

Navigating myMount

myMount's New Look

We've updated myMount and integrated it with Office365 – now everything you need during your time as a student at the Mount can all be found here.

Where do I find the Registration Centre & WebAdvisor?

Student Quick Links

Use the *Student Quick Links* section for fast access to the Registration Centre, your Class schedule, your financial information and more.

When you click on the launcher, you will see the Office 365 apps assigned to you.

*Please note the Mail, Calendar, People and Tasks tiles will not appear if your email account has not been migrated to Office365.

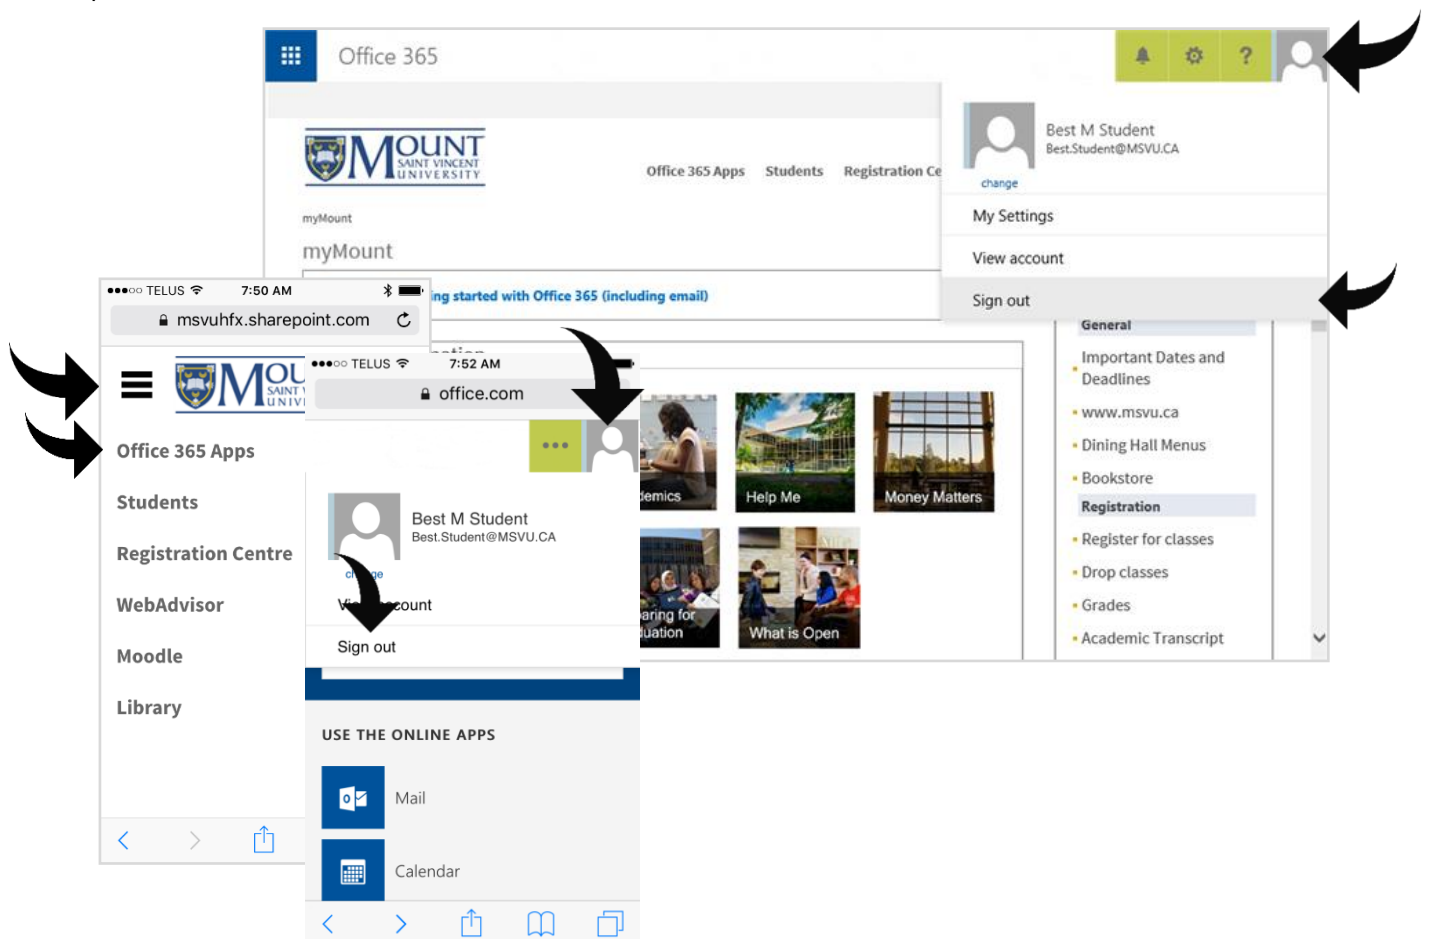

How do I return to myMount from my Office 365 apps?

How do I log out?

To protect your personal information, it is very important to log out, especially when using a shared computer.

Microsoft Support Materials

You will find training guides and videos on all of the Office 365 features at:
