Program of Study

Intended Degree _____ Full-Time Studies
 Part-Time Studies

The Leslie V. Sansom Continuing Education Scholarship:

Established in memory of Leslie V. Sansom, noted Halifax feminist and human rights advocate, to facilitate the entrance (or re-entrance after a period of absence) of women to university level study on a full- or part-time basis.

Eligibility

- The Scholarship will be made to a woman who:
- Has come to the university for the purpose of career development
 - Has a clear plan for entering or re-entering the work force upon completion
 - Has knowledge of and concern for current social issues
 - Has demonstrated this knowledge and concern through active involvement

Submit

Community

- On an attached sheet, please describe your community involvement as it relates to your interests and concerns for current social issues.
- Provide at least one letter of testimonial from someone in the community organizations with whom or for whom you have worked.

Academic Plans

- On a separate sheet, please provide a brief statement of why you have decided to attend university and your long-range goals. Please elaborate on the relationship between your career and educational plans.

Additional Information

- Is there any other information you would like the Scholarship Committee to know about you? Feel free to include a resume and other related documents.

Deadline

Return this completed form no later than **May 15** to:
 Chair, Undergraduate Committee on Admissions and Scholarships
 Registrar's Office
 Evaristus Hall, Room 215
 Mount Saint Vincent University
 Halifax, Nova Scotia B3M 2J6
