Total Expenses

Government Student Loan and Grants	Maximum Canada and NS loan amounts is \$16 882		
Private Bank Loan (Student Line of Credit)	For students who do not qualify for government sponsored loans, most private banks now provide loans to students enrolled in postsecondary education. The maximum amount will vary depending on the financial institution, monthly interest charges apply		
Anticipated earnings during the summer months (July and August)	You will have two months between graduating high school and beginning university. You should work during this time and save as much as possible for the school year		
Anticipated earnings during the study period (September to April)	We recommend that you do not work more than 12 hours a week during the school year. The Career Planning Centre (McCain 306) is a good starting point for jobs		
Previous Savings for Post-Secondary your Education (PSE)	Start saving now (if you have not already)! Plan your budget in advance of the school year.		
Parental Contribution	Parents are expected to contribute to your university education, but they are not an unending source of money		
Relative Contribution	Often students receive support from relatives (i.e. grandparents, aunts, uncles, etc.) to assist with school		
Bursaries	Many high schools, churches, businesses, societies, etc. offer bursaries to students from their community. Search appropriate groups to learn if you might be eligible.
