## Why getting a Canadian phone number before you travel?

You must use ArriveCAN to provide mandatory travel information, including a Canadian phone number, before and after your entry into Canada.

A Canadian phone number helps you stay connected from the moment you enter Canada and while you are settling down.

## About PhoneBox

Since 2011, PhoneBox has been dedicated to providing the most affordable and best quality wireless plans in Canada and helped hundreds of thousands of international students and newcomers to Canada stay connected with family and friends.
