7. Bake the brownie bites in the preheated oven for 12 to 15 minutes or until a toothpick inserted into the center of a bite comes out clean.
8. Take the brownie bites out of the oven and cool in the muffin tray(s) for 10 to 15 minutes.
9. Take the brownie bites out of the muffin tray(s) by running a butter knife between the side of each bite and the wall of the tray. Then, use a fork to lift each bite out of the tray. Put the bites on a cooling rack or plate to finish cooling.
