

HALIFAX, NOVA SCOTIA

TEAM WORK COOPERATIVE

It is our mission to facilitate inclusive employment and workplace opportunities for people in Nova Scotia

We work with passion and commitment to keeping our clients' best interests at the forefront at all times.

TWC provides FREE services that could help you:

- connect with employers
- access job postings that are not available online
- create resumes and cover letters that stand out
- prepare for interviews through our mock interview services
- optimize your LinkedIn profile to better connect to people and opportunities
- develop your job search skills (networking strategies; interview skills;...)
- access a variety of funding opportunities (GTO, START,...)
- and many more!

Steps we take together to help you REACH YOUR GOAL and SUSTAIN YOUR SUCCESS:

1. Fill out an intake form to become a member and meet with a career professional
2. Work with your case manager to determine your needs and develop an action plan
3. Attend workshops to develop job search skills that could benefit you
4. TWC staff work together to help you reach your goal, including finding employment, returning to school, becoming self-employed, etc.
5. TWC offer employment support services to continue helping you after you've reached your goal
