

Graduate Application Checklist

Master of Science Applied Human Nutrition Internship Education Program

Please follow the checklist below to ensure that you submit a complete graduate application package. Non-disclosed transcripts and missing application documents can significantly delay file reviews or result in applications being cancelled. All application supporting documents need to be received before the [application deadline](#).

Prerequisite Requirements

Before you apply please ensure that you have met the following prerequisite requirements as part of your undergraduate degree. Where there are deficiencies students may be conditionally accepted with the requirement of completing undergraduate degree prerequisite courses achieving a minimum B grade before they may begin their graduate studies.

Applied Statistics

Biochemistry

Sociology, Psychology or Communications

Physiology

3000 or 4000 level Human Nutrition Courses

Document Submission checklist

Official transcripts 4-year undergraduate degree in nutrition, dietetics, foods or related fields, e.g. health sciences, biology, biochemistry, health promotion/education, and nursing. CGPA of 3.0 or above.
