OF THE OTHER PART

WHEREAS by order of the Nova Scotia Labour Relations Board dated February 6, 1989, the Union was certified as the Bargaining Agent for a Bargaining Unit consisting of all full-time and regular part-time Maintenance and Housekeeping employees in the employ of the Employer, but excluding Supervisor of Maintenance, Grounds Supervisor, Assistant Supervisor of Housekeeping, Students and those persons excluded by paragraphs (a) and (b) of Sub-section (2) of Section I of the Trade Union Act;

AND WHEREAS the Bargaining Unit has been amended to exclude fulltime and regular part-time Maintenance employees;

AND WHEREAS the recognized Bargaining Agent has been amended by Order of the Nova Scotia Labour Relations Board to I.U.O.E. Local 721;

AND WHEREAS is recognized as the Bargaining Agent of all classifications listed in Schedule "A";

AND THEREFORE this Agreement witnesseth that the parties hereto hereby agree as follows:

ARTICLE 1 RECOGNITION AND UNION SECURITY

1.1 The Employer recognizes the Union as the exclusive collective bargaining agent for members of the Bargaining Unit as defined by the Certification Order of the Nova Scotia Labour Relations Board dated February 6, 1989, with respect to all matters properly arising under the terms of this Agreement. The Certification Order is attached to this Agreement as Appendix "A".

1.2 For the purposes of this Agreement:

- (a) "Union" means the International Union of Operating Engineers Local 721, Brownlow Avenue Dartmouth Nova Scotia, or such other address as the Employer is notified under the signature of the Recording-Corresponding Secretary of the Union.
- (b) "Employer" or "University" means Mount Saint Vincent University at 166 Bedford Highway, Halifax, Nova Scotia, B3M 2J6.
- (c) "Bargaining Unit" means all full-time or part-time employees hired in the occupational classifications as stated in Schedule "A" or any new classification agreed to during the term of this Agreement.
- (d) "Employee" means a person employed within the Bargaining Unit as described above.
- (e) A "Regular" Employee is one who has successfully completed the probationary period and occupies an on-going full-time or part-time position within the Bargaining Unit.

- (g) A "Part-time" Employee is one who has successfully completed the probationary period and who works less hours than a full-time employee.

- (h) A "Temporary" Employee is one hired for the purpose of filling a temporary vacancy provided the period of employment does not exceed eight (8) months. The parties agree that extensions up to twenty-four (24) months may be granted if necessary. A temporary Employee is not covered by the terms of this Agreement unless referred to in a specific Article.

Should a temporary Employee be successful in filling the vacancy they shall not be required to undergo an additional probationary period (as per Article 10).

- (i) A "Casual" Employee is one hired on a day-to-day basis and is not covered by the terms of this Agreement unless referred to in a specific Article.
- (j) A "Student" Employee is one who is currently registered as a student in a secondary or post-secondary institution.

During this initial probationary period all Employees shall be required to pay Union dues, but not initiation fees.

- 1.4 The Employer will deduct from the pay of each Employee covered by this Agreement, whether or not they are a member of the Union, all Union dues and initiation fees, except as noted in 1.3 above. The Union agrees to supply the Employer with the necessary forms to be completed by each Employee upon hiring. Such deductions shall be remitted to the Union prior to the fifteenth (15th) day of the month following that in which deductions were made along with the names of any additions or deletions to the Bargaining Unit. The Union shall forward to the Employer a true extract of all Union minutes with a letter of instruction authorizing deductions for members for any assessments or changes in assessment before the Employer makes deductions.
- 1.5 The Union agrees to indemnify and save harmless the University from any liability arising from the deductions referred to in Article 1.4 above.
- 1.6 The Employer agrees to supply each Employee in the Bargaining Unit with a copy of this agreement as soon as possible after the signing date and also supply one to each new Employee hired thereafter. The Employer and the Union will share equally the cost of printing such Collective Agreement.
- 1.7 A Member Representative and a member of the Employee's Administrative staff shall jointly interview each new Bargaining Unit Employee for up to thirty (30) minutes within regular working hours without loss of pay, for the purpose of acquainting the new Employee with the benefits and duties of Union membership, and their responsibilities and obligations to the Employer and the Union.
- 1.8 It is agreed that part-time and temporary employees shall not be hired if the result would be to reduce the regular working hours or number of full-time employees nor shall they be hired to displace full-time positions.
- 1.9 No member of the Bargaining Unit shall be required or permitted to enter into any agreement with the Employer which is inconsistent with this Agreement.
- 1.10 Managerial staff shall not be assigned to any shift or work ordinarily handled by the Employees covered by this Agreement, except in an emergency.

2.3 Activities Deemed to be Just Cause for Immediate Dismissal:

Without in any way restricting other just causes for discharge, following conduct by any Employee may, at the Employer's discretion, result in the discharge of such Employee and, where the factual basis has been proven, such conduct shall be deemed to be just cause for discharge:

- (a) except in the course of duty being in possession, or consuming alcohol or illegal drugs on the Employer's property;
- (b) reporting for duty, or being on duty, while under the influence of alcohol or illegal drugs;

ARTICLE 3 NO STRIKES OR LOCK-OUTS

3.1 The Union agrees that there will be no strikes, slow-downs, or other interference of any nature which will stop, curtail, or interfere with work during the term of this Agreement. In the event of any such action taking place, the Union will make a clear recommendation to the Employees involved to return to work and to perform their usual duties and to resort to the Grievance Procedure as established herein.

The University agrees that there shall be no lock-outs of the Employees during the term of this Agreement.

3.2 There shall be no strike or interruption of work during the term of this Agreement because of any disputes or disagreements between any parties who are not signatory parties to this Agreement. However, members of the Bargaining Unit may refuse to cross a lawful picket line established by another Bargaining unit within the University with the understanding that the members of the Bargaining Unit will not be paid for any hours not worked as a result of this refusal.

ARTICLE 4 NO HARASSMENT AND NO DISCRIMINATION

- 4.1 It is agreed that there shall be no discrimination practices with respect to any employee by reason of age; race; colour; religion; creed; sex; sexual orientation; gender identity, gender expression; physical disability or mental ability; an irrational fear of contracting an illness or disease, ethnic, national or Indigenous origin; family status; marital status, source of income; political belief, affiliation or activity; membership or lack of membership, activity in the union; any other characteristic enumerated in the Nova Scotia *Human Rights Act*; as well as an individual having protected characteristics.
- 4.2 The Employer and the Union neither tolerate nor condone harassment nor discrimination in the workplace. Cases of alleged sexual and general harassment and /or discrimination will be dealt with in accordance with the University's current Harassment and Discrimination Policy.
- 4.3 The University and the Union agree that the provisions of the Harassment and Discrimination Policy shall be binding on the parties and acknowledge that any allegations of harassment and/or discrimination shall be dealt with in accordance with the provisions of the Harassment and Discrimination Policy.
- 4.4 The parties to this agreement agree to promote workplace diversity and shall, where appropriate, work together to facilitate the implementation of employment systems, policies and practices that are inclusive and non-discriminatory in nature and effect and which are consistent with the terms and conditions of this Collective Agreement.
- 4.5 It is understood and agreed that, notwithstanding Article 4.1 above, and consistent with the provisions of this Collective Agreement, the Employer, in accordance with the terms of the Employment Equity Act, is committed to the hiring of women, visible minorities, Indigenous peoples, and persons with physical or mental disabilities, as well as other groups that would contribute to the diversification of the University, such as African Canadians, other racialized groups, and persons of diverse sexual orientations and gender identities and/or expressions, as per the University Employment Equity Policy dedicated to equity diversity, inclusion and accessibility (EDIA).

ARTICLE 5 UNION REPRESENTATIVES AND MEMBER REPRESENTATIVES

- 5.1 The Business Representative of the Union shall have access to University premises following notification to the Director of Facilities Management or their designate, to discuss Union business with the Employer and/or Employees, but in no case shall their visit interfere with the progress of work.
- 5.2 The Employer and the Union recognize the importance of the Member Representative's role in assisting the Employer's Representative and the Union members in carrying out the provisions of this Agreement. It is, therefore, agreed that the Union may appoint Member Representatives from qualified members of the Union who are Employees of the Employer.
- 5.3 It is understood that the Member Representative's duties shall in no way conflict with their duties to the Employer; however, they shall be allowed reasonable time off during working hours without loss of pay to assist Employees in processing grievances. This shall not be abused.
- 5.4 Member Representatives or Union Officers will not absent themselves from their regular duties to deal with grievances without first notifying their immediate Supervisor. When resuming their duties, they shall report to their immediate Supervisor.
- 5.5 The Union agrees to keep the Employer informed of its current list of Member Representatives and Business Representatives, and shall within fifteen (15) days of any change, deliver the names, addresses, and telephone numbers to the Director, Facilities Management, or their designate.

ARTICLE 6 LABOUR MANAGEMENT COMMITTEE

- 6.1 The parties agree to implement and continue a joint Labour Management Committee for the purpose of facilitating communication on matters of labour relations. The Labour Management Committee shall consist of not more than four (4) representatives from each party and shall meet at least three (3) times per year, and on such other occasions as may be deemed necessary. Such meetings shall be held

during working hours with a minimum impact on the operations of the department. Employees in attendance shall not suffer any loss of pay for such attendance at Committee meetings.

- 6.2 Requests for meetings may be made by either party by submitting an agenda at least five (5) working days in advance of the requested meeting.

ARTICLE 7 GRIEVANCE PROCEDURE

- 7.1 (a) Should differences arise between the Employer and the Union or its members employed by the University as to the meaning, application or violation of the provisions of this Agreement, there shall be no suspension of work because of such differences, but an earnest effort shall be made to settle the dispute in the following manner:
- (b) The following grievance procedure covers and extends to all Employees of the Employer covered by this Agreement, but does not exclude any Employee who has been discharged or laid-off provided they submit their grievance within five (5) working days immediately following their most recent discharge or lay-off; such grievance shall be submitted at Step 1. A probationary or temporary employee may be dismissed for any reason at the sole discretion of the Employer.

Informal Procedure

The parties to this Agreement acknowledge the benefits to be derived from discussion of differences as outlined above at the earliest possible time and stage, and, without limiting the availability of the following Grievance Procedure, it shall be discussed at the workplace level with the Employees' Manager with a view to settlement prior to the initiation of the formal Grievance Procedure.

Formal Procedure

Step 1: An Employee alleging a misinterpretation, or a violation of any term of this Collective Agreement, shall meet to discuss the matter with the Department Manager within five (5) working days from the time the alleged misinterpretation or violation occurred. A Member

Representative may accompany and assist the Employee. The Department Manager shall give a decision thereon within five (5) working days of the time of the meeting to discuss the difference(s).

Step 2: If the difference is not decided by the Department Manager, or if the decision is not to the satisfaction of the Employee, the complaint may be submitted in writing within five (5) working days to the Director, Facilities Management or their designate, who shall meet the Grievor and Member Representative within five (5) working days after the complaint was referred to them. The Director, Facilities Management or their designate shall dispose of the complaint in writing within five (5) working days of such meeting. At this Step, the Grievor and the Member Representative may be accompanied by a Union Business Representative. The Director may be accompanied by a representative of the Human Resources Office.

Step 3: If the matter under complaint is not decided by the Director, Facilities Management or their designate, or is not to the satisfaction of the Grievor, the complaint may be submitted in writing to the Director, Human Resources within five (5) working days of the time a decision under Step 2 was or should have been received. The Director, Human Resources shall meet with the Union and the Grievor within five (5) working days after the complaint has been received by them and they shall dispose in writing of such complaint (with a copy to the Union Office) within five (5) working days of such meeting.

- 7.2 In order for any grievance to be properly processed, a written grievance shall contain the nature of the grievance and the request for adjustment as well as the griever's name, date of filing and signed by a representative of the Union.
- 7.3 Failing a satisfactory decision under Step 2, an Employee who is considered by the Union to be wrongfully discharged may have the matter referred to arbitration as outlined in Article 8.
- 7.4 When a dispute involving a question of general application or interpretation occurs or where a group of Employees, the Union, or the University has a grievance:

An Employer Policy Grievance may be referred in writing to the designated Representative of the Union within five (5) working days of

the alleged violation. The Business Representative of the Union and a Union Steward shall meet within five (5) working days thereafter with representatives of the Employer to consider the grievance.

If final settlement of the grievance is not completed to the satisfaction of the Employer within five (5) working days of such a meeting, the grievance may be referred to arbitration as provided in Article 8.

A Union Policy Grievance may be referred in writing to the designated Representative of the Employer within five (5) working days of the alleged violation. Representatives of the Employer shall meet with the Business Representative of the Union and a representative of the class of Employees who would be entitled to grieve the alleged violation within five (5) working days thereafter with representatives of the Employer to consider the grievance.

If final settlement of the grievance is not completed to the satisfaction of the Union within five (5) working days of such a meeting, the grievance may be referred to arbitration as provided in Article 8.

7.5 Failure of a Grievor or the Union or University to initiate or process a grievance to the next Step in the Grievance Procedure within the time limit specified shall not be deemed to have prejudiced the Grievor, Union or University on any future similar grievance.

7.6 The parties are committed to the speedy and effective resolution of grievances and accordingly agree that in processing grievances to arbitration they will comply with the step procedure and time limits unless they agree in writing to waive the procedure or extend the time limits.

7.7 In the case of a particular grievance which comes to the level of Steps 1 or 2 of Article 7.1 or Article 7.4 above, a reply favouring the Grievor shall not be altered.

7.8 Mediation

7.8.1 The Parties may, by mutual agreement, request the assistance of a mutually agreed upon qualified mediator or other form of alternative dispute resolution. These include, but are not limited to, the Canadian Joint Grievance Panel and services offered by the Nova Scotia Department of Labour.

7.8.2 The parties agree that this mediation stage could be entered into by the parties prior to a grievance proceeding to arbitration. A referral to arbitration would be held in abeyance by the parties until such time as the mediation stage would be completed. A grievance could continue to the arbitration stage should the mediation stage not find a solution to the issue.

7.8.3 The mediation process is without prejudice to and without precedent for either party.

7.8.4 The cost of a mediator will be jointly shared by the Parties.

ARTICLE 8 ARBITRATION PROCEDURE

8.1 Failing a decision under the Grievance Procedure Article satisfactory to the complainant, or in the event there is no decision, the matter may be referred to arbitration, with either a Board of Arbitrators or a single Arbitrator appointed as in the following paragraph (a) or (b) as the case may be:

- (a) Either party to the Agreement may, within five (5) working days of the date such decision was or should have been made, notify the other party in writing of its desire to refer the dispute to a Board of Arbitration, and it shall, in such notice, name its Representative to the Board. Within five (5) working days of receipt of such notice, the other party shall, in writing, notify the first party of the name of its Representative on the Board. The two Representatives so named shall, within five (5) working days of the appointment of the second of them, meet and select a third person to act as Chairperson of the Board, and in default of their so doing, the Minister of Labour of the Province of Nova Scotia, upon the application of either party, may appoint such third person. If either of the parties shall fail to notify the other party of an appointment of a Representative to the Board within the proper time, the Minister of Labour of the Province of Nova Scotia may, upon application of either party, appoint a person to represent the party in default;
- (b) If both parties agree, a single Arbitrator may be used instead of a three (3) member Arbitration Board.

- 8.2 On selection, the Chairperson of the Arbitration Board or the single arbitrator shall, with all possible dispatch, arrange for the case to be heard. The Chairperson of the Arbitration Board or the single Arbitrator shall render a written decision with all possible dispatch and, in any event, within thirty (30) calendar days following the hearing.
- 8.3 Each of the parties shall bear the cost of the Arbitrator appointed by it, and shall jointly bear the cost of the Chairperson of the Arbitration Board or of the single Arbitrator.
- 8.4 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 8.5 No matter may be submitted to arbitration which has not been processed according to the Grievance Procedure.
- 8.6 The Arbitrator or Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of the Agreement, nor to alter, modify, or amend any part of this Agreement.
- 8.7 The proceedings of the Arbitrator or Arbitration Board will be expedited by the parties thereto. The decision of the Arbitrator, or in the case of an Arbitration Board, the decision of the majority of the Board, will be final and binding upon the parties hereto and the Employee(s) concerned.
- 8.8 In the event of an arbitration concerning an alleged unjust discharge or alleged unjust discipline of an Employee, the Arbitrator shall:
- (a) confirm or modify the Employer's action in dismissing or disciplining the regular Employee; or
 - (b) reinstate the Employee with full compensation for the time lost; or
 - (c) decide upon any other arrangement which may be deemed just and equitable in the circumstances; or
 - (d) have the power to substitute for the discharge or discipline any other penalty that to the Arbitrator seems just and reasonable in the circumstances.

8.9 The Arbitrator or Arbitration Board shall have the power to waive formal procedural irregularities in processing a grievance in order to determine the real matter in dispute as defined by the grievance and the giving of a decision according to the Collective Agreement. The parties are committed to the speedy and effective resolution of grievances and accordingly agree that in processing grievances to arbitration they will comply with the step procedure and time limits unless they agree in writing to waive the procedure or extend the time limits.

ARTICLE 9 SENIORITY

9.1 a) Seniority shall mean the length of unbroken employment since date of last appointment by the Employer to a position in the Bargaining Unit. There shall be two (2) recognized types of seniority:

(1) Bargaining Unit Seniority which shall mean the length of unbroken employment since date of last appointment by the Employer to any position in the Bargaining Unit;

(2) Classification Seniority which shall mean the length of unbroken employment in a particular classification in the Bargaining Unit since date of last hire to a position in that particular classification.

The application of each of the various forms of seniority shall be identified in the particular Article to which it shall apply. Where the form of seniority is not identified, it shall be deemed to refer to Bargaining Unit Seniority.

(b) An Employee shall lose seniority if the Employee:

(1) voluntarily quits the employ of the University;

(2) is discharged and not reinstated;

(3) retires;

(4) because of illness is absent for a period in excess of twenty-four (24) months or expiration of the twenty-four (24) month LTD period. This period may be extended, subject to approval by the Employer, for the purpose of meeting the parties' duty to accommodate.

(c) If an Employee is discharged and is not reinstated, as a result of one of the following clauses, seniority is lost:

- (1) was absent without approval for three (3) days or cannot demonstrate that special circumstances prevented the Employee from reporting to the place of employment;
- (2) failed to return to work within ten (10) working days after the recall notice is given to the Employee personally or is sent to the Employee by registered mail to the last address on file with the Employer;
- (3) was laid off for a period in excess of twelve (12) months;
- (4) overstays a leave of absence granted by the Employer without securing an extension of such leave or uses the leave of absence for purposes other than those for which the leave is granted.

(d) Temporary employees shall not be entitled to accumulate seniority.

9.2 A person on leave of absence without pay from the University shall retain their seniority rights while on leave but shall not continue to accumulate seniority for the duration of the leave.

9.3 The University shall prepare and post a Seniority List in January of each year (with a copy to the Union Office). Any misunderstandings under this Article must be reported to the Human Resources Office within thirty (30) calendar days of the posting of the Seniority List. Any unresolved discrepancy may be submitted to the Grievance Procedure. If no protest is received, the List shall be deemed valid.

9.4 In cases where job performance, skill, ability, experience and training, as determined by the Employer, are equal, Bargaining Unit seniority will be the deciding factor in promotions, demotions, lateral transfers, layoffs or recalls.

ARTICLE 10 PROBATIONARY PERIOD

- 10.1 Probationary employees shall mean those Employees hired to occupy a full-time or part-time position and have not completed their probationary period.
- 10.2 The probationary period is defined in Article 1.2 (k) as the first one thousand and forty (1040) working hours of employment of an Employee covered by the terms of this Collective Agreement. Any overtime earned will be included in probationary hours.
- 10.3 A review of an Employee's progress shall be continuous throughout the duration of the probationary period. A final review will be completed prior to the end of the probationary period.
- 10.4 Employees shall have no seniority standing until the successful completion of the probationary period. Upon successful completion of the probationary period, seniority will be the date of appointment.
- 10.5 The retention or discharge of an Employee, during the probationary period, shall be at the sole discretion of the Employer.

ARTICLE 11 DISCHARGE, SUSPENSION AND DISCIPLINE

- 11.1 An Employee who has completed their probationary period may be discharged for cause as set out in Articles 2 .1, 2.3 or 9.1 (b) 4.
- 11.2 The official Personnel file shall be kept in the Human Resources Office.
- 11.3 No employee shall be disciplined except for just cause. Just cause includes, but is not limited to: tardiness, absence from work without prior approval, or misuse of sick leave provisions, or non-performance of job-related tasks to acceptable standard. Depending on the seriousness of the incident, the discipline imposed will be commensurate with the offense. Progressive discipline, if applicable, will normally be applied as follows:
- (a) In the first instance, by written warning or reprimand which does not involve loss of work or pay;

(b) In the second instance, suspension of employment for a period of up to three (3) days of work without pay; and

(c) Subsequent violation may be deemed cause for immediate discharge.

(d) In meeting with the Employer with regard to possible discipline, the employee is entitled to Union representation at such meeting(s) if they so choose.

11.4 The record of an Employee shall not be used against them at any time after eighteen (18) months of active service following a suspension or disciplinary action, including letters of reprimand or any adverse reports provided another warning or reprimand for a similar infraction has not been given during the eighteen (18) month period. If a second warning is issued for a similar infraction, while the first warning is still on the record, both shall remain on the Personnel file to the expiry of the second warning.

11.5 No Employee shall be required to sign a document they deem unfavourable to their employment, except to indicate their knowledge of such a statement and receipt of a duplicate copy.

11.6 Employee Personnel files shall be available for annual viewing upon request from an Employee provided the Employee gives the Human Resources Office five (5) working days' notice. Employees Personnel file shall be made available for viewing, in cases of discipline, with one (1) working day of notice, upon request of a Representative of the Union. Upon request, at this meeting, copies will be provided to the Employee. Employees shall have the right to have their Union Representative or Member Representative present if they so desire when viewing such Personnel files.

ARTICLE 12 JOB POSTING

- 12.1 When the Employer decides a vacancy or a new position is to be filled within the Bargaining Unit, the Employer shall notify the Union in writing and post notice of the position in the designated locations noted in Appendix "B" for a minimum of five (5) working days. Any applicant from within the Bargaining Unit must make written application within this period.
- 12.2 The Employer shall have the right to fill the position on a temporary basis for a period not exceeding thirty (30) working days until the permanent appointment has been made.
- 12.3 In filling a vacancy in an existing or new position, the qualifications and ability to perform the required functions of the work in question, as determined by the Employer in its judgment, shall be the governing considerations, provided, however, that where all of these factors are equal, Bargaining Unit seniority will govern.
- 12.4 Temporary employees may apply for vacancies as provided herein.
- 12.5 The Employer shall not be prohibited from advertising for persons outside the Bargaining Unit for positions within the Bargaining Unit provided qualified bargaining unit employees are considered.
- 12.6 Within seven (7) calendar days of the date of appointment to the new or vacant position, the Union will be notified of the name of the successful applicant.
- 12.7 When an Employee is successful for another position within the Bargaining Unit, the successful applicant shall serve a thirty (30) working day assessment period in the new position. If during such assessment period either the Employer deems they are not satisfactory in the job posted or the Employee wishes to revert to their former position, then in either case such Employee shall revert to their former position without loss of seniority or other benefits.
- 12.8 In the event that positions of a supervisory nature associated with the Bargaining Unit become available, the Employer agrees to post the position. Staffing will take place according to procedures established for management positions within the University. Applicants from within

the Bargaining Unit shall be given an opportunity to submit their applications for such vacancy.

- 12.9 In the event position descriptions are substantially changed, the Union will be notified within seven (7) calendar days, and if the Union so requests, the Employer agrees to meet with the Union to explain its decision.

ARTICLE 13 LAY-OFF

- 13.1 An Employee may be laid off because of technological change, shortage of work or funds, or because of the discontinuance of the function or the re-organization of the function. Where Employees are to be laid off, the Employer will advise the Union as soon as reasonably possible after the change appears probable. The University shall endeavour to facilitate the re-location of Employees so affected by job elimination to other positions within the University.
- 13.2 When lay-offs become necessary in a particular classification, Employees in that classification shall be laid off in the reverse order of Bargaining Unit seniority, and no additional Employee shall be engaged to do work covered by this Agreement until those laid off less than twelve (12) months have been given the opportunity of re-employment in the order of their Bargaining Unit seniority and consistent with their ability to perform the work required.
- 13.3 It is agreed that a regular Employee who has received notice of lay-off may apply, within five (5) working days of receipt of such notice, to displace another Employee who has less Bargaining Unit seniority.
