

What to do before September: Parent/Supporter Checklist

- Talk with your student about drugs/alcohol, consent, and sexual violence prevention.
- Ensure your student is up to date on vaccines. Talk to your health provider about additional vaccines, including Hepatitis series and Meningococcal.
- Find housing for the academic year. Learn more about living on campus at www.msvu.ca/residence.
- Encourage your student to get started with Mount 101. This mandatory program will be available on their Moodle account in mid-July.
- Encourage your student to connect with their Mount Mentor (mount.mentor@msvu.ca). Mount Mentors are there to answer questions and support students throughout their entire first year at MSVU.
- Stay updated by following key accounts on social media.
 - Instagram: @msvu_halifax, @mount101__msvu, @msvu.orientation, @msvusu, @msvu_iec, @mountcampusrec. @msvu_caass
 - Facebook: Mount Saint Vincent University, Mount 101, MSVU Orientation, Centre for Academic Advising and Student Success, MSVU International Education Centre
 - TikTok: @msvutiktok, @mount101mentors
- Help your student fill out required forms and documents (e.g., residence agreements, proof of graduation, transcripts, etc.).

Finances

- Discuss finances and determine a realistic budget for the academic year.
- Prepare for payments and make note of tuition deadlines.
- Support your student as they apply for entrance bursaries, student loans, and confirm scholarship offers.
