

What can I do with my degree in...Bachelor of Arts, Sociology/Anthropology?

Knowing What's Expected

If you possess the skills to identify and predict trend patterns, evaluate problems and make appropriate decisions as well as the ability to interact with groups of diverse people, you will enjoy the options that a Sociology/Anthropology Major affords.

Jobs in this field require the ability to perform a wide variety of analytical functions.

You will be required to plan and clearly explain scientific research, read critically for comprehension, and interpret and evaluate events, information, and ideas.

Transferable Skills

- ❖ Staying constantly updated in your specialty
- ❖ Excellent interpersonal skills
- ❖ Computer proficiency
- ❖ Strong research and analytical skills

Your Choices

A Sociology/Anthropology Major opens the door to many areas. As a result, you may pursue occupations in fields such as education, counseling, social services, government, research and demographics.

*Further education is required for some fields.
