

Special Call for Applications

SSHRC Explore and Exchange up to \$7,000 for 1 year

Two deadlines:

- **December 01, 2025, at 4:00 PM**
- **February TBD, 2026**

SSHRC Explore and Exchange grants will provide support for small-scale research projects and knowledge exchange or mobilization activities that fall under SSHRC's mandate.

Administered at the university level, SSHRC Explore and Exchange grants are subject to competitive adjudication by the Committee on Research and Publications.

SSHRC EXPLORE

- Supports small-scale innovation for a research project or pilot work.
- Enables researchers to hire students at any level.
- Helps position recipients for success at national level calls.
- Researchers can hold only one SSHRC Explore grant at a time.

SSHRC EXCHANGE

- Supports knowledge exchange or mobilization activities both within and beyond the academic community.
- Fosters the exchange of social sciences and humanities knowledge at conferences and other dissemination venues.
- Researchers can hold only one SSHRC Exchange grant at a time.

To apply for these opportunities please use CRP.FORM.012 (Explore) and CRP.FORM.013 (Exchange) following the instructions [on our website](#).

Please note that while the forms indicate the usual value of \$5,000 for these grants, for this special call a budget up to \$7,000 is allowed.
