

## Graduate Application Checklist

### Master of Arts in School Psychology

The Master of Arts program in School Psychology is a specialty program which prepares students to enter the profession of school psychology

*Note to applicants regarding psychology and other possible registration/licensing/certification requirements:* Applicants to the program should be aware that these requirements vary in each province/territory. Furthermore, some provinces do not permit school psychologists to work in schools without an undergraduate degree in education in addition to their preparation in psychology. Applicants are advised to consult with the provincial/territorial registration/licensing boards and with potential employers to determine specific requirements.

Please follow the checklist below to ensure that you submit a complete graduate application package. Non-disclosed transcripts and missing application documents can significantly delay file reviews or result in applications being cancelled. All application supporting documents need to be received before the [application deadline](#).

Prior to admission, the most promising applicants may be interviewed to evaluate their understanding of and motivation for entry into the field of School Psychology.
