

## Classes taught by full-time faculty, librarians and lab instructors – Winter 2024 semester

Last updated: February 13, 2024 – 2:15 pm

Below is a list of courses being taught by full-time faculty, librarians and lab instructors this semester. Should the MSVU Faculty Association choose to strike, these classes will be temporarily suspended. Because the MSVUFA has decided to strike, these classes will be temporarily suspended starting Monday, February 12 at 12 p.m. (noon).”

If your course is not on this list, that means that it is continuing as usual.

As some sections of a course may be cancelled while other sections may be going ahead, please pay careful attention to the section numbers of the courses on this list. If you’re unsure of your section number, please check myMount. If you have questions about which courses are affected that are not answered here, please email [registration@msvu.ca](mailto:registration@msvu.ca).

Please note that this list may be updated. Visit [msvu.ca/LabourRelations](https://msvu.ca/LabourRelations) for the most accurate list.
