

Walker Wood Foundation Bursary Application for Renewal

Name: _____ Student ID: _____

The Walker Wood Foundation Bursary is renewable for a maximum of four years (or the equivalent of completing the program) toward the student's first undergraduate degree, provided the student maintains **good academic standing, full-time enrolment and demonstrates financial need.**

The 2026-2027 academic year will be year X out of Y of your renewal.

_____ Initial here to confirm you are in good academic standing for the 2026-2027 academic year and will be enrolled full-time.

To demonstrate financial need, return a copy of your 2026-2027 estimated student loan funding or student line of credit with this form. For example, Nova Scotia and PEI students should provide a copy of their My Path estimated funding screen.

_____ Initial here to confirm that you have attached a copy of your 2026-2027 estimated student loan funding or student line of credit.

Students unable to provide proof of student loan funding or student line of credit for the 2026-2027 academic year must submit a statement outlining their need for financial support in order to continue studies. The statement must also include the reason(s) they have not applied for government student loan funding or bank student line of credit. As government student loan programs also include non-repayable grants for eligible students, the desire to avoid student debt is not considered a valid reason to not apply for students who demonstrate financial need. Eligibility for renewal will be reviewed by the Bursary Sub-Committee.

Description of financial need (only required if you cannot provide proof of student funding):

By accepting this award, I acknowledge Mount Saint Vincent University has my permission to release the following details to the Walker Wood Foundation.
