

Important Notes

You must declare your major before registering for your sixth unit of course work. See the Registrar's office or the departmental administrative assistant for the required form.

Within your course work, you must complete a minimum of one unit of each of the following groups, inclusive of the Major subjects:

- A: Sciences and Mathematics
 CHEM and MATH requirements for the Major satisfy this group
- B: Social Sciences
 CANA, COMM, ECON, FSGN, POLS, PSYC*, SOAN WOMS
- C: Humanities
 CHIN, CULS, ENGL, FREN, HIST, LIBR, PHIL, RELS, SPAN, WRIT

*PSYC may count towards Group A or B, but not both.

You may count up to four units of professional study towards your degree. Professional study subjects include: BUSI, CHYS*, INTE, NUTR (acceptable courses under professional minor in academic calendar), PBRL, THMT
 *Practica may not be counted for credit towards the degree (i.e. CHYS 2251, 3351, 3352, 4451)

You may take up to an additional 2.0 units of BIOL and/or your second major subject as general electives.

You can combine an arts major and a science major. If the primary degree is an art, you must complete at least 12.0 units in arts disciplines. **If the primary degree is a science, you must complete at least 12.0 units in science disciplines.**

A minimum of 9.0 units of your degree must be at the 2000 level or above. **At least 5.0 units of the 12.0 units required for the combined majors must be at the 3000 level or above.** Each combined major specifies 2.0 units at the 3000 level; therefore, 1.0 unit of electives within the majors must be selected at the 3000 level (1.0 unit from the first major, 1.0 unit from the second major, or 0.5 unit from each Major.)

Up to half of the requirements for your majors and overall credit requirements may be met via transfer credit, including Letter of Permission (LOP) courses. Courses with a "P" grade are GPA neutral.

Your GPA in your majors must be a 2.0 or above. Your overall GPA must be a 1.7 or above. See the academic calendar for more information.

You are strongly encouraged to seek out academic advising throughout your time at the Mount. However, you are ultimately responsible for meeting all degree requirements as listed in the Academic Calendar.
