Mount Saint Vincent University    Halifax, Nova Scotia, Canada    msvu.ca

WELCOME TO  
*the* MOUNT

YOU WILL EXPLORE,  
YOU WILL DISCOVER,  
*YOU WILL CHALLENGE*  
*AND BE CHALLENGED.*

**Mount Saint Vincent University**  
*(the Mount)* is a small university with a reputation for academic excellence.

Here, you will join a community of students who, like you, want to make the best of their university experience. You will explore, discover, challenge and be challenged within a school – a community – that will support your choices, your decisions and your success. You will make new friends, have fun and gain the knowledge and skills you need for life after the Mount.

# YOU WILL KNOW YOUR PROFESSORS' NAMES *AND THEY* *WILL KNOW YOURS.*

---

Our classes are among the smallest in Canada. You will get your questions answered and your voice heard as you explore one of a kind courses and programs. Our courses will challenge you to think, consider, debate and decide. You will welcome new ideas and fresh perspectives and broaden your horizons too. We offer study abroad opportunities to countries around the world. You will gain independence and confidence. Most programs focus on experiential learning offering opportunities to gain and apply skills in a research or professional setting.

---

---

# YOU WILL LIVE WELL, YOU WILL HAVE FUN *AND YOU* *WILL GET INVOLVED.*

---

You will get in on the action. We have the **Charity Ball, the Mount Cup, Vinnie's Pub** and more. We have a fully equipped fitness centre, a robust intramural program and winning varsity teams.

You will have plenty of opportunities to make a difference. The Mount is proud of its unparalleled commitment to social justice and to educating citizens who make a positive impact on their communities. We have a rich history of giving back and educating the thoughtful and thought-provoking leaders of tomorrow.

The Mount is a University where you will be welcomed, supported and challenged so that you have the absolute best university experience possible.

---

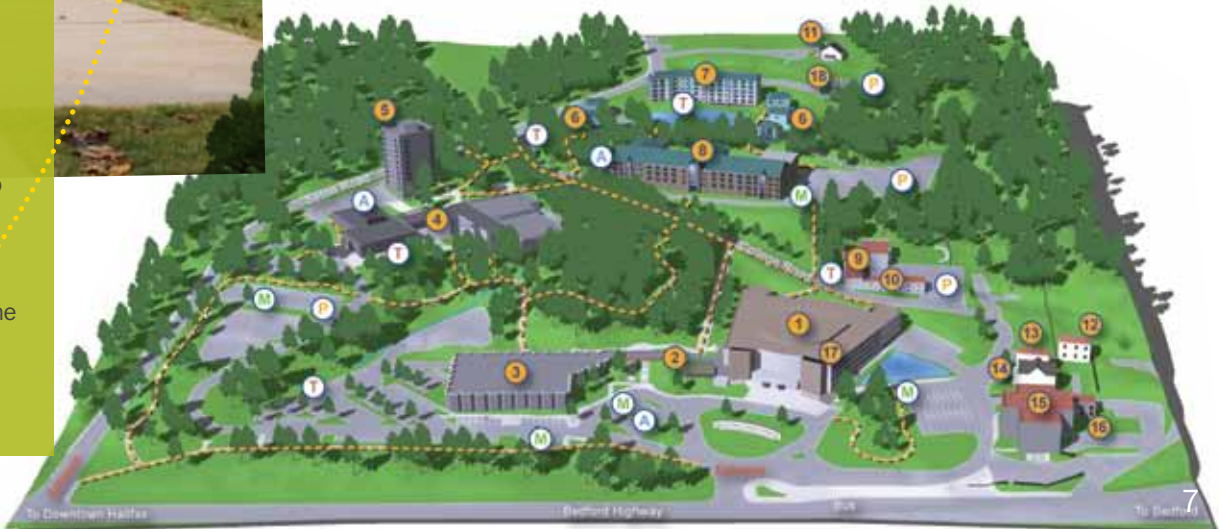

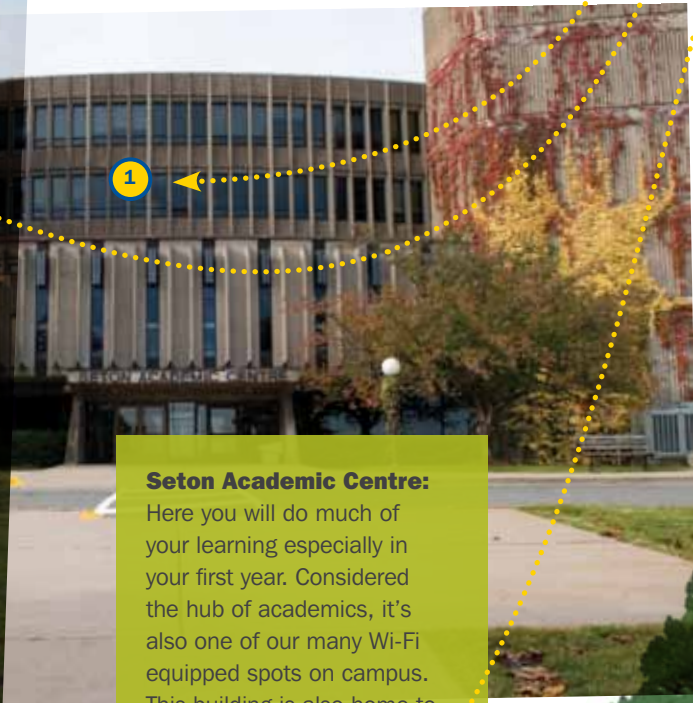

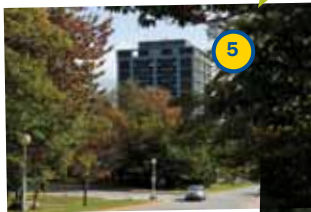

# THE MOUNT

You will learn your way around, quickly. The Mount campus is easy to navigate. It's filled with great people who, like you, are willing to point a fellow student in the right direction. And it's small enough for you to find your own way. The buildings are situated among lots of green spaces that give you room to breathe, to hang out and to dream. You will want to take the long way, which on our small campus is actually a short way, to your next class.

- M. Metered Parking
- Pathways

**Rosaria Student Centre:** Dubbed the centre of student life. You will find the Crows Nest café and the 24-hour lounge, Students' Union offices, Fountain Play Centre, Vinnie's Pub, Fitness Centre and more.

**Evaristus Hall:** A former residence turned main administrative building. The Offices of the President and Vice President, Registrar's Office and Financial Services are here. In this building you'll also find a newly created student space that houses a lounge area, kitchenette, private meeting rooms, new computer labs and a non-denominational prayer space. You will enjoy the view from the fourth floor study area and find many of your profs too.

**E. Margaret Fulton Communications Centre:** It houses the Mount Library where you will seek and find just what you're looking for. It's also home to Distance Learning and Continuing Education.

**Seton Academic Centre:** Here you will do much of your learning especially in your first year. Considered the hub of academics, it's also one of our many Wi-Fi equipped spots on campus. This building is also home to the Mount Art Gallery, which features contemporary art exhibits that will inspire and challenge you. When the time comes, your convocation celebration will be held here too.

# LIVING ON CAMPUS

## YOU WILL FIND YOUR HOME AWAY FROM HOME.

### YOUR CRASH PAD.

There's something to be said for a home away from home, a place where you can hang out, study or have a few friends over. The Mount's three on-campus residences offer convenience, safety, the comforts of home and some extras: WiFi access, an eight-month lease and flexible meal plans. Oh, there's cable in each room too!

For more information visit [msvu.ca/residence](http://msvu.ca/residence)

**ON CAMPUS,**  
*the Mount has three great options.*

At **Assisi Hall**, you will see far and wide thanks to the height of the 12-storey building that overlooks the Bedford Basin and the Halifax skyline. It fits 142 students, most in single rooms. Wi-Fi and cable TV are a must. You will feed your appetite and your need for conversation. With Assisi's kitchenettes you can cook whenever you want. We've got socializing and convenience covered too with our lounge and laundry areas. You will feel secure with Assisi's 24-hour security desk.

Traditional single dorm room size: 12' x 9.5' (approximately)

**The Birches** are a group of five roomy townhouses, each with 21 single rooms. The townhouses are surrounded by birch trees (hence the name) and are situated *just* far enough away from the main campus. You will gain independence. The Birches really feel like grown up places to live. It's a co-op environment too so there's a social network built right in. The necessities are all covered. Each townhouse has Wi-Fi, cable TV, a lounge, a kitchen, a laundry room and a storage room.

Room size: 11' x 10' (approximately)

**Westwood** is a residence geared for senior and transfer students. You will live well. Westwood includes mostly four-bedroom fully furnished apartments. Each has a living room, kitchen and two full bathrooms. If apartment living isn't for you, there is a floor of dorm-style single rooms. We've taken care of Wi-Fi, cable TV, local phone service and laundry throughout.

Single dorm room size: 20' x 8.5' (approximately)  
Apartment-style room size: 13' x 8.5' (approximately)

### FOOD STUFF

You will eat what you want, where you want, when you want. Our meal plans are flexible and easy to use. The cash-free debit system works at the Rosaria Dining Hall, the Seton Cafe, Tim Hortons (coffee tends to be an absolute must!) and Pizza Pizza. You will choose a meal plan that works best for you. Later, your card can be topped up any time.

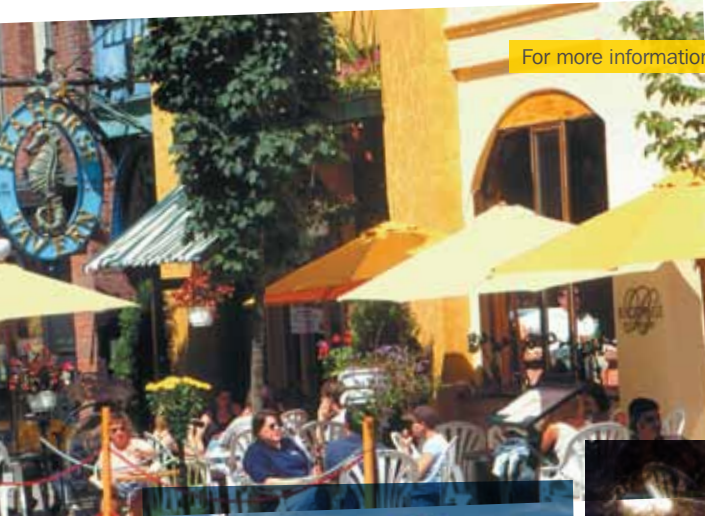

## LIVING OFF CAMPUS

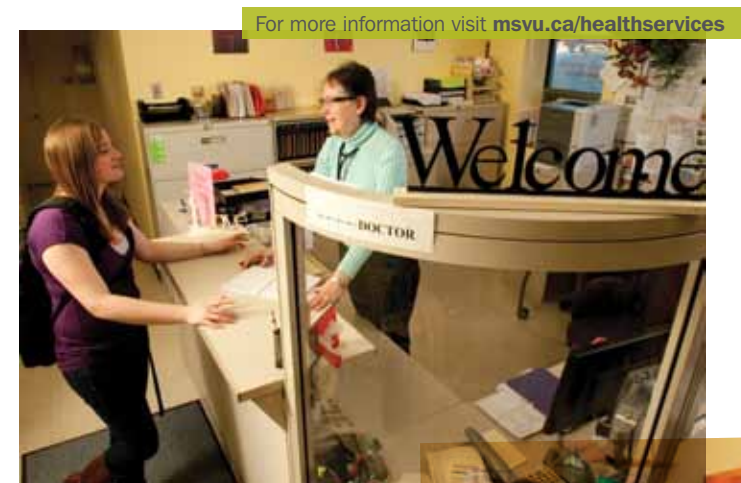

There are plenty of housing opportunities available to you around Halifax and our Residence and Housing Office can help with your search. The staff will offer advice, suggestions, and many great tips. First off, start early. Give yourself at least two weeks (the more time the better though). Also, check out classified ads in local papers, kijiji, and on-line and on-campus bulletin boards to help you find your comfortable and affordable home.

If you choose to live off campus you will still be part of the Mount community. You can purchase a meal card so you can grab lunch, a snack or even dinner for those on-campus late study nights. And while you're here, take advantage of the computer labs and study spaces around campus to get your coursework done.

Also, there are many societies and clubs you can join to get involved. And remember to keep an eye out for the many Students' Union events that happen throughout the year.

For more information visit [msvu.ca/residence](http://msvu.ca/residence)

For more information visit [msvu.ca/healthservices](http://msvu.ca/healthservices)

## HEALTH SERVICES

Located on campus, the Mount's Health Services will help you get well and stay well. You will feel confident in the private and confidential care you receive. Open to the entire Mount community, including students, faculty, staff, alumnae and surrounding community, there are two doctors and a nurse on staff who offer everything from physical exams to immunizations, treatments of colds and flu, sprains aches and pains. You will love the convenience because you can simply drop in. If you do want to make an appointment contact the Health Office at 457-6354.

LifeMark Physiotherapy is also part of Health Services. You will be well taken care of by its message therapists, physiotherapists and certified pedorthists. They offer treatment of orthopedic injuries, sports injuries and your everyday aches and pains. Call 457-6471 to make an appointment.

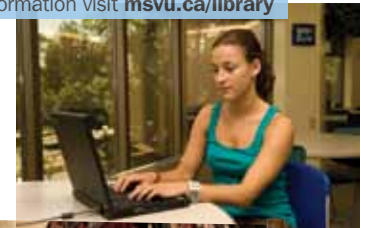

## MOUNT LIBRARY

You will seek and find. The Mount Library is a huge resource connected to a network of libraries across Nova Scotia. Combined, they house two million volumes, all of which are easily accessible to you.

Many of the Library's resources are available online. You will use live chat to get the help you need. Staff are also available to help via e-mail and at the circulation desk. The Mount Library is a centre for independent learning - where learning extends beyond the classroom. Within the Library, you will find the zone that suits your mood and your study. The blue zone is quiet; the orange zone is group-work oriented and the red zone is comfy and active. There are perfect places to study, prepare presentations, meet and socialize.

The Library also offers a university credit course, Introduction to research in the Information Age (LIBR 2100). This course will help hone your research and communications skills, for those term papers and presentations.

For more information visit [msvu.ca/library](http://msvu.ca/library)

HALIFAX,  
NOVA SCOTIA,  
CANADA

YOU WILL STUDY IN A CITY  
THAT HAS ONE OF THE MOST  
EDUCATED POPULATIONS IN  
CANADA

Located just minutes from downtown Halifax, the Mount offers the best of both worlds. You can enjoy the beautiful campus, which boasts wildlife, lush greenery, trails and a view of the Bedford basin. And you can take a short trip downtown where you can enjoy shopping, waterfront cafes, theatre, and the exciting nightlife of the cultural heart of Atlantic Canada.

Founded in **1749**  
Halifax was named in honour of  
*Lord Halifax*, head of England’s  
Board of Trade.

Halifax is home to  
more than  
**370,000**  
residents.

**65%**  
of the city’s  
population is **under**  
**45 years of age.**

**HALIGONIAN: A RESIDENT OF HALIFAX.** A FACT THAT **HILLARY  
RODHAM CLINTON** FOUND “REMARKABLE” WHEN SHE RECEIVED HER  
HONORARY DEGREE FROM THE MOUNT.

Halifax is closer to  
**Dublin, Ireland**  
than it is to  
**Vancouver, Canada.**

*You will smell the salt air.*  
HALIFAX IS A MAJOR PORT CITY ON  
THE ATLANTIC OCEAN.

ATHLETICS AND RECREATIONS

YOU WILL HAVE A HEALTHY BODY TO FUEL YOUR HEALTHY MIND.

You will get stronger. Our fitness centre offers classes, personal weight-training and fully equipped gym facilities. You will learn to dance. Learn to Salsa, Argentine Tango, Flamenco. We also have Zumba. It's no cliché: a strong body fuels a strong mind. Karate, Tae Kwon Do, self-defence or fitness certifications may suit your style.

If you have a more competitive side, give our intramural program a go. The roster includes badminton, basketball, hockey, volleyball and more. Take on your old friends and meet new ones.

In 2009-2010, our varsity teams claimed  
**4** ACAA CHAMPIONSHIP TITLES.  
**6** ACADEMIC ALL CANADIANS.  
**3** CCAA ALL CANADIANS.  
**1** CCAA SILVER MEDAL.

Adam Jewkes, Amy Peverill, Emily Burke, Graham Krieg, Jamie Brown, Sarah Parker

A serious athlete? We've got the goods for you too: The Mount Mystics. You will excel. Be a part of one of our five varsity teams (women's basketball, volleyball and soccer; men's basketball and soccer). In 2009-2010, our teams earned four ACAA championship titles. You will be among the best. Our women's basketball team also won the CCAA Silver Medal. Six athletes were SIRC CCAA Academic All Canadians and three were CCAA All Canadians.

You will get in on the action.  
All Mount students attend varsity games for free.

For more information visit [msvu.ca/athletics](http://msvu.ca/athletics)

VOLUNTEERING

The Mount is known for its commitment to social justice and giving back to our community, our country and our world. You will roll your sleeves up. There are plenty of ways to get involved. With fundraising events, societies and clubs, or traveling abroad to countries in need, you will find your passion. And you will build your resume and portfolio for future job prospecting.

This fall, the Mount will launch the Co-Curricular Recognition Program. It's a non-academic record of all volunteer and leadership activities our students take part in. Once you begin your Co-Curricular Record, you can request a copy at any time to add to your resume and portfolio.

You will also be recognized. Each year, the Mount's Students' Union holds an award ceremony to celebrate our students' volunteer, fundraising, athletic and academic achievements.

**Some of the on and off-campus opportunities:**  
*The following are just a few of the clubs and societies you can get involved with at the Mount. Check the Students' Union website at [mountstudents.ca](http://mountstudents.ca) to learn more.*

- **S.A.V.E MSVU** (Students Advocating Visions of the Environment)
- **International Students' Society**
- **Residence Society**
- **SIFE** (Students in Free Enterprise)
- **Best Buddies Society**
- **Mount Christian Fellowship**
- **CAFP** (Canadian Association of Food Service Professionals)
- **Arabic Society**
- **Young Liberals Society**
- **iLearn Society**
- **English Society**
- **History Society**
- **Psychology Society**
- **Science Society**
- **Canadian Studies Society**
- **Business and Tourism Society**
- **Political Studies Society**

Mount student **Caitlin Green** traveled to Haiti post earthquake to volunteer at an orphanage as part of Hero Holiday, a global humanitarian relief program with Absolute Leadership Development Inc.

WORKING

There are plenty of great jobs for students on and off-campus. You will earn money while you study. Career Planning Services can help you find a job that's perfect for you. We have a Student Works Program too. Students who demonstrate financial need can apply for on-campus positions that are part-time during the academic year and full-time in the summer. These positions are posted online in September and April.

If you're an international student, you can work on campus as soon as you arrive and off campus once you've studied full-time for six months.

For more information visit [msvu.ca/careerplanning](http://msvu.ca/careerplanning)

INTERNATIONAL STUDY OPPORTUNITIES

From here to there and back again.....

You will broaden your horizons through international study opportunities. Imagine experiencing the cultures of Spain, Russia, Korea, Sweden, Estonia, France, the UK and Denmark. You can spend a semester or up to a year strolling their streets. You will explore differences and similarities, develop leadership skills and prepare for an international career all while earning credits toward your degree.

You will bring back life changing experiences, fresh perspectives and a wealth of knowledge.

For more information visit [msvu.ca/exchange](http://msvu.ca/exchange)

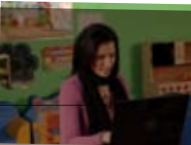

CO-OPERATIVE EDUCATION

For more information visit [msvu.ca/co-op](http://msvu.ca/co-op)

You will give yourself the best shot at scoring the job you want. As a co-op student, you will have at least one full year of paid work experience, a great resume and an impressive portfolio when you graduate. Co-operative education is a valuable part of the Business Administration, Public Relations and Tourism and Hospitality Management programs. More than 80% of 2008 and 2009 co-op grads landed a job in their field of study within six months of graduation.

That's not the full story though. You will enjoy a break from the classroom, develop a network of employer contacts and be better prepared for the work force. Co-op students alternate academic terms with a variety of employers from government, private and not-for-profit sectors.

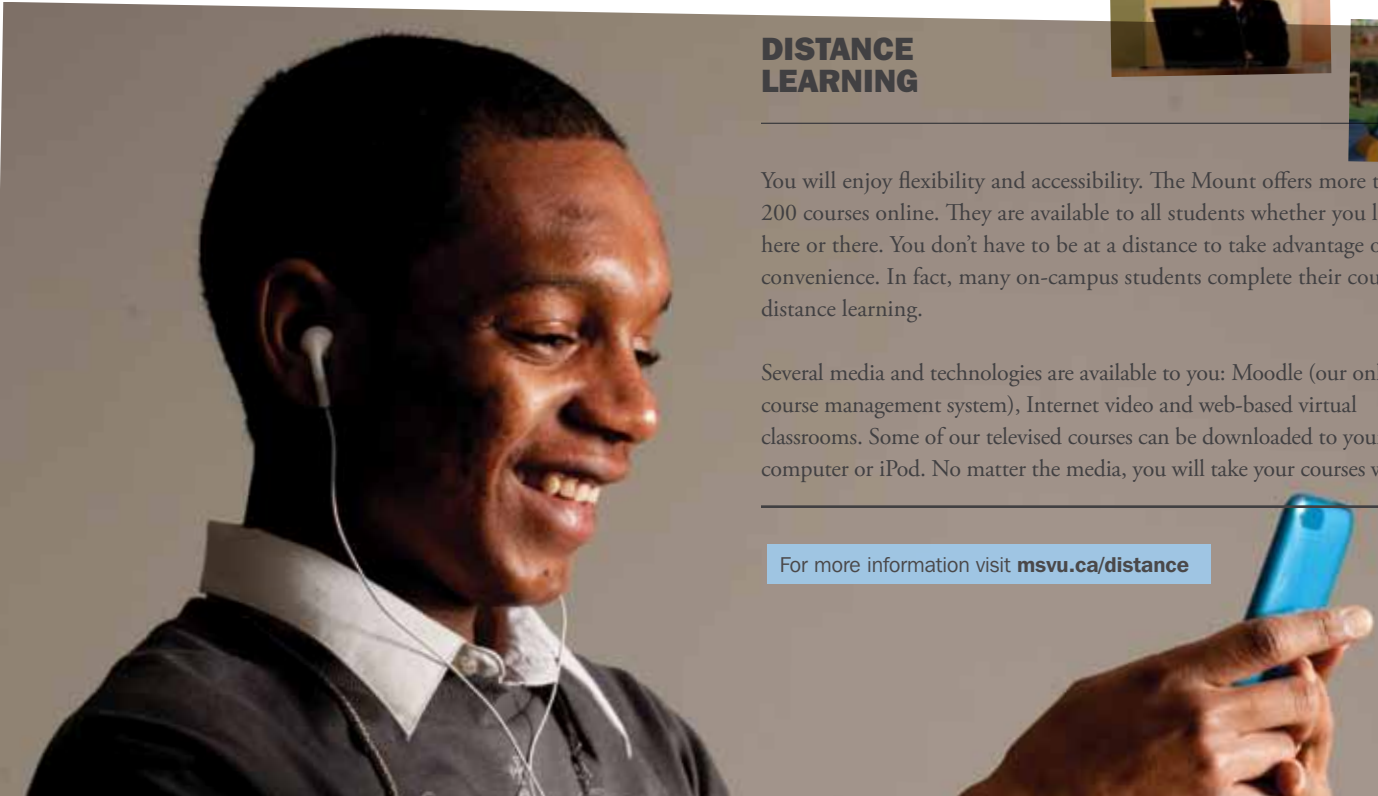

DISTANCE LEARNING

You will enjoy flexibility and accessibility. The Mount offers more than 200 courses online. They are available to all students whether you live here or there. You don't have to be at a distance to take advantage of the convenience. In fact, many on-campus students complete their courses via distance learning.

Several media and technologies are available to you: Moodle (our online course management system), Internet video and web-based virtual classrooms. Some of our televised courses can be downloaded to your computer or iPod. No matter the media, you will take your courses with you.

For more information visit [msvu.ca/distance](http://msvu.ca/distance)

# THE MOUNT COMMUNITY

## YOU WILL BE A PART OF A DIVERSE COMMUNITY.

### INTERNATIONAL STUDENTS

You will join a community of students from 60 countries who have chosen the Mount for our specialized programs, world-class education and exceptional university experience. We want you to be comfortable here right from the start. We will pick you up at the airport, answer your questions about visas, immigration policies and finding work and help you adjust to a new culture and environment. You will be eligible to apply for all of our entrance scholarships and invited to attend our International Student Orientation Event which happens each year in late summer.

If English isn't your first language, you can participate in free language tutorials and may be eligible for the University Bridging Program. You will be part of a very active International Student's Society and a large international community on-campus and in Halifax. For more information on our language requirements visit [msvu.ca/beamountstudent](http://msvu.ca/beamountstudent).

### MATURE STUDENTS

You will join a community that is well-known for supporting mature students. Your classmates could range in age from 17 to 70. We know going back to school can be a challenge, but the opportunities are often endless. We will help you make your university experience as valuable and rewarding as possible right from the start. From Distance Learning to flexible class schedules, you will study at your own pace. Academic Advisors, the Mature Student Society and Office of Student Experience are all readily available to you. You will get the information and support you need to improve your study skills, balance education, work and family, plan a career transition, and more.

At the Mount, mature students are applicants who may or may not have completed high school and have not completed course work at a college or university. You may be eligible for bursaries and other financial aid and if you have significant work experience, you may get credit for it.

### TRANSFER STUDENTS

You will make the most of what you've already earned. Transfer students can apply their completed credits to fulfill up to 50% of a programs' requirements. The three step process is easy. Step one: Apply (your credits will be accessed after acceptance). Step two: Meet with an academic advisor. Step three: Register for courses. Advising and registration dates are announced throughout the year. You may be eligible for bursaries.

At the Mount, transfer students are those students who have completed any university or college credit. If you're in the Canadian Forces, you can also be considered a transfer student at the Mount and may receive credit for your work experience and previous post-secondary studies.

*The Mount has transfer agreements with many community colleges, for example:*

- Nova Scotia Community College – Bachelor of Business Administration, Bachelor of Tourism and Hospitality Management (Practica Route), Bachelor of Arts (Child and Youth Study)
- New Brunswick Community College – Bachelor of Business Administration
- Holland College – Bachelor of Business Administration, Bachelor of Tourism and Hospitality Management (Practica Route)
- Bermuda College, Bachelor of Arts (Child and Youth Study), Bachelor of Business Administration

For more information on becoming a Mount student visit [msvu.ca/beamountstudent](http://msvu.ca/beamountstudent)

PROGRAMS

YOU WILL FIND YOUR WAY. Not just the shortest routes between classes, but the best spots to study, the most fun places to be, and where you can meet up with your friends for coffee. The Mount is a small university with a reputation for academic excellence. YOU WILL JOIN A COMMUNITY OF STUDENTS who, like you, want to make the best of their university experience. YOU WILL KNOW YOUR PROFESSORS' NAMES AND THEY WILL KNOW YOURS. Our classes are among the smallest in Canada. YOU WILL GET YOUR QUESTIONS ANSWERED AND YOUR VOICE HEARD. YOU WILL EXPLORE ONE OF A KIND COURSES AND PROGRAMS. The Mount's BSc (Science Communication) is the first of its kind in Canada. So too is the Master of Public Relations. Our courses will challenge you to think, consider, debate and decide. YOU WILL WELCOME NEW IDEAS AND FRESH PERSPECTIVES. YOU WILL BROADEN YOUR HORIZONS. We offer study abroad opportunities to countries like France, Spain, Korea, Sweden, Estonia. At the Mount, YOU WILL INTERACT WITH STUDENTS FROM 60 COUNTRIES. YOU WILL FIND YOUR HOME AWAY FROM HOME. Many residence-living options are available. YOU WILL LIVE WELL THANKS TO MODERN FACILITIES, FLEXIBLE MEAL PLANS AND AN EMPHASIS ON COMMUNITY. YOU WILL HAVE FUN. We have the Charity Ball, the Mount Cup, midnight movies, Vinnie's Pub and more. YOU WILL GET STRONGER. The Mount Fitness Centre is free for full-time students and our robust intramural program is open to all. In 2009-2010, our varsity teams earned four ACAA championship titles. YOU WILL GET IN ON THE ACTION. All Mount students attend varsity games for free. YOU WILL BE PREPARED FOR LIFE AFTER THE MOUNT. Most programs focus on experiential learning, offering opportunities to gain and apply skills in a research or professional setting. If you're a co-operative education student, YOU WILL GET A FULL YEAR OF PAID WORK EXPERIENCE BEFORE YOU GRADUATE. YOU WILL GIVE YOURSELF THE BEST SHOT at the exciting, demanding and rewarding career you're looking for. YOU WILL HAVE PLENTY OF OPPORTUNITIES TO MAKE A DIFFERENCE. The Mount is proud of its unparalleled social impact and commitment to developing thoughtful, engaged citizens who make a positive impact on their communities. The Mount is simply a great university where YOU WILL BE WELCOMED SUPPORTED AND CHALLENGED so you have the absolute best university experience possible.

# APPLIED HUMAN NUTRITION

YOU WILL GAIN THE KNOWLEDGE AND SKILLS TO IMPROVE PEOPLE’S HEALTH AND WELL-BEING AND CONTRIBUTE TO COMMUNITY HEALTH.

The Bachelor of Science in Applied Human Nutrition prepares you for the professional practice of dietetics or for a range of careers in nutrition. Hands-on-learning is at its core so you will get out of the classroom and into work placements, research projects and professional association activities. You will have many and varying learning opportunities.

There are two programs for you to consider: Dietetics and Nutrition. If you’re thinking of a career as a registered dietician, Dietetics is for you. You will complete up to a year’s worth of internship hours. Luckily, the Mount offers one of the largest dietetic internship programs in Canada. If you’re open to other career options, Nutrition may be best. Nutrition is for students who want to combine nutrition studies with more electives. You will be prepared to work with commodity marketing boards, in food retailing, government, agriculture and more.

## POPULAR COURSES:

Nutrition for Fitness and Sport (NUTR 2300). *You will maximize physical performance.*

Nutrition Education in the Community (NUTR 4414). *You will learn about the role of food in building healthy communities.*

Food and Nutrition for Successful Aging (NUTR 3330). *You will contribute to keeping our aging population healthy.*

YOU WILL BE A...

NUTRITIONIST  
EDUCATOR

RESEARCHER

PROFESSIONAL DIETITIAN

POLICY ANALYST

COMMUNITY BUILDER

# ARTS

YOU WILL DECIDE FOR YOURSELF *AND YOU WILL FIND WHAT’S RIGHT FOR YOU.*

Pursuing a Bachelor of Arts (BA) challenges you to think, consider, debate and decide. You will explore the world through a range of subjects, disciplines and approaches and be prepared for a future of adventure and experience. A BA promotes independent and creative thinking and provides a range of skills founded on effective research, analysis and communication. You will build a foundation for further academic study in a field of your choice – the options are diverse and endless. You can even explore the option of taking a professional minor in Applied Human Nutrition, Business Administration, Child and Youth Study, Communications Technology, Information Technology or Tourism and Hospitality Management.

## POPULAR COURSES:

Writing to Influence (WRIT/ENGL 2220). *You will mobilize the masses.*

The Family Life Cycle (SOAN 2222). *You will really understand how your family functions.*

History of the Maritime Region (HIST 2230/2231). *You will learn the roots of Maritime culture*

## THERE ARE FOUR BA OPTIONS:

### BA (general studies)

Three years of wide-open exploration. You will find something you like.

### BA with a major

Drill down. You will make a choice. Once you’ve decided what you like, choose up to half of your courses in that area.

### BA with a combined major

This is for you if one major is not enough. You will take two. Choose an area from arts and another from arts or science.

### BA with honours

Focus on what you love. Really get to know a subject and prepare yourself for post-graduate studies in that area. You will become a know it all.

*\*Some of these careers may require further study.*

\*YOU WILL BE A...

POLICY ANALYST

SOCIAL WORKER

TEACHER

PROJECT MANAGER

LIBRARIAN

COUNSELLOR

TRANSLATOR

RESEARCHER

WRITER

EDITOR

PUBLIC ADMINISTRATOR

# BUSINESS ADMINISTRATION

For more information visit [msvu.ca/business-tourism](https://msvu.ca/business-tourism)

YOU WILL MASTER THE FUNDAMENTALS OF BUSINESS.

The Bachelor of Business Administration (BBA) will provide you with a specialized education in the principles and the practices of business management. The study of marketing, human resources, economics, management and accounting/finance is fundamental to the program. If you are a co-operative education student, you will get a full year of paid work experience before you graduate. You will also build a professional portfolio and an impressive resume.

**POPULAR COURSES:**

Principles of Marketing (BUSI 2230). *You will know what makes and breaks a business.*

Small Business Management (BUSI 3311). *You will discover your entrepreneurial spirit.*

Human Resource Management (BUSI 3313). *You will examine the power of people in the modern organization.*

YOU WILL BE A...

HUMAN RESOURCE MANAGER  
MARKET RESEARCH ANALYST  
FINANCIAL ADVISOR  
ACCOUNTANT  
BRAND AND PRODUCT MANAGER  
SALES MANAGER  
ENTREPRENEUR

THERE ARE THREE BBA OPTIONS:

**BBA (general studies)**

**BBA with a major in accounting, management or marketing**

**BBA with a concentration in one of seven areas: accounting, economics, management, marketing, tourism and hospitality management, French, or Spanish**

# CHILD AND YOUTH STUDY

For more information visit [msvu.ca/child\\_youth](https://msvu.ca/child_youth)

YOU WILL BE PREPARED FOR A VARIETY OF ROLES WORKING WITH CHILDREN, YOUTH AND THEIR FAMILIES IN A RANGE OF SETTINGS.

The Bachelor of Arts (Child and Youth Study) offers you practical and theoretical knowledge of children and youth. You will put your knowledge to good use, working with children and youth in hospitals, residential programs, childcare settings and schools.

The Bachelor of Arts (Child and Youth Study) program offers both theoretical and practical knowledge with an emphasis on continuous learning, communication and critical thinking skills. The program requires more than 500 hours of supervised practicum experiences in settings that often employ graduates. Diverse child care centres, preschools, family centres, early intervention programs, youth programs, and health care settings host our students and provide experiences and insight into the professional life of child and youth care workers. You will also be prepared to study further in social work, education, speech and language and occupational therapy or go on to take the Master of Arts in Child and Youth Study at the Mount. The Child and Youth Study degree is unique in Atlantic Canada and welcomes students from across Canada and around the World.

**POPULAR COURSES:**

Play, Recreation and Development (CHYS 3312). *You will learn the benefits from opportunity to play.*

Issues in Programs for Children with Special Needs and Their Families (CHYS 3301). *You will learn about human diversity and inclusive programming.*

Youth Care: Theory and Issues (CHYS 3320). *You will understand youth and the role of helping supports.*

YOU WILL BE A...

DAYCARE ADMINISTRATOR  
YOUTH CARE WORKER  
EARLY CHILDHOOD EDUCATOR  
EARLY INTERVENTIONIST

# EDUCATION

YOU WILL DEVELOP THE SKILLS AND STRATEGIES YOU NEED TO BE A CREATIVE AND INSPIRING TEACHER.

Whether you pursue the Bachelor of Education (BEd) in Elementary Education or in Secondary Education, you will learn how to support student achievement in today's diverse and inclusive classrooms.

The BEd program equips you with a solid foundation in core curriculum subjects like Math, Language and Visual Arts, Social Studies and Science. If Secondary Education is your choice, you will specialize in two of the core curriculum subjects. Throughout the program, you will build on this foundation, gaining the expertise and confidence to encourage a love of learning among students with a range of learning styles. Bet your favourite teacher did that for you!

The BEd is a two-year program for which you must already have an undergraduate degree to enter. For most, it provides professional preparation to become certified to teach for the public schools. For others, it leads to graduate studies in education, in such fields as curriculum studies, educational psychology, or educational foundations.

## POPULAR COURSES:

Technology in Education (EDUC 5350). *You will learn to apply the latest technology available to teachers to support student learning.*

Nunavut: Education through Tradition and Change (EDUC 5508). *You will explore the challenges and rewards of teaching in Canada's North.*

Parents and Partners (EDUC 5502). *You will learn how to engage parents and families in helping their children reach their educational potential.*

YOU WILL BE A...

EDUCATION ADMINISTRATOR  
ADULT EDUCATOR

EARLY CHILDHOOD EDUCATOR

COUNSELLOR  
PUBLIC OR PRIVATE SCHOOL  
TEACHER

LEARNING MENTOR

# PUBLIC RELATIONS

YOU WILL WRITE, EDIT, FILM, TEXT, PLAN, MEASURE AND GAIN GREAT WORK EXPERIENCE.

Graduates of the Bachelor of Public Relations (BPR) are sought after across Canada for their highly developed writing, editing, research, communications and strategic planning skills. Through co-operation education, you will get 12 months of paid work experience before you graduate.

The Mount's BPR program is the premiere credential for public relations and corporate communications professionals in Canada and is recognized internationally. You will have the best shot at the exciting, demanding and rewarding career you're looking for. Pursuing a BPR prepares you to work in government, private and not-for-profit sectors, building and maintaining relationships with the people that matter most to them.

## POPULAR COURSES:

Mass Media and Public Opinion (PBRL 3013). *You will analyze the power and role of media in society.*

Audio Visual Communication (PBRL 2015). *You will produce effective video, photography and text messages.*

Special Topics: Social Media (PBRL 4405). *You will critically evaluate social media tools.*

YOU WILL BE A...

COMMUNICATIONS ADVISOR

MARKETING COMMUNICATIONS SPECIALIST

ACCOUNT EXECUTIVE  
EVENT PLANNER  
CAMPAIGN MANAGER

SPECIALIST IN INVESTOR RELATIONS

CONSULTANT

WRITER

PUBLIC RELATIONS MANAGER

# SCIENCE

YOU WILL MAKE NEW DISCOVERIES.

To many, science is at the root of all we know. Its namesake even stems from the Latin word *scientia*, meaning knowledge. A Bachelor of Science (BSc) will give you a solid foundation for a career in ecology, education, health, oceanography, research and much more.

You will get your hands dirty. Likely your lab coat too. Our newly renovated and fully equipped labs are ripe for experimentation. They are home to research studies in biology, chemistry, ecology, mathematics and psychology. You will help create knowledge. Mount students have won international and national scholarships for their work.

## POPULAR COURSES:

Environmental Chemistry (CHEM 2505). *You will make safe drinking water.*

Human Anatomy and Physiology (BIOL 2205). *You will begin to understand how the body works.*

Forensic Psychology (PSYC 3305). *You will study the criminal mind.*

\*YOU WILL BE A...

DENTIST  
DOCTOR  
COMPUTER PROGRAMMER  
PSYCHOLOGIST  
RESEARCHER  
TEACHER  
VETERINARIAN  
PHARMACIST  
DEVELOPMENTAL WORKER

## THERE ARE FOUR BSc OPTIONS:

### BSc (general studies)

Three years of wide-open exploration. You will find something you like.

### BSc with a major

Drill down. You will make a choice. Once you've decided what you like, choose up to half of your courses in that area.

### BSc with a combined major

This is for you if one major is not enough. You will take two. Choose an area from science and another from arts or science.

### BSc with honours

Focus on what you love. Really get to know a subject and prepare yourself for post-graduate studies in that area. You will become a know it all.

*\*Some of these careers may require further study.*

# SCIENCE COMMUNICATION

NEW PROGRAM

YOU WILL UNDERSTAND SCIENCE ISSUES AND BE ABLE TO TRANSLATE THIS FOR A WIDE VARIETY OF AUDIENCES.

The Bachelor of Science (Science Communication) is the Mount's newest program. It's an interdisciplinary 4-year science communication degree – and it's unique in Canada. The Science Communication program provides you with the skills to think critically, problem-solve, present, plan and implement communication campaigns all while becoming science literate with a deeper knowledge in your choice of chemistry, biology or psychology. You will fill a gap in Canada's need for science communicators and develop an exciting career for yourself.

## POPULAR COURSES:

Foundations of Science Communication (COMM 1505). *You will learn the who, what, when, where, why and how of science communication as a discipline.*

Ethics in Public Communication (COMM 3017). *You will learn about ethical choices that public communicators have to make every day.*

Science Communication and Media: Issues, Risks and Crisis (COMM 4500). *You will learn how to deal with the media in times of crisis and beyond.*

\*YOU WILL BE A...

RESEARCHER  
DOCUMENTARY MAKER  
ENVIRONMENTALIST  
PHYSICIAN  
SCIENCE WRITER  
HEALTH ACTIVIST  
RESEARCH COORDINATOR  
EDUCATOR  
LAWYER

*\*Some of these careers may require further study.*

# TOURISM AND HOSPITALITY MANAGEMENT

YOU WILL BE PART OF A GROWING PROFESSIONAL FIELD THAT OFFERS ENDLESS CAREER OPPORTUNITIES.

The Bachelor of Tourism and Hospitality Management combines practical business principles with tourism and hospitality theory. It offers a full year of paid co-operative work experience and the option to specialize in Hospitality Management or Tourism Development. You will build a solid foundation in finance, economics and marketing and be ready to take on a management position. Transfer students will have the option to choose two practica terms in place of co-operative education work terms.

The Mount was the first university in Canada to establish a program dedicated to Tourism and Hospitality Management. We rightly anticipated the potential of the field! The tourism industry is one of the fastest growing sectors in the world. There are already 1.65 million people working in the industry in Canada. That number is expected to grow to 1.95 million this year (according to the Canadian Tourism Human Resource Council). You can also choose to specialize in French or Spanish should you choose to pursue an exciting global career.

POPULAR COURSES:

Event and Meeting Management (THMT 3323).  
*You will plan and manage the hottest event in town.*

Beverage Management (THMT 3317).  
*You will choose the right merlot, chardonnay, pinot grigio.*

International Travel and Tourism (THMT 3305).  
*You will examine the five Ws of international travel.*

YOU WILL BE A...  
TOURISM DEVELOPMENT OFFICER  
RESTAURANT MANAGER  
HOTEL MANAGER  
AIRLINE SALES AND SERVICE AGENT  
CONFERENCE AND EVENT PLANNER

ENTREPRENEUR  
FLIGHT ATTENDANT

CATERING MANAGER

# ADMISSIONS REQUIREMENTS *by Province*

General admission requirements to the Mount if you've graduated from a Canadian high school:

Grade 12 English with a minimum grade of 65%. Four additional Grade 12 academic subjects with a minimum grade of 60%. Overall average of 70% (students with an average of 65% to 69% are considered on a case-by-case basis).

Special Admission Information for International, Mature and Transfer Students.

**International students** must have completed high school with university preparatory level courses and must submit the official transcripts. If English is not your first language, you must have an acceptable score in the Test of English as a Foreign Language (TOEFL), Michigan English Language Test, CanTest, the International English Language Training Systems (IELTS), or the Canadian Academic English Language Test (CAEL).

**Mature students** must meet with an academic advisor and submit an official transcript of their high school marks to the Admissions Office.

**Transfer students** must submit transcripts of all post-secondary education and course descriptions. You must also be in good academic standing, with a GPA of at least 2.0 or 70%, and meet individual program requirements. Please note that transfer credits not under a 2+2 or articulated agreement are assessed on an individual basis after you have been accepted to the Mount. For individual assessments, non-2+2, or articulated agreements, course descriptions are required prior to assessment. You can transfer 50% of a program.

**International Baccalaureate Students** will be accepted with a predicted score of 24 or above. Advanced university credit may be granted for particular Higher Level courses with scores of 5, 6 or 7. Students can receive up to one year of university credit.

## PROGRAMS

Bachelor of Arts

Nova Scotia

- Overall average of 70%
- Gr. 12 academic English mark of 65% or higher
- 4 additional Gr. 12 academic courses
- No individual mark below 60% (in any of the 5 academic courses)

Bachelor of Science

- Overall average of 70%
- Gr. 12 academic English mark of 65% or higher
- Gr. 12 academic Science
- Gr. 12 academic Math
- 2 additional Gr. 12 academic courses
- No individual mark below 60% (in any of the 5 academic courses)

Bachelor of Science  
(Applied Human Nutrition)

- Overall average of 70%
- Gr. 12 academic English mark of 65% or higher
- Gr. 12 academic Chemistry
- Gr. 12 academic Math
- 1 additional Gr. 12 academic Science
- 1 additional Gr. 12 academic course
- No individual mark below 60% (in any of the 5 academic courses)

Bachelor of Science  
(Science Communication)

- Overall average of 70%
- Gr. 12 academic English mark of 65% or higher
- Gr. 12 academic Math
- 3 additional Gr. 12 academic courses
- No individual mark below 60% (in any of the 5 academic courses)

Bachelor of Business  
Administration

Bachelor of Tourism and  
Hospitality Management

- Overall average of 70%
- Gr. 12 academic English mark of 65% or higher
- Gr. 11 academic Math
- 4 additional Gr. 12 academic courses
- No individual mark below 60% (in any of the 5 academic courses)

Bachelor of Arts  
(Child and Youth Study)

- Overall average of 70%
- Gr. 12 academic English mark of 65% or higher
- Gr. 12 academic Math
- 3 additional Gr. 12 academic courses
- No individual mark below 60% (in any of the 5 academic courses)

# TUITION AND OTHER FEES

For more information visit [msvu.ca/financialaid](https://msvu.ca/financialaid)

## ESTIMATED COSTS BASED ON 2010-2011 FIGURES FOR A FULL-TIME STUDENT (5 COURSES).

### Average costs for September to April for a full-time student

Tuition	\$5,550 – \$5,855
Students’ Union Medical & Dental*	\$386.05
Textbooks & supplies	\$800 – \$1,200 (depending on program)
Students’ Union fees	\$167.30
Other fees	\$153.50

\* *The medical and dental plans are mandatory for all full-time on-campus undergraduate students unless you are covered under an alternate health and/or dental plan. An opt-out process is available if you have the alternate coverage.*

Residence	
Single (Birches 1 - 4 or Assisi Hall)	\$7,550 (includes meal plan)
Double (Assisi Hall)	\$6,870 (includes meal plan)
Single (Birch 5 mature/international)	\$5,060 (plus \$675 meal plan)
Single (Westwood)	\$8,250 (includes meal plan)
Apartment (Westwood, per occupant)	\$5,820 (plus \$675 meal plan)

### International Students

International Student Differential	\$1059/unit of credit or \$5295 for 1 year, 5 credits
Health Plan**	\$602.25

\*\* *International students are required to take the International Student Health Plan unless they are covered by MSI (Nova Scotia’s provincial health plan). An opt-out process is available for those students who have MSI coverage, in which case the student will be assessed for the Students’ Union Medical and Dental Plan.*

## NOVA SCOTIA TUITION REDUCTION PROGRAM

For the period from September 1, 2010 to August 31, 2011, all Nova Scotia students (as determined by a definition established by the province) are entitled to a \$256.60 per credit tuition credit, in the form of a bursary, from the Nova Scotia Provincial Government. Other Canadian students will receive a tuition credit in the amount of \$52.20 per credit. This reduction is not reflected in the fees above.

## FINANCIAL ASSISTANCE

You will make a big financial investment in your future. Thankfully, there are many finance and payment options available to you. The Financial Aid Office will help you with student loans, lines of credit, bursary applications and budgeting. Staff will offer advice, suggestions and great tips. For example, there are national/ regional databases of scholarships and bursaries you should check out: [scholarshipscanada.com](http://scholarshipscanada.com), [studentawards.com](http://studentawards.com) and [aucc.ca/scholarships](http://aucc.ca/scholarships). You will make the right financial decisions. For more information visit [msvu.ca/financialaid](https://msvu.ca/financialaid).

## SCHOLARSHIPS

The Mount offers more than \$1 million in scholarships and bursaries annually. You will be guaranteed an entrance scholarship if you are a high school (domestic and international) applicant with an 80% or higher GPA/average and if you apply by March 15th. Entrance scholarships may be available to transfer students as well.

We apply a simple formula to calculate the average for entrance scholarships: We use your most current transcript (received by March 15). The scholarship average is drawn from your top five grade 12 academic marks; one of which must be English (if English 12 is not yet available, English 11 will be used). If your grade 12 academic marks are not yet available, we will use your top grade 11 academic marks to round out your top five. For more information visit [msvu.ca/scholarships](https://msvu.ca/scholarships).

# WHAT'S *next*

## CONNECT.

There are plenty of ways to stay connected with the Mount, gather the information you need, and meet and connect with students just like you.

You will find links to the Mount's Facebook, Twitter, YouTube and Flickr pages at [msvu.ca/beamountstudent](http://msvu.ca/beamountstudent). In addition, you will find a new microsite where you can create your own page so you can receive information about Mount programs, services and events.

## VISIT.

The best way to learn about the Mount is to come see us for yourself. There are plenty of opportunities for you to visit:

### A Personalized Tour

You will customize your tour. Maybe you will meet with a prof from the program of your choice, sit in on a class, lunch with a current student and chat with a rep from athletics, student union, residence society or another department from which you want more information.

### Open Campus Day (November 5, 2010)

You will get a glimpse of student life and chat with many Mount students who are eager to answer your questions and show you around.

### Explore the Mount (March 4, 2011)

You will get your most detailed questions answered, know whether you've been accepted thanks to an on-the-spot application process, attend presentations by professors in your top program choices and get tips on how to make the best of your university experience.

For more information or to book a tour, e-mail [tours@msvu.ca](mailto:tours@msvu.ca) or call 902-457-5540

## APPLY.

Apply online at [msvu.ca/apply](http://msvu.ca/apply)

Application fees can be paid online, in person, by mail or over the phone. If you're a high school student, we need your most up to date official high school transcript. For transfer students, we need an official, sealed transcript for each institution you have attended. If you're applying as a mature student you must meet with an academic advisor and submit an official high school transcript. Also, if you're applying for the Bachelor of Education program or one of our Master degree programs, don't forget to complete the supplemental package.

Keep us up to date! If you are in school, send us another transcript when your first semester grades are available. We will add it to your application. If you're a high school student, these are the marks we will use for the scholarship pool.

## SCHOLARSHIP CONSIDERATION

The entrance scholarship deadline is March 15. You will be automatically considered for an entrance scholarship if you submit a completed undergraduate application to the Mount by that date. If you applied earlier in the school year, send us your most recent transcript.

The Presidential Scholarship, the Student Leadership Award and more awards are available. To be considered for these, you must complete a separate application.

Transfer students who come to the Mount through articulation agreements with the Nova Scotia Community College, Holland College and the New Brunswick Community College will be assessed for entrance scholarships.

If you are a graduate student, you can get more info on scholarships in the supplemental package included with your application.

For more information visit [msvu.ca/scholarships](http://msvu.ca/scholarships).

## SECURE YOUR SPOT

Once you've been accepted to the Mount, a \$100 deposit secures your spot. Apply to residence, and in the spring you can register early for your fall and winter classes. You can pay your deposit by phone (902-457-6117), in person, by mail (see backpage of Viewbook for address), or by emailing [confirmation@msvu.ca](mailto:confirmation@msvu.ca)

## APPLY FOR RESIDENCE

You can complete the application quickly and easily online; we start processing the applications in early March and will get back to you as soon as possible with your room assignment. For more information visit [msvu.ca/residence](http://msvu.ca/residence).

## REGISTER FOR CLASSES

Early advising and registration is your first opportunity to register for fall and winter classes. Keep an eye out for your personal invitation for this event. If you aren't able to participate, individual advising and registration appointments will be available.
