## EXTERNAL FUNDING OPPORTUNITIES

---

### CIHR Project Grant: Spring 2019

The [Project Grant Program](#) is designed to capture ideas with the greatest potential for important advances in fundamental or applied health-related knowledge, health care, health systems, and/or health outcomes by supporting projects with a specific purpose and a defined endpoint. If you registered by August 15, 2018 the application deadline is **September 12, 2018**.

### CIHR Planning & Dissemination Grants – Institute/Initiative Community Support (ICS)

The [Planning and Dissemination Grants](#) are intended to provide support for planning and/or dissemination activities consistent with the mandate of CIHR and relevant to CIHR Institutes, or Initiatives. Application deadline is **September 11, 2018**.

### Banting Postdoctoral Fellowships

The [Banting Postdoctoral Fellowships](#) program provides funding to the very best postdoctoral applicants, both nationally and internationally, who will positively contribute to the country's economic, social and research-based growth. The deadlines for complete application submission is **September 19, 2018**.

### SSHRC Partnership Engage Grants

[Partnership Engage Grants](#) are expected to respond to the objectives of the Insight program and the Connection Program. Please note that Partnership Engage Grants cannot respond exclusively to the

objectives of the [Connection Program](#). They provide short-term and timely support for the partnered research activities that will inform decision-making at a single partner organization from the public, private or not-for-profit sector. Application deadline is **September 20, 2018**.

### **NSERC Ideas to Innovation (I2I) Grant**

The [I2I Grants](#) provide funding to college and university faculty members to support research and development projects with recognized technology transfer potential. This is achieved through defined phases by providing crucial assistance in the early stages of technology validation and market connection. To create or access online applications, select [On-line System Login](#). To view instructions, select [PDF Forms and Instructions](#).

### **Resource: Impact Strategy Checklist**

Impact practitioners (i.e. knowledge brokers) from York University's Knowledge Mobilization Unit and the KT Core of KBHN developed an [Impact Strategy Assessment Checklist](#) intended to be used after you have planned and written your impact strategy. It takes you through key elements of your strategy: goal(s), rationale, is it SMART, skills/experience, budget and an overall assessment including elements of partners and audiences. For more assistance seek out your [local impact practitioner](#) if your Research Impact University.

## **EVENTS**
