Lucy Knight

Lucy Knight is the Research Coordinator at the Nova Scotia Centre on Aging. Her responsibilities include assisting with funding proposals, implementing projects, and preparing and supporting reports, academic articles and other publications. In addition to this role, Lucy is Coordinator of the Home Care Pathways Project, supporting project-wide activities and Nova Scotia site activities. Lucy holds a Master of Public Administration degree from Dalhousie University and has extensive experience coordinating research and contractual projects in the field of aging. She enjoys spending time with family and volunteering in her community.
