures in designated courses with permission from the instructor but are not required to write tests and exams and do not receive an official transcript. Prospective students should contact Teaching and Learning Centre.

**Permanent Address and "Other" Addresses**

Students must notify the Registrar's Office of any changes to the permanent address in order to receive correspondence and other important information. Change of address for Christmas, summer vacations or co-op work terms should also be given.

**Placement Test**

An assessment of a student's abilities in a particular area given before registration in a course. It allows a department to determine what level of study a student is best prepared to undertake.

**Practica Route**

Several professional degree programs offer the practica route (as an alternate to the co-operative education route) for completion of the degree. The practica route is primarily for students who have previous university coursework or work experience in the specific profession. See specific degree requirements.

**Practicum**

A course of study involving the supervised practical application of previously studied theory. For example, the Child and Youth Study program includes 2.0 units of practica.

**Prerequisite**

A course or combination of courses that must be completed before registration in another course is permitted. Students registering in courses do so on the understanding that they will meet/complete course prerequisites. Failure to do so could result in deregistration and academic and/or financial penalty.

**Program**

A basic plan of study or coursework in a specific field; also called a curriculum.

**Reactivation Form**

Students who leave the University for one academic year and then return must complete a reactivation form. Forms are available online at [msvu.ca/regofficeforms](https://msvu.ca/regofficeforms).

**Resident Assistant**

A full-time undergraduate student whose major function includes interpreting and enforcing policy to students living in residence.

**Scholarship**

A monetary award based on academic achievement.

**Student Judicial System**

A student judicial system for non-academic infractions is in effect. The definitions of misconduct include, among others: conduct which threatens or endangers the health and safety of any member of the University community on or off campus; use of abusive or obscene language or gestures at any university sponsored functions or operations; obstruction or disruption of any university or Students' Union sponsored function; failure to comply with the instructions of university or Students' Union officials acting in the performance of their authorized duties; and violation of any law of Canada.

A copy of the Student Judicial Code is available from the Secretary of Senate, the Office of Student Experience, and the Students' Union Office.

**Student Identification Card**

The Student Identification Card has your picture and other personal identification information on it. These are produced by the Library on an annual basis each autumn. Student ID cards are needed to use the Library, Computer Labs, to display when writing exams and to participate in many student and other activities on campus and in the metro area.

**Term Grade Point Average (TGPA)**

The grade point average achieved at the end of each academic term, calculated on the final grades for each academic term.

**Timetable**

The timetable lists all the courses and labs offered for the academic year or session showing course ID, course number, name, time, classroom location and faculty for each course and lab offered. The timetable is available online via myMount at [msvu.ca](http://msvu.ca).

**Transcript**

An official document prepared by the Registrar's Office recording the entire academic history of a student. The Transcript Request form can be found online at [msvu.ca/regofficeforms](http://msvu.ca/regofficeforms). Transcripts can be requested in writing to the Registrar's Office. See 2.2.15 Transcripts.

**Transfer Credits**

May be granted to students who attended another university before being admitted to the Mount and counted toward the program here. See 2.1.4.4 Admission Requirements for Transfer Applicants.

**Tuition Structure**

Tuition fees are assessed on a per 1.0 unit course cost. The number of units a student is taking will drive the tuition calculation. Certain other fees such as Students' Union medical continue to be based on a student's status as being full-time or part-time.

**Undergraduate**

A student who is working toward a first credential.

**Unit**

The term used for the Mount's credit system. 0.5 unit is the equivalent to three semester hours of credit and 1.0 unit is equivalent to six semester hours of credit.

**Upgrades**

Students who hold a degree may upgrade to major or honours standing by completing additional requirements after consultation with the Registrar's Office.

**Visiting Students**

Students from other universities taking coursework at Mount Saint Vincent University with formal approval from their home university. See section 2.2.9 Visiting Students.

**W**

A course notation meaning withdrawal without academic penalty; deadline driven.

**WF**

A course notation meaning withdrawal with academic penalty; deadline driven.

**Work Experience Term**

Intersperses one or two work terms (typically full-time) into an academic program, where work terms provide experience in a workplace setting related to the student's field of study and/or career goals.

**WP**

A course notation meaning withdrawal after the deadline without academic penalty; deadline driven.

Fax: 902-457-6498  
E-mail: [admissions@msvu.ca](mailto:admissions@msvu.ca)

Applications are completed online at [msvu.ca/applyonline](https://msvu.ca/applyonline).

#### 2.1.1 Application Fee

A non-refundable application fee of \$40 CDN must accompany the application and only applications accompanied by the fee will be processed.

#### 2.1.2 Application Deadlines

##### *For September 2021 Entrance*

Education program	January 22, 2021
Entrance scholarship candidates	March 1, 2021
International applicants	June 18, 2021
Undergraduate programs	August 9, 2021

##### *For September 2022 Entrance*

Education program	January 21, 2022
Entrance scholarship candidates	March 1, 2022
International applicants	June 17, 2022
Undergraduate programs	August 8, 2022

*Note: All application dossiers must be complete (transcripts, supporting documents, and the application fee) and received in the Admissions Office by the deadline dates listed above. It is the applicant's responsibility to ensure that the dossier materials are sent in support of the application.*

#### 2.1.3 Application Documentation

All documentation must be submitted in English. If the original document is not available in English, the document must be translated by a certified or approved translator prior to submission. The translated document and the original or certified copy of the original document must be submitted to the Admissions Office.

##### *High School Applicants*

Applicants for admission from high school must submit a completed application, the application fee, and have an official transcript of the high school record forwarded directly from the high school to the Admissions Office.

##### *Previous Post-secondary Study*

Applicants who have previously attended another post-secondary college or university and those attending while making an application to the Mount may be eligible for transfer credits. Applicants must submit official documents of all previous academic work regardless of whether they are seeking recognition of transfer credits for a particular

program. Students who fail to declare prior study or to supply such documentation may be denied admission to the University or be dismissed upon subsequent discovery.

##### *Mature Admission*

Students who have been out of the high school system for a period of time may be considered for admission on an individual basis. Please refer to section 2.1.4.3 Mature Admissions Policy on page 20 for the complete policy.

#### 2.1.4 Admission Requirements

Possession of the minimum entrance requirements listed below does not guarantee admission to the University. In addition, admission to a specific program does not guarantee admission to all programs offered. Additional program requirements are given after basic entrance requirements are described.

The University may consider, on an individual basis, any applicants who do not possess the formal requirements but who may be otherwise qualified for admission.

Degree programs are described in terms of the number of units required. A traditional full-time study pattern is to complete 5.0 units per academic year, thus a 15.0 unit program could be described as "three year"; a 20.0 unit program as "four year" and so forth.

When grade XI and XII are used below, they refer to Nova Scotia high school grade-level courses or to their equivalencies as determined by the Admissions Office.

Students admitted from high school or CEGEP may transfer a maximum of 5.0 units from the Advanced Placement Program (AP), the International Baccalaureate program (IB), or from CEGEP.

##### *2.1.4.1 High School Requirements*

*Applicants from Nova Scotia, New Brunswick, Prince Edward Island, Newfoundland, Ontario, Western Canada and the Territories*

Students with acceptable high school completion may be admitted to a 15.0 unit (three year) degree in arts or science, or to a 20.0 (or more) unit (four year) degree in arts, science, applied human nutrition, business administration, child and youth study, public relations, or tourism and hospitality management.

Acceptable high school completion for entrance to Mount Saint Vincent University is defined as high school graduation with the following:

- Students shall have completed a minimum of five university preparatory grade XII level courses with an overall average of 70 percent or higher and no individual grade below 60 percent.

Applicants who present overall grade XII averages between 65 and 69 percent will be reviewed for admission on an individual basis. If admitted to the University, such applicants will normally be required to complete Student Success Programs in addition to the requirements of their degrees.

- Grade XII level academic English with a grade of 65 percent or higher, at least four grade XII academic courses approved by the provincial Department of Education and acceptable to Mount Saint Vincent University.

In the case of students applying from Ontario, a combination of U Level and M Level courses will be considered as “university preparation” courses.

In addition to the general admission requirements, individual programs have specific requirements, as listed below.

Students who are interested in pursuing programs which require mathematics components and/or statistics are recommended to complete Grade XI and XII academic or advanced mathematics. Please consult individual program and degree descriptions for specific mathematics requirements.

#### *High School Applicants from Quebec*

Quebec students will be accepted for basic entrance upon completion of at least one year (12 credits) at CEGEP. Students with at least 24 CEGEP credits will be admitted with the possibility of up to 5.0 units of transfer credit. Students from private schools in Quebec can be admitted following the successful completion of their grade XII year.

#### *Advanced Placement Program (AP)*

Mount Saint Vincent University participates in the Advanced Placement Program administered by the College Board (Princeton, New Jersey).

Upon presentation of Advanced Placement credentials, students may receive up to a maximum of 5.0 units of transfer credits for Advanced Placement Examinations provided that they have achieved grades of 4 or 5.

Please refer to the Registrar's Office website ([msvu.ca/registrar](http://msvu.ca/registrar) - Admissions > High School > Advanced Placement) for the listing of courses acceptable for transfer.

#### *International Baccalaureate (IB)*

Mount Saint Vincent University welcomes applicants holding the International Baccalaureate (IB) diploma. Students enrolled in the IB program may receive transfer credits for a maximum of 5.0 units for a combination of the following:

Course Type	Value
<i>Higher Level IB</i>	1.0 unit at the 1000 level for each with a final grade of five or higher upon presentation of the final transcript or completed diploma.
<i>Standard Level IB</i>	0.5 unit at the 1000 level for each with a final grade of five or higher upon presentation of the final transcript or completed diploma.
<i>Theory of Knowledge (ToK)</i>	1.0 unit of ARTS elective at the 1000 level with a final grade of “B” or higher upon presentation of the final transcript or completed diploma.

Students receiving transfer credit for IB courses are advised to contact the departments or academic advising to determine the effect of those credits on their plans for future study and their career goals.

For further information, please refer to the *Be a Mount Student website*.

#### *2.1.4.2 International Requirements*

International applicants are expected to have completed a preparatory program that leads to university entrance in their own country. Applications are considered on an individual basis. Applicants should have achieved considerably better than minimum passing standards in their university preparatory work. Possession of minimum entrance requirements does not guarantee admission to the University. Applicants can review country specific admissions requirements by visiting the following webpage on the Mount's website:

<http://www.msvu.ca/en/home/beamountstudent/internationaleducationcentre/AdmissionRequirements/default.aspx>

#### *Language Requirements*

If an applicant's first language is not English, official reports with acceptable scores from the Test of English as a Foreign Language (TOEFL), the International English Language Training Systems (IELTS), the CanTest, the Michigan English Language Assessment Battery (MELAB), or the Canadian Academic English Language Test (CAEL) must be submitted. Applicants who do not verify their ability to undertake studies in English by submitting such test scores will not be offered admission.

Applicants who meet our admission requirements but whose English skills do not meet language requirements are referred to one of the several language schools in Halifax for assessment.

The following table indicates the English language requirements for international student admission to the Mount:

Test	Score	Admission
<i>TOEFL (Computer Test)</i>		
	226-236	Full-time at the Mount
	214-225	Mount Bridging Program with one university level course
<i>TOEFL (iBT Test)</i>		
	86-92 (no individual score below 21)	Full-time at the Mount
	80-85 (no individual score below 20)	Mount Bridging Program with one university level course
<i>IELTS</i>		
	6.5 (no individual score below 6.0)	Full-time at the Mount
	6.0 (no individual score below 5.5)	Mount Bridging Program with one university level course
<i>CanTest</i>		
	4.5 (no individual score below 4.0)	Full-time at the Mount
	4.0 (no individual score below 3.5)	Mount Bridging Program with one university level course
<i>MELAB</i>		
	80-94	Full-time at the Mount
	76-79	Mount Bridging Program with one university level course
<i>Continued on next page...</i>		

CAEL		
	60 or higher (no individual score below 60)	Full-time at the Mount
	50 (no individual score below 50)	Mount Bridging Program with one university level course

#### University Bridging Program

This program allows students with near proficient English to begin their University studies while completing their academic preparatory language training. Students will attend 180 hours of English for Academic Purposes (EAP) instruction while taking one Mount Saint Vincent University course. Successful completion of the program allows students to go on to full-time university studies in the following term. For further information on the Bridging Program, please refer to msvu.ca/UBP.

#### 2.1.4.3 Mature Admissions Policy

Under the Mature Student Category, admission may be granted to students who have not completed the formal requirements for their program of choice.

All students accepted to the University under the Mature Admissions Policy will be required to consult with an academic advisor prior to registering for courses.

Application to the University may be made under the following options:

##### *With High School Diploma*

Students who **have graduated from high school** but lack the required grade average and/or course requirements may apply for admission three years after graduation. The following documentation is required:

- High school transcript;
- Detailed résumé outlining previous education and work experience.

*Note: Courses may be prescribed as a condition of admission.*

##### *Without High School Diploma*

Students who **did not graduate from high school** may apply for admission five years after their last year in school. The following documentation is required:

- High school transcript or GED scores;

*Note: Upgrading courses may be prescribed as a condition of admission.*

Mature students lacking the specific admissions requirements or specific program prerequisites for their preferred program, will be admitted either:

- to the program of choice conditionally by permission of the department; or
- to the Bachelor of Arts General Studies program by alternate offer.

#### Conditional Admission

Students admitted conditionally must complete assigned program prerequisites within the first academic year (12 months from start of courses).

#### Bachelor of Arts General Studies – General Admission

Students admitted to the Bachelor of Arts General Studies program, upon successful completion of the courses required for admission purposes, may apply to the Registrar's Office for a change of program to the program of their choice.

*Note: Students admitted under the Mature Student category are not eligible for transfer credits. Students wishing to be considered for transfer credits must apply through the Transfer Student Admission category.*

#### Seniors' Policy

The University does have a seniors' policy that provides for a fee discount to seniors who qualify under the policy. The permission of the instructor is required during the regular session and in some cases, prerequisites may also be waived. For more information, please contact the Admissions Office.

#### 2.1.4.4 Admissions Requirements for Transfer Applicants General University Entrance Requirements for Applicants Transferring from Other Institutions

- Transfer applicants must submit official transcripts (sent directly from the issuing institution to the Admissions Office) of all work completed at the post-secondary level. Admission decisions will be based on a review of this work with emphasis on the most recent levels of academic achievement. The Admissions Office may request additional information including high school transcripts.
- Students who have been academically dismissed elsewhere will not be considered for admission until at least 12 months have passed since the dismissal took effect.
- Please note that some programs have specific entrance requirements for transfer students. Please consult the program description for the degree as these additional requirements are also binding.
- Meeting the minimum requirement does not guarantee admission.
- Transfer applicants from a post-secondary institution may be admitted under the following:
  - Students who present a GPA of 2.0 or higher and who meet the specific program requirements may be admitted to their program of choice.
  - Students who lack the required admissions average and/or are missing specific admission requirements may be considered for admission on conditional standing. Conditions for acceptance may include such requirements as:
    - Upgrading courses and/or additional coursework.
    - Being required to take the Academic Success course.
    - Meeting with an Academic Advisor.

Failure to disclose all previous post-secondary study at the time of application may result in dismissal from the University.

Admission to some programs may require specific prerequisites and/or academic average levels. See 2.1.6 Additional Admission Requirements for further details.

#### 2.1.4.5 Non-Degree Students

Non-degree status is intended for students who wish to take courses without being enrolled in a degree program. Students entering the University under this status are not admitted formally to the University and are not registered as degree students.

Individuals who are accepted as non-degree students may complete up to five (5.0) units of undergraduate coursework without applying for formal admission to the University.

### *Admission Process*

- Submit Non-Degree Student Application online.
- Pay application fee.

### *Conditions, Rules and Policies*

- The University's English Language Proficiency requirements must be met.
- Course prerequisites must be met.
- Official transcripts are issued for non-degree students.
- Non-degree students are subject to all University rules, regulations, and policies, including student conduct, and academic requirements.
- Non-degree students may be suspended from registering for courses for non-compliance of University rules, regulations, and policies. If course registration privileges are suspended, non-degree students may not re-register for courses until they have been offered formal admission to the University. Non-degree students who are denied registration may appeal in writing to the Registrar.

### *Formal Admission to the University*

- Non-degree students may initiate the formal admission process by submitting a formal online application to the Admissions Office. Please refer to section 2.1.4 Admission Requirements and 2.1.6 Additional Admission Requirements for specific admission requirements or contact the Admissions Office.
- Students who have already paid a non-degree application fee will not be required to pay another application fee.
- Courses completed as a non-degree student may be considered as part of the admission decision process.
- Upon admission, courses completed as a non-degree student may count as transfer credits towards the student's academic program, if applicable.
- Only students who have been formally admitted to a degree program may graduate with a Mount Saint Vincent University degree, diploma, or certificate.

### **2.1.5 Holders of University Degrees, Diplomas and Certificates** *(including previous credentials from the Mount)*

A student who wishes to obtain a second undergraduate degree must fulfill the same conditions as a transfer student. See section 2.1.4.4 Admission Requirements for Transfer Applicants on page 20. If applicable, the student must also complete a major different from that of the first degree and a minor according to the regulations of the particular degree program.

A student who holds a Mount Saint Vincent University degree must complete a minimum of 50 percent of the requirements for a certificate or diploma above and beyond the credits counted toward degree requirements in order to receive the second credential. A student may progress from certificate to diploma to degree by fulfilling the stated requirements of the next higher credential. Previously earned credits will be applied as appropriate when such a sequence is followed.

In all cases, the student must apply for and receive the appropriate credential as soon as credential requirements are completed. University credentials are sequential. Therefore, a credential will not be awarded retroactively after another higher credential within the same program has been awarded.

### **2.1.6 Additional Admission Requirements**

In addition to the General Admissions Requirements, individual programs have specific requirements, as listed below. Specific course details can be found in section 4 Departments, Programs, and Course Listings on page 64.

#### *Certificate in Accounting*

This program is not open to students entering directly from high school. It is intended for persons only in business or allied fields or those with at least 5.0 units of university credit.

#### *Certificate and Diploma in Business Administration*

Entrance requirements for the Certificate and the Diploma in Business Administration programs are the same as for the Bachelor of Business Administration degree. Due to the sequencing of course prerequisites, it may not be possible to complete the certificate in one academic year or the diploma in two.

#### *Certificate in Marketing*

Entrance requirements for the Certificate in Marketing program are the same as for the Bachelor of Business Administration degree. Due to the sequencing of course prerequisites, it may not be possible to complete the certificate in one academic year.

#### *Certificate in Community Leadership*

Entrance requirements for the Certificate in Community Leadership program are the same as for the Bachelor of Business Administration degree. Due to the sequencing of course prerequisites, it may not be possible to complete the certificate in one academic year.

#### *Certificate and Diploma in Tourism and Hospitality Management*

Entrance requirements for the Certificate and the Diploma in Tourism and Hospitality Management are the same as for the Bachelor of Tourism and Hospitality Management degree. Due to the sequencing of course prerequisites, it may not be possible to complete the certificate in one academic year or the diploma in two.

#### *Bachelor of Arts*

Entrance requirements are as noted above with preference given to students with strong and well-rounded high school programs. See 2.1.4 Admission Requirements.

Students who are interested in pursuing a major in Psychology are required to complete grade XI or XII academic or advanced mathematics.

Students who are interested in pursuing majors in economics, mathematics or public policy studies are required to complete grade XI and XII academic or advanced mathematics.

Students interested in these programs but lack the required mathematics background may register in the Bachelor of Arts program and complete MATH 0027 to acquire the appropriate mathematics background for these majors.

#### *Bachelor of Arts (Child and Youth Study)*

In addition to the General Admissions Requirements, grade XI or XII academic or advanced mathematics is required.

Applicants are advised to apply as early as possible to this program, as there are limits to the number of students

who can be accepted in any one year. Qualified candidates will be accepted until the program is full.

Child Abuse Register checks and Criminal Records checks will be made prior to the first practicum placement.

#### *Bachelor of Business Administration*

In addition to the General Admissions Requirements, grade XI and XII academic or advanced mathematics are required.

#### *Bachelor of Education*

This is a limited enrolment program and admission is highly competitive. Superior grades in a first undergraduate degree are a minimum requirement.

See further details in *Section 4 Programs, Departments and Course Listings-Education* on page 122.

#### *Bachelor of Public Relations*

In addition to the General Admissions Requirements, a grade XI or grade XII academic mathematics course (or equivalent) is required along with a minimum grade of 75% in grade XII academic English.

Applicants are advised to apply as early as possible to this program, as there are limits to the number of students who can be accepted in any one year. Qualified candidates will be accepted until the program is full.

Applicants should have keyboarding skills to meet program requirements. This program requires three compulsory co-operative education terms in addition to 20.0 units of academic coursework.

#### *Bachelor of Science*

In addition to the General Admissions Requirements, grade XI and XII academic or advanced mathematics plus a minimum of one natural science are required. An additional science may be required, depending on choice of major. Students interested in a Bachelor of Science program but lack the required mathematics and science background may register in a Bachelor of Arts program and complete either MATH 1102 and 1103 or MATH 1113 to qualify for admission to the Bachelor of Science programs in Biology, Chemistry, Mathematics, or Psychology.

#### *Bachelor of Science in Applied Human Nutrition*

In addition to the General Admissions Requirements, grade XII chemistry, and one other science (Biology preferred); and grade XI and XII academic or advanced mathematics are required.

Applicants are advised to apply as early as possible to this program, as there are limits to the number of students who can be accepted in any one year. Qualified candidates will be accepted until the program is full.

Health screening and immunizations are required prior to the first placement in a health facility.

#### *Bachelor of Tourism and Hospitality Management*

In addition to the General Admissions Requirements, grade XI and XII academic or advanced mathematics are required. This program requires three compulsory co-operative education terms or two work experience terms in addition to 20.0 units of academic coursework.

#### *Mathematics*

Please note that university-administered mathematics placement tests must be taken by all students intending to register for any 1000-level mathematics courses at the

Mount. Completion of university-preparatory mathematics does not, by itself, satisfy specific course prerequisites.

#### **2.1.7 Students with Disabilities**

Students wishing to make arrangements for accommodations should contact Accessibility Services, normally, within one month of acceptance to the University. Students registered with and who have provided to Accessibility Services (AS) the appropriate documentation will work with AS staff to identify and make arrangements for any required academic accommodations. For more information, please go to [msvu.ca/accessibilityservices](http://msvu.ca/accessibilityservices).

#### **2.1.8 Audit**

Audit students have been admitted to the University and may attend all lectures but are not required to write tests and examinations. The experience can be useful to introduce those who are not yet committed to credit studies or who wish to acquire information without course credit. Audit fees are one-half of the credit fees. Formal application/registration as an auditor must be completed prior to attending any course. Complete the Registration/Application Form for Auditing Students found online at [msvu.ca/regofficeforms](http://msvu.ca/regofficeforms). Please see Academic Course Add/Drop Dates on page 8 for precise dates. Audited courses may not be transferred for credit upon admission to a program of study.

#### **2.1.9 Preparation for Professional Programs**

Students who intend to study at a professional school for degrees in such fields as architecture, dentistry, education, law, medicine, physiotherapy, social work, theology or veterinary medicine can take many preparatory courses at the Mount.

Students should read the calendars of the institutions that offer the programs to learn about admission standards, policies and specific prerequisites. The Student Academic Advisor can advise on which Mount Saint Vincent University courses are most appropriate.

#### **2.1.10 Status upon Admission to Bachelor of Arts or Bachelor of Science**

Students must declare their major or general studies program as well as, concentrations and minors before they register for their sixth unit of coursework. Refer to section 2.2.11 Declaring a Major for the information on how to officially declare a major. Students may later change their major or general studies status, with the approval of the appropriate department. Not declaring a major or concentration may affect graduation.

#### **2.1.11 Principles Governing the Awarding of Multiple Credentials**

*(Certificates, Diplomas and Degrees)*

Subject to the exclusions listed below, these principles shall govern the credentials awarded to graduating students who request to claim multiple credentials at the same convocation.

1. If a diploma or degree automatically satisfies all requirements for a lesser credential, only the highest credential is awarded at the time of graduation.

Principle (1) will apply to the following series of credentials:

- Certificate in Business Administration, Diploma in Business Administration, Bachelor of Business Administration
- Certificate in Tourism and Hospitality Management, Diploma in Tourism and Hospitality Management, Bachelor of Tourism and Hospitality Management
- Certificate in Business Administration, Bachelor of Tourism and Hospitality Management

*Note: Students who chose to move from certificate to diploma to degree must claim the credential as soon as they complete the course requirements. In such cases, students must claim the certificate as soon as course requirements have been completed and then progress to the diploma. Likewise, students must claim the diploma as soon as course requirements have been completed and then progress to the degree.*

2. If the requirements for a lesser credential can be satisfied within a higher credential by suitable choices of electives, the following rules shall apply:
  - 2A. If the subject of the lesser credential can be recognized within the higher credential (as a concentration, major or option), only the higher of the credentials or the degree will be awarded. Students wishing to claim both credentials will be governed by the regulations for pursuing a second undergraduate credential and will be required to complete a minimum of 50 percent of the units required for the second credential in addition to the units required for the higher credential or degree.

Principle (2A) will provide for the following awards:

- Certificate in Accounting, Bachelor of Business Administration: Subject to coursework completed, the former will be claimed as an accounting concentration or major in the latter and only the degree will be awarded.
- Certificate in Marketing, Bachelor of Business Administration: Subject to coursework completed, the former will be claimed as a marketing concentration or major in the latter and only the degree will be awarded.

- 2B. When the higher credential or degree structure does not permit recognition of the subject of the lesser credential (as a concentration, major or option), both credentials can be awarded.

Principle (2B) will provide for the following awards:

- Certificate in Marketing, Bachelor of Public Relations: Since the Bachelor of Public Relations degree structure does not provide for majors or concentrations, both credentials can be awarded.
- Certificate in Business Administration or Certificate in Marketing, Bachelor of Science in Applied Human Nutrition: Since the Bachelor of Science in Applied Human Nutrition does not provide for majors or concentrations, both credentials can be awarded.
- Certificates in the Faculty of Professional Studies and Bachelor of Arts or Science degrees: Since the Bachelors of Arts and Science degrees do not provide for majors or concentrations in professional studies, multiple credentials can be claimed at the time of graduation. In numerous cases, given the requirements for professional courses in the certificates and the limitations on the number of

professional courses permitted in Bachelors of Arts and Science degrees, additional courses beyond the degree requirements will be needed to fulfill multiple credential requirements.

#### *Exclusions to the Principles Governing the Awarding of Multiple Credentials*

The Certificate and the Advanced Certificate of Proficiency in French are intended to be completed in conjunction with a degree. In addition to the specific course requirements, these certificates include comprehensive examinations.

## 2.2 Regulations (General)

See 1.3 Glossary of Terms for definitions of the various forms of undergraduate student status.

### 2.2.1 Applying External Credits to a Certificate, Diploma or Degree

In order for Mount Saint Vincent University to evaluate possible transfer credits, students must:

- apply to the University and indicate in the application the intended program and/or major;
- provide official transcripts from all previously attended post-secondary institutions. Final transcripts must be provided for transfer credits to be finalized; and
- be prepared to provide official copies of course descriptions (syllabi preferred).

A completed Transfer Equivalency Report will be sent to students and the results will be included on their University transcript. Transfer credit requests made before the admissions application deadline will be given priority. Students with questions or concerns about transfer credits should contact the Admissions Office at [admissions@msvu.ca](mailto:admissions@msvu.ca).

### Accepted External Credits

External credits can be applied towards a University certificate, diploma or degree up to a maximum of 50 percent of the total credits required through any combination of the following as listed in the Accepted External Credits table below.

In addition to this requirement, students must complete a minimum of 50 percent of the specific credential requirements at Mount Saint Vincent University. This regulation applies to requirements for:

- majors
- specializations
- concentrations
- minors
- honours
- coursework at the 3000 level or above as required to complete a major or honours program

Credit type	Percentage/units allowed up to	Initiated by	Assessed	Action required by student
<i>Transfer Credit</i>	50 percent	Admissions Office	Upon being admitted to the University	Application for admission

<i>CEGEP</i>	5.0 units of study	Admissions Office	Upon being admitted to the University	Application for admission

### 2.2.2 Transfer Credits

Mount Saint Vincent University may grant transfer credit equivalency for academic work previously completed at accredited universities and colleges.

- Credits must be acceptable to the program in which transfer is being sought at the University either as a required course or an elective.
- Credits that transfer as part of the requirements for a major must meet the University's standards pertaining to program averages.
- Credits will be assessed in one of two ways:
  - As part of an articulation agreement with another accredited institution; or
  - Individually by an Admissions Officer in consultation with the appropriate department.

Except for credits awarded in Mount Saint Vincent University degrees offered in association with Saint Mary's University and Bermuda College, a grade of "P" (pass) will be assigned to all transfer credits. In the case of Bermuda College, credits will transfer in alpha form and will be considered in the University's GPA calculation.

*Note: Program prerequisites or the content of the program may change substantially. Credits taken many years previously may be considered non-transferable in such cases.*

- To graduate from Mount Saint Vincent University, transfer students must complete a minimum of 50 percent of the required coursework at the Mount. In addition to this requirement, students must complete a minimum of 50 percent of the specific credential requirements at Mount Saint Vincent University. This regulation applies to requirements for:
  - majors
  - specializations
  - concentrations
  - minors
  - honours
  - coursework at the 3000 level or above as required to complete a major or honours program.
- Transfer students who begin study at the Mount, transfer elsewhere and then return, will be reviewed for credit on an individual basis, but must be within the 50 percent regulation for University coursework content. Please see section 2.2.8 Reactivation/Resumption of Study for more information.
- Upon admission to a credential program, a Transfer Credit Assessment will be completed and a Transfer Equivalency Report will be issued.
- Approved transfer credits will appear on the academic transcript.

#### Articulated Degree Arrangements

For a complete listing of articulated agreements, please visit the Registrar's Office website ([msvu.ca/registrar](http://msvu.ca/registrar) - Admissions > Transfers > Articulation Agreements).

### 2.2.3 Letter of Permission (LOP)

Students enrolled at Mount Saint Vincent University (the University) wishing to take courses at other institutions (host institutions) for credit must obtain formal approval on a Letter of Permission (LOP) form prior to registering at the host institution.

A Letter of Permission (LOP) may be approved providing the following conditions are met:

- a student must be registered in courses at the University; exceptional cases will be considered on an individual basis;
- a student is in good academic standing and has successfully completed 3.0 units of coursework at the University;
- a student has not reached the allowable number of transfer credits of 50 percent of any undergraduate/graduate credential;
- the course at the host institution is acceptable for transfer to the student's academic program.
- the letter of permission form(s) is/are submitted on or before the last day to add/drop a course for each respective academic term or summer session.

The following are conditions under which LOP requests are *not* normally granted:

- a student is not registered in a certificate, diploma or degree program at the University;
- the course being requested does not meet program and/or major requirements at the University;
- a student is not in good academic standing at the University;
- a student has been academically dismissed from the University;
- a course was completed at another institution without prior approval of the LOP;
- the course is offered at the University during the session being requested except in the following situations:
  - a schedule conflict that cannot be resolved
  - the course at the University is full
  - the course at the University is not offered online
  - taking the course at the University would cause undue hardship

A grade of "P" (pass) will be assigned to all LOP credits, except for credits taken while in an approved formal exchange program, which may transfer in an alpha format and will be considered in the University's GPA based on program requirements. If the host institution's grading scheme is in numeric format, marks will transfer in as "P", which holds a neutral GPA value.

*Note: Upon approval of the LOP by the Registrar's Office, the course is added to the student's academic transcript. If the student does not take the course they must submit, to the Registrar's Office, written proof from the host institution that the course was not taken in order for the course to be removed from the transcript.*

Students with questions or concerns about Letters of Permission may contact the Registrar's Office at [registration@msvu.ca](mailto:registration@msvu.ca).

### 2.2.4 Challenge for Credit

Challenge for Credit provides students who have obtained knowledge and skills (through various institutes, corporate and/or on-the-job training programs that are not normally eligible for transfer credit or requirement waiver, and self-study) with an opportunity to obtain credit toward their Mount Saint Vincent University credential.

#### Exclusions

1. Challenge for Credit is not applicable for work completed at the secondary level.
2. Each department determines which, if any, of its course requirements can be fulfilled by Challenge for Credit, recognizing that such arrangements are not appropriate for all course offerings.
3. Students may not Challenge for Credit any coursework prerequisite to coursework taken concurrently or in the past. Similarly, students may not Challenge for Credit coursework they have exceeded by means of a placement test, requirement waiver, or transfer credit granted.
4. Students may not Challenge for Credit to raise the grade of a course taken previously at Mount Saint Vincent University or elsewhere.

#### Policy and Procedures

1. Students may obtain up to 5.0 units through Challenge for Credit in an undergraduate degree; up to 4.0 units in a diploma or up to 3.0 units in a certificate.
2. Students initiate the process directly with the Registrar's Office if they believe they are eligible.
3. Each student must meet departmental requirements for Challenge for Credit. Departments have the right to refuse a Challenge for Credit request. If approved at the department level, the student must then submit a formal Challenge for Credit application and the appropriate fee to the Registrar's Office.
4. In most cases, Challenge for Credit will involve taking a formal examination. In some cases, especially where a formal examination is not given, the Challenge for Credit will involve completing a major project or piece of work for evaluation.
5. Students may Challenge for Credit only once for a course, and the results of the Challenge will be recorded on the transcript. Where the Challenge grade is C or higher, the actual grade is recorded. Where the grade is C- or lower, a notation of NC (no credit) is recorded.
6. The cost is one half the cost of the course being challenged.

### 2.2.5 Prior Learning Assessment (PLA)

The Mount recognizes learning that applicants have acquired through institutes, corporate and/or on-the-job training programs and educational settings not normally eligible for transfer credit. Although policies exist currently in the areas of transfer and challenge for credit, no more than 50 percent of any credential can be accredited at the Mount through a compilation of the following:

- Transfer credit - up to 50 percent of any undergraduate credential
- Challenge credit - up to 5.0 units in an undergraduate degree, up to 4.0 units in a diploma, or up to 3.0 units in a certificate.
- Portfolio assessment - up to 50 percent of any undergraduate credential

*Note: Credit earned through Prior Learning Assessment policies at other institutions will be assessed as transfer credit to Mount Saint Vincent University.*

#### Portfolio Assessment

Students are requested to submit their portfolio to the Registrar's Office with their requests for specific course assessments. Portfolios will be forwarded to the appropriate department(s) for review and assessment.

The cost of portfolio assessment is one half of the cost of the course being evaluated.

### 2.2.6 Normal Course Load

- In the first two terms of university attendance (beginning in the Fall Term), students will normally take up to a maximum 5.0 units. *Please note: part-time students are enrolled in 2.5 or fewer units during the September to April academic year and full-time students are enrolled in 3.0 or more units during the September to April academic year.*
- The maximum course load permitted for each of the Fall term, Winter term or combined Summer Sessions (considered as one term) is 2.5 units. However, no more than 1.5 units can be completed in any one summer session.
- Practicum courses are not considered part of the course load.
- Students with a cumulative GPA of 2.5 or greater may apply to exceed this maximum course limit. Normally, only an additional 0.5 unit will be permitted per term.

### 2.2.7 Concurrent Registration

Students enrolled at Mount Saint Vincent University who wish to take courses at other institutions for credit must obtain formal approval through a Letter of Permission prior to registering in an external course.

### 2.2.8 Reactivation/Resumption of Study

Students who have been away from studies for more than one year, are required to reactivate through one of the following three processes:

Students who:

- are reactivating into a non-degree program or a previous program of study (not a limited enrolment program); and
- have not attended another institution during the absence from the Mount

*Must:* complete the Reactivation form (found online at [msvu.ca/regofficeforms](http://msvu.ca/regofficeforms)) and submit it to the Registrar's Office.

Students who:

- are reactivating into a non-degree program or a previous program of study (not a limited enrolment program); and
- have attended another institution(s) during the absence from the Mount

*Must:* complete and submit the Reactivation form (found online at [msvu.ca/regofficeforms](http://msvu.ca/regofficeforms)) to the Admissions Office, along with official transcripts from the institutions attended during the absence from the Mount.

Students who:

- are reactivating into a limited enrolment program (BA(CYS), BPR, or BEd)

*Must:* formally apply to the University through the Admissions Office and can do so online at [msvu.ca/applyonline](http://msvu.ca/applyonline).

Because course and degree requirements change over time students are advised to review the full program and course descriptions. Students with questions should consult the appropriate department Chair, the Dean, or the Registrar for clarification of standing if program requirements have changed since previous registration.

### 2.2.9 Visiting Students

Ordinarily, no student may register at Mount Saint Vincent University if concurrently registered at another educational institution without the explicit approval of the home university.

Students from other institutions who want to register in Mount Saint Vincent University courses for credit at home must obtain the appropriate approval form from their home institution and present the form when registering at the Mount. Students with an approval form from the home institution are not required to formally apply for admissions at Mount Saint Vincent University. Students must complete the Visiting Student Application/Registration form, which can be found online at [msvu.ca/visitingstudent](https://msvu.ca/visitingstudent).

Students with questions or concerns about becoming a visiting student at Mount Saint Vincent University may contact the Registrar's Office at [registration@msvu.ca](mailto:registration@msvu.ca).

### 2.2.10 Registration

See Academic Course Add/Drop Dates and Important Dates in the University Year on pages 8 and 9 for current registration dates.

Students formally admitted to the University must complete all registration procedures in order to be considered officially registered at the University. Information can be obtained from the Registrar's Office by all students eligible to register.

To be officially registered, students must:

- Have been formally admitted to the University;
- Have met the necessary financial obligations: if newly admitted, paid the required confirmation deposit; or, if previously registered, have cleared all outstanding financial obligations;
- Have obtained the required approvals for proposed coursework and submitted a completed Course Change form to the Registrar's Office or submitted their registrations through myMount at [msvu.ca](https://msvu.ca).

*Note: Students obtaining course approvals do so on the understanding that prerequisites will be met prior to the beginning of the course. Prerequisites are listed in the Calendar description of each course offered. Failure to meet prerequisites may result in dismissal from the course.*

- As part of the registration process, students must also open a financial account with Financial Services for the proposed period of study.

Once formal registration has been completed, enrolment records are established for each student by the Registrar's Office. It is the student's responsibility to ensure the enrolment record is maintained accurately and updated to reflect any changes (including the decision to not begin courses or to stop attending courses) as outlined below.

*Note: Changes in personal status, address, e-mail, telephone number and so forth must be reported directly to the Registrar's Office either in person, in writing or online through myMount. Changes to a student's record are made only upon the written request of the student.*

*Appropriate forms are available from the Registrar's Office or online at [msvu.ca/regofficeforms](https://msvu.ca/regofficeforms). Alternatively, students may submit changes by letter or by fax to 902-457-6498. All correspondence must include the student's Mount Saint Vincent University identification number to ensure accurate recording.*

### 2.2.11 Declaring a Major

Students enrolled in the Bachelor of Arts or Bachelor of Science degrees can complete their degrees with a "major" - a planned selection of courses intended to provide background and depth in a discipline.

The first step is deciding the discipline in which you wish to major. Those taking a Bachelor of Arts can choose from among: Canadian Studies, Communication, Cultural Studies, Economics, English, French, History, Mathematics, Religious Studies, Political Studies, Psychology, Public Policy Studies, Sociology/Anthropology, and Women's Studies. For a Bachelor of Science, the possibilities are: Biology, Chemistry, Mathematics, and Psychology. Your decision will be aided by first investigating the requirements for a specific major. The specific requirements for Majors and Minors are found under Section 4 Departments, Programs and Course Listings on page 64.

Secondly, you should seek advice from the department Chair, (the name of the Chair for each program appears directly under the program name in Section 4 Departments, Programs and Course Listings), who will help you or direct you to someone who can. You are encouraged to seek this advice early in your studies to ensure the proper course selection and sequence for your program.

Once you have decided to declare a major, you must:

- have your Faculty Advisor in the department in which you intend to major sign a Declaration/Change of Program form (available from the Registrar's Office, department Chair's office or online at [msvu.ca/regofficeforms](https://msvu.ca/regofficeforms));
- take the completed form to the Registrar's Office to have your major officially declared.

Until you declare your intention to pursue a major or general studies program, your Bachelor of Arts or Bachelor of Science program will be noted as "undeclared."

Students must declare their major before registering for their sixth unit of coursework. Bachelor of Arts and Bachelor of Science students who do not declare their intention to complete a major or a general studies program within this time frame will not be permitted to register for further coursework.

#### Changing a Major

Students who wish to change their major must proceed as follows:

- have your faculty advisor, in the department in which you intend to major, sign a Declaration/Change of Program form (available from the Registrar's Office, department Chair's office or online at [msvu.ca/regofficeforms](https://msvu.ca/regofficeforms));
- take the completed form to the Registrar's Office to have your major officially declared.

#### Declaring a General Studies Program

Students enrolled in Bachelor of Arts and Bachelor of Science degrees can complete their program in general studies - a planned selection of courses intended to provide a

broad background in the humanities, sciences and social sciences.

You must seek advice with your course selection and sequence from an Academic Advisor. Once you have decided to pursue a general studies program, you must:

- have an academic advisor in the Centre for Academic Advising and Student Success sign a Declaration/Change of Program form (available from the Registrar's Office, Centre for Academic Advising and Student Success or online at [msvu.ca/regofficeforms](https://msvu.ca/regofficeforms));
- take the completed form to the Registrar's Office to have your general studies program officially declared.

Students must declare their intention before registering for their sixth unit of coursework. Bachelor of Arts and Bachelor of Science students who do not declare their intention to complete a general studies program within this time frame will not be permitted to register for further coursework.

### 2.2.12 Change in Course Registration

Students may change their registration in courses only during the first week of each term. An instructor is not obligated to accept a student into a class after the first full week of classes has passed.

In order to make such a change, students must complete a Course Change form from the Registrar's Offices, Deans' Office or [msvu.ca/regofficeforms](https://msvu.ca/regofficeforms) and submit it to the Registrar's Office. These changes can also be done online through myMount.

It is the students' responsibility to keep their registration records accurate and up to date.

Alternately, students may submit changes by letter, fax, or by sending an email from the student's Mount email account to [registration@msvu.ca](mailto:registration@msvu.ca). Only changes made in writing or on myMount will be recorded.

The effective change date is the date the form is received and date-stamped in the Registrar's Office.

### 2.2.13 Withdrawal

Once students are registered in courses, their names are part of the official enrolment record and grades will be assigned.

Students wishing to withdraw from courses must withdraw in writing. The responsibility for initiating withdrawal rests with the student.

**Ceasing to attend classes or advising the course instructor of intended withdrawal is not sufficient to register a formal withdrawal.**

Withdrawal from a course is done by submitting a Course Change form, or letter (containing all the relevant information) to the Registrar's Office. The official date of withdrawal is the date the form or letter is received and date-stamped in the Registrar's Office. Students should take this into account when meeting withdrawal deadlines - see Academic Course Add/Drop Dates on page 8.

Students who withdraw from a course after these dates or who do not complete the course requirements will automatically receive failures. Consideration will be given by the appropriate Dean to students who are forced to withdraw past the deadlines due to unusual circumstances. See regulations governing "WP" grades on page 31.

### 2.2.14 Class Attendance

Regular attendance is expected of students at all classes. In general, the responsibility for meeting this obligation rests

with students, even where it is not specifically stated in the course outline. Students may not register for courses where the scheduled times overlap in any way on any day. Where such a case is found, the student will be assigned a failing grade in the courses with overlapping times.

It is the prerogative of the instructor to determine when a student's scholastic standing in any course is being affected adversely by absence. The instructor then, in consultation with the appropriate Dean, will determine whether or not the student should be dismissed from the course.

It is the student's responsibility to notify the instructor of any justifiable reason that causes an absence from class. *Resumption Following a Labour Disruption*

Should a strike or lockout occur during an academic session, classes and examinations may be rescheduled following the conclusion of the labour disruption.

### 2.2.15 Transcripts

A student's transcript is the record of academic work undertaken and results obtained while at the Mount. Transcripts are prepared and released upon the written request of students in good financial standing with the University. Telephone requests cannot be accepted, but written and signed requests may be sent by fax to 902-457-6498 to expedite ordering. Complete and submit the Transcript Request form available online at [msvu.ca/regofficeforms](https://msvu.ca/regofficeforms). Students may obtain an unofficial copy of their own transcript upon request.

### 2.2.16 Co-Curricular Record (CCR)

The CCR provides students an opportunity to document their verified non-academic extra-curricular involvement in volunteer work, professional development activities, receipt of awards, leadership experiences, varsity athletics, global engagement, and student society participation on an official university document, the Co-Curricular Record. Students may submit their activities via [careerconnects.msvu.ca](https://careerconnects.msvu.ca). Once the activity has been validated by the activity supervisor, it will appear on the student's Co-Curricular Record along with the competencies the student has identified learning from the activity. The CCR gives students the edge employers and graduate schools are looking for! Students may wish to share their CCR along with their applications and it may be accessed by the student anytime via [careerconnects.msvu.ca](https://careerconnects.msvu.ca). Full details about the program, including student guidelines and frequently asked questions are available at [msvu.ca/ccr](https://msvu.ca/ccr).

### 2.2.17 Academic Advising

Students and prospective students are encouraged to meet regularly with staff and faculty advisors about their academic plans and progress. Advisors help students: understand their degree requirements and academic policies and procedures, select and schedule courses and plan their programs, explore their academic interests, and access other on-campus student services.

Students should meet with an advisor before they begin their first year of study, annually to discuss course selection for the summer, fall and winter semesters, and anytime they have questions or require academic advice. It is the student's responsibility to know their program requirements to ensure they meet graduation requirements.

The Centre for Academic Advising and Student Success is open to all Mount students and connects them with key academic support services across campus.

### 2.2.18 Deans' List

One sign of academic excellence is the attainment of Deans' List Standing. To attain this honour, a student must achieve a GPA of 3.5 or higher in 5.0 consecutive units, with no grade below B-. Students may be enrolled on either a full-time or part-time basis.

The Deans' List is prepared and posted annually during the fall term. Mount Saint Vincent University and letter of permission courses included in the calculation of cumulative GPAs are considered in the preparation of the Deans' List. Courses are considered only once for inclusion in the Deans' List and the calculations are based on 5.0 unit increments. Coursework transferred from another institution is not eligible for consideration in the Deans' List.

Within the academic standing of the Deans' List, a student may achieve first-class honours by obtaining a GPA of 3.7 in 5.0 units, with no grade below a B-.

### 2.2.19 Academic Standing

Student records are reviewed at the end of the fall, winter and summer terms for academic progress. Students' academic standing is assessed once per year when winter term results become available.

#### *Good Academic Standing*

Good academic standing is a Cumulative Grade Point Average (CGPA) of 1.7 or higher.

#### *Academic Alert*

Students who achieve a Term Grade Point Average (TGPA) below 1.7 in their fall term grades will receive a letter from the Academic Advising Office, notifying them that they are on Academic Alert.

Academic Alert is not an academic standing and is not recorded on the student's academic transcript. It is an early alert that a student may be in academic jeopardy if her/his academic progress does not improve and is an indication that academic advising should be sought.

#### *Academic Probation*

Students with a CGPA of less than 1.7 and greater than or equal to 1.0 who have attempted at least 3.0 units, will be placed on academic probation.

Students on academic probation:

- are required to meet with an academic advisor in the Centre for Academic Advising and Student Success to have their course registration approved;
- may continue to take courses and will normally be restricted to registering in a maximum of 4.0 units per academic year; and
- are required to register in and successfully complete the Student Success Course, UNIV 0001.

Students who achieve a CGPA of 1.7 or higher by the end of the following winter term will be returned to "good academic standing." Students on academic probation who do not achieve a TGPA of 1.7 by the end of the following winter term will be academically suspended for a 12-month period.

#### *Academic Suspension*

- Students on academic probation whose TGPA is less than 1.7 will be academically suspended for a 12-month period.

- Students whose CGPA is less than 1.0 and who have attempted at least 3.0 units will be academically suspended for a 12-month period
- Students who have been academically suspended for a second time:
- will not be permitted to apply for reactivation for at least two academic years; and
  - must meet with an academic advisor in the Centre for Academic Advising and Student Success prior to any reactivation.

#### *Reactivation*

Students seeking reactivation following suspension are required to meet with an academic advisor in the Centre for Academic Advising and Student Success prior to any reactivation. Students will be reactivated on academic probation and special conditions of reactivation may apply.

#### *Graduation Requirements*

- Students require a CGPA of 1.7 to graduate.
- No one will be allowed to graduate while on academic probation.
- Additionally, students must meet specific departmental GPA requirements for graduation.

### 2.2.20 Undergraduate Level Grading Scheme

The undergraduate grading system is alphabetic. Following are the grades given in undergraduate courses, along with the GPA points for each grade and an explanation of what the grade means:

<i>Letter Grade</i>	<i>Descriptor</i>	<i>Grade Points</i>	<i>Numerical Guidelines</i>
A+	This mark indicates outstanding performance. In addition to having mastered the content of the course, the student has demonstrated the ability to apply the course material in new and creative ways and/or has shown an understanding of its wider context and significance.	4.3	90-100
A	This mark range indicates excellent performance. The student has mastered the content of the course.	4.0	85-89
A-		3.7	80-84
B+	This mark indicates good to very good performance. The student has demonstrated a thorough knowledge of the course material and comprehension of its essential concepts.	3.3	77-79
B		3.0	73-76
B-		2.7	70-72
C+	This mark range indicates satisfactory performance. The student has demonstrated an adequate knowledge of course material.	2.3	67-69
C		2.0	63-66
C-		1.7	60-62
D	This mark indicates poor performance. The student has minimally fulfilled the requirements for the course.	1.0	50-59
F	This mark indicates that the student has failed to meet the minimum requirements of the course and has not demonstrated an adequate grasp of the material.	0.0	0-49
F*	This mark (F with notation) indicates that the student has failed the course as a result of an academic offence.	0.0	
P	This mark, Pass, is given in courses graded only on the Pass/Fail scale.	Neutral	
NC	No Credit. Used exclusively for Challenge for Credit marks where the grade is C- or lower.	Neutral	
NCR	This mark indicates no credit, repeat and is allowed in courses graded only on the Pass/Fail scale.	Neutral	
NXM	This notation is given in 1.0 unit courses for which no December grades are given.	Neutral	
INC	Incomplete with Deadline for Completion ( <i>Regulations and deadlines noted below</i> )	Neutral	
DEF	Deferral for illness ( <i>Regulations and deadlines noted below</i> )	Neutral	
IP	In Progress at end of term ( <i>Regulations and deadlines noted below</i> )	Neutral	
W	Withdrawal without academic penalty - deadline driven	Neutral	
WP	Late withdrawal without academic penalty - deadline driven ( <i>Regulations noted below</i> )	Neutral	
WF	Late withdrawal with academic penalty - deadline driven	0.0	

#### *IP*

When a final grade notation of IP is given in seminars, independent and directed studies at the senior undergraduate level, students must complete the required work within four months of the month the notation is given in lieu of a final grade. If the course is not completed within this time, the student must re-register for the course (and pay another course tuition) in order to receive credit for the course.

When a final grade notation of IP is given in the honours thesis seminar in April, the thesis must be completed by the following mid-September (in time for fall convocation), otherwise the student must re-register (and pay another course tuition) in order to receive credit for the course.

#### *INC*

The notation "INC" (Incomplete) is given according to the following regulations:

- When a student is unable to complete course requirements for other than medical reasons and the faculty member agrees to a schedule for the completion of the outstanding requirements.
- When a student is unable to complete course requirements, which may or may not include a final exam, due to illness, an appropriate medical certificate must be presented to the Registrar's Office and accepted by

faculty at the time that the final examination was to have been written or no later than the last day of classes for a course with no final examination.

Arrangements for course completion are made on an individual basis and in the case of illness, must be made as soon as the student is sufficiently recovered to complete the outstanding requirements. Normally, when sufficiently recovered, the student will be permitted to write the examination or complete the outstanding requirements on application to the Registrar's Office.

Under no circumstances can work be accepted after the last day of the month following the end of the session in which the "Incomplete" (INC) is earned, but faculty can set an earlier deadline within that period. If these arrangements are not completed in the specified time, the INC notation shall be changed to Failure (F) unless the coursework completed to the time of receiving the INC warrants a passing grade. In such cases the faculty will assign the grade.

In exceptional cases, a grade of INC may be changed to a grade of Deferred (DEF). Please refer to the regulations governing the grade of DEF.

## DEF

A notation of “DEF” (Deferred) can be given through the Registrar’s Office in exceptional cases when a student is unable to complete course requirements due to medical or other reasons during the time frame provided for completing an INC grade.

Normally, in accordance with INC grade regulations, a grade of INC will be initially assigned by the faculty. **A student whose circumstances warrant a grade of DEF must submit a Petition to Request a Grade of Deferred (DEF) form to the Registrar’s Office no later than 15 days prior to the expiration of the INC grade. See page 8 for exact deadlines.** The Registrar, Dean and faculty member will determine whether the petition will be granted or the grade of INC will remain.

If the petition for the DEF is granted and the student cannot or does not subsequently complete the examination or coursework, the notation of DEF remains on the transcript indefinitely. A notation of DEF that can be cleared must be cleared within six months of the date the DEF notation is made. If this is not done, the student must retake the course or a substitute to earn credit. This means another formal course registration and payment of tuition.

## WF

A student who withdraws from a course after the ‘Last Day to drop without academic penalty’ deadline (see Academic Course Add/Drop Dates for details) will receive the notation ‘WF’ on their transcript. This notation will affect a student’s GPA.

## WP

A student who withdraws from a course due to exceptional circumstances after the withdrawal date for academic penalty may petition to the Dean for a grade of WP. If the petition is granted and the student has earned a grade of C- or above in the coursework to the point of withdrawal, a grade of WP will be recorded. Students must complete the Petition to Request a Grade of Withdraw Pass (WP) available online at [msvu.ca/regofficeforms](https://msvu.ca/regofficeforms) and submit to the Registrar’s Office. The deadline to apply for a WP is the last day of classes for each term – see Important Dates in the University Year on page 9 for the “Last day of Classes” notation.

## Passing Mark

A minimum grade of D is required to pass any undergraduate course. However, some courses may involve the completion of additional requirements, such as, competence in particular skills, for a passing grade.

It is necessary that students achieve a grade of D in the work in the second term and an average of D in both terms in order to pass a 1.0 unit course.

## Grades for Co-op Work Terms, Practica and Work Experience Terms

Letter Grade	Descriptor	Grade Points
P	Pass. This mark indicates that the student has successfully completed the placement or work term and continues academic study.	Neutral
NCR	No credit, repeat. This mark indicates that the student must repeat the work term or practicum	Neutral

	and pass before returning to academic study. Normally, a student may receive only one NCR grade and remain in the program.	
F	Fail. This mark indicates that the student has failed to meet the minimum requirements in the work term or practicum and results in dismissal from the program.	0.0

## 2.2.21 Examination Policy

1. An examination will normally be required for every course taught at the University.
  2. There will be an examination period at the end of each term during which all examinations will be written as scheduled by the Registrar’s Office. Instructors may not schedule examinations outside of this examination period including the reading day. *Please note: The Registrar’s Office administers examinations for the fall and winter terms. Examinations during the summer terms are managed by the individual faculty member.*
  3. The value of the examination must be at least 30 percent of the work of the term, the exact value of each examination to be determined by the instructor in consultation with the department.
  4. An examination must never provide more than 70 percent of the total mark for a course.
  5. With the exception of Practica, Co-op and Internships, all students, including those in labs and pass/fail courses, must receive written feedback from instructors before the deadline for withdrawing without academic penalty.
  6. The form of the examination—oral, multiple choice, open book, essay, etc.—will be the prerogative of the instructor in consultation with the department.
  7. Exemptions for giving an examination in a course are subject to departmental policy on examinations and reporting. If a course is exempt from examination, this must be stated in the course outline, and the Registrar’s Office must be informed of the exemption.
  8. No tests will be held nor assignments made due during the final two weeks of any academic term unless these tests and formal assignments are included on the course outline distributed at the beginning of each academic term. Examination scheduling is covered in items 2 and 7 above.
  9. Grades for all courses having examinations must be received in the Registrar’s Office five days after the scheduled examination day.
  10. Students are cautioned to not make travel arrangements until exams are completed during the examination period as end of term travel plans are not a valid reason to miss an examination.
  11. Students are not permitted to write examinations prior to the regularly scheduled examination for their class.
- In the case of online courses with proctored exams, students who live within 100 km of the Mount must write their examination(s) on campus during the scheduled time.
- ### General Exam Rules for Students
1. Nothing may be taken to the student’s seat except materials authorized for the examination.
  2. Anything which is not authorized by the instructor or chief proctor must be left at the front of the examination room. Such items include (but are not limited to) jackets, backpacks, text books, notes and purses.

3. Unauthorized computing, data storage, and communication devices must be turned off and left at the front of the examination room.
4. In the case of open-book exams, students will be permitted to have material at their seats that has been pre-authorized by their instructor.
5. Calculators may be used at the discretion of the instructor.
6. With the exception of clear plastic water bottles with no writing on them, food and beverages are not permitted in the examination room.
7. Students are not permitted to wear brimmed hats while writing exams.
8. There will be no talking in the examination room.
9. Students must display their valid Mount Saint Vincent University Student ID Card during each exam.
10. Students may begin their exams as soon as they are seated; however, shortly after they begin their exams, a sheet will be circulated on which they must write their name beside the appropriate seat number.
11. No student may leave the examination room during the first twenty minutes of the exam. Latecomers will be admitted to the examination room only during the first twenty minutes.
12. Students requiring assistance should raise their hands and not leave their seats.
13. When students have finished their exam, they should write their row and seat number on the cover of the examination booklets, hand their exams to one of the proctors and sign the attendance sheet for their course. Students may be required to show their valid Mount Saint Vincent University Student ID Card at this time.
14. Students found communicating with one another in any way or under any pretext; having unauthorized books, papers, electronic computing devices, data storage, or communication devices in view, even if their use is not proved; or found cheating in any way will be reported by the Chief Proctor to the course instructor and the Registrar's Office. Procedures for Academic Offences will be followed.
15. If a student misses an examination due to illness, they must inform the Registrar's Office within 48 hours of the missed examination and submit a medical certificate from a physician, directly to the Registrar's Office.

#### *Examination Conflicts*

If a student has overlapping exam times, a work commitment that cannot be changed, or is scheduled to write three exams in three consecutive writing times, an Exam Conflict form should be submitted to the Registrar's Office. Documentation may be required.

#### *Rescheduled Examinations*

Please consult the entries for INC and DEF notations in section 2.2.20 Undergraduate Level Grading Scheme.

### **2.2.22 Academic Appeals Procedures**

There are two types of appeals. 1) Grade appeals concerned with the fair evaluation of student work and are conducted at departmental level. 2) Appeals concerned with the mistaken application of University regulations, including appeals against penalties imposed for academic offences, are considered by the Appeals Committee. The Registrar's role is to coordinate the appeals process. The Registrar's Office will advise students on procedural matters upon request; it does not provide advocacy services.

These procedures are in place to ensure that student appeals are dealt with in an equitable and orderly fashion. All concerns about grading should be resolved at the level nearest the student whenever possible. Students should approach their professor as soon as a concern is identified and request an informal re-assessment of the grade under consideration. It is not necessary to wait until the course is over to request consideration of a grade. Mutually agreeable settlements may be made between the professor and the student informally at any time in the process.

If students have concerns about the way a course is being managed, rather than with their own grade, they should speak to their professor or to the department Chair as early in the term as possible. The Academic Appeals policy is not intended to apply to course management issues.

#### *2.2.22.1 Grade Appeals*

##### *Stage One: Informal Grade Query and Grade Analysis*

The student with a grade concern must approach the faculty member to discuss the grade. This step should be taken within two weeks of notification of the grade, if the grade is an interim mark. Final grade queries must be initiated by the deadlines shown on page 8 - Academic Appeals Deadlines. The faculty member will conduct a grade analysis if requested. A grade analysis involves confirming that all grades were recorded correctly.

If still dissatisfied, the student may move to Stage 2. Stage 2 is initiated by contacting the Registrar's Office to complete the Academic Appeals form. The Academic Appeals form is copied to the department Chair, the Dean, and the faculty member concerned. If not carried out at Stage 1, a grade analysis is conducted before a re-read in order to ensure that any arithmetical errors are corrected.

##### *Stage Two: Re-read*

A re-read shall involve reconsideration of the student's coursework, including the final examination, if any. It shall be the responsibility of the student to preserve all exercises, papers, reports and other graded material for the course except the final examination paper, and to submit the originals of these documents with the application for a re-read. Work not submitted, and courses, or aspects of courses in which it is not possible to review the student's work cannot be taken into consideration.

Students must initiate a re-read within two weeks of the completion of Stage 1.

By initiating a re-read, the student forfeits the grade originally assigned and understands that a grade will be assigned as a result of the re-read process. Grades may go down as well as up, and the grade decision reached after a re-read is final.

A re-read will be conducted as follows:

1. The Registrar will convey the re-read request with copies of all relevant materials to the department Chair (or to the appropriate Dean if the Chair is the instructor, or if there is no Chair).
2. The re-read will be conducted by two professors designated by the department Chair or the appropriate Dean. Those conducting the re-read will be provided with copies of the course outline and marking criteria, as appropriate. Normally the professor who assigned the original grade will not re-read the work at this stage unless no other faculty with competence in the area are available. Regrading results are reported, giving the grade awarded

and the basis for the decision, within three weeks of the date of the request for a re-read.

3. The department Chair will determine the result of the re-read, after consultation with the Dean, if necessary, and report the grade to be assigned in writing to the Registrar. If the department Chair and the Dean are the same person, an alternate Dean will be consulted, if necessary.
4. The Registrar will convey the result to the student, the appropriate Dean, and the faculty member, and will amend the student's transcript of grades accordingly.
5. The results of a re-read are final and do not constitute grounds for further appeal.

#### **2.2.22.2 Appeal of Misapplication of University Regulations by Petition to the Committee on Academic Appeals**

Students who have reason to believe they have been subject to a misapplication of an academic regulation or that the imposition of academic regulations would create undue hardship have the right to submit their case to the Committee on Academic Appeals.

A petition to the Committee on Academic Appeals must be based on solid evidence. An appeal must be initiated within three weeks of the incidence of the alleged mistaken treatment under appeal. The Committee has the right to refuse to hear cases it judges to be without substance or if the outcome of a grade appeal is the only point in dispute.

##### ***Procedures for this Type of Appeal***

1. Application for an appeal to the Committee must be made in the form of a signed and dated letter, accompanied by an Academic Appeal Petition form, available from the Registrar's Office. The basis of the appeal should be clearly stated in the letter of appeal and decisions will be based on this information alone. Thus, applicants must ensure that all relevant information is stated in the letter of appeal. Applicants are advised to contact the Registrar's Office for advice while collecting information for their appeal in order to ensure that all necessary information is included. Students will state in writing their specific complaint and the action already taken to seek a remedy. This written representation should be directed to the Registrar and all supporting documents must accompany it. At this point the faculty member involved will be informed by the Registrar that a petition to the Committee has been launched.
2. The Registrar will forward any relevant material with the letter of appeal to the Chair of the Committee on Academic Appeals. The Committee has the right to dismiss a case as unfounded at this stage.
3. If the Committee determines that a hearing will take place, applicants will be notified of the date and time their appeal will be heard and invited to attend and be heard at that time. Members of the Committee cannot participate in the hearing of any appeal arising from an action to which they have been a party. The conduct of the hearing is described below.
4. The Chair of the Committee on Academic Appeals will report the results of the Committee's consideration and the reasons for its decision to the student, professor and Registrar. The decision of the Committee is final and there is no avenue for further appeal.
5. All proceedings of the Committee are confidential.

#### **2.2.22.3 Academic Appeals Committee Procedures**

Appeals related to academic matters (misapplication of university regulations and academic offences) will be considered by the Academic Appeals Committee, a standing committee of the University Senate, with membership as follows:

- Six members of faculty, one of whom will be designated as the Chair of the Committee and three of whom will be alternates
- Four students, two of whom will be alternates
- The Registrar as a resource (non-voting)

Faculty and students who have a conflict of interest, such as having been involved previously with the case under consideration, will withdraw from the Committee. In the event that the Registrar and Associate Registrar have both been involved in the case, an alternate Dean will serve as the resource member on the Committee.

The Registrar will forward the written appeal and supporting material to the Academic Appeals Committee, the student, and the faculty member.

With reasonable notice, but normally within three weeks, the Academic Appeals Committee will invite both parties to a hearing to state their respective cases. The Committee will have the right to call on the department Chair and/or the Dean, as appropriate to the hearing.

The hearing will occur whether the parties involved choose to be present or not.

Written materials submitted from the faculty or student subsequent to the initial request for an appeal will be provided to both parties. Normally these materials will be received 48 hours in advance of the hearing. When this is not the case, the hearing may be delayed at the request of either party.

##### ***Hearing Procedures***

1. The purpose of the hearing is to ascertain the facts. Both the student and faculty will be invited into the hearing by the Chair of the Committee and asked to present their respective cases and will be permitted to cross examine the evidence.
2. The Chair of the Committee has the authority to maintain order during the hearing. The faculty and student are permitted to have a supporter present at the hearing. Such supports will appear as advisors, not advocates, and may speak briefly on behalf of their advisees. Supporters are not permitted to cross examine other participants or members of the Committee at the hearing. The Chair of the Committee will ensure that both parties have sufficient opportunity to be heard.
3. At the conclusion of the hearing, both parties and any supporters will leave and the Committee will begin deliberations in camera.
4. The decision of the Committee is final. The decision and the reasons for it will be communicated to the student, the professor, and the Registrar in writing.

#### **2.2.23 Academic Offences**

The University recognizes that while members of the community are committed to promoting academic integrity, offences will occur and procedures are needed to deal fairly with these offences. Academic offences are violations of academic integrity. These include, but are not limited to, plagiarism, cheating and misrepresentation related to academic work.

In addition to this section of the Calendar and statements in course outlines, students will consult with their instructors if in doubt about what constitutes academic offences in individual courses and situations.

#### *2.2.23.1 Plagiarism*

Plagiarism is presenting someone else's words or ideas obtained from any source, including the Internet, as though they were one's own. Specific offences include, but are not limited to, the following:

- Using copied material without enclosing that material in quotation marks and/or without appropriately acknowledging its source;
- Paraphrasing or summarizing the original wording too closely;
- Omitting acknowledgment of the source of paraphrases and summaries;
- Submitting work that has been written in full or in part by someone else.

If students have questions about the correct citation format for any aspect of their academic assessments (written or oral), they should consult their faculty and the library's resource collection on academic integrity.

#### *2.2.23.2 Cheating*

Cheating includes, but is not limited to, the following:

- Receiving or giving academic information or assistance during a test or an examination;
- Using unauthorized material during a test or examination. This may include, but is not limited to, notes, books, calculators, and communication devices;
- Submitting for a take-home examination or test work that has been written in full or in part by someone else or has had the benefit of assistance from some other person;
- Submitting false information of any kind in written or oral format. This includes, but is not limited to, data and observational anecdotes;
- Obtaining examination questions, tests, or assignments by any unauthorized means;
- Impersonating another student or having someone impersonate oneself in class, at an examination or test, or in any other situation in which one is evaluated;
- Submitting work for which one has already received academic credit, unless authorized to do so by the instructor;
- Permitting an assignment of one's own to be used by another for academic credit.

#### *2.2.23.3 Other*

Includes, but is not limited to, selling, purchasing, borrowing or lending academic work for submission for academic credit.

#### *2.2.23.4 Procedures for Dealing with Plagiarism, Cheating and Other Academic Offences*

When an academic offence is suspected, the faculty member will make every reasonable effort to meet as soon as possible with the student(s) and provide an opportunity for explanation or defence against the allegation. The faculty member may consider having another faculty member with her/him when meeting with the student, in which case, the faculty member will provide an opportunity for the student to bring another student to the meeting. Where students are unavailable for a face-to-face meeting (as may be the case

for some online learning students) the discussion can take place by e-mail or telephone. If the student fails to respond to a request for a meeting or does not attend a pre-arranged meeting or does not provide a satisfactory explanation for the suspected academic offence, then the faculty member may decide to proceed with a formal charge. Before recommending a penalty and filing a report, the faculty member will consult with the department Chair. If the faculty member is the department Chair, another member of the department will be consulted.

1. If a formal charge is to be made, the faculty member will send a written report of the offence (including relevant documentation and recommended penalty based on the University guidelines) to the Dean copied to the Registrar and department Chair within five working days following the meeting with the student(s). Penalties may range from a grade of zero in an assignment in a course to expulsion from the University.
2. The Dean will review the recommended penalty to ensure that it is consistent with penalties for similar offences. The Registrar's Office will review the file(s) of the student(s) charged to determine whether the student(s) has been guilty of previous offence(s) and provide relevant information to the Dean. Should questions of consistency arise or previous offences be on file, the Dean may revise the recommended penalty. The final decision as to the penalty to be assessed rests with the Dean. Within five working days of receiving a report from the faculty member, the Dean will confirm or revise the penalty and report to the Registrar with a copy to the faculty member and department Chair.
3. The Registrar's Office will send notification of the penalty assessed, by registered mail, together with a summary report of the charge presented, to the student(s) involved within ten working days of receiving the Dean's report.
4. If the recommended penalty is expulsion, the Dean will make a recommendation, in writing, to the President with a copy to the Registrar. The President will then confirm or revise the penalty. The University President will send the notification to the student(s) with copies to the Registrar, faculty member, department Chair and the Dean.
5. Subject to any appeal decisions, all documents related to the charge will be a permanent record in the student's file. This information will be available to the Dean and those involved in any appeal process regarding subsequent charges of academic offences.
6. The student(s) will have the right to respond in writing to this notification within 15 working days of its having been sent to her/him (them). The response will be placed on file with copies to the faculty member, department Chair and the Dean (and President, in the case of expulsion). The student(s) will have the right to appeal the decision and/or the related penalty to the Academic Appeals Committee (see Appeals).
7. Two years following an assessment of a penalty transcript notation, if there is only a single "F" with a notation on the student's transcript; the student may appeal to have the notation removed from the transcript. This appeal must be made within ten years from the time the offence was noted on the transcript. The Appeals Committee will consider the student's entire file in assessing the appeal to remove the notation.

#### *2.2.23.5 Misrepresentation*

Misrepresentation includes, but is not limited to, the following:

- Misrepresenting or involving others in misrepresenting one's personal circumstances in order to obtain special consideration in one's academic work;
- Submitting fraudulent medical documents;
- Submitting fraudulent documents or materials (e.g., in support of an application for admission to the University);
- Failing to disclose and/or falsifying previous post-secondary study when applying to the University.

#### 2.2.23.6 Procedures for Dealing with Misrepresentation

In specific cases involving misrepresentation, whoever becomes aware of an incident should report it, in writing, to the Registrar and/or Dean, depending on the situation. When the Registrar identifies a potential offence in this category, it will be dealt with as follows:

1. When the Registrar and/or Dean has reason to suspect that an academic offence has occurred, the Registrar and/or Dean will provide an opportunity for the student to discuss the incident for clarification purposes.
2. Following this discussion, the Registrar and/or Dean will determine whether or not an academic offence has occurred. If it is determined that an offence has occurred, a written report (including relevant documentation and recommended penalty based on the University guidelines) will be sent to an alternate Dean who will assess the penalty (which may range from zero in an assignment to expulsion from or denial of admission to the University).
3. Within seven working days of determining the penalty, the Registrar will send notification to the student with copies to the department Chair and, where appropriate, to the faculty member and/or Dean.
4. If the recommended penalty is expulsion, the Dean will make a recommendation, in writing, to the President with a copy to the Registrar and, where appropriate, to the faculty member. The President will then confirm or revise the penalty. The University President will send the notification to the student with copies to the Registrar, faculty member, department Chair and the Dean.
5. Subject to any appeal decisions, all documents related to the charge will be a permanent record in the student's file.
6. The student has the right to respond in writing to this notification and the supporting documentation to the Registrar within 15 working days of receipt of the notification. The response will be placed on file with copies, where appropriate, to the faculty member, department Chair and the Dean (and President, in the case of expulsion). The student will have the right to appeal the decision and/or the related penalty to the Academic Appeals Committee.
7. Two years following an assessment of a penalty transcript notation, if there is only a single "F" with a notation on the student's transcript; the student may appeal to have the notation removed from the transcript. This appeal must be made within ten years from the time the offence was noted on the transcript. The Appeals Committee will consider the student's entire file in assessing the appeal to remove the notation.

#### 2.2.24 Academic Offence Appeals Procedures

Appeals related to academic offences will be considered by the Academic Appeals Committee, a standing committee of the University Senate, with membership as follows:

- Six members of faculty, one of whom will be designated as the Chair of the Committee and three of whom will be alternates

- Four students, two of whom will be alternates
- The Registrar as resource (non-voting)

Faculty and students who have a conflict of interest, such as, having been involved previously with the case under consideration, will withdraw from the Committee. In the event that the Registrar is involved in the case, an alternate Dean will serve as the resource member on the Committee.

A student wishing to appeal the decision that an academic offence has occurred and/or the related penalty will do so within 15 working days of the issuance of the report from the Registrar (or in the case of expulsion, from the President), by sending a written appeal to the Chair of the Academic Appeals Committee, in care of the Registrar.

The Registrar will forward the written appeal and supporting material to the Academic Appeals Committee, the appellant and the faculty member. The supporting material shall include:

- the written report from the faculty member, the Dean and in the case of expulsion, the President;
- accompanying materials received;
- a summary of any notations of academic offences in the student's file.

With reasonable notice, the Academic Appeals Committee will invite both parties to a hearing to state their respective cases. The Committee will have the right to call on the department Chair and/or the Dean, as appropriate, to the hearing.

The hearing will occur whether the parties involved choose to be present or not. Written materials submitted from the faculty or student subsequent to the initial request for an appeal will be provided to both parties. Normally these materials will be received 48 hours in advance of the hearing. When this is not the case, the hearing may be delayed at the request of either party.

#### Hearing Procedures

The purpose of the hearing is to ascertain the facts. Both the student and faculty will be invited into the hearing by the Chair of the Committee and asked to present their respective cases and will be permitted to cross examine the evidence.

The Chair of the Committee has the authority to maintain order during the hearing. The faculty and student are permitted to have a supporter present at the hearing. Such supporters will appear as advisors, not advocates, and may speak briefly on behalf of their advisees. Supporters are not permitted to cross examine other participants at the hearing or members of the Committee.

The Chair of the Committee will ensure that both parties have sufficient opportunity to be heard. At the conclusion of the hearing, both parties and any supporters will leave and the Committee will begin deliberations in camera.

After deliberations, the Academic Appeals Committee will determine by majority vote whether to:

- uphold or deny the charge, and
- confirm or alter the penalty imposed.

A written report of the decision and any penalty will be sent to both parties with copies to the faculty member, department Chair and the Dean (and the President, in the case of expulsion). The Registrar will follow through on the Committee's decision.

<sup>2</sup> Academic calendar year begins September 1 and ends on August 31

*Note: Previous offences in all categories will be considered when assessing penalties*

### 2.2.26 Student Judicial System

A student judicial system for non-academic infractions is in effect. It exists to maintain an environment that is hospitable and conducive to academic study and extra-curricular activities for both women and men. One of its premises is that non-academic standards of behaviour are as important to the quality of university life as are academic standards. It sets out what constitutes the misconduct for which students of the University are subject to discipline and procedures for dealing with complaints. The definitions of misconduct include, among others: conduct which threatens or endangers the health and safety of any member of the University community on- or off-campus; use of abusive or obscene language or gestures at any university sponsored functions or operations; obstruction or disruption of any university or Students' Union sponsored function; failure to comply with the instructions of university or Students' Union officials acting in the performance of their authorized duties; and violation of any law of Canada.

#### *Procedures*

Complaints may come from any member of the University community and should be directed to the Office of Student Experience. They must be in writing and in as much detail as possible regarding the misconduct being alleged. The AVP Student Experience then forwards a copy of the complaint to the respondent asking for a written response, and may begin an investigation. A hearing is scheduled by the Chair of the Student Judicial Committee. That committee has the power to impose sanctions. The decision can be appealed. Note that all disciplinary and appeal procedures are designed to follow principles of natural justice.

A copy of the student judicial code is available from the Secretary of Senate, the Office of Student Experience, and the Students' Union.

### 2.2.27 Email Communication

Every student at the Mount is assigned a Mount email account. The University requires all students and faculty to use their Mount email account when communicating course and University information. For quick access to Student Email log in to [msvu.ca/mymount](https://msvu.ca/mymount).

### 2.2.28 Regulations Governing Computer Use

To promote the responsible and ethical use of Mount Saint Vincent University computing resources, all Mount computer users will be expected to adhere to the computer use regulations described here. In addition to these norms, users may also be subject to additional regulations set by those responsible for a particular computing facility. Such regulations must be publicized. With due regard for the right of privacy of users and the confidentiality of their data, authorized university staff will routinely monitor computing activity in order to safeguard the security and smooth operation of Mount computing resources.

Individuals must respect the rights of other authorized users. The following activities are prohibited:

- using the computer access privileges of others or sharing one's username and password; interfering with the security or confidentiality of other users' files or maliciously destroying any computer-stored material including that in primary storage;
- impeding others or interfering with their legitimate use of computing facilities (this includes, but is not limited to,

sending obscene, threatening, or repeated unnecessary messages or downloading pornographic material);

- illegally copying programs or data that are the property of the University or other users or putting unauthorized or forbidden software, data files, or other such computer-related material on university computers;
- interfering with the normal operation of computing systems or attempting to subvert the restrictions associated with such facilities;
- using computing resources for purposes not in accordance with educational and/or research activity;
- failing to follow specific rules set out by the faculty member or department in charge of the course for classes, tests, or exams held in a computer lab;
- using the Internet and other computing resources for purposes deemed to be "recreational" to the detriment of curriculum-related uses.

Violations of the rules or procedures as published may result in withdrawal of computer access for the individual concerned and in all Mount Saint Vincent University usernames/user-IDs owned by that individual being disabled.

#### *Procedures for Dealing with Student Violations*

The specific procedures to be followed when a student allegedly violates the Computer Use Regulations will depend upon the nature and severity of the violation. Infractions may also be dealt with under the provision of the Student Judicial Code, Harassment and Discrimination Policy, Sexual Harassment Policy, or departmental or other academic policies. Violations may also lead to referral to law enforcement authorities.

##### ► *Level One*

The faculty or staff member and/or her/his chairperson or supervisor will speak to the student who has been accused of violating the Computer Usage Agreement. A mutual resolution will be sought, followed by a short memo to the Director of Information Technology and Services (IT&S), and a copy to the student. The memo should simply outline the name of the student, indicating that they were spoken to about a computer usage issue and that a satisfactory resolution has been found. This will allow repeat offences of seemingly one time or innocent violations to be monitored, in case the same issue has come up with another faculty member.

##### ► *Level Two*

Level two offences will be defined as repeat offences of level one. The Director of IT&S will forward the information to the Associate Vice President of Student Experience for appropriate action based on the nature of the offences. This could include the involvement of the Student Judicial Committee, the Registrar, or the Sexual Harassment Advisor. Procedures of the specific policy or code will be followed.

##### ► *Level Three*

Level three offences are those offences that are more serious in nature and which pose an immediate threat to the campus network. In such cases, faculty should contact the Director of IT&S immediately to identify the issue. In these cases, IT&S network staff may be the first party to identify the issue. The Director of IT&S, in consultation with the University President or her designate, will immediately terminate the student's access to the Mount's computing facilities. The

process will then continue in accordance with the guidelines noted for level two offences.

### 2.2.29 Privacy of Information

#### *Freedom of Information and Protection of Privacy (FOIPOP)*

In 1993, the province of Nova Scotia enacted the Freedom of Information and Protection of Privacy Act. Its purpose is to make public bodies more open and accountable to the public in the way they acquire, use and dispose of information.

This is achieved in a number of ways including:

- giving the public a right of access to records in the custody and control of the University, subject only to limited and specific exemptions;
- giving individuals a right of access to personal information held by the University about them and allowing them the opportunity to request a correction to said information;
- specifying limited exemptions to the right of access;
- ensuring appropriate collection, use and disclosure of personal information.

The Act also provides the opportunity for individuals to request information, making public bodies directly accountable to each citizen.

A complete copy of the Nova Scotia Freedom of Information and Protection of Privacy Act is available on the government web site at <http://foipop.ns.ca/legislation.html>.

#### *Personal Information and Protection of Electronic Documents (PIPEDA)*

PIPEDA, which came into force January 1, 2001, establishes new rules for privacy. The rules recognize the rights of individuals to control the use of their personal information. The rules also impose obligations on organizations to protect personal information in a manner that a reasonable person would consider appropriate in the circumstances. This legislation protects the privacy rights of all Canadians as it applies to every organization that collects, uses or discloses personal information in the course of commercial activities.

A complete copy of Bill C-6, the Personal Information Protection and Electronic Documents Act is available on the Privacy Commissioner's web site at [privcom.gc.ca](http://privcom.gc.ca).

#### *Privacy Act*

Under the federal Privacy Act, individuals can request access to their own individual information held in federal information banks, including those held by Statistics Canada.

### Notification of Disclosure of Personal Information to Statistics Canada and the Maritime Provinces Higher Education Commission Statistics Canada

Statistics Canada is the national statistical agency. As such, Statistics Canada carries out hundreds of surveys each year on a wide range of matters, including education.

It is essential to be able to follow students across time and institutions to understand, for example, the factors affecting enrolment demand at postsecondary institutions. The increased emphasis on accountability for public investment means that it is also important to understand 'outcomes'. In order to conduct such studies, Statistics Canada asks all colleges and universities to provide data on students and graduates. Institutions collect and provide to Statistics Canada, student identification information (student's name et

student ID number), student contact information (address and telephone number), student demographic characteristics, and enrolment information.

The federal Statistics Act provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. The information may be used for statistical purposes only, and the confidentiality provisions of the Statistics Act prevent the information from being released in any way that would identify a student.

Students may contact Statistics Canada via e-mail if they have any questions: [statcan.PSIS-SIEP.statcan@canada.ca](mailto:statcan.PSIS-SIEP.statcan@canada.ca).

### Maritime Provinces Higher Education Commission

The MPHEC collects the data described above on behalf of Statistics Canada. In addition, it archives these data and uses them to generate basic statistics, research products, as well as the sampling frame for its university graduate survey. These activities support its mandate, which is to assist institutions and governments in enhancing the post-secondary learning environment. The legal authority for these activities is provided by the Maritime Provinces Higher Education Commission Act. The MPHEC publishes information in aggregate form so that personal information concerning any person is never revealed. The MPHEC may disclose personal information for the purpose of research, in alignment with its mandate, and as authorized the MPHEC Act.

For more information, consult the MPHEC's Privacy Statement at: [www.mphec.ca](http://www.mphec.ca).

### 2.2.30 Other Regulations

In addition, students availing themselves of university services and facilities are expected to abide by the procedures and regulations accompanying the same.

### 2.2.31 Graduation

Although advice is readily available on request, the responsibility of selecting the appropriate courses for graduation rests ultimately with the student.

Senate confers certificates, diplomas, and degrees twice each year in the spring and in the fall. Normally, Convocation is held in May and in November.

Students must submit an Application to Graduate form found online at [msvu.ca/convocation](http://msvu.ca/convocation) by the specified deadlines - see Important Dates in the University Year on page 9. A graduation fee is also required. Conferred credentials will not be made available to students until all accounts have been paid in full.

#### 2.2.31.1 Graduation Requirements

In order to graduate, a minimum of 50 percent of total coursework must be completed at Mount Saint Vincent University. In addition to this requirement, students must complete a minimum of 50 percent of the specific credential requirements at the Mount. This regulation applies to requirements for:

- majors
- specializations
- concentrations
- minors
- honours
- coursework at the 3000 level or above as required to complete a major or honours program.

Students also require a CGPA of 1.7 to graduate. Therefore, no one will be allowed to graduate while on academic probation. In addition, students must meet specific departmental GPA requirements for graduation.

#### **2.2.31.2 Honours at Graduation**

Guidelines for honours at graduation, known as graduating “with distinction,” are as follows. These guidelines will be interpreted by the Committee on Academic Policy and Planning, in consultation with the Registrar.

##### ***Graduating “With Distinction”***

A student may graduate “with distinction” under the following conditions:

- A cumulative GPA of at least 3.50 is obtained.
- For students in the BA and BSc General Studies, “with distinction” will be assessed in the last eight (8.0) units of study taken at the Mount.
- For students in programs with 20.0 or more required units, “with distinction” will be assessed in the last ten (10.0) units of study taken at the Mount.
- The calculation of “with distinction” will include courses taken by letter of permission, the highest grade obtained in repeated courses, and any courses for which failed grades were obtained.
- For students in a Bermuda College “in association with” program, the calculation will be based on all courses taken at the Mount, including approved “cross-listed” Bermuda College courses.
- Transfer credits awarded for work completed elsewhere prior to being admitted to Mount Saint Vincent University will be not counted towards honours at graduation, nor will courses taken while participating in exchange programs.

##### ***Graduating with a Diploma in Business***

A student receiving a Business diploma may be awarded “with distinction” under the following conditions:

- A cumulative GPA of at least 3.50 is obtained in the last 8.0 units of study taken at the Mount.
- The 6.5 required business courses at the 2000 or higher level must be included in the 8.0 units.
- The calculation of “with distinction” will include courses taken by letter of permission, the highest grade obtained in repeated courses, and any courses for which failed grades were obtained.
- Transfer credits awarded for work completed elsewhere prior to being admitted to Mount Saint Vincent University will be not counted towards honours at graduation, nor will courses taken while participating in exchange programs.

The notation “With Distinction” will appear on the transcript.

##### ***Graduating with First-Class Honours***

A student may graduate with first-class honours under the following conditions:

- For honours degrees, first-class honours will be awarded to students who obtain a minimum GPA of 3.50 or better in the last ten (10.0) units in the honours subject and no grade below B- in all courses beyond the first 5.0 units taken at the Mount.
- The calculation of “with first-class honours” will include courses taken by letter of permission, the highest grade obtained in repeated courses, and any courses for which failed grades were obtained.

- Transfer credits awarded for work completed elsewhere prior to being admitted to Mount Saint Vincent University will be not counted towards honours at graduation, nor will courses taken while participating in exchange programs.

The notation “First-Class Honours” will appear on the transcript.

#### **2.2.31.3 Participation in Convocation Ceremonies**

Students who wish to participate in the formal ceremonies of convocation do so at the ceremony immediately following completion of the academic requirements for their credential. Students who do not wish to participate in convocation ceremonies may receive their credential in absentia by by informing the Registrar’s Office. Information on the ceremonies and the in absentia alternative are automatically sent to students who file an Application to Graduate form with the Registrar’s Office.

When financial arrears prevent students from graduating, they become eligible to participate fully in the next scheduled convocation ceremony following their full payment of fees owed. Students wishing to do this should contact the Registrar’s Office as soon as their debt is cleared.

#### **2.2.32 Prizes Awarded At Convocation**

##### ***Senate Awards of Distinction***

Pewter awards are presented by the Senate to recognize students who graduate “with distinction and with highest aggregate” in their diploma or bachelor program. These awards are presented at both the spring and fall ceremonies.

##### ***President’s Prizes***

Special awards donated by the University President are given to members of the spring and fall graduating classes whose energy, generosity and commitment have enriched the University during their time as students, and who show promise that their commitment will continue as alumni.

##### ***Kappa Gamma Pi***

Kappa Gamma Pi is the National Catholic College Graduate Honour Society. Membership is based on scholarship, leadership and service. Members are selected not only for recognition of past accomplishments but also in anticipation of future service.

##### ***Governor-General’s Medal***

Donated by the Governor-General of Canada this medal is given once per year at the undergraduate level for the highest aggregate in the final three years (15.0 units) of a degree program.

*Note: Annual prizes are presented at the spring convocation. Students graduating the previous fall are equally eligible with spring graduands for the annual prizes.*

Financial Information

## 3 - Financial Information

### 3.1 Financial Awards

Many Scholarships, Bursaries, Awards and Prizes at Mount Saint Vincent University have been made possible through the generosity of donors who wish to support the University in achieving its goal of providing access to quality post-secondary education for Mount students. Unless otherwise noted in the individual award description, scholarships and bursaries are awarded for one year. All students become eligible for consideration or, where required, make application annually, so that scholarship standing is always assessed on students' most recent academic work. Financial need is assessed annually.

For more information, please visit our website at: [msvu.ca/scholarships](https://msvu.ca/scholarships).

#### 3.1.1 External Financial Assistance

Many students partially finance their education through the Canada Student Financial Assistance Program administered by their home province. For details, contact your provincial student financial assistance office. The mailing address in Nova Scotia is:

Student Assistance Office  
PO Box 2290, Halifax Central  
Halifax NS B3J 3C8  
Metro telephone number: 902-424-8420  
Toll free: 1-800-565-8420  
Website: [novascotia.ca/studentassistance](https://novascotia.ca/studentassistance)

The Financial Aid Office is available to assist students with their student assistance applications and to provide information on other types of financial assistance. Employment opportunities are available at the University for students who wish to work part-time, through the Student Works Program, -library, Athletics and Recreation, MSVUSU and Chartwells. Most student jobs (both on-campus and off-campus) are posted on [careerconnects.msvu.ca](https://careerconnects.msvu.ca).

Career Services in McCain 312 can also assist with your job search. Career Services can be contacted at [careerplanning@msvu.ca](mailto:careerplanning@msvu.ca).

The Financial Aid Office maintains information on scholarships and bursaries external to Mount Saint Vincent University. This information is posted on the website's External Awards and Scholarships page.

#### 3.1.2 Bursaries Available Through Mount Saint Vincent University

Bursaries are need-based awards intended to assist students experiencing financial challenges with the costs of attending Mount Saint Vincent University. All bursaries awarded through Mount Saint Vincent University require a formal application which includes specific and detailed financial information. The University offers two annual bursary programs for undergraduate students; applications for each are found at [msvu.ca/financialaid](https://msvu.ca/financialaid) when these applications are being accepted by the Financial Aid Office.

Students who apply for Mount Saint Vincent University bursaries are expected to have applied for all appropriate government student aid for which they qualify. Those who have not must submit a letter citing the reasons and circumstances why they have not applied for government

student aid programs or their application for a Mount bursary will not be considered. Applications missing required financial information will not be considered when awards are allocated. Students with questions or concerns are encouraged to contact [financial.aid@msvu.ca](mailto:financial.aid@msvu.ca) as early as possible in the application process.

#### Undergraduate Entrance Bursaries

Mount Saint Vincent University Undergraduate Entrance Bursaries are awarded in July of each year (applications are available each Spring). Full-time students entering the Mount for their first undergraduate degree are eligible to apply. Awards ranging in amounts from \$500 to \$2500 are made according to established and documented financial need. Students are required to submit a detailed financial disclosure application and supporting documents. For further information, contact the Financial Aid Office at [financial.aid@msvu.ca](mailto:financial.aid@msvu.ca).

**Completed Undergraduate Entrance Bursary applications must be received in the Financial Aid Office by 4:00 p.m. on June 13, 2022.**

#### In-Course Bursaries

Mount Saint Vincent University In-Course Bursaries are applied to student's account for January of each year (applications open for the month of October only). Any student registered in a Mount Saint Vincent University credential program may be eligible to apply. Awards ranging from \$100 to \$2000 are made according to established and documented financial need. Students are required to submit a detailed financial disclosure application and supporting documents. For further information, contact the Financial Aid Office at [financial.aid@msvu.ca](mailto:financial.aid@msvu.ca).

**Completed In-Course Bursary applications must be received in the Financial Aid Office by 4:00 p.m. on November 5, 2021.**

#### Named Bursaries

Mount Saint Vincent Endowed Bursaries are awarded as part of the Entrance Bursary and/or In-Course Bursary programs. Students are considered for these named bursaries based upon their Entrance Bursary and/or In-Course Bursary applications, no separate application is required.

*Please note that the listing of bursaries is accurate at the time of publication, but that changes may occur. For more information, visit: [msvu.ca/financialaid](https://msvu.ca/financialaid)*

### **3.1.3 Scholarships**

Unless otherwise noted in the individual scholarship description, scholarships are awarded one year at a time so that scholarship standing is assessed on students' most recent academic work.

Entrance and in-course scholarships are awarded by the Undergraduate Admissions, Scholarships and Awards Committee in accordance with established scholarship eligibility criteria. Students are advised to read each scholarship description carefully. Some scholarships require a special application form or letter from the student and where this is the case, the scholarship description specifies what is required. Often this means that students must supply additional personal information in order to demonstrate how they meet the specific requirements of the scholarship. The majority of scholarships listed do not require any special application; students are automatically screened for eligibility and presented to the Committee for consideration.

Scholarships administered by the Mount are awarded on the basis of academic merit and for both entrance and in-course scholarships this means meeting a minimum eligibility criterion of having an overall 80 percent or better coursework average with no grade below 70 percent if graded on a numeric scale and a minimum GPA of 3.50 if graded on an alphabetic scale. Additional factors taken into account are listed at the beginning of the entrance and in-course listings that follow.

*Note: Meeting eligibility criteria does not automatically guarantee receipt of a scholarship. Scholarships are tenable towards fees and tuition paid to Mount Saint Vincent University.*

*Please note that the listing of scholarships is accurate at the time of publication, but that changes may occur. For more information, visit: [msvu.ca/scholarships](http://msvu.ca/scholarships)*

#### **3.1.3.1 Entrance Scholarships**

Entrance scholarships are made to students entering Mount Saint Vincent directly from high school, except where specifically noted otherwise.

Students entering from high school **do not** require a separate scholarship application form but may want to include a résumé of experience or letter of explanation to further indicate their suitability. All entrance scholarships are renewable. Students are evaluated annually and scholarship renewal decisions are made according to their most recent academic results. It is also possible for a student who did not have an entrance scholarship to earn one in subsequent years as an in-course student.

#### **► Eligibility Criteria for Entrance Scholarships**

High school entrants with a minimum 80 percent average will be considered. The Undergraduate Admissions, Scholarships and Awards Committee may request additional information from students or from school counsellors before making an award.

Academic standing for renewal purposes will be reviewed every subsequent June by the Undergraduate Admissions, Scholarships and Awards Committee. Eligibility for renewal after the first year is as follows: entering year two -- minimum Term GPA 3.50 based on a 4.30 GPA Scale; entering years three and four -- minimum Term GPA 3.70 based on a 4.30 GPA Scale. If the Term GPA falls below the above noted minimums, the scholarship will not be renewed for that or subsequent years. Only students applying for admission prior to **March 1** will be considered for entrance scholarships which are offered in May. Inquiries concerning entrance scholarships should be directed to the Admissions Office.

#### **3.1.3.3 In-Course Scholarships**

In-course awards are made to students on the basis of coursework completed at Mount Saint Vincent University. The overall eligibility criteria for in-course awards require a minimum GPA of 3.50 plus nomination by faculty. All faculty are encouraged to nominate their superior students for scholarship consideration when they submit final marks each session which are recorded for use by the Undergraduate Admissions, Scholarships and Awards Committee. Some scholarships require a more specific kind of nomination as noted in the scholarship description, while others are awarded on the basis of departmental recommendations which is also noted in the scholarship description where this is the case. Students are advised to read each scholarship description carefully to determine whether they need to make a special application, submit specific letters of reference, or be nominated by departmental faculty.

When the Undergraduate Admissions, Scholarships and Awards Committee considers eligible students for scholarships, both overall GPA and faculty nominations are taken into account in a 4:1 ratio. Since the amount of scholarship money available in any one year is finite, scholarships are allocated according to each year's cohort of eligible candidates. Thus from one year to another the academic average and faculty nominations of scholarship holders may vary and those who held scholarships previously may find their scholarships awarded at the same value, increased, decreased, or discontinued. It is possible for a student who did not have an entrance scholarship to earn one as an in-course student under either the full- or part-time programs.

#### **► Merit Scholarships**

These scholarships are made possible by the generous donations of friends, alumni, staff and faculty to both the University's general scholarship endowment and the year-to-year scholarship operating funds.

*Note: Some endowed scholarships are tenable by either full- or part-time students. These awards are made on the recommendation of the particular academic department. Recommended students must, however, have an overall GPA of 3.50 or higher in their most recent coursework, including coursework outside of the nominating department, in order for the departmental recommendation to be ratified by the Undergraduate Admissions, Scholarships and Awards Committee.*

#### **► Full-Time In-Course & Merit Scholarships**

Once enrolled in Mount coursework, students are considered at the conclusion of the September to April academic year (or if a co-op student on work term, at the conclusion of the September to August year) on the basis of having achieved an overall minimum GPA of 3.50 or better in 3.0 units, and having received faculty scholarship nomination. Students are reminded that meeting the minimum eligibility criteria does not guarantee receipt of a scholarship or renewal of a previous scholarship.

#### **► Part-Time In-Course & Merit Scholarships**

Part-time students are eligible for scholarships based on achievement in the most recent 3.0 units of work completed. They must also meet the minimum GPA of 3.50 in these 3.0 units and must receive faculty nomination. ## Bachelor of Arts and Science Internship Option (BART and BSCI)

Mount Saint Vincent University offers a limited enrollment internship option for students registered in either the 20.0 unit Bachelor of Arts or Bachelor of Science degree. Students accepted into the internship program complete all required coursework for the Bachelor of Arts or Bachelor of Science degree, and, in addition, complete a 1.0 unit internship course, either BART 3399 or BSCI 3399.

The internship program allows students to formally integrate their academic program with professional work experience prior to graduating. All students accepted into the internship program will complete one paid internship with a government department, agency, non-profit, or corporate business.

By gaining professional work experience through the internship program, students will have an opportunity to determine career goals; gain practical knowledge and experience; develop confidence, maturity, and human relations skills; apply academic lessons to practical working situations; generate employment contacts; and provide financial assistance to meet educational expenses.

Participation in the internship program is at the discretion of individual departments and programs.

### Program Standards

Before completing the internship, students must meet these prerequisites:

1. achieved a 3.0 CGPA at the end of the academic term prior to the job search;
2. completed 15.0 units of university credit;
3. declared a major; and
4. enrolled as a full-time student when applying for admission into the internship program, and the terms before and after the internship.

There are three possible grades for internships:

1. P (Pass) - Student successfully completes the internship requirements
2. F (Fail) - Student does not successfully complete the internship requirements
3. W (Withdrawal) – Student withdraws from the internship program prior to accepting an internship or is unable to complete the internship due to unforeseen circumstances as approved by the academic department and/or Co-op Office

### Summary of Regulations

In order to graduate with a Bachelor of Arts or Bachelor of Science degree with the internship option, students must:

- ☐ fulfill the requirements of the degree in which they are enrolled
- ☐ maintain a 3.0 CGPA at the end of the academic term prior to the job search
- ☐ be enrolled as a full-time student when applying for admission into the internship program, and the terms before and after the internship
- ☐ have a declared major prior to applying for admission to the internship program
- ☐ attend all the professional development sessions facilitated by the Co-op Office
- ☐ complete the internship during the eligible term only

- ☐ complete one internship with a passing grade and in accordance to the standards prescribed. For a description of the appropriate standards, students must consult the Calendar entry for BART 3399 or BSCI 3399
- ☐ adhere to the policies and procedures as outlined in the Terms & Conditions for Internship Students and the University Calendar

### Withdrawal Dates

Depending on the time of withdrawal from the internship program, the following situations may occur:

- tuition fees may be assessed for any withdrawal from the internship program according to the withdrawal policy;
- withdrawal from the internship program prior to a job offer being accepted will result in a “W” for the internship and a withdrawal fee according to the withdrawal policy;
- withdrawal from the internship program if the student is not successful in securing an internship will result in a “W” for the internship and a withdrawal fee according to the withdrawal policy;
- once a job offer is accepted, withdrawal without permission will result in an “F” for the internship and full tuition fees will apply according to the withdrawal policy; and
- if a student fails to complete the internship requirements, an “F” will result for the internship and full tuition fees for the internship according to the withdrawal policy.

### Deferral Policy

Students are not eligible to defer the internship to a future term. Students who are not successful in securing an internship, or are not able to fulfill the requirements of the internship program, are required to withdraw from the internship program. Withdrawal fees and grades in accordance to the “Program Standards” will apply.

### Self-Directed Job Search

Students who fail to actively participate in all stages of the internship process within the parameters of the internship policies, procedures, regulations and the Terms and Conditions for Internship Students will be given a status of “Self Directed.” This status results in the student being removed from the application and interview cycle. Details of the “Self Directed” status are outlined in the Terms and Conditions for Internship Students provided by the Co-op Office.

### Appeal Process

Students are able to appeal decisions regarding admission to, and withdrawal from, the internship program through the normal Academic Appeals Procedures outlined in section 2.2.22. All appeals will be made in writing to the Academic Appeals Committee.

### Internship Work Term Regulations

During the internship, the student is an employee in all matters pertaining to conditions of employment, and a student only for the purposes of academic evaluation. The University accepts no responsibility for the working environment in which the student is employed.

### Internship Program Fees

The internship program is an academic program that integrates terms in the classroom with a term in the workplace. The internship process for the work term is an

eight-month period starting with internship preparation the term prior to the work term, the internship itself, and the debriefing and evaluations the term after the internship. The internship receives an academic credit valued at 1.0 unit. As such, internship students pay tuition fees for each academic term and tuition fees for the internship.

### Application Dates

Bachelor of Arts and Bachelor of Science students apply for admission to the internship program in early September once they have completed 10.0-12.0 units of coursework. Students should check with the Co-op Office to confirm the exact application dates.

Students who choose to apply to the internship program must complete the internship application form and submit it to the Co-op Office by the application deadline. The application form requires sign-off by the department Chair in the student's declared major.

A maximum of ten Bachelor of Arts and a maximum of five Bachelor of Science students will be annually admitted to the internship program. Meeting the minimum admission requirements does not guarantee admission into the internship program.

## Courses

BART 3399

**Bachelor of Arts Internship** 1.0 unit

*Prerequisites: completion of the professional development program delivered by the Co-op Office; written permission of the Chair of the department or Coordinator of the program in which the student is a major*

An opportunity to deploy skills learned in the classroom over a 13-17 week summer term of full-time paid work. Students will develop learning objectives, submit an internship project, and participate in a debriefing session. Evaluation is based on the learning objectives, a work site visit, an employer evaluation, and the internship project.

BSCI 3399

**Bachelor of Science Internship** 1.0 unit

*Prerequisites: completion of the professional development program delivered by the Co-op Office; written permission of the Chair of the department or Coordinator of the program in which the student is a major*

An opportunity to deploy skills learned in the classroom over a 13-17 week summer term of full-time paid work. Students will develop learning objectives, submit an internship project, and participate in a debriefing session. Evaluation is based on the learning objectives, a work site visit, an employer evaluation, and the internship project.

## Applied Human Nutrition (NUTR)

### Chair

Daphne Lordly, PDt FDC, MAHE (MSVU), DEd (UNISA),  
Professor

### Bachelor of Science in Applied Human Nutrition

The Bachelor of Science in Applied Human Nutrition (BScAHN) prepares students for a wide choice of careers in nutrition and for the professional practice of dietetics. The programs use classroom, community service, and practice learning to develop an interdisciplinary knowledge core in nutrition as related to health, wellness and illness and their determinants. Through rich and varied experiential learning opportunities, students gain practical skills related to application and interpretation of knowledge. Faculty members maintain professional ties with society and grassroots community organizations, hospitals, community services, research organizations and businesses that enrich students' educational experience through placements, research projects and other professional activities.

A common core of nutrition courses consisting of 9.5 units serve as the foundation for the three BScAHN program options: Nutrition, Dietetics, and Dietetics with Internship. Each of these programs offer a curriculum to provide students with a diverse number of possible career choices in the field of nutrition. Selected courses are available via online learning.

### Admission Requirements

Please refer to 2.1.4 Admission Requirements on page 18 and 2.1.6 Additional Admission Requirements on page 21.

### Admission of Mature Students

Please read 2.1.4.3 Mature Admissions Policy on page 20 carefully. Entrants under the mature admission policy are not admitted to a degree program until 3.0 units are completed. Students wishing to enter applied human nutrition should consult with the department upon admission to the University to plan their sequence of courses.

### Transfer Requirements

Students who wish to transfer credits from another degree program at the Mount or another post-secondary institution should refer to section 2.1.4.4 Admission Requirements for Transfer Applicants on page 20. While every effort will be made to accommodate transfer students into the program, students should realize that because professional programs are highly structured and require coursework to be taken in specified sequence, extended time may be needed to complete degree requirements. Students are urged to contact the department as early as possible if a transfer is contemplated.

### Programs

Students may apply to the Nutrition or Dietetics programs as described below. Application to the Internship Education Program is made during study in the Dietetics program. Application to the Food and Nutrition Practicum Program is made during study in the Nutrition or Dietetics programs.

### Immunization Requirement

To be able to participate in courses, including internships, which have placements or labs in health facilities it is

necessary to have a physician complete a health screening form that verifies your immunization for contagious diseases. There is a fee for the immunization and your health plan may cover all or part of this cost. Please contact the department for more information.

#### **Criminal Records Check**

Students are advised that certain courses and the internship which have placements in health facilities and community organizations require a recent and currently valid Criminal Record Check including a Vulnerable Sector Search.

## **BScAHN Nutrition (20.0 units)**

The nutrition program is best suited to those students who want to combine their nutrition studies with more electives. Nutrition is the study of the relationships among food, its nutrients, the environment and health. Careful choice of electives in the Nutrition option of the BScAHN prepares graduates to seek work in a variety of nutrition-related fields including commodity marketing boards, food retailing, government, social services, homemaking services, and the agri-food sector. Graduates may also choose to pursue additional studies for careers in school-based community teaching, research, or business.

### **Program Requirements**

Students must successfully fulfill the following requirements:

- ❑ obtain a GPA of 2.0 or higher in 6.0 units of NUTR courses taken to complete degree requirements
- ❑ students may complete a 3.0 unit minor by fulfilling the requirements for the minor as defined by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ successful completion of the following 20.0 units:

#### **Required Core Nutrition Courses (10.0 units)**

❑ BIOL 2202	0.5 unit
❑ BIOL 2205	0.5 unit
❑ BIOL 2206	0.5 unit
❑ CHEM 1011	0.5 unit
❑ CHEM 1012	0.5 unit
❑ CHEM 2401	0.5 unit
❑ CHEM 3501/BIOL 3501	0.5 unit

❑ NUTR 3313	0.5 unit
❑ NUTR 3326	0.5 unit
❑ NUTR 4406	0.5 unit

#### **Required Electives (10.0 units)**

- ❑ 1.5 units of NUTR at the 3000 level or above (excluding NUTR 4501, 4502 and 4503) 1.5 units
- ❑ 2.0 units of Arts and/or Science courses 2.0 units

(in addition to those listed above)

- ❑ 6.5 units of electives 6.5 units

*Note: Students are encouraged to consult with their advisor to ensure electives are chosen to benefit their career goals.*

*\*Important Note: The BScAHN (Nutrition) does not include the courses necessary to meet the Partnership for Dietetic Education and Practice (PDEP) guidelines for application to a dietetic internship.*

## **BScAHN Dietetics (20.0 units)**

The dietetics program is for those students who want to become professional dietitians (PDt or RD), legally registered to practice in the Canadian province(s) of their choice. The BScAHN (Dietetics) program supports the achievement of the Integrated Competencies for Dietetic Education and Practice (ICDEP) and meets the guidelines of the Partnership for Dietetic Education and Practice (PDEP) so that graduates can apply for a dietetic internship and become registered.

Dietetics integrates and applies the principles of food, nutrition and health to promote the nutritional well-being of the public. Dietetics prepares students for careers in a variety of settings such as community nutrition, long-term care, hospitals, home care, fitness centres, or private practice. Dietitians are increasingly found in non-traditional roles such as supermarkets, food industry, food and equipment sales, and health care management.

There are several routes available to students for a dietetic internship. Students in the BScAHN (Dietetics) may apply to the Mount's Internship Education Program (IEP). Alternately, students in their final year of study in the BScAHN (Dietetics) may apply through PDEP for a post-degree dietetic internship. Students may also choose to pursue graduate studies in nutrition with a combined internship such as the Mount's MScAHN plus IEP. All these routes are competitive with GPA requirements defined in the BScAHN (Dietetics) and IEP.

### **Program Requirements**

Students must successfully fulfill the following requirements:

- ❑ obtain a GPA of 2.0 or higher in 8.0 units of NUTR courses taken to complete degree requirements
- ❑ students may complete a 3.0 unit minor by fulfilling the requirements for the minor as defined by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ successful completion of the following 20.0 units:

## **BScAHN Dietetics and Internship Education Program (23.0 units)**

The BScAHN (Dietetics) Internship Education Program (IEP) requires the completion of 23.0 units including all 20.0 units required for the BScAHN (Dietetics) plus 3.0 units of internship courses. The Internship Education Program enables students to build on theoretical knowledge and internship experiences to fulfill the competencies required by PDEP to reach entry-level professional dietetic competence. Students in the IEP complete three internship courses designed to provide the necessary experiences in clinical, community and administrative areas. The first course is normally integrated between the third and fourth years of study in the BScAHN (Dietetics) and the second and third courses follow the fourth year of study. Interns must be prepared to relocate for their internship courses and to accept little to no financial compensation.

#### *Eligibility*

In order to apply for admission to the IEP students must be enrolled full-time at the Mount; must have completed a minimum of 10.0 units; must have achieved a GPA of 2.7 or higher in BScAHN (Dietetics) program required courses; achieved a passing grade in each of these courses; and a minimum grade of B- in required NUTR courses including NUTR 2204, NUTR 2211, NUTR 2324, NUTR 3313, NUTR 3315, NUTR 3325, NUTR 3326, NUTR 3407, NUTR 4400, NUTR 4406, NUTR 4408, NUTR 4409, NUTR 4414, NUTR 4417 and NUTR 4444.

Prior to the Level I internship course, students will normally have completed NUTR 3313, 3315, 3325, 3326, 3407 and CHEM 3502; as well as the prerequisites for these courses. Students are advised to consult their faculty advisor early in their program to discuss eligibility and course scheduling and to seek related work experiences in the summers preceding application.

#### *Application*

A formal application for admission to the Internship Education Program is required. Application forms are available from the Applied Human Nutrition Office and must be completed and returned to that Office by December 15.

#### *Selection Procedure and Criteria*

Selection, based on established criteria and following a standard process is conducted by a committee that consists of the department Chair or designate, the Internship Coordinator, a representative from the professional dietetic community and a graduate of the Mount's Internship Education Program. The number of qualified applicants selected each year is dependent on Program resources. Meeting minimum qualifications does not guarantee admission.

Admission to the BScAHN (Dietetics) IEP will be conditional pending winter term final grade results, which must meet grade requirements indicated above.

Students should note that details of selection criteria and procedures can be found in the IEP Policy & Procedure Manual.

#### *Internship Program Standards*

In order to remain in the Internship Education Program, students must adhere to the Program Policies and Procedures, including those for withdrawal and temporary withdrawal from internships.

There are three possible grades for internships:

- P Pass. Students continue to the next internship course.
- NCR No credit repeat. Students must repeat the internship course and pass before continuing to the next course. Normally a student may receive only one NCR grade and remain in the degree program.
- F Fail. A failing grade in an internship results in dismissal from the IEP (students may still complete the BScAHN).

#### **Program Requirements**

Students must successfully fulfill the following requirements:

- ❑ obtain a GPA of 2.7 or higher in 8.0 units of NUTR courses
- ❑ achieve a minimum grade of B- in NUTR 2204, NUTR 2211, NUTR 2324, NUTR 3313, NUTR 3315, NUTR 3325, NUTR 3326, NUTR 3407, NUTR 4400, NUTR 4406, NUTR 4408, NUTR 4409, NUTR 4414, NUTR 4417 and NUTR 4444
- ❑ achieve a grade of P in each of the 3.0 units of required internship placements (NUTR 4501, 4502 and 4503)  
*Note: Internship courses (NUTR 4501, 4502 and 4503) cannot be counted in the calculation of the GPA.*
- ❑ students may complete a 3.0 unit minor by fulfilling the requirements for the minor as defined by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ successful completion of the following 23.0 units:

## BScAHN Nutrition or Dietetics with Food and Nutrition Practicum (21.0 Units)

Students wishing to obtain a BScAHN Nutrition or Dietetics with Food and Nutrition Practicum must make formal application through the Department chairperson by January 31 of the third year of the BScAHN program or after the completion of 15.0 units. This is a limited enrolment program with a competitive selection process. Students must be prepared to relocate for their practicum and to receive little to no financial compensation.

Minimum requirements for acceptance into the Food and Nutrition Practicum Program are a GPA of 2.7 in 10.0 of the required academic units completed and a grade of at least C- in each of these units.

Students accepted into the BScAHN Dietetics and Internship Education Program are not eligible for the BScAHN Nutrition or Dietetics with Food and Nutrition Practicum Program.

#### A BScAHN Nutrition or Dietetics with Food and Nutrition Practicum requires:

- ☐ fulfilment of the requirements of the 20.0 unit undergraduate degree **plus** the completion of NUTR 4500
- ☐ an overall GPA of 2.7 and a grade of at least C- or more in all courses counted for the degree beyond the first 5.0 units taken.
- ☐ adherence to the Food and Nutrition Practicum - Terms and Conditions, including those for withdrawal and temporary withdrawal from internships.

There are three possible grades for the Food and Nutrition Practicum:

- P Pass.
- NCR No credit repeat. Students must repeat the course and pass. Normally a student may receive only one NCR grade and remain in the Food and Nutrition Practicum Program.
- F Fail. A failing grade in a practicum results in dismissal from the Food and Nutrition Practicum (students may still complete the BScAHN).

## Honours Degree

Students wishing to obtain an honours degree must make formal application through the department Chair by May 1 of the third year of the program or after the completion of 15.0 units. Students are encouraged to apply earlier in the program so that the appropriate course can be selected.

Minimum requirements for acceptance into the honours are a GPA of 3.0 in 10.0 of the required academic units completed and a grade of at least C- in each of these units.

#### A BScAHN Honours (Nutrition or Dietetics) requires:

- ☐ fulfilment of the requirements of the 20.0 unit degree including the completion of NUTR 4499
- ☐ 1.0 unit from each core group A, B, and C listed on page 65:
  - ☐ Core A - *Sciences & Mathematics* (1.0 unit)
  - ☐ Core B - *Social Sciences* (1.0 unit)
  - ☐ Core C - *Humanities* (1.0 unit)

- ❑ obtain a minimum GPA of 3.0 and a grade of at least C- in 10.0 units of the required honours courses
- ❑ obtain an overall GPA of 3.0 or better in all courses counted for the degree beyond the first 5.0 units taken.

*Note: First-class honours will be awarded to students who maintain a GPA of 3.5 or better in 10.0 units in the honours subject and no grade below B- in all courses counted for the degree beyond the first 5.0 units taken.*

**A BScAHN Honours (Dietetics with Internship Education Program)** requires:

- ❑ fulfilment of the requirements of the 23.0 unit degree including the completion of NUTR 4499
  - ❑ obtain a minimum GPA of 3.0 and a grade of at least C- in 10.0 units of the required honours courses
  - ❑ obtain an overall GPA of 3.0 or more in all courses counted for the degree beyond the first 5.0 units taken
- Note: Internship courses (NUTR 4501, 4502 and 4503) cannot be counted in the calculation of the GPA.*

*Note: First-class honours will be awarded to students who maintain a GPA of 3.5 or better in 10.0 units in the honours subject and no grade below B- in all courses counted for the degree beyond the first 5.0 units taken.*

## Science Minor in Applied Human Nutrition

Students in a Bachelor of Science program may complete a science minor in Applied Human Nutrition by fulfilling the following requirements:

- ❑ 3.0 units selected from NUTR 1102, 1103, 1106, 2204, 2211, 3325, 4400, 4408, 4409

*Note: The courses listed under the science minor may be used to fulfill Core A - Science & Mathematics but may not be counted as professional electives.*

## Professional Minor in Applied Human Nutrition

Students in a Bachelor of Arts, Bachelor of Science or Professional Studies program may complete a professional minor in Applied Human Nutrition by fulfilling the following requirements:

- ❑ 3.0 units selected from NUTR 1102, 1103, 1106, 2204, 2211, 2240, 2300, 2324, 3205, 3315, 3326, 3330, 4414, 4417

**Graduate AHN Students Registering in Undergraduate AHN courses**

Students accepted into the MAHN or MSc may be required to complete undergraduate courses in Applied Human Nutrition as part of a conditional acceptance. This requirement may also apply to students enrolled in programs that are part of a language proficiency requirement. In these cases, permission of faculty to enroll in the required undergraduate AHN courses is not required.

## Courses

*Note: All courses listed below have a professional studies classification only, unless cross-listed with an arts and science discipline; or included as part of science minor.*

### NUTR 1010

#### Introduction to the Profession

0.5 unit

*Prerequisite: admission to the Bachelor of Science in Applied Human Nutrition or permission of the instructor*

An introduction to nutrition and dietetics practice. Topics may include the history and ethics of the profession, communication, evidence-based practice, cultural competence and relationships with food. Emphasis will be on developing student understanding of the scope and nature of the profession.

### NUTR 1102

#### Introductory Foods: Plant Origin

0.5 unit

*Prerequisite: Grade XII chemistry or CHEM 1005*

A study of the variety of edible plant sources including vegetables, fruits, grains, pulses, mushrooms, nuts, spices and herbs, ingredients: powders, flours, starches, sugars, proteins, fibres and oils, foods: pasta, bread, tea, coffee, chocolate, alcoholic beverages, food composition, preparation, preservation, safety and handling. Laboratory required

### NUTR 1103

#### Introductory Foods: Animal Origin

0.5 unit

*Prerequisite: Grade XII chemistry or CHEM 1005*

A study of the variety of foods from animal sources including meat, poultry, eggs, fish and shellfish, dairy products, edible animal by-products, ingredients: animal proteins, enzymes, animal fats and fish oils, introduction to food additives, basics of Canadian food legislation, regulatory and inspecting authorities.

Laboratory required

### NUTR 1106

#### Introduction to Nutrition

0.5 unit

An introduction to the science of foods and nutrition. Topics covered include nutrients and their relationship to human health and well-being, their function in digestion, and current Canadian recommendations. Food sources and the factors influencing food choices will also be investigated. *Note: Students who have received credit for NUTR 1209 may not take this course for credit.*

### NUTR 2204

#### Food Processing

0.5 unit

*Prerequisites: NUTR 1102 and 1103, or permission of the instructor*

A study of the principles and industrial methods of food processing, manufacturing and packaging of dairy products including infant formulas, meat and poultry products, fats and oils, seafoods, fruits and vegetables, grain and pulses, beverages, and the classification and regulations of food additives and their applications in food technologies. *Note: Students who have received credit for NUTR 3204 may not take this course for credit.*

**NUTR 2211****Intermediate Human Nutrition** 0.5 unit

*Prerequisites: NUTR 1106 and grade XII chemistry or CHEM 1005, or permission of the instructor*

A study of the principles of nutrition with particular reference to the dietary reference intakes. Topics covered include digestion and absorption, macronutrients, micronutrients, metabolism and energy balance. Contemporary issues in nutrition will also be introduced. *Note: Students who have received credit for NUTR 1210 may not take this course for credit.*

**NUTR 2240****Child Care Health, Nutrition and Safety** 0.5 unit

An examination of health, nutrition and safety, as they relate to the care of young children. Topics include environmental influences on health, nutritional needs, feeding issues, menu planning, food safety, and development of healthy behaviours from infancy to young school age children.

**NUTR 2300****Nutrition for Fitness and Sport** 0.5 unit

*Prerequisite: NUTR 1106 and grade XII chemistry or CHEM 1005, or permission of the instructor*

A study of the metabolism of exercise and the role of diet in athletic performance. Topics covered include components of energy expenditure, role of macro- and micro-nutrients in energy metabolism, fluid balance and replacement, exercise and body composition, use of ergogenic aids, diet and performance, exercise for health.

**NUTR 2324****Nutrition During the Life Cycle** 0.5 unit

*Prerequisite: NUTR 2211 or equivalent*

An examination of the physiological, biochemical and sociological factors that affect nutritional requirements and recommendations over the life cycle. Appropriate strategies to improve the nutritional status of individuals and groups at different stages will be considered.

**NUTR 2326****Global Nutrition** 0.5 unit

A critical examination of global health and the international cultural context of food, nutrition, and health across borders, religions, cultures, and societies. With a multi-disciplinary lens, students will conceptualize micro- and macronutrient malnutrition in various global contexts, including in low-income countries, and among indigenous groups internationally.

**NUTR 3205****Natural Health Products** 0.5 unit

*Prerequisites: NUTR 2211, BIOL 2206, or permission of the instructor*

An overview and critical evaluation of dietary supplements, herbal products and nutraceuticals, their active ingredients, traditional use, claimed health effects. Course includes the basics of pharmacokinetics and an introduction to the major classes of active herbal substances, and the Canadian Natural Health Products Regulations. *Note: Students who have received credit for NUTR 2205 may not take this course for credit.*

**NUTR 3313****Research Methods in Nutrition and Dietetics** 0.5 unit

*Prerequisites: NUTR 2324, MATH 2208 and 2209 (MATH 2209 may be taken concurrently)*

An examination of research designs in relation to their use in theory development and problem solving in various aspects of nutrition and dietetics. Their application to professional dietetic practice will be studied.

**NUTR 3315****Food Service Systems** 0.5 unit

*Prerequisites: NUTR 2211 or equivalent and 0.5 unit of BUSI, ECON or THMT (0.5 unit of BUSI, ECON or THMT may be taken concurrently) or permission of the instructor*

A study of the theory, policies, and practices applied to the successful management of quantity food service systems. Based on a systems perspective, topics include menu development, procurement, production, distribution and quality improvement. A recognized management level safe food handling certification program is incorporated in this course.

Laboratory required

**NUTR 3325/GAHN 6325****Advanced Human Nutrition and Metabolism** 0.5 unit

*Prerequisites: NUTR 2211 or equivalent, CHEM 3502 (may be taken concurrently) and BIOL 2206*

An examination of how the human body metabolizes energy, nutrients and select non-nutrients in the context of health and disease. Topics covered include: regulation of energy metabolism, effect of organ failure on intermediary metabolism, and abnormal metabolism due to inherited defects in absorption, transport and metabolism of selected nutrients.

**NUTR 3326****Ecological Perspectives of Food** 0.5 unit

*Prerequisite: NUTR 1010 or NUTR 1106 or equivalent or permission of the instructor*

A multi-disciplinary study of the socio-cultural and political economic aspects of food, eating, nutrition and health. The ways in which food, foodways, and nutrition, shape and are informed by social, cultural, political and economic practices will be considered. Laboratory required

**NUTR 3330/GAHN 6330****Food, Nutrition and Aging** 0.5 unit

*Prerequisite: NUTR 2211 or equivalent or permission of the instructor*

An overview of the food and nutrient recommendations for older and aging people living in a variety of community and continuing care settings. Topics will focus on the understanding and application of the determinants of healthy eating, resident centered care and nutrition care.

**NUTR 3407****Introduction to Client Care** 0.5 unit

*Prerequisites: NUTR 2324 and 0.5 unit of FSGN (0.5 unit of FSGN may be taken concurrently)*

An introduction to the principles of client care, counselling and cultural competence. Students will be introduced to the Nutrition Care Process. Focus will be placed on practical skills required for nutrition assessment, screening, interviewing, counselling, and documentation. This course will also include an introduction to basic medical terminology.

NUTR 4326

**Food, Health, and Social Policy** 0.5 unit

*Prerequisite: NUTR 3326 or Permission of the instructor*

A study of food, nutrition, and health policy in Canada. Topics include: introduction to policy; historical and theoretical foundations food, health, and social policy frameworks; overview of Canadian health care and food systems, and social safety net; theories of public policy; nutrition policy; the role of food and nutrition professionals.

NUTR 4400/GAHN 6400

**Issues in Food Product Development** 0.5 unit

*Prerequisites: NUTR 2204 and CHEM/BIOL 3501 or permission of the instructor (CHEM/BIOL 3501 may be taken concurrently)*

A study of the principles of food product development and the conditions that result in novel food production. Current and potential markets for novel food ingredients and health applications for reformulated and conceptually new food products are reviewed/discussed/explored. This course provides practical skills in food product development. Laboratory required

NUTR 4406

**Seminar in Nutrition** 0.5 unit

*Prerequisites: NUTR 3313 and completion of 15.0 units of university credit or permission of the instructor*

A critical study of recent literature in nutrition. Based on the principles of Evidence Based Practice and knowledge translation, this course involves communication of nutrition research through presentations, discussions and written communications. A range of quantitative and qualitative aspects of nutrition research will be explored based on student interest.

NUTR 4408/GAHN 6408

**Medical Nutrition Therapy I** 0.5 unit

*Prerequisites: NUTR 3407, BIOL 2206 and CHEM 3501 (may be taken concurrently)*

An introduction to the use of the Nutrition Care Process in the treatment of disease with nutrition. Topics covered will include nutritional assessment in the clinical setting, parenteral/enteral nutrition support, pharmacology; pathophysiology and treatment of metabolic stress, cancer and disorders of the gastrointestinal system and immune system.

NUTR 4409/GAHN 6409

**Medical Nutrition Therapy II** 0.5 unit

*Prerequisite: NUTR 4408/GAHN 6408*

A continuation of NUTR 4408/GAHN 6408. Topics covered will include Diabetes Mellitus, cardiovascular disease, obesity management, hypertension, renal disease, neurological disorders, dysphagia management, pulmonary disorders, inborn errors of metabolism. Issues pertaining to interprofessional practice will also be addressed. Laboratory required

NUTR 4414/GAHN 6414

**Nutrition Education in the Community** 0.5 unit

*Prerequisites: NUTR 2324 and completion of 15.0 units of university credit, or permission of the instructor*

The theoretical perspectives that form the basis of nutrition education and their application to the development of educational strategies and programs to improve the public's eating habits will be studied. Developments in nutrition

education research, the role of the political and legislative process in health promotion, and the effectiveness of nutrition education interventions will be examined. Laboratory required

NUTR 4417/GAHN 6417

**Management and Entrepreneurship in Nutrition Practice** 0.5 unit

*Prerequisite: completion of 15.0 units of university credit or permission of the instructor*

A study of the theory, policies and practices involved in planning and management for new or existing nutrition, food service or dietetic enterprises. Based on a business or project plan model, topics include identification of innovations, marketing, operations planning, change management, risk control and financing. Laboratory required

NUTR 4444

**Elements of Professional Practice** 0.5 unit

*Prerequisite: completion of 15.0 units of university credit or permission of the instructor*

A study of current professional practice issues. Using elements of practice as a basis for reflection, students will examine how theory, history, philosophy, ethics, standards, competencies and their interrelationships influence professional practice.

NUTR 4460

**Food and Nutrition in Canada I** 0.5 unit

*Prerequisite: permission of the instructor*

An introduction to food and nutrition culture and systems in Canada. Canada's Food Guide, Dietary Reference Intakes, food culture, nutrients, food regulation, natural health products, the health care system, and communication and collaboration are explored. *Note: Students who have received credit for NUTR 2260 may not take this course for credit.*

NUTR 4461

**Food and Nutrition in Canada II** 0.5 unit

*Prerequisite: NUTR 4460 or permission of the instructor*

A study of cultural competence of dietetics and practical skills in nutrition and food regulation in Canada. Topics include professional practice, workplace culture, technology to support practice, practical skills in food, nutrition and dietetics and communication and collaboration. *Note: Students who have received credit for NUTR 2261 may not take this course for credit.*

NUTR 4490

**Directed Study or Research** 0.5 unit

NUTR 4491

**Directed Study or Research** 0.5 unit

*Prerequisites: completion of 10.0 units of university credit, including NUTR 3313, and permission of the instructor*

A course designed to encourage the student to do independent work in a particular area of nutrition. The outline is worked out by the student(s) and professor(s) involved and will include a literature review and practical work. The student will be required to present a concise report of results in a written paper and a seminar. Departmental approval is required before registering.

NUTR 4499

**Honours Thesis**

1.0 unit

*Prerequisite: advanced standing in the honours program*

Honours students in applied human nutrition are required, in their final year, to undertake a research project in consultation with the department and to present a research paper at the conclusion of this project.

NUTR 4500

**Food and Nutrition Practicum**

1.0 unit

*Prerequisite: Acceptance into the BScAHN Nutrition or Dietetics with Food and Nutrition Practicum Program*

A food and nutrition practicum providing community or industry experiences in assessing needs, planning, developing, implementing and evaluating products and/or services in community nutrition settings, the food industry and/or food systems fields.

NUTR 4501

**Administrative Internship**

1.0 unit

*Prerequisite: acceptance into the Internship Education Program*

An administrative dietetics internship including experiences in both traditional and non-traditional dietetic environments related to food service systems. This includes financial accountability, revenue generation, human, material, physical and operational resources.

NUTR 4502

**Clinical Internship**

1.0 unit

*Prerequisite: acceptance into the Internship Education Program*

A clinical dietetics internship involving the development, implementation and evaluation of nutrition care plans in a variety of clinical and community settings.

NUTR 4503

**Community Internship**

1.0 unit

*Prerequisite: acceptance into the Internship Education Program*

A community dietetics internship providing experiences in assessing needs, planning, coordinating, implementing and evaluating nutrition intervention programs for individuals and groups in a variety of community settings. The focus is on health promotion and disease prevention.

NUTR 4650

**Special Topics**

0.5 unit

*Prerequisite: Completion of 5.0 units of NUTR or permission of the instructor*

A detailed study of particular issues relevant to professionals in nutrition and dietetics and related disciplines. Course titles and descriptions will be announced as courses are offered.

*Note: Students may take a maximum of 1.0 unit as Special Topics.*

NUTR 4651

**Special Topics**

0.5 unit

*Prerequisite: Completion of 5.0 units of NUTR or permission of the instructor*

A detailed study of particular issues relevant to professionals in nutrition and dietetics and related disciplines. Course titles and descriptions will be announced as courses are offered.

*Note: Students may take a maximum of 1.0 unit as Special Topics.*

## Biology (BIOL)

### Chair

Gavin Kernaghan, Professor

Biology is the scientific study of past and present life. The Department of Biology offers programs and courses that introduce students to fundamental and specialized biological knowledge and train students in scientific thinking and biological investigation and communication. The BSc Major, Combined Major and Major with Honours programs all provide a thorough grounding in the *organismal* perspective of biology – that is, in the many ways organisms (including humans) make their livings, grow, develop, interact with other organisms and their environments, regulate internal conditions and processes, and reproduce. Required courses in the BSc programs introduce students to the incredible diversity of the animal, plant and microbial worlds and to the unifying disciplines (cell and molecular biology, genetics, biochemistry and metabolism, developmental biology, ecology and evolutionary biology) that indicate descent of all organisms from a common ancestor. All required courses in these programs have laboratory components in which students learn “hands-on” from nature and develop practical lab skills and techniques of data-analysis and written and oral scientific communication. Students in BSc programs acquire specialized knowledge by completing elective biology courses at the 2000-, 3000- and 4000-levels. A student may choose courses that deepen knowledge of a particular group of organisms (plants, animals, humans, microbes or fungi) or follow a recommended path of required and elective courses that should prepare him/her for careers in

*Health, Veterinary and Plant Sciences  
Evolution, Ecology and Environment  
Neuroscience and Biological Psychology  
Biochemistry and Molecular Biology*

Consult the department for advice on following one of these paths or see the large poster on the departmental website and bulletin board.

Graduates can pursue careers in the animal and human health professions, environmental sciences, resource and wildlife management, journalism, public relations, library science, biotechnology, epidemiology and public health, education, public service, conservation and research.

Students interested in research can satisfy their curiosity and learn about scientific culture and communication by becoming involved in faculty research. This may take the form of one or more 4000-level courses in directed literature, laboratory or field research extending over a single term or a full academic year (BSc Honours). Alternatively, students can be part-time or full-time research assistants.

The department's objectives for students in biology and non-biology programs are the same: (1) to include students in our community of biology scholars and to teach them about scientific philosophy and culture; (2) to share up-to-date fundamental and specialized biological knowledge; (3) to satisfy your personal interests and support the career ambitions of students; (4) to develop the analytical, critical and creative intellectual skills of students; (5) to make students effective communicators of science; (6) to develop in students some degree of personal responsibility for social welfare as it relates to biology.

Students seeking admission to biology programs and courses are advised to have knowledge of basic chemistry and facility in mathematics and oral and written English.

Any student wishing to complete a major, concentration or minor in Biology should consult a faculty member or contact the Centre for Academic Advising and Student Success for help with planning an academic program.

## Major (20.0 Units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before they register for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment BSc internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ BIOL 1152, 1153, 2240, and 3312
  - ❑ 1.0 unit selected from BIOL 2203, 2204, 2207
  - ❑ 1.0 unit selected from BIOL 3309, 3310, 3322
  - ❑ BIOL 3374
  - ❑ 2.5 additional units of BIOL at the 2000 level or above  
*Note: BIOL 2201 and 2202 may not be used to fulfill the requirements for a major in Biology*
  - ❑ 1.0 additional units of BIOL at the 3000 level or above
  - ❑ a minimum overall GPA of 2.0 in the required 8.0 units of BIOL
- ❑ CHEM 1011, 1012, and 2401
- ❑ MATH 1113, 2208, and 2209
- ❑ a minor consisting of 3.0 units in a science field (*Applied Statistics, Chemistry, Mathematics, Physics, Psychology, Statistics or designated Applied Human Nutrition courses*) as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ students may choose a second 3.0 unit minor in any area that offers a minor or up to 2.5 additional units of arts or science electives
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (exclusive of the major):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)  
*(Note: Core A is fulfilled by CHEM/MATH requirement)*
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

### Special Studies

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

## Major Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Science General Studies degree may apply to do a major certificate. Students must fulfill the requirements for the major degree listed above.

## Combined Major (20.0 Units)

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. Students must declare a major or combined major before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment BSc Combined major internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units. In order to complete a combined major in Biology, the following requirements must be met:

- ❑ a minimum of 6.0 units and a maximum of 8.0 units in the Biology combined major as follows:
  - ❑ BIOL 1152, 1153, and 2240
  - ❑ 1.0 unit selected from BIOL 2203, 2204, 2207
  - ❑ 1.0 unit selected from BIOL 3309, 3310, 3322
  - ❑ BIOL 3374
  - ❑ 1.5 additional units of BIOL at the 2000 level or above
  - ❑ 0.5 additional unit of BIOL at the 3000 level or above
- ❑ CHEM 1011, 1012, and 2401
- ❑ MATH 2208
- ❑ a second combined major specified by another program (*Canadian Studies, Chemistry, Cultural Studies, Economics, English, Family Studies, French, Gerontology, History, Mathematics, Political Studies, Psychology, Sociology/Anthropology, Women's Studies*)
- ❑ a minimum overall GPA of 2.0 in the required 6.0 units of each combined major
- ❑ at least 5.0 units of the 12.0 units overall required for the combined majors must be at the 3000 level or above
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (inclusive of the majors):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)  
*(Note: Core A is fulfilled by CHEM/MATH requirement)*
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units of the total 20.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

Students wishing to combine an arts major and a science major (*e.g. Chemistry and English or Biology and Political Studies*):

- ❑ must meet all of the requirements listed above
- and
- ♦ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in science disciplines

- ♦ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

## Honours Degree

The honours degree option is available to students who wish to study a single discipline in depth, usually with post-graduate study as a goal.

Students wishing to do an honours degree must apply in writing to the departmental Honours Coordinator by March 1st of the year preceding enrolment in BIOL 4499 Honours Thesis. Application may be made after successful completion of 10.0 units of study. Minimum requirements for honours program entry are GPA of 3.0 in biology courses, a GPA of 3.0 in courses counted for the degree beyond the first 5.0 units completed, and the agreement of a faculty member to supervise the thesis. Approval of the department is necessary for a student to be accepted into the honours program.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 10.0 and a maximum of 12.0 units in the honours subject as follows:
  - ❑ BIOL 1152, 1153, 2240, and 3312
  - ❑ 1.0 unit selected from BIOL 2203, 2204, 2207
  - ❑ 1.0 unit selected from BIOL 3309, 3310, 3322
  - ❑ BIOL 3374
  - ❑ BIOL 3999
  - ❑ BIOL 4499
  - ❑ 2.5 additional units of BIOL at the 2000 level or above  
*Note: BIOL 2201 and 2202 may not be used to fulfill the requirements for the honours in Biology*
  - ❑ 1.5 additional units of BIOL at the 3000 level or above
- ❑ CHEM 1011, 1012, 2401, and 3501
- ❑ MATH 1113, 2208, and 2209
- ❑ a minor consisting of 3.0 units in a science field (*Applied Statistics, Chemistry, Mathematics, Physics, Psychology, Statistics or designated Applied Human Nutrition courses*) as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (exclusive of the honours subject):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)  
*(Note: Core A is fulfilled by CHEM/MATH requirements)*
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ obtain a minimum GPA of 3.0 and a grade of at least C- in all 10.0 units of the required BIOL honours courses
- ❑ achieve a minimum of B- in the honours thesis (BIOL 4499)
- ❑ obtain an overall GPA of 3.0 or better in all courses counted for the degree beyond the first 5.0 units taken
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

*Note: First-class honours will be awarded to students who maintain a GPA of 3.5 or better in 10.0 units in the honours subject and no grade below B- in all courses counted for the degree beyond the first 5.0 units.*

## Honours Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Science degree with a major in Biology may apply to do an honours certificate. Students must fulfill the requirements for the honours degree listed above and meet the University regulations regarding honours certificates.

## Concentration

To obtain a concentration in Biology, students must fulfill the following requirements:

- ❑ BIOL 1152 and 1153
- ❑ 0.5 unit selected from BIOL 2203, 2204, 2207
- ❑ 2.5 additional units of BIOL at the 2000 level or above, of which at least 1.0 unit must be at the 3000 level or above

## Minor in Biology

To obtain a minor in Biology, students must fulfill the following requirements:

- ❑ BIOL 1152 and 1153
- ❑ 2.0 additional units of BIOL

## Minor in Neuroscience

To obtain a minor in Neuroscience, students must fulfill the following requirements:

- ❑ BIOL 1152 and PSYC 1110
- ❑ BIOL/PSYC 2260
- ❑ and an additional 1.5 units from PSYC 2214, 2216, BIOL/PSYC 2217, including a minimum of 0.5 unit from BIOL 3260, 3322, BIOL/PSYC 3332, PSYC 4417 or PSYC 4432

## Courses

### BIOL 1114

**Human Reproduction, Growth and Maturation** 0.5 unit  
An examination of the human life cycle. Students will investigate the biological understanding of typical and atypical development, environmental and hormonal influences, brain development, reproductive maturity, and physiological changes over life. *Note: This course may not be counted towards a major in Biology.*

### BIOL 1152

**Introductory Biology I** 0.5 unit  
An introduction to the important elements of life. Topics include the definition of life, the scientific method, natural selection, covalent bonding, biomolecules, macromolecules and intermolecular bonds, water and pH, cell biology, cellular energy, reactions and enzymes, metabolism, photosynthesis, heredity, DNA, genes and gene expression. Laboratory required (3 hours/week)

<p>BIOL 1153  <b>Introductory Biology II</b> 0.5 unit  <i>Prerequisite: BIOL 1152</i>  A course about the diversity, evolution and ecology of organisms. Topics include the system used to classify organisms, the major groups of organisms and their evolutionary relationships, populations, and the interactions of communities of organisms with their physical environment to form ecosystems.  Laboratory required (3 hours/week)</p>	<p>BIOL 2213  <b>Environmental Science</b> 0.5 unit  <i>Prerequisite: 1.0 unit of any 1000-level university course</i>  An examination of our environment and the myriad factors that affect its quality. Important ecological concepts are introduced and our roles and responsibilities regarding current environmental issues are examined. The field is highly interdisciplinary, integrating information from many areas, including biology, chemistry, geography, sociology and engineering.</p>
<p>BIOL 2202  <b>General Microbiology</b> 0.5 unit  <i>Prerequisites: Grade XII Biology and 1.0 unit of a 1000-level university science course or BIOL 1152</i>  A lecture and laboratory course providing an overview of the microbial world, including classification, genetics and metabolism. The focus will be on the importance of microorganisms in human affairs, such as preparation and storage of food, agriculture and historic and emerging diseases. <i>Note: This course may not be counted towards the units of Biology required for a major or concentration, but may be counted for a minor or as a general elective</i>  Laboratory required (3 hours/week)</p>	<p>BIOL 2214  <b>Plants for People</b> 0.5 unit  <i>Prerequisite: 1.0 unit of any 1000-level university course</i>  Plants are the mainstay of traditional and modern-day societies. This course will investigate the origins of economically valuable plants and will describe their structure, cultivation, preparation and uses.</p>
<p>BIOL 2203  <b>Plants: Form and Function</b> 0.5 unit  <i>Prerequisite: BIOL 1153</i>  A study of the evolution of plants and the structure and development of plants in relation to function.  Laboratory required (3 hours/week)</p>	<p>BIOL 2217/ PSYC 2217  <b>Brain and Behaviour</b> 0.5 unit  <i>Prerequisite: BIOL 1153 or PSYC 1110</i>  A study of the neural basis of human behaviour. Topics will include development of the nervous system, brain plasticity, and the biological basis of sensory and perceptual processes, consciousness and sleep, attention, learning, emotion, motivation, psychopharmacology, and disorders of the nervous system.</p>
<p>BIOL 2204  <b>Animals: Form and Function</b> 0.5 unit  <i>Prerequisite: BIOL 1153</i>  A comparative study of invertebrate and vertebrate body plans and the phylogenetic origins of living animal taxa.  Laboratory required (3 hours/week)</p>	<p>BIOL 2240  <b>Cell and Molecular Biology</b> 0.5 unit  <i>Prerequisites: BIOL 1153 and CHEM 1012</i>  A detailed consideration of the fine structure of eucaryotic and procaryotic cells (and viruses), the chemical composition and organization of cells, cell metabolism and bioenergetics; and for each major cell organelle or structural component, its particular molecular and supermolecular organization and its function.  Laboratory required (3 hours/week)</p>
<p>BIOL 2205  <b>Human Anatomy and Physiology I</b> 0.5 unit  <i>Prerequisites: Grade XII science, Biology preferred, and 1.0 unit of a 1000-level university science course, or BIOL 1152</i>  An introduction to the principles of the human body's structure and functions. Topics covered will include: organization of the body, the integumentary, skeletal, muscular, nervous and endocrine systems. <i>Note: Students who have received credit for BIOL 2201 may not take this course for credit.</i></p>	<p>BIOL 2250/PSYC 2250  <b>Animal Behaviour</b> 0.5 unit  <i>Prerequisites: PSYC 1110 and 1120 or BIOL 1153</i>  An introduction to the biological bases of behaviour in animals, covering genetic, developmental, neural, ecological and social aspects.</p>
<p>BIOL 2206  <b>Human Anatomy and Physiology II</b> 0.5 unit  <i>Prerequisite: BIOL 2205</i>  A continued study of the principles of the human body's structure and functions. Topics covered will include: cardiovascular, immune, respiratory, digestive, renal and reproductive systems. <i>Note: Students who have received credit for BIOL 2201 may not take this course for credit.</i></p>	<p>BIOL 2260/PSYC 2260  <b>Fundamentals of Neuroscience</b> 0.5 unit  <i>Prerequisite: BIOL 1152 or PSYC 1110</i>  A course about the physiological and biophysical mechanisms that enable the nervous system to receive, process and transmit information on the molecular, membrane, cellular and system levels.</p>
<p>BIOL 2207  <b>Microbial Diversity</b> 0.5 unit  <i>Prerequisite: BIOL 1153</i>  A lecture and laboratory course providing an overview of the diversity of the microbial world. This course includes the classification, metabolism, genetics, ecology and evolution of microorganisms.  Laboratory required (3 hours/week)</p>	<p>BIOL 2222  <b>Introduction to Vertebrate Histology</b> 0.5 unit  <i>Prerequisite: BIOL 1152 (Introductory Biology I)</i>  An introduction to the microscopic structure of tissues and organs of the vertebrate body. Topics covered will include organs from all major systems of the body. This course will complement Human Anatomy and Physiology I and II (BIOL 2205, BIOL 2206).</p>

BIOL 3260  
**Advanced Neuroscience** 0.5 unit  
*Prerequisite: BIOL 2260*  
 Advanced topics in neuroscience such as the sensory systems of animals and humans and cellular mechanisms of memory and learning.

BIOL 3302  
**Microbial Interactions** 0.5 unit  
*Prerequisite: BIOL 2207*  
 A study of further topics in microbiology, with a focus on microbial interactions. This includes microbial diversity and function in natural environments, as well as the relationships between microbes and plants, animals and other microbes. Students will conduct a term research project.

BIOL 3309  
**Physiology of Plants** 0.5 unit  
*Prerequisite: BIOL 2203*  
 A course highlighting the basic physiological functioning of plants as seen in plant-water-mineral relations; metabolism and hormonal regulation.  
 Laboratory required (3 hours/week)

BIOL 3310  
**Physiology of Animals** 0.5 unit  
*Prerequisite: BIOL 2204*  
 A comparative study of invertebrate and vertebrate systems, including internal and external regulation, transport of substances and co-ordination of function.  
 Laboratory required (3 hours/week)

BIOL 3312  
**General Ecology** 0.5 unit  
*Prerequisite: Two of BIOL 2203, 2204, 2207*  
 A course about organisms and their interactions with the environment. The main topics include the physical environment, individuals, populations, species interactions, communities, ecosystems, and global ecology. In this course, students learn techniques of ecological sampling and testing. (Also listed under Canadian Studies)  
 Laboratory required (3 hours/week)

BIOL 3314  
**Evolutionary Biology** 0.5 unit  
*Prerequisite: one of BIOL 2203, 2204, 2207*  
 An in-depth examination of how life has diversified and adapted to change. This course will outline Darwinian natural selection and the major events in the history of life, from life's probable origin in simple replicating molecules to the development of modern prokaryotes, viruses, selfish DNAs, protists, fungi, animals and plants.

BIOL 3322  
**Animal Developmental Biology** 0.5 unit  
*Prerequisite: BIOL 2240*  
 An examination of embryology, the process by which animals develop from fertilized eggs to complex multicellular organisms. The focus is on how cells divide, differentiate and then assume their proper positions relative to one another within the embryo such that tissues and organs develop and grow correctly. This includes morphology, regeneration, and evolutionary-developmental biology.  
 Laboratory required (3 hours/week)

BIOL 3332/PSYC 3332  
**Human Neuropsychology** 0.5 unit  
*Prerequisite: BIOL 2260*  
 A study of the neural bases of mental function. The neural mechanisms of complex cognitive processes such as object recognition, spatial processing, attention, language, memory, executive functions and emotion will be reviewed from the human clinical perspective.

BIOL 3374  
**Genetics: Genes and Genomes** 0.5 unit  
*Prerequisite: BIOL 2240*  
 A study of genes and genomes. Topics include the structure and function of DNA, gene expression and regulation, epistasis, epigenetics, the reproduction, recombination, mutation, repair and transmission of genetic information with some introduction to population genetics. New technologies allowing genome/exome "big data" analyses and human gene therapy will be introduced.  
 Laboratory required (3 hours/week)

BIOL 3501/CHEM 3501  
**Introductory Biochemistry** 0.5 unit  
*Prerequisite: CHEM 2401*  
 The structure and chemistry of cellular molecules, dealing mainly with carbohydrates, proteins, lipids and nucleic acids and their components, aqueous solutions, pH, pKa, buffers, and colloidal dispersions.  
 Laboratory required (3 hours/week)

BIOL 3502/CHEM 3502  
**Intermediary Metabolism** 0.5 unit  
*Prerequisite: BIOL/CHEM 3501*  
 A study of the enzymes, energetics and intermediary metabolism of living cells, catabolic biosynthetic and regulatory processes affecting the metabolism of cellular molecules.  
 Laboratory required (3 hours/week)

BIOL 3999  
**Biology Colloquium** 0.5 unit  
*Prerequisite: Any 2000 level BIOL course*  
 Development of skills in literature research, critical thinking, and evaluation of scientific presentations. Students will be required to make presentations using several different modes of communication.

BIOL 4400  
**Field Biology** 0.5 unit  
*Prerequisite: BIOL 3312*  
 An exploration of ecosystems. Students will observe organisms in their natural environments at publicly accessible sites around Halifax. Specimens and data will be analyzed in the laboratory. Students must complete six of eight field trips on Saturdays from May to December. A full report will be required for each trip.

BIOL 4444

**Climate Change and Plants**

0.5 unit

*Prerequisite: normally completion of the 3000 level required courses in the major program or permission of the instructor.*

A detailed study of climate change, its components and effects on plants in natural and agricultural ecosystems. Anthropogenic activities and natural processes that lead to climate change are discussed. The main topics include the evidence for climate change, global warming, greenhouse effect, greenhouse gases, and plant responses to climate change.

BIOL 4450

**Selected Topics in Biology**

0.5 unit

BIOL 4451

**Selected Topics in Biology**

0.5 unit

*Prerequisite: will vary according to the topic offered*

An opportunity for in-depth study of current topics in biology. These courses are open to senior biology majors and others with departmental approval.

BIOL 4453

**Directed Studies**

0.5 unit

BIOL 4454

**Directed Studies**

0.5 unit

*Prerequisite: normally completion of the 2000 level required courses in the major program*

A research problem that does not require laboratory or field work undertaken under the direction of members of the department. Offered for senior students majoring in biology and subject to departmental approval. Emphasis will be placed on learning new material through reading, critical thinking, and discussion.

BIOL 4460

**Directed Research**

0.5 unit

BIOL 4461

**Directed Research**

0.5 unit

*Prerequisite: normally completion of the 2000 level required courses in the major program*

A research project requiring laboratory or field work under the direction of members of the department. Offered for senior students majoring in biology and subject to departmental approval.

BIOL 4499

**Honours Thesis**

1.0 unit

*Prerequisite: BIOL 3999 (may be taken concurrently)*

A required course for biology honours students to be taken in their final year. Students conduct independent research with a faculty member. Students will be required to produce an honours thesis and present their research.

BIOL 6100

**Advanced Directed Study**

0.5 unit

*Students must have completed a BSc degree with a major in life sciences. Admission to MSVU and permission of the supervising instructor is required.*

An in-depth examination of a specialized area of biology. The task will be related to the student's thesis topic and completed under the supervision of a MSVU Faculty member.

## Co-operative Education Option

Mount Saint Vincent University offers a 23.0 unit degree in business administration with the co-operative education option. The Bachelor of Business Administration (Co-operative Education) degree is accredited by Co-operative Education and Work Integrated Learning (CEWIL). Students complete all required coursework for the Bachelor of Business Administration and in addition must complete BUSI 1188, 2288 and 3388.

Co-operative education option involves a sequencing of normal academic terms and three four-month co-op terms. Students complete the normal academic sequence for their first 7.5 - 10.0 units of study. For the remainder of the program, co-op terms and academic terms alternate. Co-op students usually graduate one term later than traditional students. The following schedule depicts the typical Bachelor of Business Administration Co-operative Education program.

Year	Sept-Dec	Jan-Apr	May-Aug
1	Academic Term 1	Academic Term 2	Free
2	Academic Term 3	Academic Term 4	Co-op Term 1
3	Academic Term 5	Co-op Term 2	Academic Term 6
4	Co-op Term 3	Academic Term 7	Academic Term 8

By integrating academic study with three co-op terms, students will have an opportunity to determine career goals; gain practical knowledge and experience; develop confidence, maturity and human relations skills; apply academic material to practical working situations; generate employment contacts and provide financial assistance to meet educational expenses.

Co-op terms are available in the areas of accounting, management, and marketing. Students must satisfactorily complete the three co-op terms in order to receive the Bachelor of Business Administration (Co-operative Education) degree. Students completing fewer than three co-op terms and completing the academic requirements for the Bachelor of Business Administration degree will receive a Bachelor of Business Administration degree with transcript notation of their completed co-op terms.

*Program Standards:*

Before the first co-op work term, students must meet these prerequisites:

1. a 2.0 CGPA at the end of the academic term prior to the job search process\*
2. normally completion of 10.0 units
3. successful completion of BUSI 2214, BUSI 2321, BUSI 2230, and ECON 1101

\*Students who do not meet the 2.0 CGPA requirements for co-operative education but have more than 7.5 units of transfer credits, or grades from courses completed more than five years ago, may request an individual review of their transcripts by the department Chair who may approve admission.

Once you have accepted a co-op term, there are three possible grades for co-op terms:

- P Pass. Student continues academic study.
- NCR No credit, repeat. Normally, a student may receive only one NCR grade and remain in the degree program.
- F Fail. A failing grade in a co-op term results in dismissal from the program.

For additional information, refer to page 207 and to the co-operative education section online at [msvu.ca/co-op](http://msvu.ca/co-op).

## Honours Degree

Students wishing to complete an honours degree must make formal application to the department Chair after successful completion of 12.5 units. Admissions to the honours program are approved by the Honours Committee of the Department of Business Administration. Students must have a GPA of 3.0 in required courses to be considered for admission and must have completed MATH 2208 and 2209 and either BUSI 4430 or THMT 3312. # Canadian Studies (CANA)

## Chair

Tammy Findlay, BA (Western), MA, PhD (York), Associate Professor

## Coordinator

To Be Determined – Please contact the Department of Political & Canadian Studies at 902-457-5402

This program is intended for students who wish to increase their knowledge, understanding and critical analysis of Canadian society, culture and identity. Students will be introduced to issues related to race, ethnicity, multiculturalism, immigration, colonialism, regionalism, gender, class, sexuality and ability in historical and contemporary contexts. It provides an excellent background for careers in education, journalism, law, public relations, and the public service. Any student wishing to complete a major, concentration or minor in Canadian Studies should consult the Canadian Studies Coordinator, who will help the student plan an academic program. Students are encouraged to apply for the Andrea M. and Charles R. Bronfman Award in Canadian Studies.

## Major (20.0 Units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ CANA 1102/POLS 1102
  - ❑ CANA 1121/HIST 1121 or CANA 1122/HIST 1122
  - ❑ CANA 2201/POLS 2201

- ☐ Core B - *Social Sciences* (1.0 unit)
- ☐ Core C - *Humanities* (1.0 unit)
- ☐ at least 9.0 units of the total 20.0 units must be at the 2000 level or above
- ☐ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

Students wishing to combine an arts major and a science major (e.g. *Chemistry and English* or *Biology and Political Studies*):

- ☐ must meet all of the requirements listed above
- and
- ♦ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline
    - ☐ must complete a minimum 12.0 units of the total 20.0 units in science disciplines
  - ♦ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline
    - ☐ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

## Concentration

To obtain a concentration in Canadian Studies, students must fulfill the following requirements:

- ☐ CANA 1102/POLS 1102
- ☐ CANA 1121/HIST 1121 or CANA 1122/HIST 1122
- ☐ CANA 2201/POLS 2201 or CANA 2202/POLS 2202
- ☐ CANA 3301/POLS 3301 or CANA 4401/POLS 4401
- ☐ 2.0 additional units of Canadian Emphasis Courses at the 2000 level or above (*selected from the list below*)

## Minor

To obtain a minor in Canadian Studies, students must fulfill the following requirements:

- ☐ CANA 1102/POLS 1102
- ☐ CANA 1121/HIST 1121 or CANA 1122/HIST 1122
- ☐ CANA 3301/POLS 3301 or approved substitute
- ☐ 1.5 additional units of Canadian Emphasis Courses (*selected from the list below*)

*Note: Prerequisites for individual courses included in the following list must be met or the appropriate departmental approval received. Alternative courses may be approved by the department if they comprise 60 percent Canadian content.*

## Courses

CANA 1001/POLS 1001  
**Government, Law and Leaders** 0.5 unit  
 An introduction to the central concepts and ideas which shape our political world. It explores the design of political systems and the roles of institutions (executive, legislative, and judicial) that organize political life and the powers of Presidents and Prime Ministers. *Note: Students who have received credit for POLS 1100 may not take this course for credit. (Also listed under Public Policy Studies)*

CANA 1002/POLS 1002  
**State, Democracy and Change in the Global Era** 0.5 unit  
 An introduction to the state, democracy and change in a global era. The course explores the social and political influences on the governing process, including political parties, political culture and electoral systems. In addition, the phenomenon of globalization and its impact on the sovereignty of individual states are considered. *Note: Students who have received credit for POLS 1100 may not take this course for credit. (Also listed under Public Policy Studies)*

CANA 1102/POLS 1102  
**Citizenship, Identity and Diversity in Canada** 0.5 unit  
 An introduction to the diverse communities of Canada. This interdisciplinary course explores the themes of equality, ethnicity, nationality, gender, class, region, religion, sexual orientation, and ability. *Note: Students who have received credit for CANA 1100 may not take this course for credit.*

CANA 1121/HIST 1121  
**Canoes and Colonialism: A History of Canada to Confederation** 0.5 unit  
 An introduction to the history of Canada from the pre-contact period until Canadian Confederation in 1867. Special emphasis will be placed upon political, economic, and social factors which have contributed to the growth of the Canadian nation and a national identity. *Note: Students who have received credit for HIST 1120 may not take this course for credit.*

CANA 1122/HIST 1122  
**Consolidation and Conflict: A History of Canada from Confederation** 0.5 unit  
 An introduction to the history of Canada from the Canadian Confederation in 1867 to the present day. Special emphasis will be placed upon political, economic, and social factors which have contributed to the growth of the Canadian nation and a national identity. *Note: Students who have received credit for HIST 1120 may not take this course for credit.*

CANA 2201/POLS 2201  
**Law, Government and Politics in Canada** 0.5 unit  
 An introduction to the values, structures and processes which are the foundation of Canadian legal and governmental institutions. Topics may include the roles of the Prime Minister, the Cabinet and individual MPs, the constitutional division of powers and Quebec's demands for change, and the basic principles of our legal system. *(Also listed under Public Policy Studies)*

CANA 2202/POLS 2202  
**People, Power and Politics in Canada** 0.5 unit  
 An introduction to core liberal democratic values at the heart of Canadian society and the chief links between citizens and their governments. Such topics as Canadian political culture, political participation, the role of the mass media, political parties and interest groups in shaping decision-making are addressed, and alternatives for change are assessed. *(Also listed under Public Policy Studies)*

CANA 2211/CULS 2211  
**Canadian Popular Culture** 0.5 unit  
 An exploration of the social, cultural, economic, and political dimensions of popular culture in Canada. Topics such as music, film, television, comedy, literature, sports, and food will be considered as sites of Canadian identity and diversity, and American cultural influence.

CANA 3301/POLS 3301  
**Contemporary Canadian Policy Issues** 0.5 unit  
*Prerequisites: CANA 1102/POLS 1102 and CANA 1121/HIST 1121 or CANA 1122/HIST 1122 or 1.0 unit of POLS or permission of the instructor*  
 An examination of contemporary issues and debates in Canadian society. The course considers various cultural, social, economic and political factors and their significance for understanding current policy problems in Canada. *Note: Students who have received credit for CANA 3305 may not take this course for credit. (Also listed under Public Policy Studies)*

CANA 3306  
**Selected Topics in Canadian Studies** 0.5 unit  
*Prerequisites: CANA 1102/POLS 1102 and CANA 1121/HIST 1121 or CANA 1122/HIST 1122 or CANA 3301/POLS 3301 or permission of the instructor*  
 A seminar course, offered periodically, on a special topic in Canadian Studies not specifically covered by other programmes. Topics will vary.

CANA 3307  
**Selected Topics in Canadian Studies** 0.5 unit  
*Prerequisites: CANA 1102/POLS 1102 and CANA 1121/HIST 1121 or CANA 1122/HIST 1122 or CANA 3301/POLS 3301 or permission of the instructor*  
 A seminar course, offered periodically, on a special topic in Canadian Studies not specifically covered by other programmes. Topics will vary.

CANA 4002

**Directed Study**

0.5 unit

*Prerequisite: CANA 3301 or written permission of the course supervisor*

A directed study to permit the student to concentrate on a substantive area of Canadian studies, or as an additional course for students wishing to pursue a specific interest in depth.

CANA 4007/POLS 4007

**Directed Study**

0.5 unit

A course designed to encourage the student to do independent work in a particular area of political studies. The outline is developed by the student(s) and professor involved and should not include materials covered in other courses offered by the department. *(Also listed under Public Policy Studies)*

CANA 4401/POLS 4401

**Seminar on Canadian Issues**

0.5 unit

*Prerequisites: CANA 3301/POLS 3301 or 1.0 unit of POLS at the 2000 or 3000 level or permission of the instructor*

An interdisciplinary senior seminar, in which students will explore in-depth selected topics in Canadian society, politics, and culture applying contemporary theoretical approaches in the field. Students will be expected to conduct independent research.

## Chemistry (CHEM)

### Chair

Chérif Matta, BSc (Alexandria), PhD (McMaster), Professor

Chemistry is the study of matter; its composition, the changes it undergoes, and the accompanying changes in energy. Chemistry is often called the “central science”, because a basic understanding of chemistry is essential for the study of subjects like Biology, Physics and Ecology.

The Department of Chemistry at the Mount challenges students to be both analytical and creative. Small class sizes and, in many cases, the opportunity to participate in research prepares undergraduate students for their future endeavours; graduate school, medicine, dentistry or pharmacy, to name a few.

Any student wishing to pursue a major or honours program in chemistry should consult the department Chair, who will appoint an advisor to help the student plan an academic program. The department offers a Bachelor of Science with a major in Chemistry and, in cooperation with Dalhousie University, a joint honours degree in Chemistry.

Valid WHMIS (Workplace Hazardous Materials Information System) certification is required of all students who wish to take CHEM laboratory courses. WHMIS training sessions will be provided. Please contact your instructor for details.

### Major (20.0 Units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before they register for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ CHEM 1011, 1012, 2101, 2201, 2301, 2302, 2401, 2402, 3101, 3102, 3401, 3402, 3501, 3502 (7.0 units)
  - ❑ 1.0 additional unit of CHEM at the 3000 level or above
  - ❑ a minimum overall GPA of 2.0 in the required 8.0 units of CHEM
- ❑ 1.0 unit of PHYS (PHYS 1101 and 1102)
- ❑ 1.0 unit of MATH (MATH 1113 and 1114)  
*Note: MATH 1113 and 1114 are required as co-prerequisites to CHEM 2301 and together fulfill the Core A requirement described below.*
- ❑ 0.5 unit of MATH or CMPS (excluding MATH 1102, 1103, 2243 and 2245)
- ❑ a minor consisting of 3.0 units in a science field (*Applied Statistics, Biology, Mathematics, Physics, Psychology, Statistics or designated Applied Human Nutrition courses*) as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units

- ❑ students may choose a second 3.0 unit minor in any area that offers a minor or up to 2.5 additional units of arts or science electives
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (exclusive of the major):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

#### Special Studies

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

### Major Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Science (General Studies) degree may apply to do a major certificate. Students must fulfill the requirements for the major degree listed above.

### Combined Major (20.0 Units)

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. Students must declare a major or combined major before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units. In order to complete a combined major in Chemistry, the following requirements must be met:

- ❑ a minimum of 6.0 units and a maximum of 8.0 units in the Chemistry combined major as follows:
  - ❑ CHEM 1011, 1012, 2101, 2201, 2301, 2401
  - ❑ 1.0 additional unit of CHEM at the 2000 level or above
  - ❑ 2.0 additional units of CHEM at the 3000 level or above
- ❑ MATH 1113 and 1114 *Note: MATH 1113 and 1114 are required as co-prerequisites to CHEM 2301 and together fulfill the Core A requirement described below.*
- ❑ a second combined major specified by another program (*Biology, Canadian Studies, Cultural Studies, Economics, English, Family Studies, French, Gerontology, History, Mathematics, Political Studies, Psychology, Sociology/Anthropology, Women's Studies*)
- ❑ a minimum overall GPA of 2.0 in the required 6.0 units of each combined major
- ❑ at least 5.0 units of the 12.0 units overall required for the combined majors must be at the 3000 level or above
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (inclusive of the majors):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)

- ❑ Core C - *Humanities* (1.0 unit)

- ❑ at least 9.0 units of the total 20.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

Students wishing to combine an arts major and a science major (e.g. *Chemistry and English or Biology and Political Studies*):

- ❑ must meet all of the requirements listed above and
  - ◆ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline
    - ❑ must complete a minimum 12.0 units of the total 20.0 units in science disciplines
  - ◆ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline
    - ❑ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

### Joint Honours Degree

A Bachelor of Science, Honours degree given jointly with Dalhousie University, may be obtained in those areas of chemistry which form part of the honours program at Dalhousie. This joint program is accredited by the Canadian Society for Chemistry.

Students wishing to register in the honours program should declare this intention as soon as possible, preferably within the second year of study. Approval of the department is necessary for a student to be accepted into the honours program.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 10.0 and a maximum of 12.0 units of CHEM
  - ❑ CHEM 1011, 1012, 2101, 2201, 2301, 2302, 2401, 2402, 3301, 3501, 4990
  - ❑ Dalhousie CHEM 3201, 3202, or 3203
  - ❑ CHEM 3101, 3102 or Dalhousie CHEM 3101
  - ❑ CHEM 3401, 3402 or Dalhousie CHEM 3304
  - ❑ 2.5 additional units selected from the remaining CHEM courses
- ❑ MATH 1113, 1114, 2211, and 2212 *Note: MATH 1113 and 1114 are required as co-prerequisites to CHEM 2301 and together fulfill the Core A requirement described below.*
- ❑ PHYS 1101 and 1102
- ❑ a minor consisting of 3.0 units in a science field (*Applied Statistics, Biology, Mathematics, Physics, Psychology or Statistics*) as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ 4.0 units of electives from core groups A, B, and C listed on page 65. At least 0.5 unit must be a course in which written assignments in the English language are considered frequently and in detail
- ❑ obtain a minimum GPA of 3.0 and a grade of at least C- in 10.0 units of the required CHEM honours courses
- ❑ achieve a minimum of B- in the honours thesis
- ❑ obtain an overall GPA of 3.0 or better in all courses counted for the degree beyond the first 5.0 units taken

- ❑ fulfilment of these general regulations governing honours degrees at both institutions
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

*Note: First-class honours will be awarded to students who maintain a GPA of 3.5 or better in 10.0 units in the honours subject and no grade below B- in all courses counted for the degree beyond the first 5.0 units taken.*

## Joint Honours Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Science with a major in Chemistry may apply to do a joint honours certificate. Students must fulfill the requirements for the joint honours degree listed above and meet the University regulations regarding honours certificates.

## Concentration

To obtain a concentration in Chemistry, students must fulfill the following requirements:

- ❑ CHEM 1011, 1012 and 2401
- ❑ 2.5 additional units of CHEM at the 2000 level or above, 1.0 unit of which must be at the 3000 level or above

## Minor

To obtain a minor in Chemistry, students must fulfill the following requirements:

- ❑ CHEM 1011 and 1012
- ❑ 2.0 additional units of CHEM at the 2000 level or above

## Courses

**CHEM 1003**  
**Chemistry of Everyday Life** 0.5 unit  
 An introduction to the chemistry in our everyday lives. Chemistry surrounds us and is in us. It is hoped that this course will give students a taste of the beauty and complexity of some of the substances and reactions in our homes, in the air we breathe and water we drink, and in the materials we use every day, so that they can be more informed citizens and more protective of our environment. The course will be non-quantitative and is aimed primarily at non-science majors. *Note: This course may not be counted towards the requirements of a major or minor in chemistry.*

**CHEM 1005**  
**Chemical Concepts** 0.5 unit  
*Prerequisites: Nova Scotia grade XI or grade XII academic mathematics or equivalent or MATH 0027 with a grade of C or higher or MATH 1102*  
 The fundamental quantitative aspects of chemistry for students who have not completed grade XII chemistry. Topics include an introduction to atomic and molecular structure, the mole concept, stoichiometry, periodicity, bonding, gases, liquids, solids, and solutions. *Note: This course is a science elective, but may not be counted towards a major, minor, or honours in chemistry. Students who have received credit for*

*CHEM 1011 may not take this course for credit.*  
 Laboratory/tutorial required (3 hours/week)

**CHEM 1011**  
**General Chemistry I** 0.5 unit  
*Prerequisites: a) Nova Scotia grade XII chemistry or permission of department or CHEM 1005 with grade of C or higher or equivalent; b) Nova Scotia grade XI and grade XII academic mathematics or MATH 1103*  
 A study of the fundamental principles of chemistry: stoichiometry, atomic structure and the periodic table, bonding, molecular geometry, thermochemistry, and gas laws.  
 Laboratory required (3 hours/week)

**CHEM 1012**  
**General Chemistry II** 0.5 unit  
*Prerequisite: CHEM 1011*  
 A continuation of the study of the fundamental principles of chemistry: intermolecular forces, solutions, kinetics, equilibrium, chemical thermodynamics, electrochemistry, nuclear chemistry, and organic chemistry.  
 Laboratory required (3 hours/week)

**CHEM 2101**  
**Introductory Inorganic Chemistry** 0.5 unit  
*Prerequisite: CHEM 1012*  
 An introduction to simple inorganic and co-ordination compounds. Topics include: theories of atomic structure and chemical bonding, nomenclature, stereochemistry, point groups, inorganic thermodynamics, acids and bases, redox chemistry and periodic properties of the elements.  
 Laboratory required (3 hours/week)

**CHEM 2201**  
**Introductory Analytical Chemistry** 0.5 unit  
*Prerequisite: CHEM 1012*  
 An introduction to qualitative and quantitative analysis. Topics include: treatment of experimental data, spreadsheet tools, types of chemical equilibria, gravimetric, volumetric and spectrophotometric methods of analysis.  
 Laboratory required (4 hours/week)

**CHEM 2301/PHYS 2301**  
**Chemical Thermodynamics** 0.5 unit  
*Prerequisites: CHEM 1012 and MATH 1113. MATH 1113 may be taken concurrently, though preferably students will have completed MATH 1113 and 1114 prior to taking the course.*  
 An introduction to the laws and theories of physical chemistry. Topics include states of matter, properties of phases and solutions, the laws of thermodynamics and equilibrium.  
 Laboratory required (3 hours/week)

**CHEM 2302**  
**Chemical Kinetics and Dynamics** 0.5 unit  
*Prerequisites: CHEM 2301, PHYS 1102 and MATH 1114. PHYS 1102 or MATH 1114 may be taken concurrently, though preferably students will have completed these courses prior to taking the course.*  
 An examination of the motion and reactivity of molecules. Topics include conductance, electrochemical cells, spectroscopy, chemical kinetics, quantum mechanics and statistical thermodynamics.  
 Laboratory required (3 hours/week)

CHEM 2401  
**Organic Chemistry I** 0.5 unit  
*Prerequisite: CHEM 1012*  
An introduction to the bonding, geometry and stereochemistry of carbon compounds. Topics will include geometrical and optical isomerism, nomenclature of the common organic families, acid-base behaviour of organic molecules, reactions of functional groups and an introduction to reaction mechanisms and spectroscopy (ultraviolet). The class will develop enough chemistry to help students gain appreciation for the properties of carbohydrates, amino acids, lipids and nucleic acids.  
Laboratory required (3 hours/week)

CHEM 2402  
**Organic Chemistry II** 0.5 unit  
*Prerequisite: CHEM 2401*  
A continuation of the study of the structures and reactions of carbon compounds. Topics will include spectroscopic techniques (infrared and nuclear magnetic resonance) as tools for structure determination. Increased emphasis will be placed on the mechanistic aspects of organic reactions, especially substitutions and elimination reactions of alkyl halides and alcohols, synthesis and reactions of unsaturated hydrocarbons, carbonyl compounds, and carboxylic acids and their derivatives.  
Laboratory required (3 hours/week)

CHEM 2505  
**Environmental Chemistry** 0.5 unit  
*Prerequisite: CHEM 1012*  
A study of chemical reactions in the environment. Topics include composition of the atmosphere, photochemical reactions in the stratosphere (ozone production and loss) and troposphere (production of smog), simple models to describe room air quality, transfer of gases across interfaces, chemistry of natural waters (hardness, alkalinity), treatment of drinking water (chlorination and aeration/coagulation) and waste water (primary, secondary and tertiary treatments). Chemicals to be discussed include formaldehyde, chlorinated hydrocarbons, pesticides, PAHs, and heavy metals.

CHEM 3011  
**Directed Study in Chemistry** 0.5 unit  
*Prerequisites: 2000 level CHEM course in the relevant area and possibly other courses depending on the area and permission of the department.*  
An advanced-level directed study of a particular topic in chemistry. Emphasis will be placed on the learning of new material through reading, problem solving discussion, and possibly one or more papers, depending on the topic.

CHEM 3012  
**Directed Study in Chemistry** 0.5 unit  
*Prerequisites: 2000 level chemistry course in the relevant area and possibly other courses depending on the area and permission of the department.*  
An advanced-level directed study of a particular topic in chemistry. Emphasis will be placed on the learning of new material through reading, problem solving discussion, and possibly one or more papers, depending on the topic. This directed study course may extend the study of material done in CHEM 3011 or may be in an unrelated area.

CHEM 3015  
**Special Topics in Chemistry** 0.5 unit  
*Prerequisites: 2000 level chemistry course in the relevant area and possibly other courses depending on the area and permission of the department.*  
An advanced-level in-depth study of a particular topic in chemistry. Areas which might be included are molecular modelling, material science, nuclear chemistry, bioinorganic or polymer chemistry. Emphasis will be placed on the learning of new material through lectures, reading and discussion. Depending on the topic, a laboratory component may be required.

CHEM 3016  
**Special Topics in Chemistry** 0.5 unit  
*Prerequisites: 2000 level chemistry course in the relevant area and possibly other courses depending on the area and permission of the department.*  
An advanced-level in-depth study of a particular topic in chemistry. Areas which might be included are molecular modelling, material science, nuclear chemistry, bioinorganic or polymer chemistry. Emphasis will be placed on the learning of new material through lectures, reading and discussion. Depending on the topic, a laboratory component may be required.

CHEM 3101  
**Chemistry of the Main Group Elements** 0.5 unit  
*Prerequisite: CHEM 2101*  
A study of the systematic chemistry of the main group elements. The laboratory will include the synthesis and reactions of inorganic compounds.  
Laboratory required (3 hours/week)

CHEM 3102  
**Chemistry of the Transition Metals** 0.5 unit  
*Prerequisite: CHEM 2101*  
A study of transition metals and their complexes, including modern bonding theories of co-ordination compounds and organometallic chemistry. The laboratory will include the synthesis and structural study of co-ordination compounds.  
Laboratory required (3 hours/week)

CHEM 3301  
**Introductory Quantum Chemistry** 0.5 unit  
*Prerequisite: MATH 2212, PHYS 1102, CHEM 2301 or CHEM 2302*  
An introduction to quantum chemistry covering its historical development (blackbody radiation, photoelectric effect, the Compton effect, and wave-particle duality). The Schrödinger equation will be applied to simple examples. The methods of quantum mechanics and selected application of quantum chemistry will be studied, at times with the aid of the computer. *Note: Students who have received credit for PHYS 2230 may not take this course for credit.*

CHEM 3401  
**Organic Structure Determination** 0.5 unit  
*Prerequisite: CHEM 2402*  
Topics covered include spot tests for functional group identification and modern instrumental techniques used for structure determination: ultraviolet/visible, infrared, and nuclear magnetic resonance spectroscopy and mass spectrometry. Laboratory sessions involve the analysis of unknowns using these techniques.  
Laboratory required (3 hours/week)

CHEM 3402

**Organic Reactions: Synthesis and Mechanism** 0.5 unit

*Prerequisite: CHEM 2402*

Characteristic functional group reactions and planning of a multi-step synthesis of a desired organic compound will be discussed. Detailed pathways of some organic reactions will also be covered. Laboratory sessions involve practical applications of synthesis and investigation of mechanisms from lecture material.

Laboratory required (3 hours/week)

CHEM 3501/BIOL 3501

**Introductory Biochemistry** 0.5 unit

*Prerequisite: CHEM 2401*

The structure and chemistry of cellular molecules, dealing mainly with carbohydrates, proteins, lipids and nucleic acids and their components, aqueous solutions, pH, pKa, buffers, and colloidal dispersions.

Laboratory required (3 hours/week)

CHEM 3502/BIOL 3502

**Intermediary Metabolism** 0.5 unit

*Prerequisite: CHEM/BIOL 3501*

A study of the enzymes, energetics and intermediary metabolism of living cells, catabolic biosynthetic and regulatory processes affecting the metabolism of cellular molecules.

Laboratory required (3 hours/week)

CHEM 4600

**Directed Research** 1.0 unit

CHEM 4601

**Directed Research** 0.5 unit

CHEM 4602

**Directed Research** 0.5 unit

*Prerequisite: normally 2000-level chemistry courses*

A research project undertaken with the direction of members of the department. Offered for selected senior students majoring in chemistry and subject to departmental approval.

CHEM 4990

**Honours Thesis** 1.0 unit

Honours chemistry students are required, in their final year, to undertake a research project in consultation with the department. Students are required to write an honours thesis and make an oral presentation of the work at the conclusion of the project.

## Child and Youth Study (CHYS)

### Chair

Joan Turner BA (University of Winnipeg), MSc (University of Manitoba) PhD. (University of Missouri), Professor

### Bachelor of Arts (Child and Youth Study)

The Child and Youth Study program prepares students for careers in a wide variety of programs and services for children, youth and families. Students will normally focus on early childhood/child care administration or disability/special needs or youth care, but may take courses related to more than one area.

Students interested in teaching can apply for admission to Bachelor of Education (Elementary) programs upon completion of the Bachelor of Arts (Child and Youth Study).

### Advising

All students must seek academic advising once admitted to the program. Students planning on applying to Education should seek advice on choice of electives.

### Admission Requirements

Please refer to Section 2.1.4 Admission Requirements and 2.1.6 Additional Admission Requirements.

### Transfer Requirements

In order to transfer into the Bachelor of Arts (Child and Youth Study) program from another university program, students must have maintained a GPA of 2.0 in their previous 5.0 units at university.

### Program Requirements

Students must successfully complete 22.0 units with the following requirements:

- ❑ successful completion of 2.0 units of supervised practicum, at least 0.5 unit of which must be completed under CHYS Department supervision
- ❑ obtain a minimum GPA of 2.0 in 9.0 units of required coursework including the 8.5 units of required professional coursework (excluding NUTR 2240 and PSYC 2222)  
*Note: Practicum courses (CHYS 2251, 3351, 3352 and 4451) cannot be counted in the calculation of the GPA*
- ❑ students may complete a minor by fulfilling the requirements for the minor as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units

*Note: Students who fail a Child and Youth Study academic course twice, will be dismissed from the Child and Youth Study program.*

#### *Child and Youth Study Practicum*

Practicum is restricted to students enrolled in the Bachelor of Arts (CYS) degree. Students complete supervised practicum placements in a variety of community-based programs and services for children, youth and families. These practica are completed on Tuesdays and Thursdays during the fall and winter academic terms, or as four-week block placements (Monday to Friday) during Summer Sessions I & II. Students may not enrol in other daytime classes on practica days. Before any placement, students must meet the following prerequisites:

1. a CGPA of 2.0 or higher at the end of the academic term prior to the practicum experience
2. completion of all prerequisites for the practicum for which they intend to register.

Students who fail to complete any practicum successfully will not be permitted to continue in the program.

#### *Child Abuse Register, Vulnerable Sector Check and First Aid Certification*

Students are required to produce the following documents on the first day of each of their practica: Child Abuse Registry letter, Vulnerable Sector Check and Emergency First Aid & CPR "C"/AED certificate. Go to [msvu.ca/practicumdocs](http://msvu.ca/practicumdocs) for information on obtaining the required documentation. In accordance with government of Nova Scotia requirements

students who do not produce the required documentation will not be permitted to proceed with the practicum.

*Note: Students are required to meet all department policies and deadlines regarding practica.*

## **Honours Degree**

Students wishing to obtain an honours degree must make formal application through the department Chair by May 1 of the third year of the program or after the completion of 15.0 units.

Minimum requirements for acceptance into the honours degree are a GPA of 3.0 in 10.0 of the required academic units listed in the first three years of the program with a grade of at least C- in each of these units.

Students must fulfill the following requirements:

- ☐ fulfilment of all the requirements of the 22.0 unit degree including the completion of CHYS 4499
- ☐ 1.0 unit from each core group A, B, and C listed on page 65:
  - ☐ Core A - *Sciences & Mathematics* (1.0 unit)
  - ☐ Core B - *Social Sciences* (1.0 unit)
  - ☐ Core C - *Humanities* (1.0 unit)
- ☐ obtain a minimum GPA of 3.0 and a grade of at least C- in 10.0 units of the required CHYS courses
- ☐ achieve a minimum of B- in CHYS 3311
- ☐ achieve a minimum of B- in CHYS 4499
- ☐ obtain an overall GPA of 3.0 or better in all courses counted for the degree beyond the first 5.0 units taken

*Note: First-class honours will be awarded to students who maintain a GPA of 3.5 or better in 10.0 units in the honours subject and no grade below B- in all courses counted for the degree beyond the first 5.0 units taken.*

## **Honours Certificate**

Students who have graduated from the Mount with a Bachelor of Arts (Child and Youth Study) may apply to do an honours certificate. Students must fulfill the requirements for the honours degree listed above and meet the University regulations regarding honours certificates.

## **Minor**

To obtain a minor in Child and Youth Study, students must fulfill the following requirements:

- ☐ CHYS 1110 and 1130
- ☐ 2.0 additional units selected from CHYS 2201, 2209, 3320, 3323, 3327, 3333, 3339, 4416, NUTR 2240, PSYC 2206

Students must meet the prerequisites for all courses, achieve a GPA of 2.0 in the required 3.0 units of the minor, and complete a minimum of 50 percent of the coursework required for the minor through Mount courses.

## Courses

*Note: All courses listed below have a professional studies classification only, unless cross-listed with an arts and science discipline.*

CHYS 1110

### **Introduction to Child and Youth Study** 0.5 unit

An introduction to child and youth study. Students will examine issues and approaches of the field such as early childhood education, early and youth intervention, child life, child and youth work. Emphasis will be on developing student understanding of the scope and nature of the discipline.

CHYS 1120

### **Essentials of Child and Youth Care Practice** 0.5 unit

*Prerequisite: Admission to the Bachelor of Arts (Child and Youth Study)*

An examination of the essential elements of professional practice in the field of child and youth care. Students will examine the concept of professionalism as it applies to child and youth care practice together with a number of specific professional skills including observations skills, interpersonal communication, problem-solving, documentation and report writing.

CHYS 1130

### **Theoretical Frameworks in Child and Youth Study** 0.5 unit

An introduction to the theoretical and curriculum frameworks and approaches that influence philosophy and practice in child and youth study. Topics include the origins, issues, and underpinnings of theoretical and curriculum frameworks, current debates, and individual, cultural and family influences that guide philosophy and curriculum perspectives.

CHYS 2201

### **Individuals with Diverse Capacities and Their Families** 0.5 unit

*Prerequisites: Completion of 5.0 units of university credit including CHYS 1110*

A critical exploration of current social, educational, ethical, and political issues including disability models (medical, social, cultural and critical). It also provides an overview of disabilities. Students will consider their future roles, and the roles of others, in the provision of services, advocacy and support that promote a capacity approach. *Note: Students who have received credit for CHYS 3301 may not take this course for credit.*

CHYS 2204

### **Observation and Documentation in Child and Youth Study** 0.5 unit

*Prerequisites: CHYS 1120, PSYC 1120, and admission to the Bachelor of Arts (Child and Youth Study)*

An examination of the philosophy, purpose, methods, techniques and issues of observation and documentation in child and youth study. Topics include ethical practices of observation and documentation; selecting and utilizing appropriate observation and documentation methods; interpreting, applying and communicating information from observations.

CHYS 2208

### **Guiding Young Children's Learning, Development and Behaviour** 0.5 unit

*Prerequisites: CHYS 1110, 1130, PSYC 1120 and admission to the Bachelor of Arts (Child and Youth Study)*

A focus on understanding and enhancing young children's learning experiences. In this course students will learn strategies of identifying, analyzing and implementing developmentally appropriate learning and behaviour guidance principles applicable during the early childhood years. *Note: Students who have received credit for CHYS 2207 may not take this course for credit.*

CHYS 2209

### **Issues of Childhood** 0.5 unit

*Prerequisites: CHYS 1110, 1130, and PSYC 1120*

An examination of contemporary lived experiences of children with an emphasis on the types of strategies, processes or methods that may be used to enhance the provision of their care, learning and development. *Note: Students who have received credit for CHYS 2207 may not take this course for credit.*

CHYS 2251

### **Practicum I: Early Childhood Setting** 0.5 unit

*Prerequisite: CHYS 2208 or 2209 (either may be taken concurrently with CHYS 2251) and admission to the Bachelor of Arts (Child and Youth Study)*

Field experiences in early childhood settings in conjunction with seminars which examine these experiences in relation to theories and methods of working with young children. Placements are completed on Tuesdays and Thursdays. *Note: Students may not enrol in any other daytime courses on these days.*

CHYS 3311

### **Methods of Research in Child and Youth Study** 0.5 unit

*Prerequisites: CHYS 1120, 2204, MATH 2209 and admission to the Bachelor of Arts (Child and Youth Study)*

An introduction to research design and methodology with applications to the field of child and youth study. Emphasis is placed on the student's ability to evaluate the quality and potential for application of research in this field. *Note: Students who have received credit for CHYS 2211 may not take this course for credit.*

CHYS 3314

### **Play and Development: Infancy through Early Childhood** 0.5 unit

*Prerequisites: CHYS 2201, 2208, one of CHYS 2251/3351/3352/4451, PSYC 2222 and admission to the Bachelor of Arts (Child and Youth Study)*

An examination of the social, health, and developmental play issues for children from infancy through early childhood. Students examine theoretical understandings of play, major influences affecting play, methods of observing and studying play, and practical approaches for supporting and facilitating play during children's early years. *Note: Students who have received credit for CHYS 3312 may not take this course for credit.*

CHYS 3315

**Play and Development:**

**Middle Childhood through Adolescence** 0.5 unit

*Prerequisites:* CHYS 3314 and all specific prerequisites as noted for CHYS 3314 and admission to the Bachelor of Arts (Child and Youth Study)

An examination of the social, health, and developmental issues of play and recreation over middle childhood (eight years) through adolescence. Students examine theoretical understandings, major socio-cultural influences, methods of observation and research, approaches for supporting and facilitating play and recreation for this age range. *Note:* Students who have received credit for CHYS 3312 may not take this course for credit.

CHYS 3320

**Youth Care: Theory and Issues** 0.5 unit

*Prerequisites:* completion of 10.0 units of university credit including CHYS 1110 and CHYS 1130

An orientation to youth care through consideration of theoretical perspectives and models pertaining to youth-at-risk, contemporary issues affecting youth development and behaviour, and professional issues for those working within the youth care community.

CHYS 3323

**Supporting Childhood Wellbeing** 0.5 unit

*Prerequisite:* Completion of 10 units of university credit

Emphasis on developing student understanding of the scope and nature of wellbeing influences and initiatives across disciplines. Students will learn about childhood wellbeing examined through theory, policy, evidence-based research, supportive interventions and experiential learning experiences.

CHYS 3327/FSGN 3327

**Interpersonal Communication Skills** 0.5 unit

*Prerequisites:* completion of 10.0 units of university credit including CHYS 2251 or 3351

The study and practice of basic interpersonal communication skills for the professional.

CHYS 3333

**Working with Youth in Alternative Education Contexts** 0.5 unit

*Prerequisite:* Completion of 10.0 units of university credit

Examining the socio-political implications of alternative education. A major emphasis is on supporting youth, in community contexts through the use of relevant experiential learning frameworks. This course provides an opportunity to gain significant insights in experiential education processes while building a rowboat alongside community youth.

CHYS 3339

**Selected Topics in Child and Youth Study** 0.5 unit

*Prerequisite:* completion of 10.0 units of university credit

An examination of selected topics pertaining to children and youth. Topics will vary from year to year. This course does not require specialized knowledge of child and youth study.

CHYS 3351

**Practicum II** 0.5 unit

*Prerequisites:* completion of 10.0 units of university credit including CHYS 2201, 2208, 2209, one of CHYS 2251/3352/4451 and admission to the Bachelor of Arts (Child and Youth Study)

Field experience in settings for children and youth with diverse needs in conjunction with seminars which relate the experiences to theories and methods of working with children and youth with diverse needs. Placements are completed on Tuesdays and Thursdays. *Note:* Students may not enrol in any other daytime courses on these days. Students who have received credit for CHYS 2252 may not take this course for credit.

CHYS 3352

**Practicum III** 0.5 unit

*Prerequisites:* completion of 10.0 units of university credit including CHYS 2201, 2208, 2209, two of CHYS 2251/3351/4451 and admission to the Bachelor of Arts (Child and Youth Study). Placements in youth/adolescent settings require CHYS 3320; some placements in administration require CHYS 4407. CHYS 3320 and 4407 may be taken concurrently with practicum.

Field experience in a wide range of programs for children, youth and families in conjunction with seminars which examine relevant issues and the relationship between theory and practice. Placements are completed on Tuesdays and Thursdays. *Note:* Students may not enrol in any other daytime courses on these days.

CHYS 4402

**Inclusive Programming for Children, Youth and their Families** 0.5 unit

*Prerequisites:* CHYS 2201 and admission to the Bachelor of Arts (Child and Youth Study)

An examination of inclusive supports for individuals with diverse capacities. Emphasis will be placed on integrating previous knowledge and experience with individuals with diverse capacities to design and implement programs based on recent equity, accessibility and inclusive research in fields of child and youth study.

CHYS 4407

**Program Development and Leadership** 0.5 unit

*Prerequisites:* completion of 10.0 units of university credit including CHYS 1110, two of CHYS 2251/3351/3352/4451, and admission to the Bachelor of Arts (Child and Youth Study)

Students are involved in examining the theoretical knowledge, leadership roles and management strategies that have to be considered in the initial planning, policy making, organization and evaluation stages of programs for children and youth. A major emphasis is on the translation of theory into practice in order to attain program goals.

CHYS 4416

**Cultural Perspectives on Childhood and Adolescence** 0.5 unit

*Prerequisites:* completion of 10.0 units of university credit including CHYS 1110

An examination of issues of culture and race in childhood and adolescence. Attention is focussed on the multicultural nature of modern society and the on-going struggle towards the corresponding values of inclusion and anti-racism in practice, research and social policy.

CHYS 4419

**Directed Study** 0.5 unit

*Prerequisites: completion of 10.0 units of university credit including CHYS 3311, with at least a GPA of 3.0 in the last 5.0 units and written permission of the faculty supervisor*  
In-depth study on a specific topic relating to individual interests or career intentions in the child and youth area. May take the form of directed readings and/or research projects, under the supervision of the faculty member.

CHYS 4420

**Professional Knowledge and Skills for Youth Care** 0.5 unit

*Prerequisites: two of CHYS 2251/3351/3352/4451, CHYS 3320 and all specific prerequisites as noted for CHYS 3320 and admission to the Bachelor of Arts (Child and Youth Study)*

An examination of the essential components in care and treatment environments for youth and adolescents. Students will examine treatment interventions and programming for troubled adolescents and the professional role of the child and youth care workers in a variety of contexts.

CHYS 4421

**Emerging Research Topics in Child and Youth Study** 0.5 unit

*Prerequisites: completion of 10.0 units of university credit including CHYS 3311 or equivalent, MATH 2209 and admission to the Bachelor of Arts (Child and Youth Study)*  
Provides students with opportunities to engage in critical evaluation and application of emerging research in the fields of child and youth study.

CHYS 4422

**Early Intervention: Theory and Practice** 0.5 unit

*Prerequisites: completion of 10.0 units of university credit including CHYS 2201, PSYC 2222, and two of CHYS 2251/3351/3352/4451, and admission to the Bachelor of Arts (Child and Youth Study)*

An examination of current research, trends and issues in the field of early intervention i.e., services for children with diagnosed delay aged 0-6 years. The major emphasis will be on the integration of theory and practice, program delivery and professional developmental interventionist competencies.

CHYS 4423

**Psychosocial Care of Children, Youth and Families in Health Care Settings** 0.5 unit

*Prerequisite: completion of 10.0 units of university credit including CHYS 3314 and 3315, and admission to the Bachelor of Arts (Child and Youth Study). CHYS 3315 may be taken concurrently*

An overview of theory, research and practice related to the care of children, youth and families in health care settings, with particular emphasis on child life professional practice. Content related to assessment, intervention and professional responsibility will be emphasized.

CHYS 4429

**Special Topics in Child and Youth Study** 0.5 unit

*Prerequisites: completion of 10.0 units of university credit including CHYS 3311 and PSYC 2222 or approval of the department*  
An opportunity for advanced students to examine in-depth selected topics in child and youth study. Topics will vary from year to year. The course will allow students to focus on a specialized area of the field that may be treated more briefly in other courses.

CHYS 4451

**Practicum IV** 0.5 unit

*Prerequisites: completion of 15.0 units of university credit including PSYC 2222 and CHYS 3352 and all specific prerequisites for placements as noted for CHYS 3352 and admission to the Bachelor of Arts (Child and Youth Study)*  
This practicum provides an opportunity for students to gain experience in a wide range of services for children, youth and families related to their interests and future goals. Requirements of each placement are developed individually with the placement and supervisor. Placements are completed on Tuesdays and Thursdays. *Note: Students may not enrol in any other daytime courses on these days.*

CHYS 4499

**Honours Thesis** 1.0 unit

*Prerequisite: admission to the honours program*  
Students complete a research project on a topic of interest to them, related to the field of child and youth study, under faculty supervision. Sample projects include interviews, surveys, media studies, literature reviews, policy analyses, and observation studies. The outcome will normally be an oral presentation and a written thesis.

## Chinese (CHIN)

### Chair

Alexandra Tsedryk, BA, BEd (Minsk State University),  
MA (Western), PhD (Dalhousie), Associate Professor

### Courses

CHIN 1101

#### **Beginning Mandarin Chinese I**

0.5 unit

A study of the basic skills of Mandarin Chinese – speaking, listening, reading, and writing – as well as the cultural context in which they are used. *Note: Students with previous knowledge of Mandarin cannot take this course for credit.*

CHIN 1102

#### **Beginning Mandarin Chinese II**

0.5 unit

*Prerequisites: CHIN 1101 or permission of the department*  
A continuation of study of the basic skills of Mandarin Chinese – speaking, listening, reading and writing – as well as the cultural context in which they are used.

CHIN 2288

#### **Introduction to Chinese Culture**

0.5 unit

An examination of Chinese culture and civilization, with focus on traditional philosophy and religion, literature and arts, modern Chinese society and gender studies. *(Conducted in English)*

## Communication Studies (COMM and PBRL)

### Chair

Amy Thurlow, BPR (MSVU), MA (SMU), PhD (SMU), APR,  
FCPRS, Professor

### Communications (COMM)

#### **Bachelor of Arts - Communication**

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before they register for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ☐ 8.0 in the major as follows:
  - ☐ COMM 1015 0.5 unit
  - ☐ COMM 2013/PBRL 2013 0.5 unit
  - ☐ COMM 2025 0.5 unit
  - ☐ COMM 2211/PBRL 2211 0.5 unit
  - ☐ COMM 2101 0.5 unit
  - ☐ COMM 3013/PBRL 3013 0.5 unit
  - ☐ COMM 3102 0.5 unit
  - ☐ COMM 4013 0.5 unit
  - ☐ COMM 4200 0.5 unit
  - ☐ LIBR 2100 0.5 unit
  - ☐ PHIL 2229 0.5 unit
  - ☐ POLS 2203 0.5 unit
  - ☐ WRIT 1120 0.5 unit
  - ☐ CULS 1101 or WOMS 2231 0.5 unit
  - ☐ 1.0 unit of Modern Language (in the same language)
  - ☐ a minimum overall GPA of 2.0 in the required 8.0 units
- ☐ a minor consisting of 3.0 units as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ☐ 1.0 unit from each core group A, B, and C listed on page 65 (exclusive of the major):
  - ☐ Core A - Sciences & Mathematics (1.0 unit)
  - ☐ Core B - Social Sciences (1.0 unit)
  - ☐ Core C - Humanities (1.0 unit)
- ☐ at least 9.0 units must be at the 2000 level or above
- ☐ at least 3.0 units must be at the 3000 level or above
- ☐ Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.

## Bachelor of Science (Science Communication)

**NOTE: Admission to this program has been suspended for the 2021-2022 academic year.**

### Admission Requirements

In addition to the General Admission Requirements, students admitted to the BSc (Science Communication) program require the following: Grade XII chemistry and a minimum of one other science, plus grade XI and XII academic or advanced mathematics. Applicants without the mathematics or chemistry requirements may be admitted conditionally and must acquire the prerequisites through elective or non-credit work before or during the first year of the program.

### Program Requirements

Students must fulfill the following requirements:

- ❑ successful completion of 20.0 units
- ❑ obtain a GPA of 2.0 in the courses required for the specialization

#### Required Communication Courses (5.5 units)

❑ COMM 1501	0.5 unit

❑ PSYC 1110	0.5 unit
❑ PSYC 1120	0.5 unit
❑ PSYC 3301	0.5 unit

#### Science Focus

Students select on the advice of the appropriate science department Chair within one science discipline in addition to the core courses that meet the object of depth in one area of their science knowledge base.

#### ► Biology Focus (4.0 units)

- ❑ 2.0 units of BIOL at the 2000 level or above 2.0 units
- ❑ 2.0 units of BIOL at the 3000 level or above 2.0 units  
(selected in consultation with an advisor)

#### ► Chemistry Focus (4.0 units)

- ❑ 2.0 units of CHEM at the 2000 level or above 2.0 units
- ❑ 2.0 units of CHEM at the 3000 level or above 2.0 units  
(selected in consultation with an advisor)

#### ► Psychology Focus (4.0 units)

- ❑ 2.0 units of PSYC at the 2000 level or above 2.0 units
- ❑ 2.0 units of PSYC at the 3000 level or above 2.0 units  
(selected in consultation with an advisor)

#### Required Arts & Humanities Courses (3.5 units)

# Public Relations (PBRL)

## Bachelor of Public Relations

The Public Relations Program is designed to answer the need for university-educated public relations professionals in Canada. Students receive instruction in a variety of liberal arts subjects, communication techniques, public relations theories, practices and management. Graduates are qualified to take up positions in public relations, public affairs and information services in business, government, media, educational and non-profit institutions and consulting firms. Selected courses are available and delivered online.

All students must seek academic advising once admitted to the program. The Department of Communication Studies has a prescribed sequence of courses that must be followed.

*Note: Students enrolled in the Bachelor of Public Relations prior to September 2001 should consult with the department regarding the requirements for completion of their program.*

### Admission Requirements

Please refer to 2.1.4 Admission Requirements on page 18 and 2.1.6 Additional Admission Requirements on page 21. Enrolment in this program is limited and selection is based on suitable academic background and achievement.

### Transfer Requirements

Please review section 2.1.4.4 Admission Requirements for Transfer Applicants on page 20.

### Special Studies

Students may count a maximum of 4.0 units of directed/independent/research studies courses in a 23.0 unit degree, with no more than 2.0 units in any single discipline.

### Course Failure

If a student fails a Public Relations course twice, she or he will be dismissed from the Public Relations program.

### Program Requirements

The Bachelor of Public Relations (Co-operative Education) program is designed as a full-time study program. Co-operative education requires a student to be enrolled full-time before and after each co-op term. Full-time enrolment is defined as 1.5 units per term. A student who commences the program on a part-time basis must be prepared to enrol full-time (1.5 units per term) the term prior to her/his first co-op term and must complete the program as a full-time student. Students are expected to maintain a portfolio of work completed during the public relations degree program.

Students must successfully complete 23.0 units with the following requirements:

- ☐ three compulsory co-op terms
- ☐ obtain a minimum GPA of 2.0 in 8.0 units of required coursework including all required PBRL courses  
*Note: Co-operative education work term courses (PBRL 1188, 2288 and 3388) cannot be counted in the calculation of the GPA*
- ☐ meet all requirements for the co-operative education program
- ☐ students may complete a minor consisting of 3.0 units as specified by the department offering the minor. Students

must achieve a minimum GPA of 2.0 in the required 3.0 units

## Co-operative Education Option

The Bachelor of Public Relations (Co-operative Education Option) degree is a 23.0 unit Bachelor of Public Relations degree with compulsory co-operative education. The Bachelor of Public Relations (Co-operative Education Option) degree is accredited by Co-operative Education and Work Integrated Learning (CEWIL).

Co-operative education is a process in which employers and educators co-operate in the education of students by formally integrating the student's academic program with related work experience. All students in the Co-operative Education Option must complete three alternating co-op terms off-campus with government agencies, non-profit institutions and corporations. Studies show that co-operative education enhances the student's academic performance and facilitates the student's transition to the workplace upon graduation.

The co-operative education component involves a sequencing of normal academic terms and co-op terms. Students complete the normal academic sequence for their first 10.0 units if entering the Bachelor of Public Relations

(Co-operative Education) degree directly from high school. Students admitted to the Bachelor of Public Relations (Co-operative Education Option) degree with sufficient transfer credits complete the normal academic sequence for their first 5.0 units. For the second half of the program, there is an alternation of co-op terms and academic terms.

The following schedule depicts the typical Bachelor of Public Relations (Co-operative Education Option) program:

Year	Sept-Dec	Jan-Apr	May-Aug
1	Academic Term 1	Academic Term 2	Free
2	Academic Term 3	Academic Term 4	Co-op Term 1
3	Academic Term 5	Co-op Term 2	Academic Term 6
4	Co-op Term 3	Academic Term 7	Academic Term 8

#### Program Standards

Students entering the program with considerable professional public relations work experience may use the current university regulations regarding Challenge for Credit found on page 26 of the Academic Calendar to challenge PBRL 1188. Once admitted to the program, students considering this option must consult the academic department to determine eligibility.

Before the first co-op work term, students must meet these prerequisites:

1. a 2.0 CGPA at the end of the academic term prior to the job search\*
2. normally completion of 10.0 units
3. successful completion of PBRL 2013, 3012 and COMM 2016, COMM 2025

*\*Students who do not meet the 2.0 CGPA requirements for co-operative education but have more than 7.5 units of transfer credits, or grades from courses completed more than five years ago, may request an individual review of their transcripts by the department Chair who may approve admission.*

Once you have accepted a co-op term, there are three possible grades for co-op terms:

- P Pass. Student continues academic study.  
 NCR No credit, repeat. Normally, a student may receive only one NCR grade and remain in the degree program.  
 F Fail. A failing grade in a co-op term results in dismissal from the program.

For additional information, refer to page 204 and to the co-operative education section online at [msvu.ca/co-op](http://msvu.ca/co-op).

## Work Experience Option

The Bachelor of Public Relations (Work Experience Option) program is a 21.0 unit degree requiring two compulsory work experience terms. This option is available to students who are entering the Bachelor of Public Relations degree program as transfer students or are taking the program on a part-time basis.

Work Experience is a form of work integrated learning which intersperses two work-experience terms (typically full-time) into the academic program. These opportunities provide experience in a workplace setting related to the student's academic and career goals in public relations.

All students in the Work Experience Option must complete two half-credit (0.5 unit) 13-18 week work-experience terms with government agencies, non-profit institutions and corporations. As in the Co-operative Education Option, the opportunity for work experience-based work integrated learning enhances the student's academic performance and facilitates the student's transition to the workplace upon graduation. The work experience component involves a sequencing of normal academic terms and work experience terms. Students complete the normal academic sequence for their first 10.0 units if entering the Bachelor of Public Relations (Work Experience Option) degree as full-time students coming directly from high school. Students admitted to the Bachelor of Public Relations (Work Experience Option) degree with sufficient transfer credits complete the normal academic sequence for their first 5.0 units. Work experience terms are introduced in the summer terms following the completion of 9.0-11.0 units of course work (Work Experience 1) and then again following the completion of 14.0-16.0 units of coursework (Work Experience 2). The following schedule depicts the typical Bachelor of Public Relations (Work Experience Option) program:

Year	Sept-Dec	Jan-Apr	May-Aug
1	Academic Term 1	Academic Term 2	Free
2	Academic Term 3	Academic Term 4	Work Experience 1 (PBRL 1199)
3	Academic Term 5	Academic Term 6	Work Experience 2 (PBRL 2299)
4	Academic Term 7	Academic Term 8	

#### Program Standards

Students entering the program with considerable professional public relations work experience may use the current university regulations regarding Challenge for Credit found on page 26 of the Academic Calendar to challenge PBRL 1199. Once admitted to the program, students considering this option must consult the academic department to determine eligibility.

Before each work experience, students must meet these prerequisites:

1. a 2.0 CGPA at the end of the academic term prior to the job search.\*
2. normally completion of 9.0-11.0 units of coursework prior to Work Experience 1.
3. normally completion of 14.0-16.0 units of coursework prior to Work Experience 2.

*\*Students who do not meet the 2.0 CGPA requirements for the work experience but have more than 7.5 units of transfer credits, or grades from courses completed more than five years ago, may request an individual review of their transcripts by the department Chair who may approve admission.*

Once a student has accepted a work experience term, there are three possible grades for work experience terms:

- P Pass. Student continues academic study.  
 NCR No credit, repeat. Normally, a student may receive only one NCR grade and remain in the degree program.  
 F Fail. A failing grade in a work experience term results in dismissal from the program.

### Professional Concentration in French

Public Relations students have the opportunity to pursue a 3.0 unit concentration in French. Students must fulfill the following requirements:

- 3.0 units of French language courses (*excluding FREN 1101 and 1102*)

*Prerequisite: PBRL 3014*

A continuation of the study of public relations as a management function using the two-way symmetrical communication model with a specific emphasis on leadership as distinct from management. Issues related to PR counselling, organizational issues management, crisis communication, the process of consulting, entrepreneurship and broader leadership issues within PR as a professional field are explored.

PBRL 4015

**Media Relations**

0.5 unit

*Prerequisite: PBRL 3014*

An examination of the relationship between public relations practitioners and the media, including analysis of media practices, the organization of print and electronic news and current affairs programs. Particular emphasis is placed on relationship-building strategies, media training, media policies, proposing stories to the media, and researching and planning alternative media approaches. *This course includes a lab component.*

PBRL 4019

**Crisis Communication Management**

0.5 unit

*Prerequisite: PBRL 3014*

An examination of the theoretical and practical dimensions of crisis management, with particular emphasis on a strategic framework that incorporates a communications component. The value of the crisis communications plan is assessed. Strategic and objective-driven models for critique and for simulated events are developed.

PBRL 4100

**Special Topics in Public Relations**

0.5 unit

*Prerequisite: PBRL 3014*

A study of specialized area of public relations practice. Courses will be offered from time to time.

PBRL 4101	
<b>Employee Relations</b>	0.5 unit
<i>Prerequisite: PBRL 3014</i>	
An exploration of the role of public relations in developing and maintaining internal relationships in an organization. The practitioner's functions as facilitator, advisor and mediator in developing and implementing internal communications which are effective and manageable, and which recognize external factors affecting the employer and employees will be examined.	
PBRL 4105	
<b>Public Relations and Gender</b>	0.5 unit
<i>Prerequisite: PBRL 3014 or permission of the instructor</i>	
An examination of the feminisation of public relations and its impact on the occupation and on the careers of public relations professionals. Topics include: issues around encroachment of the managerial function; status of women compared to women in other professions; history of women in the field; feminist analyses of public relations issues.	
PBRL 4107	
<b>Advanced Public Relations Writing</b>	0.5 unit
<i>Prerequisite: PBRL 3012</i>	
The application of advanced writing techniques and strategies, particularly those of creative non-fiction, to public relations writing. Emphasis will be placed on advanced research and editing skills. Students will produce magazine-style features and personal essays.	
PBRL 4109	
<b>Strategic Communication in the Not-for-Profit Sector</b>	0.5 unit
<i>Prerequisite: PBRL 3014</i>	
An examination of theories and practices in strategic communication and fund development in the not-for profit sector. Building on students' understanding of strategic approaches in public relations and communication, PBRL 4109 examines topics that will include organizational governance, theory and practice in strategic relationship-building and fund development. Ethical issues will also be considered. <i>Note: Students who have received credit for PBRL 4102 or 4106 may not take this course for credit.</i>	
PBRL 4403	
<b>Directed Study</b>	0.5 unit
PBRL 4404	
<b>Directed Study</b>	0.5 unit
<i>Prerequisites: advanced standing in public relations, PBRL 3014, and permission of faculty supervisor</i>	
A course permitting advanced students of public relations to study in a specified area of public relations practice. This study may take the form of an extensive examination of a specific public relations problem, or of field research under the direct supervision of a faculty member or of directed reading in a chosen area of public relations.	
PBRL 4405	
<b>Senior Seminar</b>	0.5 unit
PBRL 4406	
<b>Senior Seminar</b>	0.5 unit
<i>Prerequisite: open to advanced public relations students</i>	
A seminar devoted to current problems and issues in public relations, aimed at allowing senior students of public relations to integrate their knowledge of the field through presentations and discussion.	

## Computer Science (CMPS)

### Chair

Tina Harriott, BA (Cambridge), MSc (Sussex),  
PhD (Dalhousie), Associate Professor

Computer Science is a rapidly changing field. It is applied in almost every Arts and Science discipline. Modern professionals require some knowledge of computers for use as a tool or as a more integral part of their jobs. The field of Computer Science itself continues to expand into new areas each year.

Many students take computer courses to learn skills and concepts which can be applied to practical matters which arise in their own disciplines.

### Courses

*Note: Students who do not meet the formal prerequisites for the courses listed below, but think they may qualify due to special circumstances, should consult the Mathematics Department.*

#### CMPS 1024/INTE 1024

##### **Information Technology Fundamentals** 0.5 unit

An overview of the fundamentals of information technology. This course uses a case-based approach to introduce students to today's technology including software applications and their use in organizations. This course will develop students' understanding of communication management tools, data management tools (spreadsheets and databases), presentation/graphics, information security and ethical issues. *Note: Students who have received credit for CMPS 1115 may not take this course for credit.*

#### CMPS 1153/INTE 1153

##### **Introduction to Business Programming** 0.5 unit

*Prerequisites: CMPS/INTE 1024 and any 1000 level or above mathematics course or permission of the instructor*  
An introduction to object-oriented/event-driven programming using a language widely used in the business industry such as Visual BASIC. Topics to be covered include fundamental data types, decision structures, loops, arrays and file access. Project design applicable to simple business applications will be emphasized.

#### CMPS 1155

##### **Introduction to Computer Programming I** 0.5 unit

*Prerequisite: Grade XI or XII academic mathematics or equivalent*  
An introduction to algorithmic concepts and structured programming using a high-level language such as C++. Topics include control structures, functions, files, arrays and modular program development. This course is designed for students who intend further study in computer science.

#### CMPS 1161/INTE 1161

##### **Introduction to Media Computing** 0.5 unit

*Prerequisite: Grade XI or XII academic mathematics or equivalent*  
An introduction to computer science focusing on the manipulations of pictures, sounds and videos. Students will learn fundamental programming constructs including data representations, algorithms, sequential operation, iteration, conditionals, defining functions and data abstraction by reading, understanding, and creating programs that achieve

useful communication tasks using the Python programming language.

CMPS 2245/INTE 2245

**Spreadsheet Applications** 0.5 unit

*Prerequisite: completion of 5.0 units of university credit or permission of the instructor*

An examination of numerical applications using spreadsheet software. Topics covered may include formulas, functions, charting capabilities, list management, macros, data analysis techniques, customizing, and integrating Windows applications.

CMPS 2255

**Introduction to Computer Programming II** 0.5 unit

*Prerequisite: CMPS 1155*

A continuation of structured programming, emphasizing the writing of larger programs. Topics include classes and an introduction to abstract data types. Implementation will be in a high-level language such as C++.

CMPS 2263/INTE 2263

**Introduction to Web Design and Development** 0.5 unit

*Prerequisite: completion of 5.0 units of university credit or permission of the instructor*

A comprehensive introduction to web site design and creation, including configuration and usage of internet-related software applications and protocols. Software commonly used in the business world for web site design and creation will be introduced. *Note: Students who have received credit for INTE/CMPS 2260 may not take this course for credit.*

CMPS 2270

**Data Structures I** 0.5 unit

*Prerequisites: CMPS 2255 and either MATH 1103 or 1113*

A study of data structures such as lists and trees. Considerable emphasis will be placed on the analysis of algorithms.

CMPS 2275/INTE 2275

**Database Applications** 0.5 unit

*Prerequisite: CMPS/INTE 1024 or permission of the instructor*

A continuation of the study of database management systems development introduced in CMPS 1115. Topics may include relational database design, data management, tables, queries, forms, reports, macros, and user interface design.

CMPS 3363/INTE 3363

**Advanced Web Design and Development** 0.5 unit

*Prerequisite: INTE/CMPS 2263 or permission of the instructor*

A further study of web site design and creation, including advanced configuration and usage of internet-related software applications. Topics will include programming; server configuration and administration tools; and web-related database fundamentals.

CMPS 4451

**Directed Study in Computer Science** 0.5 unit

CMPS 4452

**Directed Study in Computer Science** 0.5 unit

*Prerequisite: advanced standing and permission of the department*

Directed study of an advanced topic in computer science under the supervision of a faculty member. Emphasis will be placed on the learning of new material through reading, discussion, and computer access.

## Cultural Studies (CULS)

### Coordinator

Randi Warne, BA (Winnipeg), MA, PhD (Toronto), Professor

Cultural Studies offers study in the nature and criticism of culture and the arts, chiefly literature, film, visual art and popular culture, in light of guided interdisciplinary inquiry into the socio-political conditions in which thought and expression take place. Forms of cultural expression are thus analysed both as texts (including films, literature, paintings, and so on) and as practices in context.

### Major (20.0 units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ CULS 1101, 2201, and 3301
  - ❑ 1.5 units selected from CULS 2202, 2205, 2207, 2211, 2293, 2294, 2297, 3302, 3305, 3320
  - ❑ 5.0 units in at least two disciplines normally selected from:
    - COMM 2013, 3013
    - CULS 2203, 3302, 3305, 3306, 3330, 4401, 4402, 4403\*
    - ENGL 2207, 2213, 2223, 2225, 2263, 3363, 4407, 4408, 4427, 4446, 4475
    - FREN 3312, 3317, 3321, 3322, 3398
    - HIST 2251, 2255, 2265, 3314, 3337
    - PBRL 2013, 3013
    - PHIL 2225, 3380
    - POLS 3351
    - RELS 2201, 2203, 2208, 3306, 3308, 3311, 3313, 3380
    - WOMS 3313, 3351, 4407
    - WRIT 2223, 2225
  - ❑ 3.0 of the 8.0 units must be at the 3000 level or above
  - ❑ a minimum overall GPA of 2.0 in the required 8.0 units
- ❑ a minor consisting of 3.0 units as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ students may choose a second 3.0 unit minor in any area that offers a minor
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (exclusive of the major):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units must be at the 2000 level or above

- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

*\*Note: Additional electives, such as Special Topics courses (CULS 3310, 3311, 3312), are approved by the Cultural Studies committee on a year by year basis and are included in this category. Please contact the program Coordinator for further information.*

- ❑ **All non CULS Special/Selected Topics courses (e.g. PHIL/RELS 3380) must be approved by the Coordinator.**

#### Special Studies

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

### Combined Major (20.0 Units)

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. Students must declare a major or combined major before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units. In order to complete a combined major in Cultural Studies, the following requirements must be met:

- ❑ a minimum of 6.0 units and a maximum of 8.0 units in the Cultural Studies combined major as follows:
  - ❑ CULS 1101, 2201, and 3301
  - ❑ 1.5 units selected from CULS 2202, 2205, 2207, 2211, 2293, 2294, 2297, 3302, 3305, 3320
  - ❑ 3.0 units in at least two disciplines normally selected from:
    - COMM 2013, 3013
    - CULS 2203, 3302, 3305, 3306, 3310, 3311, 3312, 3330, 4401, 4402, 4403\*
    - ENGL 2207, 2213, 2223, 2225, 2263, 3363, 4407, 4408, 4427, 4446, 4475
    - FREN 3312, 3317, 3321, 3322, 3398
    - HIST 2251, 2255, 2265, 3314, 3337
    - PBRL 2013, 3013
    - PHIL 2225, 3380
    - POLS 3351
    - RELS 2201, 2203, 2208, 3306, 3308, 3311, 3313, 3380
    - WOMS 3313, 3351, 4407
    - WRIT 2223, 2225
  - ❑ 2.0 of the 6.0 units must be at the 3000 level or above
- ❑ a second combined major specified by another program (*Biology, Canadian Studies, Chemistry, Economics, English, Family Studies, French, Gerontology, History, Mathematics, Political Studies, Psychology, Sociology/Anthropology, Women's Studies*)
- ❑ a minimum overall GPA of 2.0 in the required 6.0 units of each combined major
- ❑ at least 5.0 units of the 12.0 units overall required for the combined majors must be at the 3000 level or above

- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (inclusive of the majors):

- ❑ Core A - *Sciences & Mathematics* (1.0 unit)
- ❑ Core B - *Social Sciences* (1.0 unit)
- ❑ Core C - *Humanities* (1.0 unit)

- ❑ at least 9.0 units of the total 20.0 units must be at the 2000 level or above

- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

*\*Note: Additional electives, such as Special Topics courses (CULS 3310, 3311, 3312), are approved by the Cultural Studies committee on a year by year basis and are included in this category. Please contact the program Coordinator for further information.*

- ❑ **All non CULS Special/Selected Topics courses (e.g. PHIL/RELS 3380) must be approved by the Coordinator.**

Students wishing to combine an arts major and a science major (e.g. *Chemistry and English* or *Biology and Political Studies*):

- ❑ must meet all of the requirements listed above and
  - ♦ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline
    - ❑ must complete a minimum 12.0 units of the total 20.0 units in science disciplines
  - ♦ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline
    - ❑ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

### Concentration

To obtain a concentration in Cultural Studies, students must fulfill the following requirements:

- ❑ CULS 1101 and 2201
  - ❑ 1.0 unit selected from CULS 2202, 2205, 2207, 2211, 2293, 2297, 2294, 3302, 3305, 3320
  - ❑ 2.0 units in at least two disciplines selected from:

## Courses

CULS 1101  
**Cultural Studies: An Introduction** 0.5 unit  
An introduction to the critical study of modern culture. Topics may include visual art, film, music, and literature as well as television and other popular media.

CULS 2201  
**Critical Debates in Cultural Studies** 0.5 unit  
An intensive study of a specific theme which highlights the theories and methods of cultural studies.

CULS 2202  
**Music and Culture** 0.5 unit  
The relationship between music and culture. Issues such as social agency, protest, identity, and cultural legitimation will be examined. Topics may include the history of rock and roll; protest music; music and film; gender and the music industry; race and music.

CULS 2203  
**History of Rock and Roll** 0.5 unit  
An examination of rock music as a lens for cultural critique from the birth of youth culture in the 1950s through to contemporary post-rock subcultures.

CULS 2205  
**Art in Halifax Now** 0.5 unit  
An introduction to major dynamics, theories and tendencies in contemporary art using the vibrant Halifax Art scene as its primary focus. *Note: Students who have received credit for CULS 1105 may not take this course for credit.*

CULS 2207  
**Drama in Cultural Context** 0.5 unit  
An exploration of dramatic works as sites of cultural/social/political contestation. Students will use a variety of theories to examine the complex ways in which Drama negotiates meaning in different cultural contexts. Unconventional dramatic modalities such as "street/guerilla theatre" may also be considered. *\*Note: Students who have received credit for CULS 2206 may not take this course for credit.*

CULS 2211/CANA 2211  
**Canadian Popular Culture** 0.5 unit  
An exploration of the social, cultural, economic, and political dimensions of popular culture in Canada. Topics such as music, film, television, comedy, literature, sports, and food will be considered as sites of Canadian identity and diversity, and American cultural influence.

CULS 2293  
**Understanding Movies** 0.5 unit  
An introduction to and analysis of the codes, conventions and contexts of fiction films, including a brief history of their development from the silent era to the present day. *Note: Students who have received credit for FINE 2293 may not take this course for credit.*

CULS 2294  
**Film Genres** 0.5 unit  
An exploration and analysis of film genres and the cultural contexts which inform their appeal, for example: westerns; action films; documentaries; science fiction and horror; romantic comedy; cinema noir; avant garde. Both Hollywood and "foreign" films may be studied; genres studied may change from year to year.

CULS 2297  
**Animated Film** 0.5 unit  
An investigation into the animated form through critical study of its history and theory and its subversive role as a medium for radical critique of the dominant culture.

CULS 3301  
**Senior Seminar** 0.5 unit  
*Prerequisite: CULS 2201 or permission of the instructor and of the Coordinator of the program*  
An advanced seminar on a selected cultural studies topic designed for cultural studies majors. Topics will vary from year to year.

CULS 3302  
**Censorship and Art** 0.5 unit  
*Prerequisite: CULS 1101 or permission of the instructor*  
An exploration of the relationship between censorship and contemporary art. (Also listed under Women's Studies)

CULS 3305	
<b>Subcultures</b>	0.5 unit
A critical analysis of subcultures and their cultural forms and practices, in historical context.	
CULS 3306	
<b>Rap, Resistance and Religion</b>	0.5 unit
An analysis of the intersections of rap, resistance and religion in hip hop culture from the 1970s to the present, through the critical lens of popular culture in a global context.	
CULS 3310	
<b>Special Topics</b>	0.5 unit
CULS 3311	
<b>Special Topics</b>	0.5 unit
CULS 3312	
<b>Special Topics</b>	1.0 unit
<i>Prerequisite: completion of 5.0 units of university credit</i>	
A combined lecture-seminar course on a selected topic related to the field of cultural studies.	
CULS 3320/POLS 3320	
<b>Culture and Ideology</b>	0.5 unit
An in-depth study of the complex interplay of Culture and Ideology as social, intellectual, and political forms.	
CULS 3330/WOMS 3330/GWGS 6330	
<b>Canadian Women Film Directors</b>	0.5 unit
<i>Prerequisites: WOMS 1102 and 0.5 unit in another Women's Studies or departmental women-emphasis course at the 2000 level or above or permission of the instructor</i>	
A study of Canadian Women Film Directors' contribution to narrative, documentary, experimental filmmaking and animation. Diverse directional styles and subject matter will be discussed in the context of sociohistorical changes that they reflect or resist. Readings will challenge dominant mainstream representation from various feminist perspectives and suggest alternate reception strategies. <i>Note: Students who have received credit for FINE 3330 may not take this course for credit. (Also listed under Canadian Studies)</i>	
CULS 4401	
<b>Cultural Studies: Directed Study</b>	0.5 unit
CULS 4402	
<b>Cultural Studies: Directed Study</b>	0.5 unit
CULS 4403	
<b>Cultural Studies: Directed Study</b>	1.0 unit
<i>Prerequisite: written permission</i>	
An open course, permitting senior cultural studies majors to pursue study in a specific area not accommodated in the regular course program. The student designs the syllabus in consultation with the supervising professor. Students intending to take this course must obtain approval from the program Coordinator before registration.	

## Economics (ECON)

### Chair

Nargess Kayhani, BS (Tehran), MS, PhD (Oregon),  
Associate Professor

### Major (20.0 Units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework. In order to complete the major in Economics it may be necessary to complete courses at another university.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ 8.0 units in the major as follows:
  - ❑ ECON 1101, 1102, 2201, 2210 (2.0 units)
  - ❑ 2.5 additional units of ECON at the 2000 level\*
  - ❑ 3.0 additional units of ECON at the 3000 level or above\*
    - \* *Note: Selected in consultation with the department*
  - ❑ ECON 4444/POLS 4444 (0.5 unit)
  - ❑ a minimum overall GPA of 2.0 in the required 8.0 units of ECON
- ❑ MATH 2208 and 2209
- ❑ a minor consisting of 3.0 units as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ students may choose a second 3.0 unit minor in any area that offers a minor
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (exclusive of the major):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

### Special Studies

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

### Major Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Arts General Studies degree may apply to do a major certificate. Students must fulfill the requirements for the major degree listed above.

## Combined Major (20.0 Units)

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. Students must declare a major or combined major before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units. In order to complete a combined major in Economics, the following requirements must be met:

- ❑ a minimum of 6.0 units and a maximum of 8.0 units in the Economics combined major as follows:
  - ❑ ECON 1101, 1102, 2201, 2210
  - ❑ 2.0 additional units of ECON at the 2000 level or above
  - ❑ 2.0 additional units of ECON at the 3000 level or above
- ❑ a second combined major specified by another program (*Biology, Canadian Studies, Chemistry, Cultural Studies, English, Family Studies, French, Gerontology, History, Mathematics, Political Studies, Psychology, Sociology/Anthropology, Women's Studies*)
- ❑ a minimum overall GPA of 2.0 in the required 6.0 units of each combined major
- ❑ at least 5.0 units of the 12.0 units overall required for the combined majors must be at the 3000 level or above
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (inclusive of the majors):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units of the total 20.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

Students wishing to combine an arts major and a science major (e.g. *Chemistry and English* or *Biology and Political Studies*):

- ❑ must meet all of the requirements listed above *and*
- ♦ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in science disciplines
- ♦ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

## Concentration

To obtain a concentration in Economics, students must fulfill the following requirements:

- ❑ ECON 1101 and 1102
- ❑ 2.0 additional units of ECON at the 2000 level or above
- ❑ 1.0 additional unit of ECON at the 3000 level or above

## Minor

To obtain a minor in Economics, students must fulfill the following requirements:

- ❑ ECON 1101 and 1102

*Prerequisite: ECON 1102*  
 An exploration of some of the most important current issues in the Canadian economy such as unemployment, health, education, income distribution in Canada, and the fiscal and monetary policies of the government since WWII. In each case the problems will be identified and possible solutions will be discussed. (Also listed under Canadian Studies and Public Policy Studies)

ECON 2208  
**Public Policy towards Corporate Power** 0.5 unit  
*Prerequisites: ECON 1102*  
 An examination of the nature of market power and the policy alternatives available for its control. Topics to be discussed include the structural determinants of market power, dominant firm behaviour, the economic and social consequences of market power, public enterprise, the regulation of monopoly, and competition policy. These issues will be examined from both a Canadian and an international perspective. (Also listed under Canadian Studies and Public Policy Studies)

ECON 2210  
**Intermediate Microeconomic Theory** 0.5 unit  
*Prerequisite: ECON 1102*  
 A study of how prices allocate resources, determine the methods of production, and distribute income in free market economies; how households and firms interact in different kinds of markets; and the effects of government regulation on them.

ECON 2211  
**Intermediate Microeconomics** 0.5 unit  
*Prerequisite: ECON 2210*  
 Applications of indifference curve analysis, factor and product pricing models and the use of linear programming for solving various economic problems.

ECON 2311  
**International Trade** 0.5 unit  
*Prerequisite: ECON 1101*  
 An examination of the motives for the exchange of goods and services among nations, the developments in the field from the orthodox theory of international trade to the recent theories of multinational enterprises, the patterns of international trade and production, and the welfare implications of trade. (Also listed under Public Policy Studies)

ECON 2312  
**International Finance** 0.5 unit  
*Prerequisite: ECON 1102*  
 An examination of the determination of exchange rates, international reserves, the balance of payments accounts, and international capital movements. It also examines international monetary arrangements with particular reference to the role of central banks and international monetary organizations. (Also listed under Public Policy Studies)

ECON 3305  
**Money and Banking** 0.5 unit  
*Prerequisite: ECON 2210 or permission of the instructor*  
 An examination of the history, financial institutions, and operation of the Canadian payments system, including the elementary theory of financial markets and financial intermediation, and the role of government in Canadian financial markets. (Also listed under Canadian Studies)

ECON 3307  
**Industrial Organization** 0.5 unit  
*Prerequisite: ECON 2210 or permission of the instructor*  
 An introduction to the determinants of market structure, theories of pricing, policy approaches to monopoly problems, and the economics of the patent system, with an overall appraisal of North American market structures and their performance.

ECON 3308  
**Economics of Health Care** 0.5 unit  
*Prerequisites: ECON 1102*  
 An examination of the organization and performance of Canadian health care from an economics perspective. This course analyses peculiarities of Demand and Supply of health care, cost and benefits of forming health care public policies, role of government in the system, current problems surrounding these issues, and comparison with other countries' health care system. (Also listed under Public Policy Studies)

ECON 3320  
**History of Economic Thought** 1.0 unit  
*Prerequisites: ECON 2201 and 2210*  
 The main outlines of the history of theoretical economics from the ancient Greeks to the present day including studies of several major economists and their ideas.

ECON 3325  
**Public Policy and Public Finance in Canada** 0.5 unit  
*Prerequisites: ECON 1102 and 2206*  
 An introduction to the economic theory and policy of government, including the functions, growth and fiscal management of the public sector in Canada. The course will include topics concerning the delivery of social goods, public sector financing, fiscal policy, and intergovernmental fiscal relations. (Also listed under Canadian Studies and Public Policy Studies)

ECON 3330  
**Economic Development** 0.5 unit  
*Prerequisite: ECON 1102*  
 An examination of the policy tools and planning techniques used to formulate and implement economic development strategies. Topics include an overview of economic development and growth theories, development problems in general and those faced by less developed countries in particular, and major policies and practices influencing economic development. (Also listed under *Public Policy Studies*)

ECON 3335  
**Income Inequality** 0.5 unit  
*Prerequisite: ECON 1102*  
 An examination of the recent theoretical and empirical developments of income inequality and redistribution. It explains how various distribution theories deal with the increase in income inequality between rich and poor countries and with trends in Canada. (Also listed under *Public Policy Studies*)

ECON 3341  
**Introductory Econometrics I** 0.5 unit  
*Prerequisites: ECON 1102, and either MATH 2209 or 3304*  
 An introduction to linear estimation in the context of the classical model. Problems caused by violation of the assumptions of the classical model are also discussed, together with appropriate methods of estimation.

ECON 3342  
**Introductory Econometrics II** 0.5 unit  
*Prerequisite: ECON 3341*  
 An introduction to solutions to some of the practical problems commonly encountered in estimation and model-building. The estimation methods introduced in ECON 3341 are applied to simple models, some additional techniques are included, and forecasting models are discussed.

ECON 3550  
**Environmental Economics** 0.5 unit  
*Prerequisites: ECON 1102*  
 An examination of the economics of the environment. Topics include market failure (public goods and externalities), approaches to environmental management and regulation, measuring the cost and benefits of environmental action, environmental risk analysis, and environmental challenges within the Canadian economy. (Also listed under *Public Policy Studies*)

ECON 4401  
**Regional Economics** 1.0 unit  
*Prerequisites: ECON 2201, 2210, and MATH 2209*  
 An introduction to regional and locational analysis including the theory of location, the urban public economy, inter-regional income theory, factor mobility, regional growth, and policy objectives and alternative strategies for problem regions with reference to the Atlantic region. (Also listed under *Canadian Studies*)

ECON 4408  
**Directed Study or Research** 0.5 unit  
 ECON 4409  
**Directed Study or Research** 0.5 unit  
 ECON 4410  
**Directed Study or Research** 1.0 unit  
*Prerequisite: open to senior students doing a major or concentration in economics who have received departmental approval.*

An open course, permitting students to study an area of economics not accommodated in the regular program. The student plans a syllabus in consultation with the supervising professor. Students interested in this alternative should apply for departmental permission before the term in which they wish to take this course. Equivalent to three lecture hours.

ECON 4420  
**Advanced Microeconomic Theory** 0.5 unit  
*Prerequisites: ECON 2210 and MATH 2209*  
 A more advanced treatment of microeconomics using the tools of calculus and matrix algebra.

ECON 4421  
**Advanced Macroeconomic Theory** 0.5 unit  
*Prerequisites: ECON 2201 and MATH 2209*  
 A more advanced treatment of macroeconomics using the tools of calculus and matrix algebra.

ECON 4444/POLS 4444  
**Global Issues Seminar** 0.5 unit  
*Prerequisite: 1.0 unit of political studies or economics at the 2000 level or above or permission of the instructor*  
 An advanced seminar which explores contemporary theoretical approaches and research in the area. The particular topics and discussions will be determined by the professor and students in the seminar. Students will do in-depth work on selected topics in the area. (Also listed under *Public Policy Studies*)

## Education (EDUC)

### Dean

Antony Card, EdD (University of Southampton)

### Director of Teacher Education

Cornelia Schneider, PhD (Université Paris Descartes-Sorbonne), Associate Professor

## Bachelor of Education

Mount Saint Vincent University offers comprehensive Bachelor of Education programs at the elementary and secondary levels. Admission to the programs is determined jointly by the Admissions Office and the Faculty of Education. The University reserves the right: a) to require an extended program (pre-education courses) for candidates whose preliminary scholastic record is deemed inadequate, and b) to refuse admission to candidates lacking the necessary academic and/or personal qualifications for the teaching profession.

Mount Saint Vincent University Faculty of Education encourages applications from candidates who are from groups traditionally under-represented in the school system.

### Fellowships and Assistantships

Some assistantships are offered to students in the Bachelor of Education program each year. Contact the Faculty of Education for details.

## Elementary Education

### Admission Requirements

Decisions regarding admissibility are based on the following evidence provided by the applicant.

- Candidates must hold a bachelor's degree from a recognized university.  
Mount undergraduate students in a BA program involving either a major or a concentration in French are eligible to apply for an early, conditional acceptance into the Bachelor of Education program if they have successfully completed 5.0 units of coursework and are enrolled in French courses at the 2000 level or higher. Final acceptance would be conditional upon the student meeting the basic admissibility requirements and completing a BA with a minimum of 6.0 units of French. Eligible students are encouraged to contact the Chair of Modern Languages or the Director of Teacher Education for details on early, conditional admission into the Bachelor of Education program.
- Candidates should have completed:
  - 1.0 unit in university social studies coursework from any one or combination of the following disciplines - History (with a preference for local and Canadian History), Geography, Political Science, Anthropology, Sociology, Economics, Law, Classics, African Canadian Studies, Mi'kmaq Studies, Acadian Studies and/or Philosophy
  - 1.0 unit in university science coursework from any one or combination of the following disciplines - Biology, Chemistry, Physics, Geology/Earth Sciences, Oceanography, interdisciplinary study in science and Environmental Studies

- 1.0 unit in university Mathematics coursework with a preference for a course in fundamental concepts
- 1.0 unit in university English coursework if undergraduate degree is delivered in English or 1.0 unit in university French coursework if undergraduate degree is delivered in French
- a maximum of 1.0 unit of cognate coursework may be recognized in fulfilment of the individual subject field requirements identified above.
- Candidates must have completed a minimum of 0.5 unit in developmental psychology, child psychology, or educational psychology (EDUC 3452).  
**These requirements include current Nova Scotia teacher certification requirements. Students missing some components may be considered for admission but these courses must be completed prior to graduation.**
- Candidates must normally have achieved a minimum 3.0 GPA in the last 10.0 units of undergraduate coursework relevant to admission.
- Candidates should have demonstrable competence in informational technologies and digital literacies.
- Candidates should have experience working with children in schools or other public, institutional or group settings.
- Candidates must complete an application form, and must also include official transcripts of all previous university courses, three letters of reference, a résumé including a statement of relevant experiences, and a two page (500 word) essay written by the applicant in response to a set question. This documentation must be forwarded to the Admissions Office.
- Selected candidates may be invited for an interview with members of the Faculty of Education.

#### **Continuation of Study**

A B.Ed. Student who receives a final grade of "F" in any practicum course (EDUC 5390, EDUC 5393, EDUC 5395, EDUC 5490, EDUC 5492, EDUC 5495, EDUC 5504, EDUC 5505, EDUC 5604, or EDUC 5605) will not be permitted to continue in the program.

#### *Practicum Placement*

Registration in a practicum course does not guarantee a school placement. Good standing in all academic coursework is a prerequisite to any practicum experience. Students who have not successfully completed prior academic coursework may experience a delay or be denied a practicum placement.

#### *Child Abuse Register and Vulnerable Sector Check*

In accordance with government and school board/district requirements, students admitted to the B.Ed. program must undergo a Criminal Records Check (with Vulnerable Sector Search) and a Child Abuse Register Search as and when directed by the Faculty of Education in preparation for the field experience courses. Students who do not produce the required documentation will not be permitted to proceed with the field placement courses. Students who obtain unfavourable search results may not be permitted to proceed with the field experiences courses.

## **Secondary Education**

#### **Admission Requirements**

Decisions regarding admissibility are based on the following evidence provided by the applicant.

- Candidates must hold a bachelor's degree from a recognized university with a concentration (5.0 units minimum) in a discipline, taught in Nova Scotia secondary schools as outlined in the Public School Program; a maximum of 1.0 unit of cognate university coursework

may be included in fulfilment of this requirement.

Mount undergraduate students in a BA program involving either a major or a concentration in French are eligible to apply for an early, conditional acceptance into the Bachelor of Education program if they have successfully completed 5.0 units of coursework and are enrolled in French courses at the 2000 level or higher. Final acceptance would be conditional upon the student meeting the basic admissibility requirements and completing a BA with a minimum of 6.0 units of French. Eligible students are encouraged to contact the Chair of Modern Languages or the Director of Teacher Education for details on early, conditional admission into the Bachelor of Education program.

- Candidates must have a concentration of at least 3.0 units of university coursework in a second discipline, taught in Nova Scotia secondary schools as outlined in the Public School Program; a maximum of 1.0 unit of cognate university coursework may be included in fulfilment of this requirement.

\* Cognate Coursework refers to work in a credited course that is significantly similar, or analogous, in its content to the discipline for which credit is allocated, for example Classics as History, Communications as English, etc. Cognate courses must meet the approval of the Registrar-Teacher Certification.

**These requirements include current Nova Scotia teacher certification requirements. Students missing some components may be considered for admission but these courses must be completed prior to graduation.**

- Candidates must normally have achieved a minimum GPA of 3.0 in either their major area of study or in the last 10 units of undergraduate coursework relevant to admission.
- Candidates should have demonstrable competence in informational technologies and digital literacies.
- Candidates should have experience working with adolescents in schools or other public, institutional or group settings.
- Candidates must complete an application form, and must also include official transcripts of all previous university courses, three letters of reference, a résumé including a statement of relevant experiences, and a two-page (500 word) essay written by the applicant in response to a set question. This documentation must be forwarded to the Admissions Office.
- Selected candidates may be invited for an interview with members of the Faculty of Education.

#### *Background for Teachable Subjects*

All students in the program take methods courses in two teaching areas which normally correspond to their major and minor disciplines. Adequate background in a subject area is an essential component of teacher preparation. Major and minor methods courses include business education, English, family studies, French, mathematics, science, social studies, and visual arts.

## Bachelor of Education in Association with Nova Scotia Teachers College

This program is available to graduates of the Nova Scotia Teachers College who have the three-year Associate of Education or its equivalent as affirmed by the college.

### Program Requirements (5.0 units)

This program consists of 5.0 units:

- ☐ 3.0 units of arts and science courses at the 2000 level or above
- ☐ 2.0 units of electives at any level

## NSCAD Courses

### EDUC 5002

**Visual Arts in the Classroom: Art** 0.5 unit

This course is designed to help prospective teachers to promote child growth and development in the classroom through creative activities.

*(Also listed as NSCAD EDAR 5050 - This course is offered by the Nova Scotia College of Art and Design)*

### EDUC 5015

**Secondary Art Methods I** 0.5 unit

This course examines theories and methods of teaching in the secondary school context. It undertakes to develop the understanding, attitudes, and skills required to plan, prepare, and deliver positive art learning experiences to adolescents. *(Also listed as NSCAD EDAR 5610 - This course is offered by the Nova Scotia College of Art and Design)*

### EDUC 5016

**Secondary Art Methods II** 0.5 unit

This course allows for further development of the understandings, attitudes, and skills required in successful art teaching in the secondary school context. *(Also listed as NSCAD EDAR 5620 - This course is offered by the Nova Scotia College of Art and Design)*

### EDUC 5021

**Advanced Curriculum Practice: Visual Art** 0.5 unit

This course is an in-depth examination of theories and specialized methods of teaching visual art in the secondary school context. Students will refine their understanding and skills in preparing program and lesson plans in the visual arts at the secondary level. These will relate directly to the policies and practices common to the secondary classroom. *(Also listed as NSCAD EDAR 5750 - This course is offered by the Nova Scotia College of Art and Design)*

### EDUC 5022

**Elementary Art Methods** 0.5 unit

This course examines theories and methods of teaching art within the elementary school context. It undertakes to develop

the understandings, attitudes and skills required to plan, prepare, and deliver positive art learning experiences to children. (Also listed as NSCAD EDAR 5510 - This course is offered by the Nova Scotia College of Art and Design)

## Courses

*Note: All courses listed below have a professional studies classification only, unless cross-listed with an arts and science discipline. Methods and advanced curriculum practices courses for visual arts students are offered at NSCAD.*

**Prerequisite for all courses at the 5000 level is admission to the Bachelor of Education program or permission of the Director of Teacher Education.**

EDUC 2462/MATH 2462

**Fundamental Concepts of Mathematics 1** 0.5 unit

*Prerequisite: Any 5.0 units successfully completed at the university level.*

A study of the fundamental concepts of mathematics, focusing on elementary and middle school mathematics. Topics include counting, whole number operations, fractions, decimals, rates and proportions, measurement, and geometry. This course focuses on problem solving, mathematical reasoning, and multiple approaches as applied to these topics. This course and MATH 2463/EDUC 2463 are recommended primarily for pre-education students and will not be acceptable for the mathematics major or minor. Students who have received credit for MATH 2243/EDUC 2461 may not take this course for credit.

EDUC 2463/MATH 2463

**Fundamental Concepts of Mathematics 2** 0.5 unit

*Prerequisite: MATH 2462/EDUC 2462 (or MATH 2243/EDUC 2461)*

A study of the fundamental concepts of mathematics, focusing on elementary and middle school mathematics. Topics include the integers, real and rational numbers, number theory, introductory algebra, functions, graphing, probability, statistics, and sampling. This course focuses on problem solving, mathematical reasoning, and multiple approaches as applied to these topics.

EDUC 2465/MATH 2465

**Fundamental Concepts of Geometry** 0.5 unit

*Prerequisite: Any 5.0 units successfully completed at the university level*

A study of the fundamental concepts of geometry, focusing on topics taught in public schools. These include coordinate, axiomatic, constructive and transformational geometry. This course focuses on problem solving, mathematical reasoning and proofs using multiple approaches.

EDUC 2471

**Fundamental Concepts in Science I** 0.5 unit

A general introduction to the concepts of science for non-science students and for students intending to teach science in elementary and middle schools encompassing both theoretical instruction and laboratory work. The three themes that form the focus of the course are scientific method, energy and change over time. Laboratory is included.

EDUC 2472

**Fundamental Concepts in Science II** 0.5 unit

A companion course to EDUC 2471 encompassing both theoretical instruction and laboratory work. This offers a general introduction to the concepts of science for non-science students and for students intending to teach science in elementary and middle schools. The three themes that form the focus of the course are patterns of change, scale and structure, systems and interactions. Laboratory is included.

EDUC 3452

**Introduction to Educational Psychology, Elementary** 0.5 unit

*Prerequisite: completion of 5.0 units at the university level*

A study of the growth and development of children emphasizing the sequential nature of development, principles of learning, and classroom applications in the elementary school. Special consideration is given to the exceptionalities of children and the efforts in elementary schools to meet special needs and diverse learning styles.

EDUC 3453

**Introduction to Educational Psychology, Secondary** 0.5 unit

*Prerequisite: completion of 5.0 units at the university level*

A study of the growth and development of adolescents emphasizing the sequential nature of development, principles of learning, and classroom applications in secondary schools. Special consideration is given to the exceptionalities of children and the efforts of secondary schools to meet special needs and diverse learning styles.

EDUC 5201

**Inclusive Practices in Elementary Classrooms: Part I** 0.5 unit

### Chair

Graham Fraser, BA (Hons) Dalhousie, MA (McGill),  
PhD (Reading), Associate Professor

English is not just a language we speak; it is an art form, a history, and an expression of thought and being. By studying English, you gain a comprehensive understanding of the English language and literature, while exploring its connection to other areas of study and everyday life. Through developing invaluable skills in critical reading, writing, analysis, and research, you become more flexible and creative in your thinking while improving your abilities as a communicator—abilities that are an asset for any future career.

Our courses appeal to a wide variety of students—from those who are interested in a particular genre of literature and want to take one or two courses, to those who want to explore a certain theme in more detail, to those wishing to take a minor, concentration, combined major, major or honours in English. In addition, the department offers a minor in Writing. Courses designated ENGL/WRIT may be counted toward either the Writing minor or the English honours, major, combined major, concentration, or minor. Courses designated WRIT can be counted only toward the Writing minor.

Experiential or hands-on learning is integrated into all ENGL/WRIT courses. All courses include activities that are directly relevant to the type of work undertaken by English graduates in their later careers.

Any student wishing to do a major, combined major, or concentration in English, or who wish to minor in English or Writing must consult with the department Chair, who will assign the student to an advisor. The student's program should be planned in consultation with the advisor. Students wishing to take honours may apply after completing 10.0 units of university study.

### Major (20.0 Units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain in-depth knowledge of a single discipline.

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

### Prerequisites for University Study of English

Some ENGL and WRIT courses at the 2000 level and above have specific prerequisites stated in the appropriate calendar entry. Otherwise, the following general rules apply:

- Since University study of English literature begins at the 1000 level students should not normally register for ENGL courses at the 2000 or 3000 level without having successfully completed 1.0 unit of ENGL at the introductory (1000) level.
- Students may register for a 2000 level ENGL course without having completed 1.0 unit of ENGL at the introductory (1000) level, as long as they have successfully completed 5.0 units of university credit.
- Students are advised to complete ENGL 2201 and ENGL 2202 before taking 3000 or 4000 level ENGL courses. No one should attempt a 4000 level ENGL course without having completed 1.0 unit of ENGL at the 2000 level or above.
- Students who have registered inappropriately will be required to withdraw.
- Prerequisites for ENGL/WRIT and WRIT courses are listed in the calendar descriptions below.

***The Department of English does not accept Challenge for Credit.***

## Courses

WRIT 1120

**The Writing Process: Theory and Practice** 0.5 unit

A practical and theoretical study of the writing process, especially for academic writing. Students will use writing to invent, arrange, style, draft, and revise arguments suitable to the rhetorical demands of academic inquiry. Rhetorical conventions of academic scholarship, such as contextualization, synthesis, documentation, and formatting, will be central to the course.

ENGL 1155

**Introduction to Literature: Gender and Form** 1.0 unit

An introduction to the critical study of the major forms of fiction, poetry, and drama, using examples from the time of Chaucer to the present day. Readings will include a balance of female and male writers, and a special focus for discussion will be representations of gender. *Note: Students who have received credit for ENGL 1170 and 1171 may not take this course for credit. (Also listed under Women's Studies)*

ENGL 1170

**Introduction to Literature:**

**Literary Genres**

0.5 unit

An introduction to the terms and methods of literary analysis. Through critical study of a range of literary works, including short fiction, poetry, drama, and a novel, students will acquire the skills needed to write about them effectively. *Note: Students who have received credit for ENGL 1155 may not take this course for credit.*

ENGL 1171

**Introduction to Literature:**

**Literary Transformations**

0.5 unit

An introduction to the critical study of literature from different historical periods. By following a particular theme or genre from the Middle Ages to the present day, students assess how writers are influenced by, respond to, and transform previous texts. It is recommended that students take ENGL 1170 before ENGL 1171. *Note: Students who have received credit for ENGL 1155 may not take this course for credit.*

ENGL 2201

**Shakespeare**

1.0 unit

*Prerequisite: Please see Prerequisites for University Study of English above*

A study of Shakespeare's plays, showing his development as a dramatist and the changes in the specific genres of history, comedy, tragedy, and romance. Particular attention will be given to the plays' socio-political context, and to the practice and implications of stage performance.

ENGL 2202

**Introduction to Critical Methods**

0.5 unit

*Prerequisite: Please see Prerequisites for University Study of English above*

An introduction to the major schools and methods of contemporary literary criticism. In addition to reading selected works of literary theory, we will read representative literary texts through a variety of critical lenses.

ENGL 2205

**Introduction to Literature for Children and Young Adults**

1.0 unit

*Prerequisite: Please see Prerequisites for University Study of English above*

A critical study of the forms and content commonly found in children's literature. The origins of children's literature in folk forms such as myth, fable, and fairy tale are explored, and selected classic, modern, and contemporary works are studied. *Note: This course may not be counted toward the minor in Writing.*

ENGL 2207

**Queer Literature and Culture**

0.5 unit

*Prerequisite: Students may register for a 2000 level ENGL course without having completed 1.0 unit of ENGL at the introductory (1000) level, as long as they have successfully completed 5.0 units of university credit.*

A study of themes in 2SLGBTQ+ literature from a range of historical periods in combination with theory, art, film, television, and/or other forms of popular culture.

ENGL 2213  
**Contemporary Film** 0.5 unit  
*Prerequisite: Please see Prerequisites for University Study of English above*  
 An introduction to techniques of the art of film and to film analysis through a study of a wide range of contemporary films. The course may include a focus on a specific genre such as science fiction or horror.

ENGL 2216  
**Drama** 0.5 unit  
*Prerequisite: Please see Prerequisites for University Study of English above*  
 A study of drama, examining work from a range of historical periods and/or nationalities, with emphasis on the relation between text and performance and on the role of drama in society.

ENGL 2220/WRIT 2220  
**Writing to Influence: Introduction to Rhetorical Persuasion** 0.5 unit  
*Prerequisite: 5.0 units of university credit or WRIT 1120*  
 A practical and theoretical study of the art of rhetorical persuasion. Particular attention will be given to the rhetorical modes of persuasion, which will be used to analyze the persuasive power of example texts and to facilitate student writing. The ethical questions to which rhetorical persuasion gives rise are central to the course.

ENGL 2221/WRIT 2221  
**Introduction to Creative Writing** 0.5 unit  
*Prerequisite: 0.5 unit of ENGL at the 1000 level*  
 A study and practice of creative writing, including poetry, fiction, and/or creative non-fiction, in a workshop environment driven by writing exercise and peer review. Instruction will be grounded in contemporary creative writing from peer-reviewed journals. Additionally, the course may be supplemented by visits from or to creative writers.

WRIT 2222  
**Introduction to Editing** 0.5 unit  
*Prerequisite: completion of 5.0 units of university credit, including WRIT 1120*  
 A practical and historical study of text editing. Particular attention will be paid to practices of manuscript analysis, substantive editing, copy editing, and proofreading, using standard practices set by the Editors' Association of Canada. Students will practice editing texts from a range of genres: literature, scientific and humanist scholarship, and popular writing. Students will have access to a number of professional resources, including professional editors.

ENGL 2223/WRIT 2223  
**History of Writing, Reading, and the Book** 0.5 unit  
*Prerequisite: 5.0 units of university study*  
 A study of the history of the book as a material object and the development of reading, authorship, orality, and textuality from antiquity to the present, including the production and dissemination of texts in the West. Readings will consist of fiction and non-fiction.

ENGL 2225/WRIT 2225/PHIL 2225  
**Tricksters, Liars, and Sophists: The History of Rhetoric** 0.5 unit  
*Prerequisite: 5.0 units of university study, including WRIT 1120*  
 A survey of the history of rhetoric in the western tradition through a study of theories and practices of rhetoric from ancient Greece to contemporary scholarship. The course will focus on changing conceptions of what rhetoric is and its value.

ENGL 2242  
**Themes in Women's Writing** 0.5 unit  
*Prerequisite: Please see Prerequisites for University Study of English above*  
 A study of a specific theme or cluster of themes in women's writing from a range of historical periods, including texts prior to 1800. Topics may include education, sexuality, and the formation of selfhood, as well as depictions of femininity and masculinity. *Note: Students who have received credit for ENGL 2240 or ENGL 2241 may not take this course for credit. (Also listed under Women's Studies)*

ENGL 2250  
**Canadian Poetry** 0.5 unit  
*Prerequisite: Please see Prerequisites for University Study of English above*  
 An introduction to Canadian poetry from the nineteenth century until the present. The course will emphasize contemporary (late twentieth and twenty-first century) poetry. *(Also listed under Canadian Studies)*

ENGL 2251  
**Canadian Fiction** 0.5 unit  
*Prerequisite: Please see Prerequisites for University Study of English above*

**Honours Thesis**

1.0 unit

*Prerequisite: Written permission*

A course intended to give practice in independent research, requiring an extended piece of writing. The student designs a syllabus through prior consultation with the supervising professor.

## Family Studies and Gerontology (FSGN)

**Chair**

Janice M. Keefe, BA (UPEI), MA, PhD (Guelph)  
Professor

The Family Studies and Gerontology program offers studies in two areas: (1) Gerontology, which focuses study on issues related to aging, and (2) Family Studies, which encompasses a study of individuals and families across the life course. Students are prepared for a variety of careers in the social welfare and aging policy and family support sectors that focus on prevention, support and community development. For example, graduates of this program are employed in family resource centres, transition houses, senior centres, long-term care facilities, and government departments that develop programs and policies related to issues associated with aging individuals and families across the life course.

### Combined Major in Family Studies

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. Students must declare a major or combined major before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units. In order to complete a combined major in Family Studies, the following requirements must be met:

- ❑ a minimum of 6.0 units and a maximum of 8.0 units in the Family Studies combined major as follows:
  - ❑ FSGN 1100, 2312, 2315, FSGN/CHYS 3327, 3345, and 3401
  - ❑ 3.0 units selected from FSGN 1101, FSGN/PHIL 2202, 2212, FSGN/WOMS 3305, 3314, 3344, 3410, 3450, 4480, 4490, PSYC 2267, SOAN 2520
  - Note: No more than 0.5 unit of FSGN 4480 may be counted toward the degree. No more than 0.5 unit of FSGN 4490 may be counted toward the degree.*
- ❑ a second combined major specified by another program (*Biology, Canadian Studies, Chemistry, Cultural Studies, Economics, English, French, History, Mathematics, Political Studies, Psychology, Sociology/Anthropology, Women's Studies*) *Note: The second combined major cannot be Gerontology.*
- ❑ a minimum overall GPA of 2.0 in the required 6.0 units of each combined major
- ❑ at least 5.0 units of the 12.0 units overall required for the combined majors must be at the 3000 level or above, and 2.5 units of these must be FSGN content
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (inclusive of the majors):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units of the total 20.0 units must be at the 2000 level or above

❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

Students wishing to combine an arts major and a science major (e.g. *Chemistry and English* or *Biology and Political Studies*):

❑ must meet all of the requirements listed above  
and

♦ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline

❑ must complete a minimum 12.0 units of the total 20.0 units in science disciplines

♦ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline

❑ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

The interdisciplinary approach will stress the inter-relatedness of ecological, technological, military and developmental issues. Themes for study may include domestic violence, conflicts in the workplace, racial and gender discrimination, cross-cultural communication, world hunger and food security, poverty and international trade relations; appropriate technology and resource utilization, sustainable development.

FSGN 2212

### Perspectives on Parent-Child

#### Relations Across the Life Course

0.5 unit

An analysis of the ecological, sociological, and social-psychological perspectives that emerge in parent-child relationships across the life course. Students will have the opportunity to discuss the current social issues affecting contemporary parent-child relationships and the role that professionals play in educational programs and policies.

FSGN 2220/PSYC 2220

### Psychology of Adulthood and Aging

0.5 unit

*Prerequisite: PSYC 1110 and 1120*

A critical examination of the findings and theories in the psychology of adulthood and aging. Topics to be covered will include identity and interpersonal behaviour, memory and intelligence, social-life changes and successful aging.

FSGN 2312

### Resilient Families

0.5 unit

An examination of the dynamics of family relationships as well as social factors that affect these relationships throughout the life course. Factors contributing to resilience in families such as community supports and social policies will be analyzed. Emphasis in this course is on understanding family relationships in diverse cultures.

FSGN 2315

### Program Planning in Family Life Education

0.5 unit

An exploration of theoretical principles and methodological approaches employed in planning and implementing preventative family life education programs, such as sexual education, parent education and healthy lifestyles. Models of program planning, implementation, and evaluation will be examined and applied. Students will have an opportunity to reflect upon the philosophies underlying practice.

FSGN 3305/WOMS 3305

### Women and Aging

0.5 unit

*Prerequisite: completion of 5.0 units of university credit including 1.0 unit of FSGN or permission of the instructor*

An examination of the unique roles and position of older women in contemporary society with an emphasis on how they are perceived and treated by society. Topics may include the variations in the psychological, health, and socioeconomic status and needs of older women with implications for social policy.

FSGN 3307/RELS 3307

### Perspectives on Death and Dying

## French (FREN)

### Chair

Alexandra Tsedryk, BA, BEd (Minsk State University),  
MA (Western), PhD (Dalhousie), Associate Professor

French may be taken as a major with honours, as a major or combined major in a degree program of 20.0 units, as a concentration, minor or as an elective at any level consistent with advanced standing and/or permission of the Modern Languages Department.

### Certificate of Proficiency in French

The program leading to the award of the Certificate of Proficiency in French is designed to provide university students who are not specializing in French with an opportunity to follow a co-ordinated program of French as a second language. All courses for the certificate are degree courses. Thus, students in a degree program which may include French courses can credit these courses both towards their degree and towards the Certificate of Proficiency in French. However, students are not required to enrol for a degree in order to follow the certificate program. To be accepted in the program, candidates must meet university entrance requirements.

Each student entering the certificate program must declare in writing their intention to pursue the certificate to the Department of Modern Languages.

- ❑ The certificate will be awarded upon completion of a comprehensive examination of the candidate in the skills of oral comprehension, oral expression, reading and writing.
- ❑ A grade inferior to C- on any one of those skills will mean that the certificate will not be awarded.
- ❑ In order to sit for the comprehensive examination, each candidate must have completed:
  - ❑ 3.0 units of FREN, 2.0 units of which must be at the 2000 level or above
  - ❑ obtain an average GPA of 2.7 for those FREN courses in order to be eligible to sit for the comprehensive examination
  - ❑ a maximum of 1.0 unit may be transferred from another institution for credits towards the Certificate of Proficiency in French. Such a transfer is granted by the Registrar's Office upon the recommendation of the Department of Modern Languages.
- ❑ The comprehensive examination for the certificate will be held annually during the April examination period. Application for this examination must be made before January 16 of the same year.
- ❑ Students must sit for the comprehensive examination within two years of completing the course requirements. Students who fail the comprehensive examination on their first attempt will be allowed to sit again the following year.
- ❑ The certificate will be awarded by the University through the Senate.

## Advanced Certificate of Proficiency in French

The program leading to the award of the Advanced Certificate of Proficiency in French is designed to provide university students who are not specializing in French with an opportunity to follow a co-ordinated program of French as a second language. All courses for the certificate are degree courses. Thus, students in a degree program which may include French courses can credit these courses both towards their degree and towards the Advanced Certificate of Proficiency in French. However, students are not required to enrol for a degree in order to follow the certificate program. To be accepted in the program, candidates must meet university entrance requirements and departmental requirements for admission to FREN 2214. Students who have not attained this standard must first take appropriate means to reach the required level.

Each student entering the certificate program must declare their intention in writing to pursue the certificate to the Department of Modern Languages.

- ❑ The certificate will be awarded upon completion of a comprehensive examination of the candidate in the skills of oral comprehension, oral expression, reading and writing.
- ❑ A grade inferior to C- on any one of those skills will mean that the certificate will not be awarded.
- ❑ In order to sit for the comprehensive examination, each candidate must have completed the following courses:
  - ❑ FREN 2214, 2215, 3314, 3315, 3324 and 3325
  - ❑ obtain a minimum GPA of 2.7 in each of these courses in order to be eligible to sit for the comprehensive examination
  - ❑ A maximum of 1.0 unit, granted at the 2000 level, may be transferred from another program of French, within or outside Mount Saint Vincent University, for credits towards the Advanced Certificate of Proficiency in French. Such a transfer is granted by the Registrar's Office upon the recommendation of the department of Modern Languages.
- ❑ The comprehensive examination for the certificate will be held annually during the April examination period. Application for this examination must be made before January 16 of the same year.
- ❑ Students must sit for the comprehensive examination within two years of completing the course requirements. Students who fail the comprehensive examination on their first attempt will be allowed to sit again the following year.
- ❑ The certificate will be awarded by the University through the Senate.

### Levels of Proficiency

The level of proficiency reached by the candidate will be recorded in each of the four language skills (oral comprehension, oral expression, reading and writing) as follows:

- Level A: a GPA of 3.7 or above—Excellent
- Level B: a GPA between 2.7 and 3.3—Good
- Level C: a GPA between 1.7 and 2.3—Satisfactory

Students who achieve Level A proficiency in all four language skills will be awarded the Advanced Certificate of Proficiency in French with distinction.

The comprehensive examination can be credited only to the Advanced Certificate of Proficiency in French. It cannot be used to fulfill requirements for any other university course or program.

## Major (20.0 Units)

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in FREN above the 1000 level as follows:
  - ❑ FREN 2214, 2215, 2253, 2254, 3314, 3315
  - ❑ complete a French literature course at the 3000 level or above
  - ❑ 4.0 units must be at the 3000 level or above
  - ❑ a minimum overall GPA of 2.0 in the required 8.0 units of FREN
- ❑ a minor (normally in English or Spanish) consisting of 3.0 units as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ students may choose a second 3.0 unit minor in any area that offers a minor
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (exclusive of the major):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

### Special Studies

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

## Major Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Arts General Studies degree may apply to do a major certificate. Students must fulfill the requirements for the major degree listed above.

## Major in French with a Year in France

### Eligibility

Students must have completed 5.0 to 10.0 units at Mount Saint Vincent University, must have a minimum GPA of 2.0 and must have completed FREN 2214/2215 and FREN 2253/2254. They must be approved by the department and must have their parents' permission or be of legal age.

### Application

Apply to the Department of Modern Languages before the end of December of the year preceding departure for France.

### Cost

Consult the department coordinator.

### Documentation

Documentation necessary to secure French student visa authorization is provided only to students who complete the pre-departure orientation sessions.

### The Program

- Prerequisites: FREN 2214, 2215, 2253, 2254: normally, only students in the Bachelor of Arts major program are eligible.
- Year in France (September to June): normally after completion of 10.0 units of coursework at Mount Saint Vincent University.
- Letter of Permission forms must be pre-approved prior to study abroad, determining the amount and level of academic credit that will be transferred from the Host University. Any further changes of courses must have departmental approval in order to be credited.

Academic credit (up to 5.0 units) achieved while studying abroad is considered to be external credit for the purpose of meeting Minimum Institutional Credit Requirement for Mount Saint Vincent University.

Students must complete all remaining requirements for attainment of Major in French upon return from study abroad.

## Combined Major (20.0 Units)

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. # History (HIST)

## Chair

Corey Slumkoski, BA (Carleton University), MA, PhD  
(UNB, Fredericton), Associate Professor

History courses are designed to meet the needs and interests of various students: those who choose to take one or two courses as electives or as part of their program in another course of study; those who decide to minor in the field of history; and those who register to do a concentration, major, or honours degree in history. Courses are offered primarily in the areas of European, North American, and World history with an emphasis on the theme of women's history. Certain courses adopt a comparative perspective. Many may be taken to fulfill requirements in Women's Studies (page 202), Canadian Studies (page 94), Cultural Studies (page 116), Peace and Conflict Studies (page 164), and Child and Youth Studies (page 102). Selected courses are available and delivered online.

Courses at the 1000 level and 2000 level have no prerequisites; those at the 3000 level and 4000 level normally require 1.0 unit of previous study in history at the 2000 level; seminars at the 4000 level require written permission of the instructor or the department Chair.

Any student planning to major, concentrate, or minor in history should consult the department to help in planning an academic program. The following are the requirements for the major, concentration, and minor, but, in consultation with faculty, variations are possible. Students are reminded that final responsibility for meeting departmental and university regulations rests with themselves.

The program structure is meant to allow for flexibility within a basic framework. Both the concentration and the major provide opportunity for the student to focus on areas of history that are of special interest, and at the same time they ensure a well-balanced understanding of the discipline. The student may take up to two additional units in history at any level as electives.

## History Areas of Study

History courses are offered in the following areas:

► **European History:** HIST 1102, 1103, 2200, 2201, 2205, 2207, 2208, 2209, 2211, 2220, 2250, 2281, 2285, 2288, 2302, 2303, 3305, 3314, 3315, 3340, 3370, 3382, 3385, 3386, and 4480

► **North American History:** HIST 1121, 1122, 2210, 2216, 2219, 2222, 2225, 2230, 2231, 2234, 2235, 2236, 2237, 2282, 2391, 3304, 3320, 3321, 3322, 3323, 3328, 3329, 3330, 3337, 3341, 3342 and 4481

► **World History:** HIST 1131, 1132, 2233, 2251, 2255, 2260, 2265, 2289, 2300, 3360, 3361, 3362, 3365, 3366, and 4480

## Major (20.0 Units)

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

## Honours Degree

The honours degree offers students the opportunity, under the direction of a thesis supervisor (a member of the history faculty), to engage in original historical research by examining in depth a topic of interest to them and produce an analytical and well-written thesis. It provides preparation for post-graduate study and also serves a variety of career aspirations.

Students wishing to take an honours degree must apply in writing to the department Chair after successful completion of 10.0 units of study and **before** completion of their third year or 15.0 units of study. The minimum requirement for admission

is a GPA of 3.0 in history courses, along with successful completion of HIST 3390 and HIST 3391. The department will assist interested applicants in securing a faculty member to supervise the honours thesis (HIST 4499). An honours thesis proposal must be submitted by March 30 of the third year of one's program or, in the case of part-time students, March 30 of the academic year immediately preceding enrolment in HIST 4499.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 10.0 and a maximum of 12.0 units in the honours subject as follows
  - ❑ 1.0 unit of HIST at the 1000 level, selected from:

 or permission of the department to substitute 1.0 unit at the 2000 level or above
  - ❑ 4.0 units of HIST at the 2000 level
  - ❑ HIST 3390, 3391, 4480, 4481 and 4499
  - ❑ 2.0 additional units of HIST at the 3000 level or above
  - ❑ no more than 8.0 units may be taken in any single area of study (*Europe, North America, World*)
- ❑ a minor consisting of 3.0 units as specified by the department. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (exclusive of the honours subject):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ obtain a minimum GPA of 3.0 and a grade of at least C- in 10.0 units of the required HIST honours courses
- ❑ achieve a minimum of B- in the honours thesis
- ❑ obtain an overall GPA of 3.0 or better in all courses counted for the degree beyond the first 5.0 units taken
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

*Note: First-class honours will be awarded to students who maintain a GPA of 3.5 or better in 10.0 units in the honours subject and no grade below B- in all courses counted for the degree beyond the first 5.0 units taken.*

## Honours Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Arts degree with a major in History may apply to do an honours certificate. Students must fulfill the requirements for the honours degree listed above and meet the University regulations regarding honours certificates. Application must be made in writing to the department Chair by March 30 of the academic year prior to enrolment in the program. Applicants should note the requirement that honours thesis proposals must be submitted by March 30 of the academic year immediately preceding enrolment in HIST 4499.

*Prerequisite: written permission of the instructor or department Chair*

The topics for research and discussion will be determined by the professor and students in the seminar.

HIST 4482

**Directed Study** 0.5 unit

HIST 4483

**Directed Study** 0.5 unit

*Prerequisite: permission of the department*

A course designed to encourage the student to do independent work in a particular area of history. The outline is worked out by the student(s) and professor involved. Departmental approval is required before registering.

HIST 4499

**Honours Thesis** 1.0 unit

*Prerequisites: HIST 3391 and written permission of the department Chair*

A course intended to give practice in independent research, requiring an extended piece of writing.

## Information Technology (INTE)

### Chair

Robert Farmer, BBA (CBU), MBA (SMU), PhD (TUI),  
Associate Professor

The continuing growth of computer usage in business, industry, and education has expanded the demand for individuals educated in computer information technology. The minor in information technology provides knowledge and skills that complement a student's major area of study and expands career options for graduates. A minor in information technology will enhance a student's major area of study since knowledge of computers is expected of every university graduate to be competitive in the work environment. There is a growing demand for professionals who possess both technology and business acumen.

Students who are interested in being an essential part of the business world; enjoy identifying, analyzing and solving problems; like being challenged by a variety of situations and technologies; or want to become a C-level executive (CEO, CIO, CSO) should enroll in a minor in information technology.

### Minor in Information Technology

To obtain a professional minor in Information Technology, students must fulfill the following requirements:

- ☐ 3.0 units of INTE, 0.5 unit of which must be at the 3000 level or above

### Courses

*Note: All courses listed below have a professional studies classification. Some of them are cross-listed with an arts and science discipline. All courses have been designated as appropriate for free electives.*

INTE 1024/CMPS 1024

**Information Technology Fundamentals** 0.5 unit

An overview of the fundamentals of information technology. This course uses a case-based approach to introduce students to today's technology including software applications and their use in organizations. This course will develop students' understanding of communication management tools, data management tools (spreadsheets and databases), presentation/graphics, information security and ethical issues.

*Note: Students who have received credit for INTE/CMPS 1115 may not take this course for credit.*

INTE 1153/CMPS 1153

**Introduction to Business Programming** 0.5 unit

*Prerequisites: INTE/CMPS 1024 and any 1000 level or above mathematics course or permission of the instructor*

An introduction to object-oriented/event-driven programming using a language widely used in the business industry such as Visual BASIC. Topics to be covered include fundamental data types, decision structures, loops, arrays and file access. Project design applicable to simple business applications will be emphasized.

INTE 1161/CMPS 1161

**Introduction to Media Computing** 0.5 unit

*Prerequisite: Grade XI or XII academic mathematics or equivalent*

An introduction to computer science focusing on the manipulations of pictures, sounds and videos. Students will learn fundamental programming constructs including data representations, algorithms, sequential operation, iteration, conditionals, defining functions and data abstraction by reading, understanding, and creating programs that achieve useful communication tasks using the Python programming language.

INTE 2011

**Introduction to Project Management** 0.5 unit

An examination of the concepts and basic functions of project management, including scope, quality, time, cost, risk, procurement, human resource and communication management. The integration of these functions into a project management system and the role of the project manager and support staff will be included.

INTE 2245/CMPS 2245

**Spreadsheet Applications** 0.5 unit

*Prerequisite: completion of 5.0 units of university credit or permission of the instructor*

An examination of numerical applications using spreadsheet software. Topics covered may include formulas, functions, charting capabilities, list management, macros, data analysis techniques, customizing, and integrating Windows applications.

INTE 2263/CMPS 2263

**Introduction to Web Design and Development** 0.5 unit

*Prerequisite: completion of 5.0 units of university credit or permission of the instructor*

A comprehensive introduction to web site design and creation, including configuration and usage of internet-related software applications and protocols. Software commonly used in the business world for web site design and creation will be introduced. *Note: Students who have received credit for INTE/CMPS 2260 may not take this course for credit.*

INTE 2275/CMPS 2275

**Database Applications** 0.5 unit

*Prerequisite: INTE/CMPS 1024 or permission of the instructor*

A study of database management systems development. Topics may include relational database design, data management, tables, queries, forms, reports, macros, and user interface design.

INTE 2285

**Introduction to Information Security** 0.5 unit

*Prerequisite: INTE/CMPS 1024 or permission of the instructor*

A survey of information security and privacy fundamentals. Topics may include threats and defences, legal and ethical issues, risk management, security technologies and business continuity.

INTE 2295

**Digital Media Management** 0.5 unit

*Prerequisite: INTE/CMPS 1024 or permission of the instructor*

An exploration of digital media technologies and their uses to create community engagement and social interaction. Topics covered may include: SEO, digital media fundamentals, tools, optimization, metrics, and governance.

INTE 3011

**Advanced Project Management** 0.5 unit

*Prerequisite: INTE 2011 or permission of the instructor*

A case-based approach to the concepts and methodologies needed to plan, manage, and track performance over a complete project life cycle. These concepts include earned value management, quality control, performance tracking, corrective action, resource leveling, critical path analysis and charting.

INTE 3302

**Special Topics in Information Management** 0.5 unit

*Prerequisite: Completion of 2.0 units of INTE or permission of the instructor*

The study of emerging topics in information management.

Topics will vary from year to year. Method of instruction may vary depending on the topic offered.

INTE 3363/CMPS 3363

**Advanced Web Design and Development** 0.5 unit

*Prerequisite: INTE/CMPS 2263 or permission of the instructor*

A further study of web site design and creation, including advanced configuration and usage of internet-related software applications. Topics will include programming; server configuration and administration tools; and web-related database fundamentals.

INTE 3385

**Topics in Information Security** 0.5 unit

*Prerequisite: INTE 2285 or permission of the instructor*

An in-depth study of select information security topics. To keep abreast of emerging themes, topics and methods of instruction will vary from year to year.

INTE 4400

**Directed Study** 0.5 unit

INTE 4401

**Directed Study** 0.5 unit

*Prerequisites: advanced standing and written permission of the department*

Courses designed to enable the student to do independent work in a particular area of information management. The outline is established by the student(s) and professor(s) involved and may include a literature review and practical work. Students intending to take this course must obtain the approval of the Information Technology Department before the term(s) in which they register for INTE 4400/4401.

## Library (LIBR)

### Courses

LIBR 2100

#### Library Research

0.5 unit

*Prerequisite: recommended completion of 0.5 unit at the post secondary level*

An introduction to library research including frameworks for the organization of information in print and online; critical strategies for acquiring, evaluating and communicating information; and ethical and legal (intellectual property, copyright, plagiarism) obligations of using information. Information sources across various disciplines, formats and media will be considered.

## Mathematics (MATH)

### Chair

Tina Harriott, BA (Cambridge), MSc (Sussex),  
PhD (Dalhousie), Associate Professor

Mathematics is one of the most original products of the human mind. It has many important applications in science, engineering, and statistics, but mathematics is also an important field of study for its own sake. Throughout history each culture has developed its own mathematics to solve its problems. Today there is an internationally accepted mathematics that is studied and used across the world. Its practitioners work in fields as diverse as astronomy, meteorology, agriculture and banking. With our increasing need for information and technology, mathematics will play an even more important role in most occupations and fields of study. It will also continue to be a critical topic in the history of ideas, documenting fundamental modes of human thought.

Some students may take mathematics courses which apply only to their individual areas of study. Others may wish to minor or major in the subject and pursue careers in teaching, statistics, computer science, actuarial science, or many other areas. Whether studied for its many applications or for the beauty of its logical structure and expressive power, mathematics will reward the effort of students with a deeper understanding of the world and how it works.

Any student planning to major or minor in mathematics should consult the department Chair, who will appoint an advisor to help the student plan an academic program.

Students who have received credit for a course will not normally be permitted to enrol in or receive credit at a later date for any course which satisfies the prerequisite requirements for that course.

*Note: MATH 2462/EDUC 2462 and MATH 2463/EDUC 2463 is intended primarily for pre-education students and for teachers and will not be acceptable for the Mathematics major or minor.*

### Major (20.0 Units)

A student may obtain either a Bachelor of Arts or a Bachelor of Science degree with a major in Mathematics.

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

A Bachelor of Arts degree in Mathematics requires a 3.0 unit arts minor. A Bachelor of Science degree in Mathematics requires a 3.0 unit science minor.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

### Bachelor of Arts - Mathematics

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ MATH 1113, 1114, 2208, 2211, and 2221 (2.5 units)
  - ❑ a further 5.5 additional units of MATH as specified by the chosen area of specialization:

#### *Specialization in Mathematics: Required Courses*

- ❑ MATH 2212, 2222, 2225, 3311 and 3325 (2.5 units)
- ❑ 2.0 additional units of MATH at the 3000 level or above

- ❑ 1.0 additional unit of MATH at any level

or

#### *Specialization in Statistics: Required Courses*

- ❑ MATH 2206, 2209, 2283, 2284, 3303, 3304, 3407 and 3408 (4.0 units)

- ❑ 1.0 additional unit of MATH at the 3000 level or above

- ❑ 0.5 additional unit of MATH at any level

- ❑ *Note: MATH 2462, 2463 & 2465 may not be counted towards the major*

- ❑ a minimum overall GPA of 2.0 in the required 8.0 units of MATH

#### ❑ CMPS 1155

- ❑ a minor consisting of 3.0 units as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units

- ❑ students may choose a second 3.0 unit minor in any area that offers a minor

- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (*exclusive of the major*):

- ❑ Core A - *Sciences & Mathematics* (1.0 unit)

- ❑ Core B - *Social Sciences* (1.0 unit)

- ❑ Core C - *Humanities* (1.0 unit)

- ❑ at least 9.0 units must be at the 2000 level or above

- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

## **Bachelor of Science - Mathematics**

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:

- ❑ MATH 1113, 1114, 2208, 2211, and 2221 (2.5 units)

- ❑ a further 5.5 additional units of MATH as specified by the chosen area of specialization:

#### *Specialization in Mathematics: Required Courses*

- ❑ MATH 2212, 2222, 2225, 3311 and 3325 (2.5 units)

- ❑ 2.0 additional units of MATH at the 3000 level or above

- ❑ 1.0 additional unit of MATH at any level

or

#### *Specialization in Statistics: Required Courses*

- ❑ MATH 2206, 2209, 2283, 2284, 3303, 3304, 3407 and 3408 (4.0 units)

- ❑ 1.0 additional unit of MATH at the 3000 level or above

- ❑ 0.5 additional unit of MATH at any level

- ❑ *Note: MATH 2462, 2463 & 2465 may not be counted towards the major*

- ❑ a minimum overall GPA of 2.0 in the required 8.0 units of MATH

#### ❑ CMPS 1155

- ❑ a minor consisting of 3.0 units in a science field (*Biology, Chemistry, Physics, Psychology, or designated Applied Human Nutrition courses*) as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units

- ❑ students may choose a second 3.0 unit minor in any area that offers a minor or up to 2.5 additional units of arts or science electives

- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (*exclusive of the major*):

- ❑ Core A - *Sciences & Mathematics* (1.0 unit)

- ❑ Core B - *Social Sciences* (1.0 unit)

- ❑ Core C - *Humanities* (1.0 unit)

- ❑ at least 9.0 units must be at the 2000 level or above

- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

#### *Special Studies*

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

## **Major Certificate**

Students who have graduated from Mount Saint Vincent University with a Bachelor of Arts General Studies degree or a Bachelor of Science General Studies degree may apply to do a major certificate. Students must fulfill the requirements for the major degree listed above.

## **Combined Major (20.0 Units)**

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. Students must declare a major or combined major before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units. In order to complete a combined major in Mathematics, the following requirements must be met:

- ❑ a minimum of 6.0 units and a maximum of 8.0 units in the Mathematics combined major as follows:

- ❑ MATH 1113, 1114, 2208, 2211, and 2221 (2.5 units)

- ❑ a further 3.5 additional units of MATH as specified by the chosen area of specialization:

#### *Specialization in Mathematics: Required Courses*

- ❑ MATH 2222, 2225, 3311 and 3325 (2.0 Units)

- ❑ an additional 0.5 unit of MATH at the 2000 level or above. *Note: MATH 2462, 2463 and 2465 may not be counted towards the combined major*

- ❑ 1.0 additional unit of MATH at the 3000 level or above

or

#### *Specialization in Statistics: Required Courses*

- ❑ MATH 2206, 2209, 2283, 2284, 3303, 3407 (3.0 units)

- ❑ MATH 3304 or MATH 3408 (0.5 unit)
- ❑ a second combined major specified by another program (*Biology, Canadian Studies, Chemistry, Cultural Studies, Economics, English, Family Studies, French, Gerontology, History, Political Studies, Psychology, Sociology/Anthropology, Women's Studies*)
- ❑ a minimum overall GPA of 2.0 in the required 6.0 units of each combined major
- ❑ at least 5.0 units of the 12.0 units overall required for the combined majors must be at the 3000 level or above
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (inclusive of the majors):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units of the total 20.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

Students wishing to combine an arts major and a science major (e.g. *Chemistry and English* or *Biology and Political Studies*)

- ❑ must meet all of the requirements listed above and
- ♦ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in science disciplines
- ♦ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

## Honours Degree

Students interested in beginning the Honours Program in September must apply for admission to the department Chair by April 15th of that year. Students may not apply until after completing 10.0 units of coursework as noted below and are strongly encouraged to apply before completing 15.0 units. The Chair will notify the students within six weeks whether or not their applications have been successful. Acceptance is contingent upon agreement of a faculty member to supervise the honours project. A student who does the required 3.0 unit minor in a science discipline will receive a Bachelor of Science (Honours), while a student who does the minor in an arts discipline will receive a Bachelor of Arts (Honours) degree.

Before applying, students must have completed 10.0 units of study including MATH 1113, 1114, 2208, 2211 and 2221, and excluding MATH 2462, 2463 and 2465. Additionally, for those students whose specialization is mathematics they must have also completed MATH 2212, 2222 and 2225; for those whose specialization is statistics they must have also completed MATH 2206, 2209 and any two of MATH 2283, 2284, 3303, 3304. Students must have a GPA of at least 3.0 in these Mathematics courses with no grade below C-.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

## Bachelor of Arts (Honours) - Mathematics

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 10.0 and a maximum of 12.0 units in the honours subject as follows:
  - ❑ MATH 1113, 1114, 2208, 2211, and 2221 (2.5 units)
  - ❑ a further 7.5 additional units of MATH as specified by the chosen area of specialization:

*Specialization in Mathematics: Required Courses*

- ❑ MATH 2212, 2222, 2225, 3311, 3312, 3325, 3326 and 4499 (4.0 units)
- ❑ 2.0 additional units of MATH at the 2000 level or above
- ❑ 1.5 additional units of MATH at the 4000 level

or

*Specialization in Statistics: Required Courses*

- ❑ MATH 2206, 2209, 2283, 2284, 3303, 3304, 3407, 3408, 4407 and 4498 (5.0 units)
- ❑ 1.5 additional units of MATH at the 2000 level or above
- ❑ 1.0 additional unit of MATH at the 4000 level

- ❑ CMPS 1155

❑ *Note: MATH 2462, 2463 and 2465 may not be counted towards the honours degree*

- ❑ a minor consisting of 3.0 units as specified by the department. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (*exclusive of the honours subject*):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ obtain a minimum GPA of 3.0 and a grade of at least C- in 10.0 units of the required MATH honours courses
- ❑ achieve a minimum of B- in the honours thesis
- ❑ obtain an overall GPA of 3.0 or better in all courses counted for the degree beyond the first 5.0 units taken
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

*Note: First-class honours will be awarded to students who maintain a GPA of 3.5 or better in 10.0 units in the honours subject and no grade below B- in all courses counted for the degree beyond the first 5.0 units taken.*

## Bachelor of Science (Honours) - Mathematics

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 10.0 and a maximum of 12.0 units in the honours subject as follows:
  - ❑ MATH 1113, 1114, 2208, 2211, and 2221 (2.5 units)
  - ❑ a further 7.5 additional units of MATH as specified by the chosen area of specialization:

### Specialization in Mathematics: Required Courses

- ❑ MATH 2212, 2222, 2225, 3311, 3312, 3325, 3326 and 4499 (4.0 units)
- ❑ 2.0 additional units of MATH at the 2000 level or above
- ❑ 1.5 additional units of MATH at the 4000 level

or

### Specialization in Statistics: Required Courses

- ❑ MATH 2206, 2209, 2283, 2284, 3303, 3304, 3407, 3408, 4407 and 4498 (5.0 units)
- ❑ 1.5 additional units of MATH at the 2000 level or above
- ❑ 1.0 additional unit of MATH at the 4000 level

- ❑ CMPS 1155

❑ *Note: MATH 2462, 2463 and 2465 may not be counted towards the honours degree*

- ❑ a minor consisting of 3.0 units in a science field (*Biology, Chemistry, Physics, Psychology, or designated Applied Human Nutrition courses*) as specified by the department. Students must achieve a minimum GPA of 2.0 in the required 3.0 units

- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (*exclusive of the honours subject*):

- ❑ Core A - *Sciences & Mathematics* (1.0 unit)

- ❑ Core B - *Social Sciences* (1.0 unit)

- ❑ Core C - *Humanities* (1.0 unit)

- ❑ obtain a minimum GPA of 3.0 and a grade of at least C- in 10.0 units of the required MATH honours courses

- ❑ achieve a minimum of B- in the honours thesis

- ❑ obtain an overall GPA of 3.0 or better in all courses counted for the degree beyond the first 5.0 units taken

- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

*Note: First-class honours will be awarded to students who maintain a GPA of 3.5 or better in 10.0 units in the honours subject and no grade below B- in all courses counted for the degree beyond the first 5.0 units taken.*

## Honours Certificate

Students who have graduated from Mount Saint Vincent University with either a Bachelor of Arts or a Bachelor of Science with a major in Mathematics or a combined major in Mathematics may apply to do an honours certificate. Students must fulfill the requirements for the honours degree listed above and meet the University regulations regarding honours certificates.

## Concentration in Mathematics

To obtain a concentration in Mathematics, students must fulfill the following requirements:

- ❑ MATH 1113, 1114, 2211, 2221, 2222, 2225

- ❑ MATH 3311 or 3325

- ❑ an additional 0.5 unit of MATH at the 3000 level or above (*may include the other of MATH 3311 or 3325 but may not include 3303 or 3304*)

## Concentration in Applied Statistics

To obtain a concentration in Applied Statistics, students must fulfill the following requirements:

- ❑ MATH 1113, 1114, 2206, 2208, 2209, 2284, 3303 and 3304

## Minor in Mathematics

To obtain a minor in Mathematics, students must fulfill the following requirements:

- ❑ MATH 1113 and 1114

- ❑ At least 1.0 unit of the following: MATH 2211, 2212, 2221, 2222 and 2225

- ❑ 1.0 additional units of MATH at the 2000 level or above, excluding MATH 2462, 2463 & 2465

*Note: Students who wish to include more than one unit of MATH 2206, 2208, 2209, 2283 and 2284 should consider the Statistics minor or the Applied Statistics minor.*

## Minor in Statistics

To obtain a minor in Statistics, students must fulfill the following requirements:

- ❑ MATH 1113, 1114, 2206, 2208 and 2209

- ❑ MATH 3303 or 3304

## Minor in Applied Statistics

To obtain a minor in Applied Statistics, students must fulfill the following requirements:

- ❑ MATH 2208, 2209, 3303 and 3304

- ❑ 1.0 unit selected from MATH 1113, 2283 and 2284

*Note: Because of the overlap with Mathematics major and minor requirements, students who major in Mathematics must satisfy the minor requirement for their degree in an area other than Applied Statistics or Statistics. Minors in Mathematics, Statistics and in Applied Statistics cannot be used to satisfy the requirements of the "double minor" option of the Bachelor of Arts or of the Bachelor of Science. Any students who satisfy existing degree requirements and complete the above-noted sequence of courses shall be acknowledged in the usual way as having done the minor in Applied Statistics.*

## Prerequisites for MATH 1102 and 1113 and the Mathematics Placement Test

The Mathematics Placement Test is designed to ensure that students begin their university mathematics study at a level appropriate to their background. Students who plan to take MATH 1102 or MATH 1113 must write the placement test unless they have a university credit prerequisite—high school Precalculus Mathematics alone is not sufficient. Topics covered by the placement test are available on the Mount's website under Academics>Mathematics or as a brochure from the Mathematics Department. Depending on their performance on the test, students may be placed into MATH 1113, 1102, or 0027. Placement test assessments are valid for up to three years, but the test may be written only once per term. Placements may be appealed to the department Chair; whose decision is final. Further information, including sample questions and test schedules, is available from the department.

## Prerequisites for MATH 2208

The prerequisites for this course is grade XI or grade XII Mathematics, or MATH 0017 with a grade of C or higher or MATH 0020 with a grade of C or better, or MATH 0027 with a grade of C or better, or any 1000 level Mathematics course. Since mathematical skills deteriorate over time, students who have been away from mathematics for a while often need to review basic mathematics beforehand in order to succeed in MATH 2208. An online self-test is available on the Mount's website under Academics > Mathematics. Brochures on the topics from high school mathematics required for these courses are available from the Mathematics Department, a booklet reviewing these topics is on sale in the bookstore, and the course MATH 0027 provides an intensive review for those who need it. Students unsure of their mathematical preparation should consult the Mathematics Department for advice.

## Courses

*Note: Students who do not meet the formal prerequisites for the courses listed below, but think they may qualify due to special circumstances, should consult the department.*

### MATH 0027

#### Statistics and Mathematics

**Preparation** Equivalent of 0.5 but is NON credit  
A preparatory course for students who are not yet ready for university mathematics. In particular it will prepare those who plan to take MATH 2208 (Introduction to Statistics I) and/or MATH 1102 (Precalculus I).

### MATH 1102

#### Precalculus I: Algebraic Functions 0.5 unit

*Prerequisite: grade XI and grade XII academic mathematics and mathematics placement test or MATH 0020 or 0027 passed in the last three years with a grade of C or higher or equivalent*

A first course to prepare students for calculus. Linear, quadratic, polynomial, rational, radical, and piecewise functions will be studied numerically, graphically, and algebraically. Conic sections and limits will also be introduced. There will be an emphasis on problem solving and applications.

### MATH 1103

#### Precalculus II: Transcendental Functions 0.5 unit

*Prerequisite: MATH 1102*

A second course to prepare students for calculus. Trigonometric, exponential and logarithmic functions will be studied numerically, graphically, and algebraically. Finite sequences and series and mathematical induction will also be introduced. There will be an emphasis on problem solving and applications.

### MATH 1113

#### Introductory Calculus I 0.5 unit

*Prerequisites: high school precalculus mathematics and mathematics placement test, or MATH 1103*

An introduction to differential and integral calculus for algebraic and transcendental functions. Topics include: limits, continuity, differentiation, curve sketching, implicit differentiation and applications.

### MATH 1114

#### Introductory Calculus II

0.5 unit

*Prerequisite: MATH 1113*

An introduction to integral calculus. Topics include: the Fundamental Theorem, techniques of integration, improper integrals, polar co-ordinates, parametric equations, and applications.

### MATH 2206

#### Introduction to Probability

0.5 unit

*Prerequisite: MATH 1114*

A calculus-based introduction to probability theory. Topics include sample spaces, random variables, discrete and continuous distributions, expectation, functions of a random variable, sums of random variables and the Central Limit Theorem. May include an introduction of the theory to statistical applications.

### MATH 2208

#### Introduction to Statistics I

0.5 unit

*Prerequisite: grade XI or grade XII academic mathematics or equivalent, or MATH 0017 with a grade of C or higher or MATH 0020 with a grade of C or higher, or MATH 0027 with a grade of C or higher or any 1000 level mathematics course*

An introduction to statistical methods. Topics include graphical presentations of data, summary statistics, the normal curve, least-squares regression, correlation, two-way tables, survey and experimental design, probability, random variables, distribution of sample proportions, confidence intervals and hypothesis testing for one and two population proportions. Laboratory sessions demonstrate applications from various disciplines.

Laboratory required (75 minutes/week)

### MATH 2209

#### Introduction to Statistics II

0.5 unit

*Prerequisite: MATH 2208*

A continuation of MATH 2208. Topics include: distribution of the sample mean, one-sample, two-sample and paired t procedures, the chi-square test, inference for simple and multiple regression, one-factor and two-factor Analysis of Variance. Laboratory sessions demonstrate applications from various disciplines. *Note: Students who have received credit for MATH 2207 may not take this course for credit.*

Laboratory required (75 minutes/week)

### MATH 2211

#### Intermediate Calculus I

0.5 unit

*Prerequisite: MATH 1114*

A third course in calculus. Topics include ordinary differential equations, sequences, series, functions of several variables, partial derivatives and an introduction to double integrals. *Note: Students who have received credit for MATH 2210 may not take this course for credit.*

### MATH 2212

#### Intermediate Calculus II

0.5 unit

*Prerequisite: MATH 2211*

Vector functions, directional derivatives, double integrals with polar co-ordinates, line integrals, Green's theorem and applications. *Note: Students who have received credit for MATH 2210 may not take this course for credit.*

MATH 2221  
**Linear Algebra I** 0.5 unit  
*Prerequisite: at least 1.0 unit of university mathematics completed. If this unit does not include MATH 1113, then MATH 1113 must be taken concurrently.*

An introduction to linear algebra, with applications. Topics include systems of linear equations, matrices, determinants, Euclidean n-space, spanning, linear independence, basis and dimension, dot products, orthogonality, and orthogonal projections.

MATH 2222  
**Linear Algebra II** 0.5 unit  
*Prerequisite: MATH 1114, 2221 and 2225 (MATH 1114 may be taken concurrently)*

A continuation of MATH 2221 with an emphasis on theory. Topics include real and complex vector spaces and subspaces, linear transformations, kernel and range, inner product spaces, eigenvalues and eigenvectors, diagonalization, and orthogonal diagonalization.

MATH 2225  
**Mathematical Proof** 0.5 unit  
*Prerequisite: MATH 1103 or 1113*

An introduction to writing and analyzing formal proofs in mathematics. Topics include: logic, direct proof and proof by contradiction, mathematical induction, set theory, relations and functions, partitions and equivalence relations.

MATH 2245  
**History of Mathematics I** 0.5 unit  
*Prerequisite: permission of the instructor*  
 History of mathematics before the seventeenth century.

MATH 2277  
**Topics in Mathematics** 0.5 unit  
*Prerequisite: permission of the instructor*  
 An opportunity for students to examine a topic or topics in mathematics.

MATH 2283  
**Introduction to Nonparametric Statistics** 0.5 unit  
*Prerequisite: MATH 2209*  
 An introduction to nonparametric statistical methods. Topics include rank-based tests; the sign test; randomization and permutation tests; and developing confidence intervals and hypothesis tests for means, proportions and in regression with the bootstrap.

MATH 2284  
**Survey Design** 0.5 unit  
*Prerequisite: MATH 2209*  
 A practical course in designing surveys and analysis of survey data. Topics include questionnaire design, conducting a survey, ethical considerations, types of sampling, selecting samples, inference for random sampling, stratified random sampling and cluster sampling, and power calculations. The emphasis is on practical applications, using appropriate software. *Note: Students who have received credit for CMPS 2284 may not take this course for credit.*

MATH 2289  
**Applied Numerical Analysis** 0.5 unit  
*Prerequisites: CMPS/INTE 1153 or CMPS 1155, and MATH 1114, and either MATH 2283 or 2222*  
 An introductory course in simple numerical analysis techniques (root finding, matrix inversion, integration, etc.). Additional topics which may be included are floating point arithmetic, error analysis, approximation theory and algorithm design for numerical methods. Implementation will be in a procedure-oriented language such as FORTRAN. *Note: Students who have received credit for MATH 2239 may not take this course for credit.*

MATH 2462/EDUC 2462  
**Fundamental Concepts of Mathematics 1** 0.5 unit  
*Prerequisite: Any 5.0 units successfully completed at the university level.*

A study of the fundamental concepts of mathematics, focusing on elementary and middle school mathematics. Topics include counting, whole number operations, fractions, decimals, rates and proportions, measurement, and geometry. This course focuses on problem solving, mathematical reasoning, and multiple approaches as applied to these topics

This course and MATH 2463/EDUC 2463 are recommended primarily for pre-education students and will not be acceptable for the mathematics major or minor. Students who have received credit for MATH 2243/EDUC 2461 may not take this course for credit.

MATH 2463/EDUC 2463  
**Fundamental Concepts of Mathematics 2** 0.5 unit  
*Prerequisite: MATH 2462/EDUC 2462 (or MATH 2243/EDUC 2461)*

A study of the fundamental concepts of mathematics, focusing on elementary and middle school mathematics. Topics include the integers, real and rational numbers, number theory, introductory algebra, functions, graphing, probability, statistics, and sampling. This course focuses on problem solving, mathematical reasoning, and multiple approaches as applied to these topics.

MATH 2465/EDUC 2465  
**Fundamental Concepts of Geometry** 0.5 unit  
*Prerequisite: Any 5.0 units successfully completed at the university level*

A study of the fundamental concepts of geometry, focusing on topics taught in public schools. These include coordinate, axiomatic, constructive and transformational geometry. This course focuses on problem solving, mathematical reasoning and proofs using multiple approaches.

MATH 3303  
**Intermediate Applied Statistics I: Linear Models** 0.5 unit  
*Prerequisites: MATH 2209*  
 A continuation of MATH 2209 with a focus on linear models: simple, polynomial and multiple regression, with continuous and categorical explanatory variables; indicator variables and contrasts; transformations, diagnostics, and variable selection; bootstrap methods for inference; odds ratios and an introduction to logistic regression. The emphasis is on practical applications, using appropriate software.

<p>MATH 3304  <b>Intermediate Applied Statistics II: ANOVA and Experimental Design</b> 0.5 unit  <i>Prerequisite: MATH 2209</i>  A continuation of MATH 2209. Topics include one-way and two-way ANOVA; factorial and nested designs; residual analysis; transformations; and analysis of covariance. This course emphasizes practical applications, rather than theory, using appropriate software.</p>	<p>MATH 3333  <b>Introduction to Graph Theory</b> 0.5 unit  <i>Prerequisites: MATH 2222, 2225, and either CMPS 1153 or 1155, or permission of the instructor</i>  An introduction to graph theory. Topics will include graphs, digraphs and trees, connectivity, graph colouring, spanning tree and shortest path algorithms, and related additional topics. <i>Note: Students who have received credit for MATH 4333 may not take this course for credit.</i></p>
<p>MATH 3307  <b>Intermediate Mathematical Statistics</b> 0.5 unit  <i>Prerequisites: MATH 2209, 3407 and permission of the department</i>  Intermediate theory of statistical inference based on the likelihood function. Topics will include the likelihood function for single and multiple parameter families, likelihood intervals and their relationship to confidence intervals, and likelihood ratio tests. Further topics may include sufficiency, Fisher information, comparison of frequentist, likelihood and Bayesian approaches to inference. <i>Note: Students may not take both MATH 3307 and MATH 4407 for credit.</i></p>	<p>MATH 3407  <b>Theory of Probability I</b> 0.5 unit  <i>Prerequisites: MATH 2211 and either MATH 2206 or permission of the instructor</i>  A rigorous study of probability theory, developed from the axioms of probability using calculus, set theory and combinatorics. Topics include univariate and multivariate distributions, joint distributions of discrete and continuous random variables, conditional and marginal distributions, Jacobians, and distributions of functions of random variables.</p>
<p>MATH 3311  <b>Analysis I</b> 0.5 unit  <i>Prerequisites: MATH 2211, 2222, and 2225 (MATH 2211 may be taken concurrently)</i>  An introduction to analysis. Topics may include sets, functions, the real numbers, limits, sequences and series, continuity, derivatives and mean value theorems. This course stresses mathematical proofs.</p>	<p>MATH 3408  <b>Theory of Probability II</b> 0.5 unit  <i>Prerequisite: MATH 3407</i>  A continuation of MATH 3407. Topics include: Jacobians, transformations of several random variables, indicator variables with applications, limit theorems with applications, Poisson processes and Markov chains.</p>
<p>MATH 3312  <b>Analysis II</b> 0.5 unit  <i>Prerequisite: MATH 3311</i>  A continuation of MATH 3311. Topics may include uniform continuity, fixed point theorems, sequences of functions, approximation theorems, the Riemann integral, and an introduction to metric spaces and topology.</p>	<p>MATH 3500/PHYS 3500  <b>Topics in Mathematics and Physics</b> 0.5 unit  <i>Prerequisites: permission of the Department</i>  A study of one particular area of theoretical physics that applies the principles of calculus and other areas of mathematics. Examples of areas that could be studied are relativity, dynamics and fluid mechanics.</p>
<p>MATH 3314  <b>Introduction to Differential Equations</b> 0.5 unit  <i>Prerequisites: MATH 2212 and 2222</i>  A study of differential equations arising in many areas of science. Topics may include first and second order linear equations, classical partial differential equations, series solutions, systems of linear equations, Sturm-Liouville theory, Fourier series and the Poincaré-Bendixson Theorem.</p>	<p>MATH 4333  <b>Graph Theory</b> 0.5 unit  <i>Prerequisites: MATH 3311 or 3325, and either CMPS/INTE 1153 or CMPS 1155, or permission of the instructor</i>  An introduction to graph theory. Topics will include graphs, digraphs, and trees, connectivity, graph colouring, spanning tree and shortest path algorithms, and related additional topics. Students will also be expected to complete independent work involving the graph theory literature. This course is intended for honours students or potential honours students; other students may prefer MATH 3333. <i>Note: Students who have received credit for MATH 3333 may not take this course for credit.</i></p>
<p>MATH 3325  <b>Abstract Algebra I</b> 0.5 unit  <i>Prerequisites: MATH 2222 and 2225</i>  An introduction to the theory of groups, rings, and fields. Topics include: groups, subgroups, Lagrange's theorem, isomorphism, Cayley's theorem, rings, ideals, ring homomorphism theorems, finite fields, irreducible polynomials over a field, and the division algorithm theorem.</p>	<p>MATH 4407  <b>Concepts in Mathematical Statistics</b> 0.5 unit  <i>Prerequisites: MATH 2209, 3407 and permission of the department</i>  The theory of statistical inference based on the likelihood function. Topics will include likelihood function for single and multiple parameter families, likelihood intervals and their relationship to confidence intervals, likelihood ratio tests, sufficiency, Fisher information, and a comparison of frequentist, likelihood and Bayesian approaches to inference. Students will be introduced to the concept of uniformly most powerful tests and the Neyman-Pearson Lemma. <i>Note: Students may not take both MATH 3307 and MATH 4407 for credit.</i></p>
<p>MATH 3326  <b>Abstract Algebra II</b> 0.5 unit  <i>Prerequisite: MATH 3325</i>  One or two advanced topics in algebra will be treated in depth.</p>	

MATH 4411

**Complex Analysis I**

0.5 unit

*Prerequisites: MATH 2225, and either MATH 2212 or 3311 and permission of the department*

An introduction to complex analysis. Topics may include: complex numbers and functions, differentiation and integration in the complex plane, Taylor and Laurent series, residues, Cauchy's theorem, maximum modulus principle, harmonic functions, entire and meromorphic functions.

MATH 4412

**Complex Analysis II**

0.5 unit

*Prerequisite: MATH 4411*

A continuation of MATH 4411. Topics may include further study of analytic functions, conformal mapping theory, Moebius maps, the Schwarz-Christoffel transformation, canonical products, and the prime number theorem.

MATH 4414

**Special Topics in Mathematics**

0.5 unit

*Prerequisites: will vary depending on the topic, but will include at least one 3000 level MATH course and permission of the instructor*

An opportunity for advanced students to examine a selected topic or topics in mathematics.

MATH 4447

**Directed Study**

0.5 unit

MATH 4448

**Directed Study**

0.5 unit

MATH 4449

**Directed Study**

1.0 unit

*Prerequisites: advanced standing and permission of the department*

Directed study of an advanced topic in mathematics.

Emphasis will be placed on the learning of new material through reading and discussion. Hours to be arranged

MATH 4498

**Honours Project in Statistics**

0.5 unit

*Prerequisites: Permission of the department. Normally students must have received a grade of at least B- in MATH 3304 or in MATH 3407 before starting an honours project*

A required course for mathematics honours students in the Statistics stream, to be taken in their final year. Each student will complete an honours project under the supervision of a faculty member, will submit a formal written report, and will give an oral presentation on the project.

MATH 4499

**Honours Project in Mathematics**

0.5 unit

*Prerequisite: permission of the department. Normally students must have received a grade of at least B- in MATH 3312 or MATH 3326 before starting an honours project*

A required course for mathematics honours students in the Mathematics stream, to be taken in their final year. Each student will complete an honours project under the supervision of a faculty member, will submit a formal written report, and will give an oral presentation on the project.

## Peace and Conflict Studies

### Coordinator

Please contact the office of Dean of Arts & Science at 902-457-6344

Peace and conflict studies is an interdisciplinary program that examines the roots of conflict and the foundations of peace. The program allows for an exploration of the inter-relatedness of such issues as poverty, violence, hunger, discrimination, war and justice, security, peace, freedom and the human community. It involves an examination of options and initiatives in peace-making and conflict resolution. Peace and conflict are studied in various contexts, ranging from the person, the family, school, workplace and the community, to nations and the global forum and from the perspective of various disciplines. Careers exist in education, workplaces, journalism, courts, government, foreign service, international development, non-governmental organizations and corporations that invest overseas.

### Minor

To minor in Peace and Conflict Studies students should consult with the Coordinator or any faculty member associated with the program.

To obtain a minor in Peace and Conflict Studies, students must fulfill the following requirements:

- ☐ PHIL 2202/FSGN 2202
- ☐ POLS 3324
- ☐ 2.0 units of Peace and Conflict Studies electives from the list below with no more than 1.0 unit in any single discipline

### Peace and Conflict Studies Emphasis Courses

Courses that have been approved as Peace and Conflict Studies electives are listed below. The course descriptions can be found under the departmental listings. Selected courses are available and delivered online.

#### *Applied Human Nutrition*

#### **Directed Study, Special Topic, Senior Seminar**

There are in addition a number of directed study courses, special topics and senior seminars available for students pursuing peace and conflict studies. Students must consult with the Coordinator or their advisor to determine which special topic and senior courses are available in any given year. These specially tailored courses may include PHIL 3373, PHIL 3374, PSYC 3330, PSYC 3331, FSGN 4480, POLS 4006, POLS 4007/CANA 4007, WOMS 3301 and others.

## **Philosophy/Religious Studies**

#### **Chair**

Please contact the office of Dean of Arts & Science at  
902-457-6344

Philosophy/Religious Studies offers a concentration and minor in Philosophy; a concentration and minor in Religious Studies; and a minor in Philosophy and Religion.

## **Philosophy (PHIL)**

### **Concentration**

To obtain a concentration in Philosophy, students must fulfill the following requirements:

- ☐ PHIL 1010
- ☐ PHIL 2201 or 2220
- ☐ 3.0 units of PHIL, 1.0 unit of which must be at the 3000 level or above

### **Minor**

To obtain a minor in Philosophy, students must fulfill the following requirements:

- ☐ 3.0 units of PHIL, 2.0 units of which must be at the 2000 level or above

### **Courses**

*Note: PHIL 1010 is not a prerequisite for other courses in philosophy.*

PHIL 1010

#### **Introduction to Philosophy**

0.5 unit

A study of some basic issues designed to familiarize the student with patterns of thinking characteristic of philosophy. The course will touch on broad areas of human experience such as knowing, responsible action, and religious belief. Some historical milestones in philosophy will also be discussed.

PHIL 2201

#### **Knowledge, Truth, and Opinion**

0.5 unit

Is one opinion as good as another? What is it to know something? Might we know nothing at all? Is science the only avenue to truth? These and other questions of epistemology provide the content of the course which analyzes them in dialogue with philosophers past and present.

PHIL 2202/FSGN 2202

#### **The Roots of Peace and Conflict**

0.5 unit

Definitions of peace and conflict. Analysis of the patterns of peace and conflict in personal, family, school, cultural, national and global contexts. An interdisciplinary approach will stress the inter-relatedness of ecological, technological, military and developmental issues. Themes for study may include domestic violence, conflicts in the workplace, racial and gender discrimination, cross-cultural communication, world hunger and food security, poverty and international trade relations, appropriate technology and resource utilization, and sustainable development.

PHIL 2209  
**Introduction to Ethics** 0.5 unit  
 An introductory study of the ideas of morality and of moral values. The point of the course is to explore the possibility of creating a philosophical framework within which it would be reasonable to ground claims about right and wrong, good and bad. A central question will be whether it makes sense to speak of universal and objective moral values. The discussion will be illustrated in reference to several contemporary ethical issues.

PHIL 2210/POLS 2210  
**Theories of Human Nature** 0.5 unit  
 An examination of competing views of what being human fundamentally is, with consideration of their implications both for individuals and life in society. Discussion will include relevant ideas from Confucianism, Buddhism, and Christianity, from the writings of Plato, Marx, and Sartre, and also from scientific perspectives such as evolutionary psychology.

PHIL 2212  
**Freedom and Responsibility** 0.5 unit  
 A study of the notion of freedom, its relation to human action in general and moral responsibility in particular. Challenges, past and present, to the very idea of human freedom will form the context of discussion. Is morality possible without freedom?

PHIL 2213/POLS 2213  
**Classical Political Thought** 0.5 unit  
 An introduction to the important political ideas and issues addressed from Plato to modern Western European thought. The course explores the relationships between individual and community, the tensions between morality and politics, the justification of warfare, the nature of political justice and the ideal society, among other timeless themes.

PHIL 2214/POLS 2214  
**Social and Political Justice** 0.5 unit  
 An exploration of the major currents of political thought in the twentieth century. The course focuses on critical debates concerning distributive justice in such areas as social inequality, property rights, individual freedom and limits to state authority with particular attention to the important challenges to the prevailing liberal perspectives posed by communitarian, libertarian and feminist perspectives.

PHIL 2217/RELS 2217  
**Reason and Religious Belief** 0.5 unit  
 A study of topics in the philosophy of religion selected from the following: the nature of religion, the existence of God, theism and its alternatives, religion and science, miracles, belief in an afterlife, religious experience, faith and rationality.

PHIL 2219/RELS 2219  
**Does God Exist?** 0.5 unit  
 A close examination of arguments for and against the truth of the claim that God exists. Both classical and contemporary formulations of arguments will be discussed.

PHIL 2220  
**Reasoning and Argumentation** 0.5 unit  
 An examination of the principles of correct reasoning in areas of ordinary language, fallacies that can infect such reasoning and procedures for their detection. Consideration of extended arguments in issues of public concern, moral debate, and philosophy.

PHIL 2221  
**Introduction to Logic** 0.5 unit  
 An introduction to methods for determining the validity or invalidity of deductive argument forms. A symbolic apparatus suitable for elementary deduction will be developed and utilized. Although the focus of the course is not on ordinary language arguments, application to ordinary language contexts will be made throughout.

PHIL 2225/ENGL 2225/WRIT 2225  
**Tricksters, Liars, and Sophists: The History of Rhetoric** 0.5 unit  
*Prerequisite: 5.0 units of university study, including WRIT 1120*  
 A survey of the history of rhetoric in the western tradition through a study of theories and practices of rhetoric from ancient Greece to contemporary scholarship. The course will focus on changing conceptions of what rhetoric is and its value.

PHIL 2229/RELS 2229  
**Contemporary Moral Problems** 0.5 unit  
 An investigation of issues in applied ethics, such as war, reproductive choice, euthanasia, minority rights, animal rights, sexual practices, and religious tolerance.

PHIL 3300  
**Issues in Contemporary Epistemology** 0.5 unit  
*Prerequisite: 1.0 unit of PHIL or permission of the instructor*  
 We commonly evaluate beliefs as rational or irrational, justified or unjustified, warranted or unwarranted. But what do these terms mean, and when are they correctly applied? These and related questions are hotly debated by contemporary epistemologists. This course seeks to interpret and assess the main competing views.

PHIL 3301/RELS 3301  
**God and Evil: The Current Debate** 0.5 unit  
*Prerequisite: 1.0 unit of PHIL or permission of the instructor*  
 Does the existence of evil entail the nonexistence of God? Does it, at the very least, make the existence of God improbable? This course will seek to facilitate an understanding and assessment of the contributions of contemporary analytical philosophy to the resolution of these issues.

PHIL 3312/POLS 3312  
**Human Rights: Theory and Practice** 0.5 unit  
*Prerequisite: 1.0 unit of POLS or PHIL or permission of the instructor*  
 A critical examination of interpretations of the idea of human rights. Issues explored are the evolution from ideas of natural rights to the concept of human rights, as well as the character of political, social and cultural rights, and contemporary disputes about their status as universal moral norms which may govern relations among nations, and the debate about equal concern for recognizing individual responsibilities. (Also listed under Public Policy Studies)

PHIL 3314/POLS 3314

**Democracy and Deliberation** 0.5 unit

*Prerequisite: 0.5 unit in POLS or permission of the instructor*

A study of fundamental concepts in democratic theory such as rights, equality, liberty, citizenship, and deliberation from the classical era to the present. Special emphasis is placed on new initiatives to enhance the deliberative and participatory character of contemporary democracy.

PHIL 3350

**Philosophy and Women** 0.5 unit

*Prerequisite: 1.0 unit of PHIL or permission of the instructor*

An investigation and assessment of the place of women in philosophical tradition. (Also listed under Women's Studies)

PHIL 3351/RELS 3351

**The Nature of Faith** 0.5 unit

*Prerequisite: 1.0 unit of PHIL or permission of the instructor*

An analysis of the concept of religious faith, with special reference to the relation between faith and belief. What form(s) does faith take? Does religious practice entail faith? How is faith different from hope and love? Could someone who believes no religious claim be a person of religious faith?

PHIL 3373/EDUC 5423

**Introductory Philosophy of Education** 0.5 unit

This course examines the nature of philosophy of education and its relation to other areas of knowledge, analyzes such crucial concepts as teaching, learning, discipline, curriculum, human rights, responsibility, equality, freedom, and considers the implications of these concepts for classroom practice.

PHIL 3374/EDUC 5424

**Philosophical Foundations of Education** 0.5 unit

This course focuses on the following topics: educational aims and objectives; the student as a person; the teaching-learning process; liberal, vocational and technical education. Special consideration will be given to basic issues such as human rights.

PHIL 3380/RELS 3380

**Selected Topics in Philosophy/Religious Studies** 0.5 unit

PHIL 3381/RELS 3381

**Selected Topics in Philosophy/Religious Studies** 0.5 unit

*Prerequisite: permission of the instructor may be required for certain topics*

An opportunity to explore selected topics in philosophy and/or religious studies at an advanced level. Topics will vary from year to year.

PHIL 3400/POLS 3400/WOMS 3400

**Sex Work and Sex Trafficking** 0.5 unit

*Prerequisites: 1.0 unit of PHIL or POLS or WOMS or permission of the instructor*

An examination of the ways sex work and sex trafficking have been conflated and problematized. The course examines the arguments for and against prostitution and sex work, within the context of the globalized economy. Topics will include historical, philosophical, legal, policy and grassroots approaches to sex work and sex trafficking.

PHIL 4410

**Directed Study** 0.5 unit

PHIL 4411

**Directed Study** 0.5 unit

*Prerequisites: 0.5 unit of PHIL at the 2000 level or above and permission of the instructor*

An open course permitting students to pursue study in a specific area of philosophy. The student and professor will design the program of study together. The program will be implemented through tutorial meetings, assigned readings, and written submissions.

PHIL 4414/RELS 4414

**Major Thinkers** 0.5 unit

An examination of the life, thought and contribution of important thinkers in religious studies and/or philosophy.

## Religious Studies (RELS)

### Chair

Please contact the office of Dean of Arts & Science at  
902-457-6344

### Concentration

To obtain a concentration in Religious Studies, students must fulfill the following requirements:

- ❑ 1.0 unit of RELS at the 1000 level
- ❑ 2.0 units of RELS at the 2000 level or above
- ❑ 1.0 unit of RELS at the 3000 level or above

### Minor

To obtain a minor in Religious Studies, students must fulfill the following requirements:

- ❑ 3.0 units of RELS

### Courses

RELS 1020

#### **Eastern Religious Traditions** 0.5 unit

An introduction to the origins, development, beliefs, institutions, scriptures and practices of religious traditions originating and/or primarily practised in the East (such as Hinduism, Buddhism, Sikhism, Confucianism, Daoism, and Shinto). *Note: Students who have received credit for RELS 2220 may not take this course for credit.*

RELS 1030

#### **Western Religious Traditions** 0.5 unit

An introduction to the origins, development, beliefs, institutions, scriptures, and practices of religious traditions originating and/or primarily practised in the West (such as Zoroastrianism, Judaism, Christianity, Islam, Mormonism). *Note: Students who have received credit for RELS 2230 may not take this course for credit.*

RELS 2010

#### **Study of Religion** 0.5 unit

*Prerequisite: RELS 1020 or 1030 or permission of the instructor*

An introduction to the basic terms, concepts and multi-disciplinary approach of religious studies. Topics covered include myths, questions of meaning, the arts, scriptures, ethics, rituals, and constructions of the Ultimate. *Note: Students who have received credit for RELS 1010 may not take this course for credit.*

RELS 2201

#### **Evil** 0.5 unit

An exploration of sites, conceptions, and representations of evil, in eastern and western perspectives. Drawing examples from religion, myth, folklore, literature, film, visual culture, and popular culture, evil will be considered as a culturally embodied phenomenon, requiring engagement, analysis, and response.

RELS 2203

**Love** 0.5 unit  
An exploration of sites, concept, and representation of love. Drawing examples from religion, myth, folklore, literature, film, visual culture and popular culture, love will be considered as a culturally embodied phenomenon, the analysis of which can yield insight into humanity's deepest experience, both secular and religious.

RELS 2207

#### **Women in the Religions of the World** 0.5 unit

*Prerequisites: RELS 1010 or 2220, or 2230 or 0.5 unit of Women's Studies, or permission of the instructor*

An examination of the teachings about women found in the world's religions, and an exploration of their application and embodiment in diverse cultural situations. *(Also listed under Women's Studies)*

RELS 2208

#### **Women in Christian Tradition** 0.5 unit

An examination of developments in the image and position of women in Christian tradition, through an analysis of selected texts from biblical, patristic, medieval, reformation, post-reformation, and contemporary authors. *(Also listed under Women's Studies)*

RELS 2217/PHIL 2217

#### **Reason and Religious Belief** 0.5 unit

A study of topics in the philosophy of religion selected from the following: the nature of religion, the existence of God, theism and its alternatives, religion and science, miracles, belief in an afterlife, religious experience, faith and rationality.

RELS 2219/PHIL 2219

#### **Does God Exist?** 0.5 unit

A close examination of arguments for and against the truth of the claim that God exists. Both classical and contemporary formulations of arguments will be discussed.

RELS 2225

#### **Myths, Visions, Possessions** 0.5 unit

An exploration of indigenous religions, from Meso- and North America, Africa, the Caribbean, and/or Oceania, focusing on techniques designed to connect the human and divine worlds and the myths that authorize them, and the impact of the encounter with the Euro-American world, including Western appropriation and commercialization of "Native Spirituality."

RELS 2229/PHIL 2229

#### **Contemporary Moral Problems** 0.5 unit

An investigation of issues in applied ethics, such as war, reproductive choice, euthanasia, minority rights, animal rights, sexual practices, and religious tolerance.

RELS 2233/HIST 2233

#### **History of Christianity** 0.5 unit

A survey of the history of Christianity from the sectarian rivalry of the 1<sup>st</sup> century to the World Christianities of the 21<sup>st</sup> century, including the historical development of the Eastern Orthodox, Roman Catholic, and Protestant Churches, and their encounters with the modern world.

RELS 2237/HIST 2237

**American Religious History:**

**From Covenant to Cults** 0.5 unit

An exploration of the massive and complex role of religion in the history of the United States, using primary and secondary sources to trace recurring themes from the colonial period to the present. Themes to be discussed may include immigration, race, women, biblicism, experiential religion, and new religious movements.

RELS 3301/PHIL 3301

**God and Evil: The Current Debate** 0.5 unit

*Prerequisite: 1.0 unit of PHIL or permission of the instructor*  
Does the existence of evil entail the nonexistence of God? Does it, at the very least, make the existence of God improbable? This course will seek to facilitate an understanding and assessment of the contributions of contemporary analytical philosophy to the resolution of these issues.

RELS 3306

**Religion and Popular Culture** 0.5 unit

An exploration and analysis of religion and popular culture through film, video, music, literature, sport, politics, the marketplace, and the internet.

RELS 3307/FSGN 3307

**Perspectives on Death and Dying** 0.5 unit

A study of death and dying from both the academic and experiential viewpoints. Death and religious dimensions of human life are considered, along with pastoral concerns and care of the dying.

RELS 3308

**Women, Religion, and Social Change** 0.5 unit

An overview of women's attempts to challenge and change their religious and social environments over the last two centuries. Attention will be paid to constructions of gender and their import, religion as a cultural phenomenon which can both constrain and empower, and women as agents of social change. (*Also listed under Canadian Studies and Women's Studies*)

RELS 3311

**Religion, Gender and Sexualities** 0.5 unit

An examination of the meanings, contexts, and possibilities of human gender identities and sexualities within religious systems. Normative and transgressive identities, including issues of marriage, reproduction, and modes of sexual expression, will be considered within a global context.

RELS 3313/WOMS 3313

**Women, Culture and Food** 0.5 unit

An examination and exploration of the reproduction, production, consumption and representation of food as it relates to women in various cultural traditions. Issues include: food as sacred/profane, food rituals, food taboos, the material conditions of food production, globalization, women's particular responsibility for food cross-culturally and the symbolic significance of food and women's bodies.

RELS 3340/HIST 3340

**The Bible and Historical Thought** 0.5 unit

*Prerequisites: 1.0 unit of HIST or RELS at any level or permission of the instructor*

An examination of the Bible as an historical authority in relation to various scientific and humanistic disciplines. Topics to be discussed may include the age of the Earth, the history of life, biblical criticism, and the evolution/creationism controversy.

RELS 3351/PHIL 3351

**The Nature of Faith** 0.5 unit

*Prerequisite: 1.0 unit of PHIL or permission of the instructor*  
An analysis of the concept of religious faith, with special reference to the relation between faith and belief. What form(s) does faith take? Does religious practice entail faith? How is faith different from hope and love? Could someone who believes no religious claim be a person of religious faith?

RELS 3380/PHIL 3380

**Selected Topics in Philosophy/Religious Studies** 0.5 unit

RELS 3381/PHIL 3381

**Selected Topics in Philosophy/Religious Studies** 0.5 unit

*Prerequisite: permission of the instructor may be required for certain topics*

An opportunity to explore selected topics in philosophy and/or religious studies at an advanced level. Topics will vary from year to year.

RELS 4411

**Directed Study** 0.5 unit

RELS 4412

**Directed Study** 0.5 unit

RELS 4413

**Directed Study** 1.0 unit

*Prerequisites: 0.5 unit of Religious Studies at the 2000 level or above and permission of the course supervisor*  
An open course permitting students to pursue study in a specific area of religious studies. The student and professor will design the program of study together. The program will be implemented through tutorial meetings, assigned readings, and written submissions.

RELS 4414/PHIL 4414

**Major Thinkers** 0.5 unit

An examination of the life, thought and contribution of important thinkers in religious studies and/or philosophy.

## Philosophy and Religion

This program considers what can be learned from religious studies and philosophy about (a) human nature, (b) ethics and social morality, and (c) faith and reason. Issues falling under the first theme concern the limits and possibilities, diverse forms, and basic expressions, of being human. Under the second theme students will inquire into the standards that should guide our interaction with other humans in society and the means of resolving difficulties arising from such interaction. The issues represented by the third theme emerge when we think critically about religious claims and the attitudes taken up toward them in religion and elsewhere. How much must religion claim? Are its claims rationally justified? Is religion a credible option for humans living in contemporary society?

### Minor

To obtain a minor in Philosophy and Religion, students must fulfill the following requirements:

- ❑ 3.0 units of PHIL and/or RELS, 2.0 units of which must be at the 2000 level or above
- ❑ at least 0.5 unit must be from each of the program's three themes

*Note: Students are encouraged to take PHIL 1010 and RELS 2010*

## Physics (PHYS)

### Chair

Chérif Matta, BSc (Alexandria), PhD (McMaster), Professor

Physics is one of the oldest and most fundamental sciences. It attempts to explain how our universe works, from everyday observations such as how cars move on a highway or how rainbows form, to the structure of far distant galaxies and how our universe began. It is an exciting and constantly changing field as new discoveries are made and new theories created to try to better understand the things we see all around us.

Many students take a physics course to learn problem solving skills and concepts that can be applied to the other sciences. Many of the programs our students are interested in pursuing recommend or require a class in physics.

### Minor

To obtain a minor in Physics, students must fulfill the following requirements:

- ❑ PHYS 1101, 1102 and 2260
- ❑ 1.5 additional units of PHYS at the 2000 level or above

*Note: PHYS 1120 and 1130 may not be included*

### Courses

PHYS 1101

#### General Physics I

0.5 unit

*Prerequisites: MATH 1103 or Nova Scotia high school precalculus mathematics and placement into MATH 1113. MATH 1113 is recommended and may be taken concurrently.*

A study of the concepts of classical physics emphasizing Newtonian Mechanics, oscillations and waves. Solving mathematical problems is an essential part of the course in order to fully develop these physical principles.

Laboratory required (3 hours/week)

PHYS 1102

#### General Physics II

0.5 unit

*Prerequisites: PHYS 1101. Preferably students will be taking MATH 1114 concurrently.*

A study of electricity and magnetism and optics. Topics may include Coulomb's law, electric fields, Ohm's law, magnetic fields, interference, diffraction and some aspects of modern physics.

Laboratory required (3 hours/week)

PHYS 1120

#### Introduction to Astronomy I: The Sky and Planets

0.5 unit

An introduction to general astronomy for students who may have little background in science or mathematics. Topics may include: introduction to the night sky, historical development of astronomy, planetary motions, eclipses, telescopes and the study of the various objects that make up our solar system.

*Note: This course may not be included as part of a physics minor.*

PHYS 1130  
**Introduction to Astronomy II: Stars and Galaxies** 0.5 unit  
 An introduction to general astronomy for students who may have little background in science or mathematics. Topics may include: the Sun as a star, properties and evolution of stars, star clusters, nebulae, properties of our Galaxy and other galaxies, quasars and cosmology. *Note: This course may not be included as part of a physics minor.*

PHYS 2200  
**Electricity and Magnetism** 0.5 unit  
*Prerequisites: PHYS 1102 and MATH 1114*  
 A study of electric and magnetic fields, forces and potentials with reference to Gauss' law, Ampère's law, Faraday's law, conductors and insulators, resistance, inductance and capacitances in AC circuits. Electromagnetic induction and Maxwell's Equations will also be discussed.

PHYS 2210  
**Waves and Optics** 0.5 unit  
*Prerequisites: PHYS 1102 and MATH 1114*  
 An introduction to the concepts behind the production, propagation and manipulation of waves including light. Topics include: the simple harmonic oscillator, the wave equation, wave velocity and propagation, wave packets and the techniques of geometrical and physical optics. Interference, diffraction, polarization, and holography may also be included.

PHYS 2230  
**Modern Physics** 0.5 unit  
*Prerequisites: PHYS 1102 and MATH 1114*  
 An introduction to quantum theory, including its historical development (blackbody radiation, the photoelectric effect, and the Compton effect.) The concept of wave-particle duality is introduced, and the Schrödinger equation is applied to one-dimensional examples. Topics may also include nuclear physics, atomic structure and atomic spectra and the special theory of relativity.

PHYS 2250  
**Topics in Physics** 0.5 unit  
*Prerequisite: permission of the department*  
 An in-depth study of a particular topic in physics. Areas which might be included are nuclear physics, quantum mechanics, special relativity, general relativity, statistical physics, and various topics in astronomy and astrophysics.

PHYS 2260  
**Experimental Methods** 0.5 unit  
*Prerequisites: PHYS 1102, MATH 1114 and 0.5 unit of Physics at the 2000 level*  
 An introduction to experimental methods designed to give students laboratory experience in various topics of physics, which will include waves, optics and electromagnetism. Students will be responsible for assembling, performing and documenting the experiments. The class also introduces students to modern data acquisition methods skills, which will be applied in the execution of some experiments.  
 Format: Laboratory 6 hours

PHYS 2270  
**Foundations of Astrophysics** 0.5 unit  
*Prerequisites: PHYS 1102, MATH 1114*  
 A mathematics and physics based introduction to the study of astrophysics. Topics covered may include celestial motions and time keeping; orbital mechanics; the solar system and exoplanets; formation, properties and evolution of stars; black holes, Milky Way galaxy; other galaxies and cosmology.

PHYS 2301/CHEM 2301  
**Chemical Thermodynamics** 0.5 unit  
*Prerequisites: CHEM 1012 and MATH 1113. MATH 1113 may be taken concurrently, though preferably students will have completed MATH 1113 and 1114 prior to taking the course.*  
 An introduction to the laws and theories of physical chemistry. Topics include states of matter, properties of phases and solutions, the laws of thermodynamics and equilibrium. Laboratory required (3 hours/week)

PHYS 3310  
**Directed Study** 0.5 unit  
*Prerequisite: permission of the department*  
 A directed study of a particular topic in physics. Emphasis will be placed on the learning of new material through reading and discussion. Hours and outline to be arranged between the professor and student.

PHYS 3500/MATH 3500  
**Topics in Mathematics and Physics** 0.5 unit  
*Prerequisites: permission of the Mathematics and Computer Science Department*  
 A study of one particular area of theoretical physics that applies the principles of calculus and other areas of mathematics. Examples of areas that could be studied are relativity, dynamics and fluid mechanics.

# Political Studies (POLS)

## Chair

Tammy Findlay, BA (Western), MA, PhD (York), Associate Professor

Political Studies looks at socio-political change, power, conflict and governance at all levels of society, from the local to the global stage. Political ideas and values mould our society and shape the way we see and think. Political Studies helps you understand why governments make the decisions they do, teaches you to critically evaluate the decisions and allows you to be an informed active citizen. As a political studies student, you will educate yourself in how political systems work, look at the sources of local, national and international conflict and grapple with current issues in political life.

In our programs, we emphasize three important areas of the discipline of political science: Canadian politics (both national and regional), political thought (both classical and contemporary) and international affairs. We encourage our students to sample from all these areas, to help them understand the political significance of globalization.

*Note: Any student wishing to major or minor in political studies should consult with the department Chair.*

## Major (20.0 Units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ POLS 1001/CANA 1001
  - ❑ POLS 1002/CANA 1002
  - ❑ POLS 4401/CANA 4401
  - ❑ 1.0 unit in political theory selected from POLS 2210, 2213, 2214, 3312, 3314, 3320, or 4413
  - ❑ 1.0 unit in Canadian politics selected from POLS 2201, 2202, 2205, 2219, 2223, 2227, 2530, 3301, or 3306
  - ❑ a maximum of 2.0 units of directed study may be counted
  - ❑ 4.5 additional units of POLS, 3.0 units of which must be at the 3000 level or above
  - ❑ a minimum overall GPA of 2.0 in the required 8.0 units of POLS
- ❑ a minor consisting of 3.0 units as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ students may choose a second 3.0 unit minor in any area that offers a minor
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (*exclusive of the major*):

- ❑ Core A - *Sciences & Mathematics* (1.0 unit)
- ❑ Core B - *Social Sciences* (1.0 unit)
- ❑ Core C - *Humanities* (1.0 unit)

- ❑ at least 9.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

## Special Studies

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

## Major Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Arts General Studies degree may apply to do a major certificate. Students must fulfill the requirements for the major degree listed above.

## Combined Major (20.0 Units)

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. Students must declare a major or combined major before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units. In order to complete a combined major in Political Studies, the following requirements must be met:

- ❑ a minimum of 6.0 units and a maximum of 8.0 units in the Political Studies combined major as follows:
  - ❑ POLS 1001/CANA 1001
  - ❑ POLS 1002/CANA 1002
  - ❑ 1.0 unit in political theory selected from POLS 2210, 2213, 2214, 3312, 3314, 3320, or 4413
  - ❑ 1.0 unit in Canadian politics selected from POLS 2201, 2202, 2205, 2219, 2223, 2227, 2530, 3301, 3306, or 4401
  - ❑ 3.0 additional units of POLS (*Note: A maximum of 1.0 unit of POLS directed study may be counted*)
  - ❑ of the 6.0 units, at least 2.0 units of POLS must be at the 3000 level or above
- ❑ a second combined major specified by another program (*Biology, Canadian Studies, Chemistry, Cultural Studies, Economics, English, Family Studies, French, Gerontology, History, Mathematics, Psychology, Sociology/Anthropology, Women's Studies*)
- ❑ a minimum overall GPA of 2.0 in the required 6.0 units of each combined major
- ❑ at least 5.0 units of the 12.0 units overall required for the combined majors must be at the 3000 level or above
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (inclusive of the majors):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)

- ❑ at least 9.0 units of the total 20.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

Students wishing to combine an arts major and a science major (e.g. *Chemistry and English* or *Biology and Political Studies*)

- ❑ must meet all of the requirements listed above and
- ♦ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in science disciplines
- ♦ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

## Concentration

To obtain a concentration in Political Studies, students must fulfill the following requirements:

- ❑ POLS 1001/CANA 1001
- ❑ POLS 1002/CANA 1002
- ❑ 0.5 unit selected from POLS 2213, 2214, 3310, 3312, 3314, 3320
- ❑ 2.5 additional units of POLS, 1.0 unit of which must be at the 3000 level or above

## Minor

To obtain a minor in Political Studies, students must fulfill the following requirements:

- ❑ POLS 1001/CANA 1001
- ❑ POLS 1002/CANA 1002
- ❑ 2.0 additional units of POLS, 1.0 unit of which must be at the 3000 level or above

Students will find ample opportunity to supplement their program in political studies with courses in Canadian studies, economics, history, philosophy and sociology.

## Courses

### POLS 1001/CANA 1001

#### **Government, Law and Leaders**

0.5 unit

An introduction to the central concepts and ideas which shape our political world. It explores the design of political systems and the roles of institutions (executive, legislative, and judicial) that organize political life and the powers of Presidents and Prime Ministers. *Note: Students who have received credit for POLS 1100 may not take this course for credit. (Also listed under Public Policy Studies)*

### POLS 1002/CANA 1002

#### **State, Democracy and Change in the Global Era**

0.5 unit

An introduction to the state, democracy and change in a global era. The course explores the social and political influences on the governing process, including political parties, political culture and electoral systems. In addition, the phenomenon of globalization and its impact on the sovereignty of individual states are considered. *Note: Students who have received credit for POLS 1100 may not take this course for credit. (Also listed under Public Policy Studies)*

### POLS 1102/CANA 1102

#### **Citizenship, Identity and Diversity in Canada**

0.5 unit

An introduction to the diverse communities of Canada. This interdisciplinary course explores the themes of equality, ethnicity, nationality, gender, class, region, religion, sexual orientation, and ability. *Note: Students who have received credit for CANA 1100 may not take this course for credit.*

### POLS 2201/CANA 2201

#### **Law, Government and Politics in Canada**

0.5 unit

An introduction to the values, structures and processes which are the foundation of Canadian legal and governmental institutions. Topics may include the roles of the Prime Minister, the Cabinet and individual MPs, the constitutional division of powers and Quebec's demands for change, and the basic principles of our legal system. *(Also listed under Public Policy Studies)*

### POLS 2202/CANA 2202

#### **People, Power and Politics in Canada**

0.5 unit

An introduction to core liberal democratic values at the heart of Canadian society and the chief links between citizens and their governments. Such topics as Canadian political culture, political participation, the role of the mass media, political parties and interest groups in shaping decision-making are addressed, and alternatives for change are assessed. *(Also listed under Public Policy Studies)*

### POLS 2203

#### **Introduction to Public Policy and the Public Interest**

0.5 unit

An introduction to the theoretical, philosophical and ethical foundations of public policy formulation in modern societies. Students will consider issues relating to the nature of democracy, civil society and the public interest in examining the social logic of public policy formation.

POLS 2205

**Atlantic Canada: Society and Politics** 0.5 unit

An examination of contemporary issues in the Atlantic provinces, and the social and economic forces influencing their development. Topics may include regional political culture, strategies for economic development, the place of Atlantic Canada in the Canadian federation, Maritime Union and other contemporary issues. *(Also listed under Canadian Studies and Public Policy Studies)*

POLS 2210/PHIL 2210

**Theories of Human Nature** 0.5 unit

An examination of competing views of what being human fundamentally is, with consideration of their implications both for individuals and life in society. Discussion will include relevant ideas from Confucianism, Buddhism, and Christianity, from the writings of Plato, Marx, and Sartre, and also from scientific perspectives such as evolutionary psychology.

POLS 2213/PHIL 2213

**Classical Political Thought** 0.5 unit

An introduction to the important political ideas and issues addressed from Plato to modern Western European thought. The course explores the relationships between individual and community, the tensions between morality and politics, the justification of warfare, the nature of political justice and the ideal society, among other timeless themes.

POLS 2214/PHIL 2214

**Social and Political Justice** 0.5 unit

An exploration of the major currents of political thought in the twentieth century. The course focuses on critical debates concerning distributive justice in such areas as social inequality, property rights, individual freedom and limits to state authority with particular attention to the important challenges to the prevailing liberal perspectives posed by communitarian, libertarian and feminist perspectives.

POLS 2216/HIST 2216

**Allies and Anti-Americanism:**

**A History of Canadian-American Relations** 0.5 unit

A survey of Canadian-American relations from the American Revolution to the present day. Topics covered include the development of separate American and provincial societies, the evolution of a North American economy and culture, policy making and bilateral relations, and complementary and conflicting national interests in political, economic, and cultural issues.

POLS 2219/HIST 2219

**Canadian Foreign Policy** 0.5 unit

An examination of Canada's role in the global order and Canada's attempt to regulate that order. Topics will include the principal institutions and actors in the foreign-policy making process, international institutions and organizations through which Canada works, and critical assessment of the contemporary challenges facing Canada's traditional commitments, including trade and defence policy, peacekeeping and international development. *(Also listed under Canadian Studies and Public Policy Studies)*

POLS 2223/WOMS 2223

**Women and Politics** 0.5 unit

An examination of the role of women in politics, especially in Canada. Topics to be treated may include: the status of women in traditional political thought and the feminist response, the political involvement of women as citizens and legislators, and women's access to power in different societies. *(Also listed under Canadian Studies and Public Policy Studies)*

POLS 2224

**War, Peace and Technology** 0.5 unit

An analysis of the nature and roots of war preparations including American, Russian, and Middle East foreign policies and political cultures, plus the extent and consequences of arms production and sales. Topics include the peace movement and UN strategies and alternatives to war and regional arms buildup. *(Also listed under Public Policy Studies)*

POLS 2227

**Contemporary North American Politics** 0.5 unit

An examination and comparison of the social and political life of Canada, the United States and Mexico using various perspectives. National and regional political cultures and comparative federalism are major areas of attention and may be added to by environmental, energy, high technology, defence and foreign policies. *(Also listed under Canadian Studies and Public Policy Studies)*

POLS 2244

**Contemporary World Events and Issues** 0.5 unit

A consideration of current events and issues in world politics and the roles of governmental and non-governmental agencies, transnational corporations and interest groups. Such issues as international human rights, political inequalities, human and national security, and the challenges of globalization to state sovereignty are examined. *(Also listed under Public Policy Studies)*

POLS 2530/SOAN 2530

**Canadian Social Policy** 0.5 unit

*Prerequisites: 5.0 units of university credit including SOAN 1502 or 0.5 unit of POLS or permission of the instructor*  
An introduction to current debates and practices around social policy in Canada. The course critically analyses competing ideas about the role of government in meeting a range of social needs, and examines policy impacts in areas such as: social services, income security, child welfare, health care, post-secondary education, and housing. Note: Students who have received credit for SOAN 2218 may not take this course for credit.

# Psychology (PSYC)

## Chair

Derek Fisher, BSc (Ottawa), MSc (Carleton), PhD (Carleton),  
Associate Professor

Students intending to major in psychology must consult with the department Chair, so that a program can be planned in consultation with an advisor. A student may obtain a Bachelor of Arts or a Bachelor of Science degree with a major in psychology. A Bachelor of Arts degree in psychology requires a 3.0 unit arts or professional studies minor and a Bachelor of Science degree requires a 3.0 unit science minor. Majors, honours degrees, a concentration and minor in psychology are offered. Potential majors are strongly advised to take MATH 2208 and 2209 as part of their first 5.0 units of study (see MATH 2208 for prerequisites). Selected courses are available and delivered online.

## Major (20.0 Units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before they register for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

## Bachelor of Arts - Psychology

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ PSYC 1110 and 1120
  - ❑ PSYC 2221, 2222 and 3301
  - ❑ PSYC 3307 or 3360
  - ❑ PSYC 3330, 3331, 4405, 4406 or 4407
  - ❑ 1.0 unit selected from PSYC 2205, 2206, 2225, 3302, 3305, 3309, 3332, 3370, 4407, 4410 (Applied stream)
  - ❑ 1.0 unit selected from PSYC 2214, 2215, 2216, 2217, 2250, 2255, 2260, 3332, 4417, 4432 (Biological stream)
  - ❑ 1.0 unit selected from PSYC 2208, 2213, 2265, 2267, 2270, 3313, 3315, 3317, 3365 (Social/Personality stream)
- ❑ *Note: the requirement for the Developmental stream is met by PSYC 2221 and 2222. Other developmental stream courses include 2220, 3310, 3311, 3313, 3319, 4410*
- ❑ 1.5 additional units of PSYC
- ❑ a further 2.0 units of PSYC may be included
- ❑ 3.0 units of PSYC must be at the 3000 level or above:
- ❑ a minimum overall GPA of 2.0 in the required 8.0 units of PSYC
- ❑ MATH 2208 and 2209
- ❑ 1.0 unit of ENGL and/or WRIT

- ❑ a minor consisting of 3.0 units in an Arts or Professional Studies discipline as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ students may choose a second 3.0 unit minor in any area that offers a minor
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (*exclusive of the major*):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)  
(*Note: Core A is fulfilled by MATH 2208 and 2209*)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)  
(*Note: Core C is fulfilled by the 1.0 unit of ENGL and/or WRIT*)
- ❑ at least 9.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

## Bachelor of Science - Psychology

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ PSYC 1110 and 1120
  - ❑ PSYC 2221, 2222 and 3301
  - ❑ PSYC 3307 or 3360
  - ❑ PSYC 3330, 3331, 4405, 4406 or 4407
  - ❑ 1.0 unit selected from PSYC 2205, 2206, 2225, 3302, 3305, 3309, 3332, 3370, 4407, 4410 (Applied stream)
  - ❑ 1.0 unit selected from PSYC 2214, 2215, 2216, 2217, 2250, 2255, 2260, 3332, 4417, 4432 (Biological stream)
  - ❑ 1.0 unit selected from PSYC 2208, 2213, 2265, 2267, 2270, 3313, 3315, 3317, 3365 (Social/Personality stream)
- ❑ *Note: the requirement for the Developmental stream is met by PSYC 2221 and 2222. Other developmental stream courses include 2220, 3310, 3311, 3313, 3319, 4410*
- ❑ 1.5 additional units of PSYC
- ❑ a further 2.0 units of PSYC may be included
- ❑ 3.0 units of PSYC must be at the 3000 level or above
- ❑ a minimum overall GPA of 2.0 in the required 8.0 units of PSYC
- ❑ MATH 2208 and 2209
- ❑ 1.0 unit of ENGL and/or WRIT
- ❑ a minor consisting of 3.0 units in a science field (*Applied Statistics, Biology, Chemistry, Mathematics, Neuroscience, Physics, Statistics or designated Applied Human Nutrition courses*) as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ students may choose a second 3.0 unit minor in any area that offers a minor
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (*exclusive of the major*):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)  
(*Note: Core A is fulfilled by MATH 2208 and 2209*)
  - ❑ Core B - *Social Sciences* (1.0 unit)

- ❑ Core C - Humanities (1.0 unit)  
(Note: Core C is fulfilled by the 1.0 of ENGL and/or WRIT)
- ❑ at least 9.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

#### Special Studies

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

### Major Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Arts General Studies or Bachelor of Science General Studies degree may apply to do a major certificate. Students must fulfill the requirements for the major degree listed above.

### Combined Major (20.0 Units)

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. Students must declare a major or combined major before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information please refer to page 66.

Students must successfully complete 20.0 units. In order to complete a combined major in Psychology, the following requirements must be met:

- ❑ a minimum of 6.0 units and a maximum of 8.0 units in the Psychology combined major as follows:
  - ❑ PSYC 1110, 1120, and 3301
  - ❑ PSYC 3307 or 3360
  - ❑ 0.5 unit selected from PSYC 2205, 2206, 2225, 3302, 3305, 3309, 3332, 3370, 4407, 4410 (Applied stream)
  - ❑ 0.5 unit selected from PSYC 2214, 2215, 2216, 2217, 2250, 2255, 2260, 3332, 4417, 4432 (Biological stream)
  - ❑ 0.5 Unit selected from PSYC 2220, 2221, 2222, 3310, 3311, 3313, 3319, 4410 (Developmental stream)
  - ❑ 0.5 unit selected from PSYC 2208, 2213, 2265, 2267, 2270 3313, 3315, 3317, 3365 (Social/Personality stream)
  - ❑ 0.5 unit selected from PSYC 3330, 3331, 4405, 4406 or 4407
  - ❑ an additional 1.5 unit of PSYC at the 3000 level or above
- ❑ a second combined major specified by another program (Biology, Canadian Studies, Chemistry, Cultural Studies, Economics, English, Family Studies, French, Gerontology, History, Mathematics, Political Studies, Sociology/Anthropology, Women's Studies)
- ❑ a minimum overall GPA of 2.0 in the required 6.0 units of each combined major
- ❑ at least 5.0 units of the 12.0 units overall required for the combined majors must be at the 3000 level or above

- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (inclusive of the majors):
  - ❑ Core A - Sciences & Mathematics (1.0 unit)  
(*Note: Core A is fulfilled by MATH 2208 and 2209, which are prerequisites for PSYC 3301*)
  - ❑ Core B - Social Sciences (1.0 unit)
  - ❑ Core C - Humanities (1.0 unit)
- ❑ at least 9.0 units of the total 20.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

Students wishing to combine an arts major and a science major (e.g. Chemistry and English or Biology and Political Studies):

- ❑ must meet all of the requirements listed above and
  - ♦ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline
    - ❑ must complete a minimum 12.0 units of the total 20.0 units in science disciplines
  - ♦ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline
    - ❑ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

### Honours Degree

Students wishing to do an honours degree must make written application through the department Chair. Applicants must have completed at least 12.5 units of university credit, including PSYC 3301, have a GPA of at least 3.0 in Psychology courses, and the agreement of a faculty member to supervise the thesis. Admission to honours, however, is subject to department approval. The department Chair will notify the applicant of the department's decision. Applicants should review the requirements for PSYC 4499.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

### Bachelor of Arts (Honours) - Psychology

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 10.0 and a maximum of 12.0 units in the honours subject as follows;
  - ❑ PSYC 1110 and 1120
  - ❑ PSYC 2217, 2221, 2222, 3301, 3312, 3332, 3370, and 4499
  - ❑ PSYC 3307 or 3360
  - ❑ PSYC 4405 or 4406
  - ❑ 1.0 unit selected from PSYC 2205, 2206, 2225, 3302, 3305, 3309, 4407, 4410 (Applied stream)
  - ❑ 0.5 unit selected from PSYC 2214, 2215, 2216, 2250, 2255, 2260, 4417, 4432 (*Biological stream*)
  - ❑ 1.0 unit selected from PSYC 2208, 2213, 2265, 2267, 2270, 3313, 3315, 3317, 3365 (*Social/Personality stream*)
  - ❑ *Note: the requirement for the Developmental stream is met by PSYC 2221 and 2222. Other developmental*

stream courses include 2220, 3310, 3311, 3313, 3319, 4410

## Honours Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Arts or Bachelor of Science with a major in psychology may apply to the department Chair to do an honours certificate. Students must fulfill the requirements for the honours degree listed above and meet the University regulations regarding honours certificates.

## Concentration

To obtain a concentration in Psychology, students must fulfill the following requirements:

- ☐ PSYC 1110 and 1120
- ☐ 2.0 units of PSYC at the 2000 level or above
- ☐ 1.0 unit of PSYC at the 3000 level or above

## Minor in Psychology

To obtain a minor in Psychology, students must fulfill the following requirements:

- ☐ PSYC 1110 and 1120
- ☐ 2.0 additional units of PSYC at the 2000 level or above

## Minor in Neuroscience

To obtain a minor in Neuroscience, students must fulfill the following requirements:

- ☐ BIOL 1152 and PSYC 1110
- ☐ PSYC/BIOL 2260

□ and an additional 1.5 units from PSYC 2214, 2216, PSYC/BIOL 2217, including a minimum of 0.5 unit from BIOL 3260, 3322, PSYC/BIOL 3332, PSYC 4417 or PSYC 4432

**The Department of Psychology does not accept Challenge for Credit.**

## Courses

PSYC 1110

**Introduction to Psychology as a Natural Science** 0.5 unit

An introduction to psychology as a natural science. Areas surveyed will include, but will not be limited to, the biological bases of behaviour, sensation and perception, as well as a brief overview of the history and methodology of psychology.

PSYC 1120

**Introduction to Psychology as a Social Science** 0.5 unit

An introduction to psychology as a social science. Areas surveyed will include, but will not be limited to, social psychology, personality theory and psychological disorders and therapy.

PSYC 2205

**Abnormal Psychology** 0.5 unit

*Prerequisite: PSYC 1110 and 1120*

A survey of issues concerning the field of abnormal psychology. Major psychopathologies are examined and theories in the area are studied.

PSYC 2206

**Drugs and Behaviour** 0.5 unit

*Prerequisite: PSYC 1110*

An examination of the use and abuse of psychoactive drugs from a biopsychosocial perspective. The course content will cover both illicit (e.g. cocaine, marijuana) and non-illicit (e.g. alcohol, caffeine, nicotine) drugs, as well as core concepts of pharmacology and addiction, within a framework that incorporates basic principles and applied research.

PSYC 2208

**Social Psychology** 0.5 unit

*Prerequisite: PSYC 1110 and 1120*

A study of topics in social psychology such as person perception, prejudice, group processes, attitude formation and change, and conformity.

PSYC 2213

**Emotion and Motivation** 0.5 unit

*Prerequisite: PSYC 1120*

A scientific study of human emotion and motivation. Students will explore primary and complex emotions as well as sexual, intrinsic and extrinsic motivation, hunger and addiction through research projects and readings.

PSYC 2214

**The Neurobiology of Learning & Memory** 0.5 unit

*Prerequisite: PSYC 1110 and 1120*

A study of the principles and theory behind the neural basis of reinforcement, learning, and memory. These topics will be considered at different levels of biological organization, from molecular and cellular to behavioral. Further, human problems, such as addiction and the development of anxiety disorders, will be discussed.

PSYC 2215

**Cognitive Psychology** 0.5 unit

*Prerequisite: PSYC 1110 and 1120*

An examination of research and theory dealing with cognitive processes. Topics to be examined include attention, memory, mental representation, language and problem solving.

PSYC 2216

**Sensation and Perception** 0.5 unit

*Prerequisite: PSYC 1110 and an additional 4.5 units of university credit*

A survey of the psychological research designed to study the mental events involved in information extraction. Topics covered could include vision, audition, size and shape constancy, form and pattern perception, attention and illusions, and perceptual development.

PSYC 2217/BIOL 2217

**Brain and Behaviour** 0.5 unit

*Prerequisite: PSYC 1110 or BIOL 1153*

A study of the neural basis of human behaviour. Topics will include development of the nervous system, brain plasticity, and the biological basis of sensory and perceptual processes, consciousness and sleep, attention, learning, emotion, motivation, psychopharmacology, and disorders of the nervous system.

PSYC 2220/FSGN 2220

**Psychology of Adulthood and Aging** 0.5 unit

*Prerequisite: PSYC 1110 and 1120*

A critical examination of the findings and theories in the psychology of adulthood and aging. Topics to be covered will include identity and interpersonal behaviour, memory and intelligence, social-life changes and successful aging.

PSYC 2221

**Developmental Psychology I** 0.5 unit

*Prerequisite: PSYC 1110 and 1120*

An introductory course on human development from conception through adolescence. Theoretical perspectives and research are studied. Topics covered may include genetics, heredity, the pre and perinatal periods, physical growth, motor skills, learning and perception.

PSYC 2222

**Developmental Psychology II** 0.5 unit

*Prerequisite: PSYC 2221*

An introductory course on human development from conception through adolescence. Theoretical perspectives and research are studied. Topics covered may include emotion, social cognition, gender roles, moral development, familial and extra-familial influences.

PSYC 2225

**Introduction to Clinical Psychology** 0.5 unit

*Prerequisite: PSYC 2205*

A survey of issues within the field of clinical psychology. Clinical assessment and intervention approaches are examined, including their theoretical underpinnings.

PSYC 2250/BIOL 2250

**Animal Behaviour** 0.5 unit

*Prerequisite: PSYC 1110 and 1120 or BIOL 1153*

An introduction to the biological bases of behaviour in animals, covering genetic, developmental, neural, ecological and social aspects.

PSYC 2255  
**Evolutionary Psychology** 0.5 unit  
*Prerequisite: PSYC 1110 and 1120*  
 An introduction to the theory and findings concerning the biological bases of human behaviour. Topics studied will include basic survival mechanisms, mating strategies, parenting, kinship relationships, cooperation, and aggression.

PSYC 2260/BIOL 2260  
**Fundamentals of Neuroscience** 0.5 unit  
*Prerequisites: BIOL 1152 or PSYC 1110*  
 A course about the physiological and biophysical mechanism that enable the nervous system to receive, process and transmit information on the molecular, membrane, cellular and system levels.

PSYC 2265/WOMS 2265  
**Psychology of Gender** 0.5 unit  
*Prerequisite: PSYC 1110 and 1120, or WOMS 1110*  
 Explore understandings of sex, gender and related identities embedded within interpersonal, familial and cultural contexts. Empirical and conceptual research is critically reviewed through feminist and social constructionist frameworks on topics such as “doing” gender, gender socialization, transgender, discrimination/leadership, and media portrayals.

PSYC 2267  
**Human Sexuality** 0.5 unit  
*Prerequisite: PSYC 1110 and 1120*  
 The study of human sexuality from its historical, psychobiological, and developmental perspectives. Topics will include: the psychobiology of the human sexual response, relationships and behaviour, development of human sexuality, social construction of sexuality, and contemporary social and health issues.

PSYC 2270  
**Positive Psychology** 0.5 unit  
*Prerequisite: PSYC 1120*  
 Reviews psychological research on enhancing personal well-being and a sense of meaningfulness. The field emerged in response to the discipline’s focus on psychopathology. Drawing on theoretical perspectives of Maslow, Seligman and Csikszentmihalyi, topics addressed may include satisfaction, self-actualization, meaningfulness; contexts that enhance happiness; cultural and geographic differences in “the good life”.

PSYC 3301  
**Research Methods in Psychology** 0.5 unit  
*Prerequisites: PSYC 1110 and 1120, MATH 2208 and 2209*  
 An introduction to research design and methodology in the study of behaviour. Emphasis is upon formulation of research questions, data analysis, evaluation of results, and reporting of scientific information. *Note: Students who have received credit for PSYC 2209 may not take this course for credit.* Laboratory required (3 hours/week)

PSYC 3302  
**Behaviour Modification** 0.5 unit  
*Prerequisite: PSYC 1110 and 1120, and 3.0 units of University credit at the 2000 level or above.*  
 The study of the application of learning principles to address behavioural issues in a variety of settings. Examples are taken from clinical, institutional, home and community environments.

PSYC 3305  
**Forensic Psychology** 0.5 unit  
*Prerequisite: PSYC 2205*  
 An introduction to the applications of psychology to the criminal justice system (e.g., courts, corrections, policing). Emphasis will be placed on psychological aspects of criminal behaviour and criminal investigation.

PSYC 3307  
**Roots of Modern Psychology** 0.5 unit  
*Prerequisites: PSYC 1110 and 1120, and a 2000 level PSYC course*  
 A lecture/seminar course dealing with the development of the science of psychology. Particular emphasis will be given to the development of modern scientific reasoning and its relationship to such twentieth-century systems of psychology as structuralism, functionalism, psychoanalysis, behaviourism, and Gestalt psychology.

PSYC 3309  
**Community Psychology** 0.5 unit  
*Prerequisite: PSYC 2205 or 2208*  
 An introduction to the methods of research and current findings in the area of community psychology. Problems of mental health, aging, environmental protection, delinquency and unemployment may be among the areas studied.

PSYC 3310  
**Cognitive Development** 0.5 unit  
*Prerequisites: PSYC 2222*  
 A critical examination of some of the basic concepts, theories, and empirical findings in cognitive development. Content includes the important work of the past and contemporary work in cognitive development.

PSYC 3311  
**Language Development** 0.5 unit  
*Prerequisites: PSYC 2222 and either PSYC 3301 or CHYS 3311*  
 A survey of normal language development in children. Phonological, pragmatic, semantic, and syntactic aspects of the language learning process are examined, with an emphasis on theoretical explanations of their development. More briefly, language disorders may be discussed.

PSYC 3312  
**Advanced Research Methods in Psychology** 0.5 unit  
*Prerequisites: PSYC 3301, 3370, and an additional 1.5 units of PSYC at the 2000 level or above*  
 An introduction to advanced research methods. Topics will include experimental design, statistical analysis, and reporting of results. At the end, the student is expected to have designed an independent experiment, submitted a written proposal, and presented the project at a departmental student conference. Laboratory required (3 hours/week)

PSYC 3313  
**Social and Emotional Development** 0.5 unit  
*Prerequisite: PSYC 2222*  
 A study of normative social and emotional development is studied, primarily in infancy, childhood and adolescence. Topics which may be covered include the development of attachment, self-concept, gender roles, aggression and altruism. Also considered is the role of the family, peers, media, and/or schools as contexts for shaping development.

PSYC 3315  
**Personality** 0.5 unit  
*Prerequisite: 0.5 unit of PSYC at the 2000 level or above*  
 Individual style is largely defined by our personality or characteristic patterns of thought, emotion, and behaviour. Accordingly, students will be taught how to interpret and synthesize research relating to human biology, development, learning, thinking, emotion, motivation, and social interaction thereby providing a complete picture of the individual.

PSYC 3317  
**Moral Psychology** 0.5 unit  
*Prerequisite: PSYC 1110 and 1120, and 3.0 units of university credit at the 2000 level or above*  
 An examination of contemporary theoretical perspectives on moral reasoning, emotions, and behaviour. Questions raised by current research discussed, including: How does moral thinking develop, and how does it relate to behaviour? Is there an evolutionary basis to moral thinking? Should our moral beliefs be influenced by findings from psychological research?

PSYC 3319  
**Adolescent Development** 0.5 unit  
*Prerequisite: PSYC 2222*  
 A study of the physical, cognitive and social development of adolescents in the context of family and peer relationships. Possible topics addressed include pubertal timing, gender roles, sexuality, vocational development and participation in risk-taking behaviours (e.g. substance abuse, early parenthood).

PSYC 3330  
**Selected Topics in Psychology** 0.5 unit  
 PSYC 3331  
**Selected Topics in Psychology** 0.5 unit  
*Prerequisite: PSYC 3301 and 2.0 additional units in psychology beyond the 1000 level*  
 An opportunity to explore selected topics in psychology at an advanced level. Topics will vary from year to year.

PSYC 3332/BIOL 3332  
**Human Neuropsychology** 0.5 unit  
*Prerequisite: PSYC/BIOL 2217 or PSYC/BIOL 2260*  
 A study of the neural bases of mental function. The neural mechanisms of complex cognitive processes such as object recognition, spatial processing, attention, language, memory, executive functions and emotion will be reviewed from the human clinical perspective.

PSYC 3360  
**Science and Knowing** 0.5 unit  
*Prerequisites: PSYC 1110 and 1120, and PSYC 3301 or another research methods course*  
 An interdisciplinary survey of different viewpoints on science and research, including postpositivism, postmodernism, social constructionism, phenomenology, and chaos theory. Links will also be made between method and methodology.

PSYC 3365/WOMS 3365  
**Psychology of Women** 0.5 unit  
*Prerequisites: PSYC 2265 or 0.5 unit of a Women's Studies course at the 2000 level or above*  
 A study of the psychosocial issues that pertain specifically to women. The course will utilize a feminist empiricist perspective to critically review a variety of topics, including: feminist epistemological positions, gender construction across the lifespan, women and work, motherhood, health, intimate relationships.

PSYC 3370  
**Psychological Tests and Measures** 0.5 unit  
*Prerequisite: MATH 2209 and an additional 1.5 units of PSYC at the 2000 level or above*  
 An introduction to psychological measurement and psychometrics. Topics include scale development, standardized scores, reliability, validity, and the value and limitations of psychological testing. A variety of intelligence, achievement, aptitude, and personality tests and the various strategies used to measure these constructs will be studied.

PSYC 4402  
**Directed Research** 1.0 unit  
*Prerequisites: PSYC 3301, an additional unit of PSYC at the 3000 level, and written permission of a faculty supervisor*  
 A course consisting of an extended research project in a specified area of psychology. This will take the form of a laboratory apprenticeship, consisting of laboratory or field research under the supervision of a faculty member. Requirements include a proposal, data analysis, write up, and presentation at the departmental conference. *Note: Students may not take PSYC 4402 and either PSYC 4403 or PSYC 4404 with the same faculty member.*

PSYC 4403  
**Directed Study** 0.5 unit  
 PSYC 4404  
**Directed Study** 0.5 unit  
*Prerequisites: PSYC 3301 and written permission of faculty supervisor*  
 When more than 0.5 unit of directed study is taken, each 0.5 unit must be supervised by a different faculty member. A course permitting students with advanced standing to pursue study in a specified area of psychology. This study may take the form of a laboratory apprenticeship, which consists of laboratory or field research under the direct supervision of a faculty member, or directed readings in a chosen area of psychology.

PSYC 4405  
**Senior Seminar** 0.5 unit  
 PSYC 4406  
**Senior Seminar** 0.5 unit  
*Prerequisites: Enrollment in the PSYC honours program, or 1.5 units of PSYC at the 3000 level or above, a minimum GPA of 3.0 in PSYC courses and permission of the course instructor*  
 A seminar devoted to current problems in psychology in order to assist students who are majoring in psychology to integrate their knowledge of the discipline. Extensive reading, reports, and projects will be presented by each student. Topics will be available at registration.

PSYC 4407

**Issues in Clinical Psychology**

0.5 unit

*Prerequisites: PSYC 2225 and 1.5 units of PSYC at the 3000 level or above*

A comprehensive overview of the field of clinical psychology focusing on theory, research, and practice from the scientist-practitioner framework. Major theoretical models of psychological disorders are described along with their practical applications for assessment, treatment and management.

PSYC 4410

**Childhood Psychopathology**

0.5 unit

*Prerequisites: PSYC 2222 and a 0.5 unit of PSYC at the 3000 level*

The etiology, manifestations and management of childhood disorders (e.g. autism, learning disabilities, conduct disorders) will be considered from various developmental theoretical perspectives. Emphasis will be placed on an understanding of the research contributions critical to each area.

PSYC 4417

**Developmental Neuroscience**

0.5 unit

*Prerequisite: PSYC/BIOL 2217 or PSYC/BIOL 2260 and 0.5 additional unit of PSYC or BIOL at the 3000 level or above*

An exploration of the field of developmental neuroscience including core theoretical and methodological foundations of the discipline. The course focuses on the influences of brain maturation and the environment on psychological development and behaviour post-natally, including a discussion of the neurodevelopmental correlates of developmental and psychiatric disorders.

PSYC 4432

**Advanced Seminar in Biological Psychology**

0.5 unit

*Prerequisite: PSYC/BIOL 2217 or PSYC/BIOL 2260*

An examination of current topics in biological psychology. Course content will change from year to year to incorporate recent research findings; however, human and animal research conducted across a range of methodologies (e.g. neuroimaging, immunocytochemistry, behavioural neuroscience) will be examined within a framework that incorporates basic principles and applied research.

PSYC 4499

**Honours Thesis and Seminar**

1.0 unit

*Prerequisites: 15.0 units of university credit, including PSYC 3312, and admission to the honours program*

Students will complete a research thesis under the supervision of a faculty advisor. The associated seminar is devoted to presentations and discussions of students' thesis research and current faculty research interests.

## Public Policy Studies

**Coordinator**

James Sawler, BComm, MA, PhD (Dalhousie), Associate Professor

This Bachelor of Arts program is primarily intended to prepare students as administrators with governments and non-governmental organizations in Canada. It orients students toward the public policy profession by combining core coursework in political studies and economics, with electives in a diverse array of disciplines. Political Studies courses provide knowledge about the unique environment within which government personnel work, both within Canada itself, and outside in terms of the changing international context. Economics courses provide background in the fundamentals of economic processes and the constraints within which policy decision-making operates. The liberal arts electives encourage students to experiment with the public policy knowledge they acquire from a variety of academic fields and perspectives. Internship placements with government and/or not for profit organizations provides the student with the practical experience necessary to perform well in future occupational settings. The specific goals of the program are as follows:

1. To provide sufficient coursework to ensure that students develop capacities in such skill areas as critical thinking, policy analysis, and communication.
2. To allow students an opportunity to pursue related courses in other programs and to develop areas of substantive expertise.
3. To help prepare students for potential careers in public service and to be effective participants in democratic society.

## Major (21.0 Units)

**Program Requirements**

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

Students must successfully complete 21.0 units with the following requirements:

- ❑ 1.0 unit internship (POLS 3399)
- ❑ obtain a GPA of 2.0 in the courses required for the specialization
- ❑ at least 9.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives*

**Required Courses (3.5 units)**

#### Primary and Secondary Specializations

There are two fields of specializations in the program. Students must choose one of those fields as their primary specialization, and complete 5.0 units from their primary area of specialization. In addition, students must complete at least 2.0 units from the other area of specialization. Each of the two fields has designated required courses and lists of electives from which students may choose to complete their program.

#### Minor

To obtain a minor in Public Policy Studies, students must fulfill the following requirements:

- ☐ ECON 1101 and 1102
- ☐ POLS 2203 and 3304
- ☐ 1.0 unit selected from one of the areas of specialization

#### Courses

#### POLS 3399 Internship 1.0 unit

A distinctive feature of the program is its internship requirement. After completing 10.0 units within the program, students must complete an internship of 4 months full-time (or the equivalent) with government agencies or non-government organizations (NGO's). The work term allows students to get practical, hands on experience in the field while they are still in university. This provides students with an opportunity to develop a basic understanding of one or more public policy areas, to apply that understanding in a job during the work terms and to return to the classroom to build on that fresh knowledge and experience. Such educational experiences enhance the student's academic performance and help ease the student's transition to the workplace upon graduation.

The student will be required to set learning objectives, submit a work term report and participate in a return-to-campus/debriefing session. Evaluation for the successful completion of the internship is based on learning objectives, an employer evaluation and a satisfactory work term report.

## Public Relations (PBRL)

Public Relations program and course information is now listed under Communication Studies on page 110.

## Sociology/Anthropology (SOAN)

### Chair

*(July 1, 2021 to December 31, 2021)*

KelleyAnne Malinen, BA (Laval), MA (Dalhousie),  
PhD (Dalhousie), Associate Professor

*(January 1, 2022 to June 30, 2022)*

Alex Khasnabish, BA Honours (McMaster), MA (McMaster),  
PhD (McMaster), Professor

The Sociology/Anthropology Department offers a joint undergraduate program in Sociology and Anthropology. The department's goals are as follows:

- to engage our students through a critical, social justice orientation to social processes, policies and structures, with a special emphasis on women
- to challenge our students in the process of making sense of the world, to understand the effects of social problems and to encourage them to make a difference by integrating theory and practice
- to provide our majors and honours students with qualitative and quantitative research skills that will be valuable in a variety of academic and non-academic contexts upon graduation
- to provide high quality courses to programs in allied disciplines and interdisciplinary programs at the Mount

These goals can be summarized in the slogan of our department: JUSTICE, EQUALITY, COMMUNITY AND CHANGE. Right from our first year introductory course, students will be exposed to both qualitative and quantitative methods and encouraged to apply them to issues that are meaningful in their lives. Majors and honours students will be given practical instruction on a variety of social research methodologies, data analysis techniques including the use of disciplinary standard software packages, and the production and dissemination of research results. SOAN majors also take courses in sociological and anthropological theory, giving them a chance to explore core ideas of the disciplines. While our program seeks to provide students with a solid grounding and broad exposure to these disciplines' theories and practice, our approach is to downplay the artificial boundaries that separate Sociology and Anthropology. These boundaries are particularly unimportant in a world where the major issues are all at least partly global in nature. Beyond the core courses, majors have significant freedom to concentrate on various substantive areas through the selection of appropriate electives. Throughout these courses, our goal is to engage students in social issues, to provide tools so they can do their own analyses, and to empower them.

The Sociology/Anthropology Department also plays a significant role in providing required and/or elective courses to students in other academic programs at the University, including Child and Youth Study, Cultural Studies, Education, Family Studies and Gerontology, Peace and Conflict Studies, Political and Canadian Studies, Public Policy Studies, Public Relations and Women's Studies.

The Sociology/Anthropology curriculum is designed to provide students with analytical, writing, research and presentation skills and to prepare majors for a variety of careers in social service, social policy and social research professions, and for graduate studies and other professional programs. Our program prepares students to be informed,

active, and responsible participants in the increasingly complex social life of the modern world.

## Major (20.0 units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before they register for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ SOAN 1502
  - ❑ SOAN 2500, 3501, 3511, and 3512
  - ❑ a minimum of 5.5 and a maximum of 7.5 additional units of SOAN, 2.0 units of which must be at the 3000 level or above
  - ❑ a minimum overall GPA of 2.0 in the required 8.0 units of SOAN
- ❑ a minor consisting of 3.0 units as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ students may choose a second 3.0 unit minor in any area that offers a minor
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (*exclusive of the major*):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)  
(*Note: MATH 2208 and 2209 are strongly recommended*)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

### Special Studies

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

## Major Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Arts General Studies degree may apply to do a major certificate. Students must fulfill the requirements for the major degree listed above.

## Combined Major (20.0 Units)

The combined major degree is intended for those students who wish to gain in-depth knowledge of two disciplines. Students must declare a major or combined major before registering for their sixth unit of coursework. Students who do

not make this declaration within this time frame will not be permitted to register for further coursework.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units. In order to complete a combined major in Sociology/Anthropology, the following requirements must be met:

- ❑ a minimum of 6.0 units and a maximum of 8.0 units in the Sociology/Anthropology combined major as follows:
  - ❑ SOAN 1502
  - ❑ SOAN 2500, 3501, 3511, and 3512
  - ❑ 2.5 additional units of SOAN at the 2000 level or above
  - ❑ an additional 1.0 unit of SOAN at the 3000 level or above

- ❑ a minimum overall GPA of 2.0 in the required 6.0 units of each combined major
- ❑ at least 5.0 units of the 12.0 units overall required for the combined majors must be at the 3000 level or above
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (inclusive of the majors):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)  
(*Note: MATH 2208 and 2209 are strongly recommended*)
  - ❑ Core B - *Social Sciences* (1.0 unit)
  - ❑ Core C - *Humanities* (1.0 unit)
- ❑ at least 9.0 units of the total 20.0 units must be at the 2000 level or above
- ❑ *Note: No more than 4.0 units from professional areas may be counted toward the degree. Courses included in the Applied Human Nutrition science minor as designated on page 71 will not be counted as professional electives.*

Students wishing to combine an arts major and a science major (e.g. *Chemistry and English* or *Biology and Political Studies*):

- ❑ must meet all of the requirements listed above
- and
- ♦ to complete a BSc (Combined Major) primary science discipline plus secondary arts discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in science disciplines
- ♦ to complete a BA (Combined Major) primary arts discipline plus secondary science discipline
  - ❑ must complete a minimum 12.0 units of the total 20.0 units in arts disciplines

## Courses

### SOAN 1502

#### **Questioning Society**

0.5 unit

An introduction to the study of social and cultural life including basic concepts and terminology of sociology and anthropology. Students will be introduced to core theoretical and methodological tools used by social researchers. Topics may include human diversity, identity, group behaviour, social roles and processes, social inequality and social justice. *Note: Students who have received credit for SOAN 1101, 1102 or 1103 may not take this course for credit.*

### SOAN 2500

#### **Introduction to Social Theory**

0.5 unit

*Prerequisite: SOAN 1502*

An introduction to the key figures and major ideas in the allied disciplines of sociology and anthropology. Students will examine the historical development of theorizing in these disciplines and survey themes from their beginnings to the present. *Note: Students who have received credit for SOAN 2400 may not take this course for credit.*

### SOAN 2520

#### **Family, Marriage and Kinship**

0.5 unit

*Prerequisites: SOAN 1502 or permission of the instructor*

An examination of the major elements in the complex relationship between families, kinship and society. This course rejects a universal model of the family, instead treating families as diverse social entities that are supported and shaped by economic factors, gender ideologies, racial inequality, sexual practices and communities, and socio-political changes. *Note: Students who have received credit for SOAN 2221 or 2222 may not take this course for credit.*

### SOAN 2530/POLS 2530

#### **Canadian Social Policy**

0.5 unit

*Prerequisites: 5.0 units of university credit including SOAN 1502 or 0.5 unit of POLS, or permission of the instructor*

An introduction to current debates and practices around social policy in Canada. The course critically analyses competing ideas about the role of government in meeting a range of social needs, and examines policy impacts in areas such as: social services, income security, child welfare, health care, post-secondary education, and housing. *Note: Students who have received credit for SOAN 2218 may not take this course for credit.*

### SOAN 2531

#### **Making a Living**

0.5 unit

*Prerequisites: SOAN 1502 or permission of the instructor*

An exploration of the organization and experience of paid and unpaid work, its place in social life, and its impacts on the wellbeing of individuals, communities, and society. Topics may include: workplace transformation; meaning of work; professional, emotional and precarious labour; gendered work; employment and inequality; work and social justice. *Note: Students who have received credit for SOAN 2202 may not take this course for credit.*

### SOAN 2540

#### **Power, Inequality & Social Justice**

0.5 unit

*Prerequisites: SOAN 1502 or permission of the instructor*

A critical examination of the origins and expressions of inequalities in class, status, and power. Students will study

the consequences of these inequalities through a range of contemporary social issues, with particular attention to systemic and structural inequality. Possible paths toward greater social justice are also discussed. *Note: Students who have received credit for SOAN 3308 may not take this course for credit.*

SOAN 2550

**Diversity & Identity** 0.5 unit

*Prerequisites: SOAN 1502 or permission of the instructor*  
An examination of race, class, and gender as entities that intersect and interact with one another. Course focus is on the intersections, interconnections, tensions, and harmonies of race, class, gender and sexuality as systems of privilege and oppression. Students will explore how human beings can be simultaneously advantaged and disadvantaged.

SOAN 2560

**Becoming Social: Self and Society** 0.5 unit

*Prerequisites: SOAN 1502 or permission of the instructor*  
An analysis of the processes through which we learn culture throughout our lives, and prepare for normative and alternative expectations or choices. Topics may include comparative theoretical approaches; social differentiations (e.g. class, ethnicity); the influence of family, school, peers and the media; occupational socialization; parenthood and processes of resocialization. *Note: Students who have received credit for SOAN 3340 or 3341 may not take this course for credit.*

SOAN 2570/WOMS 2570

**Gender & Society** 0.5 unit

*Prerequisites: SOAN 1502 or permission of the instructor*  
An introduction to the feminist study of gender focusing on social changes in gender relations, gender inequalities and the social construction of gender. Different social institutions and spheres of society will be analyzed. Topics such as gender socialization, gender relations in work, family, politics, education and media will be covered. *Note: Students who have received credit for SOAN 2265 may not take this course for credit.*

SOAN 2580

**Deviance** 0.5 unit

*Prerequisites: SOAN 1502 or permission of the instructor*  
An examination of the ways in which deviance is defined; the process by which people become involved in deviant behaviour; and the consequences for persons who are defined as deviant. Social treatment of non-conforming and non-criminal behaviours and conditions such as mental illness and alcoholism will also be considered. *Note: Students who have received credit for SOAN 2300 or 3330 may not take this course for credit.*

SOAN 3371/WOMS 3371

**Women, Resistance and Empowerment** 0.5 unit

*Prerequisites: 5.0 units of university credit including SOAN 1502 or WOMS 1112 and 0.5 unit in another women's studies or departmental women-emphasis course at the 2000 level or above or permission of the instructor*  
The purpose of this course is to provide students with an opportunity to discuss and evaluate women's experiences of resistance and empowerment in their everyday lives. Particular emphasis will be placed on the interrelationships among work, family and community, and the extent to which they are sites of resistance and empowerment for women.

SOAN 3501

**Social Theory & Issues** 0.5 unit

*Prerequisite: SOAN 2500*  
A seminar course that examines some of the major contemporary theoretical debates, issues, and perspectives in sociology and anthropology. *Note: Students who have received credit for SOAN 4416 may not take this course for credit.*

SOAN 3511

**Qualitative Approaches** 0.5 unit

*Prerequisite: SOAN 1502 and 1.0 additional unit of SOAN or PSYC 3301*  
An introduction to the methods, techniques, and processes involved in conducting qualitative research. Topics include: research ethics; research design; data-gathering techniques such as interviewing, participant observation, and focus groups; and data analysis.

SOAN 3512

**Quantitative Approaches** 0.5 unit

*Prerequisite: SOAN 1502 and 1.0 additional unit of SOAN*  
An applied, project-based approach to quantitative social research methodologies. Topics include: survey design; sample selection; levels of measurement; and statistical data analysis including descriptive statistics, measures of association, and tests of statistical significance. Students will develop analytical skills through application of the Statistical Package for the Social Sciences (SPSS). *Note: Students who have received credit for SOAN 3314 may not take this course for credit.*

SOAN 3531/POLS 3531

**Civil Society, Engagement & Activism** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or 0.5 unit of POLS, or permission of the instructor*  
Critical explorations of the nature and sources of political power and influence, and the processes through which these are allocated, seized, legitimized, resisted, and exercised in civil society. Topics may include: relationships of civil society to the state, grass-roots and movement activism, interpersonal politics, democratic deficit, political socialization, political culture. *Note: Students who have received credit for SOAN 3307/POLS 3307 may not take this course for credit.*

SOAN 3532

**Conflict, Power & Violence** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*  
A critical and comparative examination of the presumption that violence is inherent to the human condition. Grounded in social research and theory about power, violence and conflict, this course explores these social dynamics through specific social issues and phenomena. Evidence-based thinking about conflict, power and violence will be emphasized. *Note: Students who have received credit for SOAN 3370 may not take this course for credit.*

SOAN 3533

**Critical Perspectives on Globalization** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*  
An exploration of the interlinked socio-cultural, political, and economic dynamics of globalization and the institutions and interests that shape the model of globalization that dominates

today. Drawing on contemporary human issues, critical theory, and engaged methods, this course examines movements that offer resistance and point to alternative models of globalization. *Note: Students who have received credit for SOAN 2203 or 3302 may not take this course for credit.*

SOAN 3541

**Resistance, Rebellion, and Revolution** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*  
A critical examination of social movements as vehicles for social change and incubators of social innovation. Drawing on critical theory, engaged methods, and contemporary and historical examples, this course explores how, why and with what consequences social movements emerge, struggle to advance the cause that animates them, and decline.

SOAN 3542

**Sustainable Communities and Social Change** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*  
A selective examination of communities, broadly defined. Topics such as the relevance of community, sustainable development, citizen participation, intentional communities, community conflict, ecological community, virtual communities and the local impacts of globalization may be covered. *Note: Students who have received credit for SOAN 3320 may not take this course for credit.*

SOAN 3551/FSGN 3551

**Aging** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*  
An examination of aging as a social process with both micro (individual) and macro (societal) dimensions and how these interact. Topics may include: the social meaning of age and aging; family in later life; gender and aging; retirement; health; social policy; and the implications of population aging for society. *Note: Students who have received credit for SOAN 2219/FSGN 2219 may not take this course for credit.*

SOAN 3552

**Health & Illness** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*  
An introduction to the sociological study of health and illness. Students will learn about the social determinants of health, cultural beliefs about health and illness, the subjective experience of illness, and how social and economic structures affect individual health, health policy, and the state of the health-care system.

SOAN 3554

**Race & Racism** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor.*  
A critical examination of race as a category of social identity and racism as a system of structured inequality. Particular attention will be paid to racism as a phenomenon at the intersection of oppression and exploitation. Topics include the origins or modern racism, eugenics, scientific racism, genocide, and racial capitalism.

SOAN 3561

**Schooling** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*  
A theoretical and empirical examination of schooling, its relations to other social institutions, and economic activity in Canada. Topics may include school organization and curriculum, sociocultural factors in student achievement, teachers' work, public attitudes toward education, and policy discussions. A social justice paradigm will be emphasized in the course. *Note: Students who have received credit for SOAN 3350/EDUC 5425 may not take this course for credit.*

SOAN 3582

**Law and Society** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*  
An examination of the origin, development, interpretation and enforcement of the rule of law in Canada. Topics may include the law-making process, the relationship between law and social change, and the operation of the Canadian criminal justice system. A social justice approach is taken throughout this course. *Note: Students who have received credit for SOAN 3333 may not take this course for credit.*

SOAN 3591

**Selected Topics in SOAN** 0.5 unit

SOAN 3592

**Selected Topics in SOAN** 0.5 unit

*Prerequisites: SOAN 1502 and 1.0 additional unit of SOAN*  
An in-depth examination of a specific topic in sociology/anthropology either building on a lower-level course or focusing on a topic not currently covered in other course offerings.

SOAN 3651

**Indigenous Peoples in a Settler State: Canadian Context** 0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*

A critical examination of indigenous peoples' experiences of European imperialism and colonization in the Canadian context. This course focuses on issues arising from colonization such as genocide, ethnocide, and the territorial displacement of indigenous peoples and their effects on indigenous peoples' lifeways and their struggles for resurgence and self-determination. *Note: Students who have received credit for SOAN 3311 or 3312 may not take this course for credit.*

SOAN 3652

### **Indigenous Peoples in a Settler State:**

#### **Atlantic Canada**

0.5 unit

*Prerequisites: 5.0 units of university credit, which must include SOAN 1502 or permission of the instructor*

An exploration of indigenous peoples' experiences with imperialism and colonization in Atlantic Canada. Focal areas include imposition of the settler state on Mi'kmaq and other indigenous cultures and ongoing struggles for self-determination. The impact of court decisions on issues like treaty implementation and resource use will also be discussed. *Note: Students who have received credit for SOAN 3311 or 3312 may not take this course for credit.*

SOAN 4590

#### **Senior Seminar**

0.5 unit

*Prerequisites: SOAN 3511/3512 and 3501 (SOAN 3501 may be taken concurrently with 4590)*

A seminar for advanced students. Students will examine topics in theory and methodology focusing on the ways empirical research is informed by theory, and on the challenges facing empirical researchers in both academic and applied settings. *Note: Students who have received credit for SOAN 4490 may not take this course for credit.*

SOAN 4591

#### **Reading Course in Sociology & Anthropology**

0.5 unit

*Prerequisite: permission of the department*

Students enrolled in this course will do readings in a chosen area of sociology, under the supervision of one of the members of the department. The area chosen is to be worked out between the students and faculty member concerned.

SOAN 4593

#### **Directed Study**

0.5 unit

SOAN 4594

#### **Directed Study**

0.5 unit

*Prerequisite: permission of the department*

An open content course permitting the student to do sociological and/or anthropological research on a substantive area of interest. Research proposals require approval of the instructor.

SOAN 4599

#### **Thesis**

1.0 unit

*Prerequisite: admission to the honours program*

Students will complete a research project under the supervision of a faculty advisor. The outcome of this work will normally be an oral presentation and a written thesis. *Note: Students who have received credit for SOAN 4499 may not take this course for credit.*

## **Spanish (SPAN)**

### **Chair**

Alexandra Tsedryk, BA, BEd (Minsk State University), MA (Western), PhD (Dalhousie), Associate Professor

Please consult the Department of Modern Languages for more information on Spanish programs, including the study year in Spain option.

### **Concentration**

A 4.0 unit concentration in Spanish is available. Please consult the Department of Modern Languages for more information.

### **Professional Concentration in Spanish**

Business Administration, Tourism and Hospitality Management and Public Relations students have the opportunity to pursue a professional concentration in Spanish. Students must fulfill the following requirements:

- ☐ SPAN 1101, 1102, 2201, 2202, 3301 and 3302

Students completing SPAN 2202 may write the internationally recognized Spanish examination prepared by the Spanish Ministry of Education and receive the *Initial Certificate (Certificado Inicial)*. Students completing SPAN 3302 may write the Spanish examination prepared by the Spanish Ministry of Education and receive the *Basic Diploma (Diploma Basico)*.

### **Minor**

To obtain a minor in Spanish, students must fulfill the following requirements:

- ☐ 3.0 units normally taught in Spanish

***The Department of Modern Languages does not accept Challenge for Credit.***

### **Courses**

SPAN 1101

#### **Spanish Language and Culture I**

0.5 unit

An introduction to the Spanish language with emphasis on understanding and speaking the language and mastering its structure. Spanish and Spanish-American cultural values are stressed in linguistic and reading materials. *Note: This course is designed for students with no previous knowledge of Spanish. Students with previous knowledge of Spanish cannot take this course for credit.*

Laboratory required

SPAN 1102

#### **Spanish Language and Culture II**

0.5 unit

*Prerequisite: SPAN 1101 or equivalent*

A continuation of SPAN 1101. Emphasis is on development of the four language skills: listening, speaking, reading and writing. Cultural values continue to be stressed.

## Statistics

### Chair

Tina Harriott, BA (Cambridge), MSc (Sussex),  
PhD (Dalhousie), Associate Professor

Statistics is the art of turning data into information. Built on a mathematical foundation, statistics involves the collection, analysis, interpretation, and presentation of data. It is used in academic disciplines from the natural sciences and engineering to the social sciences and humanities and applications abound in government, business, and industry. We see statistics all around us on the internet, on television, and in books, magazines, and newspapers as well as academic journals. Every day we see charts and graphs, hear discussions of results from political surveys, and read about economic, sociological, and market research. Every informed citizen needs a fundamental understanding of statistics. A demonstrable knowledge of statistics enhances career prospects and is vital for those going into any research program. The Mathematics Department offers both a minor and a concentration in Applied Statistics, and for those who wish to study the subject more deeply, our Mathematics major has a Statistics stream.

### Concentration in Applied Statistics

To obtain a concentration in Applied Statistics, students must fulfill the following requirements:

- ❑ MATH 1113, 1114, 2206, 2208, 2209, 2284, 3303 and 3304

### Minor in Statistics

To obtain a minor in Statistics, students must fulfill the following requirements:

- ❑ MATH 1113, 1114, 2206, 2208 and 2209
- ❑ MATH 3303 or 3304

### Minor in Applied Statistics

To obtain a minor in Applied Statistics, students must fulfill the following requirements:

- ❑ MATH 2208, 2209, 3303 and 3304
- ❑ 1.0 unit selected from MATH 1113, 2283 and 2284

*Note: Because of the overlap with Mathematics major and minor requirements, students who major in Mathematics must satisfy the minor requirement for their degree in an area other than Applied Statistics or Statistics. Minors in Mathematics, Statistics and in Applied Statistics cannot be used to satisfy the requirements of the "double minor" option of the Bachelor of Arts or of the Bachelor of Science. Any students who satisfy existing degree requirements and complete the above-noted sequence of courses shall be acknowledged in the usual way as having done the minor in Statistics or Applied Statistics.*

**Students who wish to take a minor or a concentration in Applied Statistics or a minor in Statistics are advised to consult with the Chair of the Mathematics Department. For details of the mathematics courses mentioned above please see the Mathematics section of the calendar.**

## Bachelor of Tourism and Hospitality Management

The Bachelor of Tourism and Hospitality Management program is designed to answer the need for university-educated professionals in the tourism and hospitality fields. The program builds on the strengths of a business education and integrates the theories of tourism development and hospitality management to give the graduate an understanding of the key areas of the industry.

Courses are offered on campus and online. Courses may be completed online on a full-time or part-time basis. Students should seek academic advising from the department to plan their program.

### Admission Requirements

Please refer to 2.1.4 Admission Requirements on page 18 and 2.1.6 Additional Admission Requirements on page 21.

### Admission of Mature Students

Please read the 2.1.4.3 Mature Admissions Policy on page 20 carefully. Mature students intending to apply to the program should complete the following 2.0 units to be considered: BUSI 1112, 0.5 unit of humanities elective and 1.0 unit of arts and science courses.

### Transfer Students

Mount Saint Vincent University recognizes learning that applicants have acquired through institutes, corporate and/or on-the-job training programs and educational settings not normally eligible for transfer credit. Refer to section 2.2.4 Challenge for Credit on page 26 and 2.2.5 Prior Learning Assessment (PLA) on page 26 for more information.

Mount Saint Vincent University has a number of formal transfer credit agreements with other institutions that allow students to transfer up to fifty percent of degree requirements into the Bachelor of Tourism and Hospitality Management program. Please refer to section 2.2.2 Transfer Credits on page 26 for information on transfer agreements.

Students completing SPAN 2202 may write the internationally recognized Spanish examination prepared by the Spanish Ministry of Education and receive the *Initial Certificate (Certificado Inicial)*. Students completing SPAN 3302 may write the Spanish examination prepared by the Spanish Ministry of Education and receive the *Basic Diploma (Diploma Basico)*.

## Co-operative Education Program

Mount Saint Vincent University offers a 23.0 unit degree in tourism and hospitality management with compulsory co-operative education. The Bachelor of Tourism and Hospitality Management (Co-operative Education) degree is accredited by the Co-operative Education and Work Integrated Learning (CEWIL) Canada and was the first accredited tourism co-operative education degree in Canada.

Co-operative education involves a sequencing of normal academic terms and three co-op terms. Students complete the normal academic sequence for their first 5.0 units of study before beginning their first co-op term. The following schedule depicts the typical Bachelor of Tourism and Hospitality Management (Co-operative Education) program.

Year	Sept-Dec	Jan-Apr	May-Aug*
1	Academic Term 1	Academic Term 2	Co-op Term 1
2	Academic Term 3	Academic Term 4	Co-op Term 2
3	Academic Term 5	Academic Term 6	Co-op Term 3
4	Academic Term 7	Academic Term 8	

*\*Co-op terms may finish as late as mid-October. Students returning in October should seek academic advising to enrol in condensed courses.*

By integrating academic study with three co-op terms, students will have an opportunity to determine career goals; gain practical knowledge and experience; develop confidence, maturity and human relations skills; apply academic material to practical working situations; generate employment contacts and provide financial assistance to meet educational expenses.

Students must consider that the co-op terms may be outside of Nova Scotia and some relocation could be required at the students' expense. Students must finish their program on an academic term, not on a co-op term.

### Program Standards

Before the first co-op work term, students must meet these prerequisites:

1. a 2.0 CGPA at the end of the academic term prior to the first job search\*
2. normally completion of 5.0 units
3. successful completion of THMT 1101

*\*Students who do not meet the 2.0 CGPA requirements for co-operative education but have more than 7.5 units of transfer credits, or grades from courses completed more than five years ago, may request an individual review of their transcripts by the department Chair who may approve admission.*

Once you have accepted a co-op term, there are three possible grades for co-op terms:

- P Pass. Student continues academic study.  
NCR No credit, repeat. Normally, a student may receive only one NCR grade and remain in the degree program.  
F Fail. A failing grade in a co-op term results in dismissal from the program.

For additional information, refer to page 207 and to the co-operative education section online at [msvu.ca/co-op](http://msvu.ca/co-op).

## Work Experience Route

The work experience route is only for students who have university or approved hospitality program transfer credits and/or significant industry related work experience. Part-time and students studying at a distance and students pursuing the degree via the certificate and diploma must complete the work experience route rather than the co-operative education route. Full-time students who are admitted to the BTHM program with a minimum of 7.5 units of transfer credits or full-time students with at least two years of full-time industry experience as determined by the department will enter the work experience route.

The work experience route allows students to build on previous academic or work experience while maintaining greater flexibility in academic scheduling. Each work experience contains a block of industry-related work experience. Students must complete a project/report undertaken in the context of the specific work environment of that work experience. Students must complete two work experience terms of 455 hours each. Work Experience Term I should be completed after 10.0 units of academic credit and Work Experience Term II should be completed after 15.0 units of academic credit.

Students who complete the work experience route will graduate with a Bachelor of Tourism and Hospitality Management (Work Experience Route).

Course numbers and hours for each level of work experience are:

THMT 2299 <i>Work Experience Term I</i>	455 hours
THMT 3399 <i>Work Experience Term II</i>	455 hours

The three possible grades for work experience terms are the same as for co-op terms. For further information, contact the Co-operative Education Office.

### Notes:

1. Work experience terms and co-op terms may not be interchanged.
2. Students obtaining more than one NCR grade on a work experience term will be dismissed from the Bachelor of Tourism and Hospitality Management program.
3. Students in the Bachelor of Tourism and Hospitality Management degree program may receive PLA, challenge, or transfer a maximum of one work experience term.

## Honours Degree

Students wishing to complete an honours degree must make application through the department Chair after successful completion of 12.5 units of the BTHM program. Students must have a GPA of 3.0 or higher and have successfully completed MATH 2208 and THMT 3312. Admissions to the honours program must be approved by the Honours Committee of the Department of Business Administration and Tourism Hospitality Management. Acceptance is contingent upon the agreement of a faculty member to supervise.

### Program Requirements

The Bachelor of Tourism and Hospitality Management Honours degree requires:

- successful completion of 20.0 units of coursework plus three co-operative education terms
- or

- ❑ successful completion of 20.0 units of coursework plus two work experience terms for students admitted to the work experience term route

  - ❑ Core C - *Humanities*
- ❑ obtain a minimum GPA of 3.0 and a grade of at least C- in 10.0 units of the required honours courses
- ❑ achieve a minimum of B- in the honours thesis
- ❑ obtain an overall GPA of 3.0 or better in all courses counted for the degree beyond the first 5.0 units taken
- ❑ *Note: Co-operative education work term courses (THMT 1188, 2288 and 3388) and work experience term courses (THMT 2299 and 3399) cannot be counted in the calculation of the GPA.*

*Note: First-class honours will be awarded to students who maintain a GPA of 3.5 or better in 10.0 units in the honours subject and no grade below B- in all courses counted for the degree beyond the first 5.0 units taken.*

## Honours Certificate

Students who have graduated from Mount Saint Vincent University with a Bachelor of Tourism and Hospitality Management degree may apply to do an honours certificate. Students must fulfill the requirements for the honours degree listed above and meet the university regulations regarding honours certificates.

### *Obtaining Credit for Previous Professional Study*

**Directed Study or Research** 0.5 unit  
*Prerequisite: Permission of the department. Normally, completion of 15.0 units of university credit and enrolment in the Bachelor of Tourism and Hospitality Management degree program is required.*  
 An alternative to traditional coursework in which students plan their own syllabus, in consultation with the supervising professor. Students should choose their topic and apply for departmental permission before the term in which they want to take this course.

THMT 4499  
**Honours Thesis** 1.0 unit  
*Prerequisite: Open to students who have completed 15.0 units of the Honours Bachelor of Tourism and Hospitality Management degree program.*  
 Honours students in tourism and hospitality management are required, in their final year, to undertake a research project in consultation with the department and to present a research paper at the conclusion of this project.

## Women's Studies (WOMS)

### Chair

Meredith Ralston, BA (Toronto), MA (Sussex),  
PhD (Dalhousie)

### Major (20.0 units)

The degree with a major is intended for those students with a clearly focused interest who wish to gain knowledge in depth of a single discipline.

Students intending to complete the major degree must declare their intention to do so before registering for their sixth unit of coursework. Students who do not make this declaration within this time frame will not be permitted to register for further coursework.

Any student wishing to take a Bachelor of Arts in Women's Studies should consult with the Women's Studies Department.

The Mount also offers a limited enrollment internship option. For more information, please refer to page 66.

Students must successfully complete 20.0 units with the following requirements:

- ❑ a minimum of 8.0 and a maximum of 10.0 units in the major as follows:
  - ❑ WOMS 1110
  - ❑ WOMS 1112
  - ❑ WOMS 3309 or 3310
  - ❑ WOMS 3311 or 3312
  - ❑ WOMS 4411 or 4412
  - ❑ 5.5 units of WOMS or departmental Women-Emphasis courses, including at least 0.5 unit from each of two different departments, and at least 2.5 units taken at the 3000 level or above
  - ❑ a minimum overall GPA of 2.0 in the required 8.0 units of WOMS
- ❑ a minor consisting of 3.0 units as specified by the department offering the minor. Students must achieve a minimum GPA of 2.0 in the required 3.0 units
- ❑ students may choose a second 3.0 unit minor in any area that offers a minor
- ❑ 1.0 unit from each core group A, B, and C listed on page 65 (*exclusive of the major*):
  - ❑ Core A - *Sciences & Mathematics* (1.0 unit)

0.5 unit

*Prerequisite: attendance at a Prior Learning Assessment information session or a meeting with a PLA advisor*

A course which leads to Prior Learning Assessment Recognition. Participants will systematically and comprehensively identify, reflect upon, describe, document and present their past learning achievements, formal and informal. The focus will be upon academic and career goals and both learning strengths and learning gaps will be clarified. Participants will produce a well written, well-organized and well-documented portfolio.

## Co-operative Education Program

Mount Saint Vincent University is a leader among Maritime universities in providing co-operative education as an integral element of several professional degree programs. The co-operative education programs at the Mount meet national quality standards and are accredited by Co-operative Education and Work-Integrated Learning (CEWIL) Canada.

### Definition

Co-operative education provides students with the opportunity to put theory into practice by integrating the student's academic study with alternating paid co-op work terms in employer organizations. This employment is related to the student's course of study. Studies show that co-operative education enhances the student's academic performance and helps ease the student's transition to the workplace upon graduation.

To graduate from the co-operative education program, students must successfully complete three co-operative education work terms (co-op terms) in their respective degree programs in addition to the normal academic requirements. Graduating students who successfully complete the co-operative education requirements will have the "co-operative education" designation on their degree parchments. Co-operative education students enrolled in optional co-operative education programs who complete fewer than the required number of co-op terms will have a notation on their transcripts indicating the co-op terms completed.

In addition to the regulations outlined below, all co-op students must complete the mandatory Professional Development Program which provides students with the tools to assist them in securing co-op terms and reflecting on their co-operative education experiences. Topics include the roles of the various partners in the educational program, the job competition process, self-assessment, job search, résumé and cover letter writing, interview techniques, work term projects, developing personal learning plans, and understanding the workplace.

### Regulations

#### *Program Standards*

In order to graduate with a degree completed in the co-operative education program, students must:

1. fulfill the requirements for the degree in which they are enrolled;
2. maintain a 2.0 CGPA in each academic term after admission to co-operative education\*;
3. be enrolled as a full-time student in every term, including summer, before and after each co-op term. The Chair of the academic department must approve written requests for permission to enrol in a course during a co-op term;
4. attend all of the co-operative education professional development sessions;
5. alternate co-op terms and academic study according to the sequence prescribed by the academic department which includes ending on a full-time academic term;
6. complete three co-op terms with a passing grade, and according to the standards prescribed, by the appropriate academic department. For a description of the appropriate standards, students must consult the Academic Calendar entry for each academic department; and
7. adhere to the policies and procedures as outlined in the Terms and Conditions for Co-op Students, Student Guide to Co-operative Education, and the University Calendar.

### *Withdrawal Dates*

Depending on the time of withdrawal from the co-operative education program, the following situations may occur:

1. tuition fees may be assessed for any withdrawal from a co-op course/term or the co-operative education program according to the University withdrawal policy;
2. prior to completing a first co-op term, and a co-op job offer being accepted, students in an optional program may withdraw without any notation on their transcript;
3. once a co-op job offer is accepted, withdrawal without permission will result in an "F" for the co-op term;
4. withdrawal from the co-operative education program prior to a co-op job offer being accepted will result in a "W" for the co-op term; and
5. if a student fails to complete the co-op term requirements, an "F" will result for the co-op term.

### *Deferral Policy*

Students may be eligible to defer a co-op term under exceptional circumstances (e.g., illness or academic issues). Application must be made in writing to the Co-op Office. Decisions to defer a co-op term for exceptional circumstances will be made by the relevant academic department. This will result in the student being unable to complete course requirements according to the sequence prescribed by the academic department and may result in delayed graduation for as much as a year. In order to maintain status as a co-op student, the student may be required to take additional courses. Students who qualify can only defer one co-op term. See the Student Guide to Co-operative Education for more details.

### *"Self-Directed Job Search" Policy*

Students who fail to actively participate in all stages of the co-operative education process within the parameters of co-operative education policies, procedures, regulations and the Terms and Conditions for Co-op Students will be given a status of "Self-Directed Job Search." This status results in the student being removed from the application and interview cycle. Details of the "Self-Directed Job Search" status are outlined in the Student Guide to Co-operative Education.

### *Appeal Process*

Students are able to appeal decisions regarding admission to, and withdrawal, from co-operative education as well as the assignment of an "F" for a co-op term. All appeals will be made in writing to the Academic Appeals Committee.

### *Co-op Term Regulations*

During the co-op term, the student is an employee in all matters pertaining to conditions of employment, and a student only for the purposes of academic evaluation. The University accepts no responsibility for the working environment in which the student is employed.

### *Co-operative Education Program Fees*

The co-operative education program is an academic program which integrates terms in the classroom with terms in the workplace. The co-operative education process for each co-op term is an eight-month period starting with co-op term preparation the term prior to a co-op term, the co-op term itself, and the debriefing evaluation and activities the term after the co-op term. Each co-op term receives an academic credit valued at one unit. As such, co-op students pay tuition

fees for each academic term and tuition fees for each co-op term.

### *Application Dates*

Bachelor of Business Administration students normally apply for admission to the co-operative education program in October of their second year of full-time study at the Mount. Bachelor of Business Administration students may also apply in September of their third year of full-time study to commence a co-op term the following January. Students should check with the Co-op Office to confirm the exact application dates.

Students who choose to apply to co-operative education must consult the Co-op Office for the academic and co-op term sequence.

Applications from full-time students with credits transferred from other programs and/or institutions or with a sufficient number of credits through prior part-time studies will be considered at the beginning of their first academic term at the Mount. Students should consult the Co-op Office.

### *Admission Criteria*

In order to be admitted to the optional Bachelor of Business Administration co-operative education program, applicants must be admitted to the program by the Co-op Office and have achieved the following:

1. a 2.0 CGPA at the end of the academic term prior to the job search process\*,
2. normally, completion of 10.0 units prior to the first co-op term; and
3. successful completion of BUSI 2214, BUSI 2321, BUSI 2230 and ECON 1101.

*\*Students who do not meet the 2.0 CGPA requirements for co-operative education but have more than 7.5 units of transfer credits, or grades from courses completed more than five years ago, may request an individual review of their transcripts by the department Chair who may approve admission.*

Application forms for the co-operative education program and details regarding the particular requirements of each academic department can be obtained from the Co-op Office. For admission to the co-operative education program, students must be able to complete the required number of co-op terms and maintain full-time status as defined by co-operative education program regulations.

## Teaching and Learning Centre

The Teaching and Learning Centre works to support the advancement of teaching and learning at the Mount in classroom and online contexts. It is an academic support unit that offers faculty teaching development and training and works with faculty to build online resources that are accessible to students.

The Mount offers courses using a variety of course delivery modes. Online resources enhance the different delivery modes to make learning accessible to everyone. An innovative online learning platform provides flexible access to programs and courses for students in Halifax, across the region and around the world. Students enrolled at other universities also take advantage of the Mount's online courses to take electives or specialized courses towards completion of their degrees.

An expanding range of undergraduate programs and graduate degrees can be completed through online learning, and more than 250 courses in a broad range of subject areas are offered each year.
