

Chemistry Lab Exemption Request Form

Instructions:

1. Complete this form and submit to the Chemistry administrative assistant (EVAR 353).
2. The administrative assistant will obtain your previous recorded laboratory/class mark.
3. If approved, your professor must sign Section II, and return the form to you.
4. Sign and date the form yourself and submit it to the Registrar's Office for processing.

NOTE: You will not be dropped from your registered lab section until you submit this completed form to the Registrar's Office.
