- NOTE:**
1. With the department Chair's approval students may replace 0.5 of a unit of arts and science electives with a professional (business) elective.
 2. Students may request to replace an additional full unit of arts and science electives with a unit of professional (business) electives. Students seeking to replace the additional unit should speak to an academic advisor.
 3. The MSVU Academic Calendar states, *“Although advice is readily available on request, the responsibility of selecting the appropriate courses for graduation rests ultimately with the student”*.
 4. Students are strongly urged to seek academic advising each year to ensure that course selection is appropriate. Academic advising is critically important for students choosing to do an additional major, concentration, or minor.
