FUNDING OPPORTUNITIES

CANARIE Launches Two Funding Calls that Invest in the Reuse of Software Tools and Research Data

Research Software Program funding will support research teams who will adapt existing research platforms for re-use by new research teams. The proposal submission deadline for this program is **November 28, 2019**.

Research Data Management (RDM) Program funding will support collaborative interoperability and integration of data repositories and systems within Canadian and global digital research infrastructures (DRI). The deadline for the proposal submission for this program is **October 28, 2019**.

Canadian research teams are invited to apply to one or both funding calls. For more information on the programs, please visit their [website](#).

The Beatrice Hunter Cancer Research Institute

The Beatrice Hunter Cancer Research Institute is a funding institute, focusing on trainees, for research related to cancer (all aspects) and serve Atlantic Canada. Individual researchers can sign up to be members and access applications for funding for themselves and their students, and they are also up for discussions with institutions to be members. To learn more about the institute and its funding opportunities, please visit their [website](#).

MSVU Upcoming Internal Grant Deadlines

The following internal grant applications are due on **October 15, 2019**:

- Standard Grant
- Salary-Based
- Book Launches
- Aid to Scholarly Publications and Communications

For instructions and applications forms for the internal grants, please visit our [internal grants web page](#).

CALLS FOR PAPERS AND APPLICATIONS

Canadian Domestic Violence Conference 6 Call for Presentation Proposals Deadline Extension

This call for presentation proposals is for those working in the grassroots domestic violence movement: women's shelters, women's centres, Partner Abuse Response (PAR) programs, men's treatment programs, family therapists, restorative justice facilitators, police, probation offices, crown, judges, victim services officers, children mental health workers, child protection workers, addiction counselors, health care workers, clergy, educators and others who work on the front line. Presentation proposals are also welcome from academics and government policy makers.

Due to demand, the deadline for submissions for Concurrent Workshop Presentations has been extended. Deadline for submissions is **October 14, 2019**.

To learn more or to submit a proposal, please click [here](#).

EVENTS

Cyber Security Lunch & Learn

Join us on **October 11, 2019** for presentations on privacy, securing your research data, and more!

The presentation titles include:

- Staying Safe Online
- Cyber Threats on Campus
- Privacy Implications of Research Data and Data Management Plans (DMPs)

The Annual Indigenous Consultation Atlantic Conference

The Canadian Institute's 4th Annual Indigenous Consultation Atlantic Conference is coming to the Halifax Convention Centre on **November 6th and 7th, 2019**. Join them to take a hard look at emerging government policies and to openly discuss best practices for consultation, in a non-partisan and neutral environment. For more information and to register, please click [here](#).

Save the Date: 2019 Research Highlights

Please join the MSVU Research Office on **December 11, 2019** to celebrate faculty research!

Complex Trauma, Survivors and Intimate Partner Violence: Developmental Couple Therapy for Couples Trauma Pre-conference Workshop

The Canadian Domestic Violence Conference 6 is pleased to announce a pre-conference workshop facilitated by Dr. Heather B. MacIntosh of McGill University. The pre-conference workshop takes place on **March 3-4 2020** in Halifax. This two-day training will provide participants with comprehensive and practical guidance for integrating Developmental Couple Therapy for Complex Trauma (DCTCT) into their work with traumatized individual survivors or couples.

To learn more about the workshop, please visit their [website](#).

ANNOUNCEMENTS

Top tips when applying for an NSERC Alliance grant

As the first phase of the Alliance grants is currently open for applications, we are sharing some helpful application tips, based on questions received from the community, to help differentiate between the new application process and the previous one for NSERC's past ResearchPartnerships programs. Attached to this bulletin you will find some of the tips for the Alliance Grant.

Please feel free to share these tips with your community. For full details about the Alliance grants and how to apply, visit the new Alliance [web page](#).

SSHRC's Webinars for Partnership and Connection Grants

SSHRC will be holding a series of webinars for applicants and research administrators on upcoming Partnership and Connection grants' funding opportunities.

The webinars will be held via Webex at the following times:

Webinar	Date	WebEx Link
Partnership Development Grants (French)	Monday, September 30 2pm-4pm ET	https://sshrcvideo.webex.com/sshrcvideo-fr/onstage/g.php?MTID=e99a69fefbc561def53357081eb730690
	Wednesday, October 2 10am-12pm ET	https://sshrcvideo.webex.com/sshrcvideo-fr/onstage/g.php?MTID=e8c4811d88c795e07f40f75a9bf863695

MSVU FACULTY RESEARCH ACHIEVEMENTS

Share your research with us!

Share your hard work with the MSVU Research community! We encourage faculty to submit recent publications, upcoming events, and other research-related activities to be featured on the Research Bulletin. Please email your content to Jessica.Long1@msvu.ca.

IT&S Research Tip

Email Safety Tips

Email is an essential business tool in today's digital world, but there are risks with it if we do not take the right precautions. IT&S has produced a video called "[Email Safety Tips](#)" to outline the main risks in using email to share confidential information, and how best to safely share confidential information by email.

The Research Office is funded, in part, by the [Research Support Fund](#).
