The Direct Loan Program offers these types of loans for full time undergraduate and graduate students. Loan types offered are:

**Subsidized:** for students with demonstrated financial need, as determined by federal regulations. No interest is charged while a student is in school full time, during the grace period, and during deferment periods.

*Unsubsidized:* not based on financial need; interest is charged during all periods, including while in school and within the grace period.

**PLUS:** unsubsidized loans for the parents of dependent students and for graduate/professional students. Interest is charged during all periods. Graduate students must exhaust unsubsidized loan amounts before they are eligible to apply for a PLUS loan.

## **IMPORTANT – Please read before applying:**

- 1) Federal Pell Grants and Work Study are NOT available in Canada.
- 2) Taking ANY **distance/online** class makes you INELIGIBLE for all Federal Loan funding.
- 3) **First time loan borrowers** have to attend classes for 30 days BEFORE any funds can be released; ensure to have enough money to cover your first 6-8 weeks of school!

## Loans are calculated by the school and use this calculation:

Cost of attendance — Expected Family Contribution — Other Financial Assistance = Loan amount Note: loan amounts cannot exceed the total cost of attendance
