

MSVU 14 Month Bachelor of Education Program

- Applications open in October and close in December. The BEd application page can be found [here](#)
- There is information on elementary and secondary prerequisites linked to this page.
- You can gain conditional acceptance if you have prerequisites in progress or are missing a maximum of 3 credit hours (0.5 units or 0.5 credits) in prerequisites.
- Both secondary (7-12) and elementary (P-6) streams.
- The BEd program is a 60-credit hour program, and all courses are in person on campus (**there are currently no part time or online course options**).
- If accepted the program starts in May and finishes in June of the following year. For example, apply October 2025, start May 2026 and finish June 2027.
- You must successfully complete a 17-week Practicum component in public schools mainly within the Halifax Regional Centre.
- The Practicum includes a week in early September, a week in November, two weeks in December, 2 weeks in February and 11 weeks from mid-April to late June.
- Upon successful completion of the BEd program and fulfillment of regulatory requirements you will be certified to teach in Nova Scotia public schools.
