CONFIDENTIALITY AGREEMENT

In consideration of my employment with the Department of Mathematics/Computer Science and Mount Saint Vincent University (hereafter referred to as MSVU), I acknowledge that I have or will have access, while employed by the Department of Mathematics/Computer Science at MSVU, to confidential information.

Confidential information consists of any and all information disclosed, acquired or known to me as a result of my employment with the Department of Mathematics/Computer Science at MSVU, including any other information gathered or developed by me and relating to the business of the Department of Mathematics/Computer Science at MSVU. Confidential information includes without limitation: all documents and software pertaining to the interests of MSVU, technical, human resource and financial information, as well as all other information, written, oral, graphic, or computerized about the Department of Mathematics/Computer Science at MSVU, its students, staff or faculty.

I acknowledge and agree that all confidential information is and shall remain the sole and exclusive property of the Department of Mathematics/Computer Science at MSVU, that such information shall be treated at all times as being confidential and that it is of great value to the Department of Mathematics/Computer Science at MSVU. Consequently, while employed by the Department of Mathematics/Computer Science at MSVU and following the termination of my employment for any reason whatsoever, I hereby unconditionally undertake, at all times and everywhere, that I shall not, directly or indirectly, use, disseminate, dispose of, communicate, divulge, copy or publish any confidential information or part thereof for my own benefit or that of any person, physical or moral, unless I have obtained the prior written approval of the Department of Mathematics/Computer Science at MSVU or if the said information is already in the public domain or can be lawfully revealed by a third party.
