

## SETTING OUR FUTURE DIRECTION: CONSULTATION QUESTIONS

Thank you for taking the time to consider Mount Saint Vincent University's strategic direction. As you do so, please contemplate the following questions. It is not necessary to respond to all questions noted – you may simply use these as a guide or respond only to those that resonate with you.

1. Do all of the goals of MSVU's most recent strategic plan remain relevant?
  - Maintain a high quality teaching, learning and research environment
  - Recruit and retain a diverse, engaged and successful student population
  - Continue to lead in the advancement of women and social justice causes
  - Foster a campus community marked by respect, inclusion and engagement
  - Secure the resources needed to ensure our university flourishes
2. What changes or additions would you make to the university's goals?
3. How will MSVU succeed in achieving its goals? How can you support the university in achieving its goals?
4. Do opportunities exist for MSVU to form strategic partnerships? With which organizations and why?
5. What qualities do you think define MSVU?
6. What do you think MSVU aspires to be as a university? Is there anything it should aspire to be (that it may not be currently, or is in early stages)?
7. What do you value most about MSVU?
8. What is the most important thing shaping or affecting MSVU right now?
9. How do you think MSVU will get from where it is today to where it needs to be in the future?
10. Are our students graduating with the skills and knowledge needed to thrive and succeed? If so, why? If not, why not?
11. What issues noted in the environmental scan do you think will have the biggest impact on MSVU?
12. Is there anything else you would like to add?
