# Programs at-a-glance

All undergraduate degrees at MSVU are classified as Bachelor of Arts, Bachelor of Science or Professional Programs. Students enrolled in all Bachelor of Arts and Bachelor of Science programs must choose a Major or a Concentration. Students enrolled in a 4 year (20 unit) degree choose a Major and students enrolled in a 3 year (15 unit) degree choose a Concentration. Students enrolled in most Professional Programs do not choose a Major or Concentration since their entire degree is focused on a specific discipline or career path. Consult the Academic Calendar for further details.

## BACHELOR OF ARTS (BA) & BACHELOR OF SCIENCE (BSc)\*

**Major Programs: 20 Units (4 years)** - A major is required for students enrolled in a 20-unit BA or BSc. Students will gain in-depth knowledge in one single discipline, by completing 8-10 units in their chosen major.

**Combined Major Programs: 20 Units (4 years)**- A combined major is an option for students enrolled in a 20 unit BA or BSc. Students will gain an in-depth knowledge of two disciplines, by completing 6-8 units in two disciplines.

**Honours Programs: 20 units (4 years)** - Available for students who wish to study a single discipline in depth, usually with post-graduate study as a goal. Honours include 10-12 units in the chosen discipline including an Honours thesis.

**General Studies: 15 units (3 years)** - This program offers a broad background in the humanities, sciences and social sciences. Students will select a concentration of 4 units.

## PROFESSIONAL PROGRAMS

Professional programs are degrees focused on a specific career or career path. Units vary depending on the program: 20-23 units (4+ years)

Degrees available in:

- Applied Human Nutrition
- Business Administration
- Child and Youth Study
- Public Relations
- Tourism & Hospitality Management

Majors, Minors and Honours options may be available in your program of choice. Please consult the Academic Calendar for specific details.
