Thesis Advisor Preference

Please list three full-time faculty members of the Psychology Department with whom you wish to work on your thesis project (in order of preference). The department will assign an advisor to you based on your preference and faculty availability. Unfortunately, the Department cannot guarantee that you will be assigned your first preference. If none of your preferred advisors are available to supervise your work, the Department Chair will contact you to discuss.

First preference _____
 Second preference _____
 Third preference _____

It is your responsibility to discuss your thesis plans with each of your preferred advisors before submitting this application.
