### Certificate Admission:

Students can enroll in the Certificate in Business Administration program as a separate program or concurrently with another Mount Program. Both the certificate and degree may be taken concurrently. If taken concurrently, the Principles Governing the Awarding of Multiple Credentials will be in effect. If not earned concurrently, the University regulations regarding a second credential will be in effect.

Admission requirements for the Certificate in Business Administration program are the same as for the Bachelor in Business Administration. Please refer to academic calendar.

The objective of the certificate is to give the student a basic introduction to the concepts of business administration.

The certificate may be completed through distance learning on a part-time or full-time basis.

The following courses are required to complete the Business Administration Certificate program. Please check off each course as you complete it. Also, check off any transfer credits you have been given upon entering the program by putting a "T" in the space beside the course.
