

## Bachelor of Arts Course Selection Guide

- Use the template below to plan your **Fall** and **Winter** schedules
- Confirm **courses open to first-year students** on the [first-year advising webpage](#)
- Courses may be offered in multiple time slots, so individual schedules may vary
- For assistance with course planning or program requirements, contact [advising@msvu.ca](mailto:advising@msvu.ca)

### Recommended Courses by Term

The table below lists recommended courses by term. Columns represent terms. Rows list course requirements.

*Note: HUMS 1100 is **required** for all **BA General Studies** students. For students who have declared Majors, the course is optional and can be used in Group B or C; however, the course is not open to those who have completed more than 5.0 units of university study.*

Fall Term	Winter Term
HUMS 1100 & HUMS 100T	Core Group A:
Core Group A:	Core Group B:
Core Group B or C:	Core Group C:
Elective chosen from Groups A, B, or C (Choose intro course of the subject you are considering for a Major or Concentration):	Arts Elective or Intro Course of subject you are considering for a Major or Concentration:
