

What can I do with my degree in...Bachelor of Arts, Cultural Studies?

Knowing what's Expected

Cultural studies is an approach to the arts and popular culture that emphasizes the effects of social differences and the way we respond to them. If you are interested in delving into the cultural evolution of civilization, or you just love discussing the influence of political movements on popular culture, then you will enjoy the options that the Cultural Studies Major affords.

Jobs in the arts require a strong command of language and the ability to think logically and analytically.

Knowledge of computer systems and current information sources is important as is being able to speak and write French.

Transferable Skills

- ❖ Analysis and interpretation of information and the ability to critically evaluate it
- ❖ Written and spoken communication skills
- ❖ Computer Literacy
- ❖ Team working
