

International Education Centre Renewing your Temporary Resident Visa under PGWP status

You may have to apply to renew your TRV if your will expires soon and you want to leave the country. If your passport is expiring, it is best that you renew your passport before applying for a TRV. Moreover, you must wait to have a valid PGWP before applying for your TRV. You can renew your TRV in Canada by applying online and sending your passport to Ottawa.

1. Log in to your online immigration account using GKey or Sign-in Partner

**If you are a new user, you will need to create your account through GKey or Sign-in Partner.*

NOTE: Save your username and password. Consider taking a screenshot of all your security questions and answers to avoid getting locked out of your account. Once you are locked out of your account, you will never be able to access it ever again.
