

Classes taught by part-time faculty – Fall semester 2025 (Subject to update)

Last updated: October 22, 11 a.m.

Below is a list of courses being taught by part-time faculty at MSVU.

Because CUPE 3912 has decided to strike, these classes will be temporarily suspended starting Wednesday, October 22, 2025 at 12 p.m. (noon).

If your course is not on this list, that means that it is continuing as usual.

As some sections of a course may be cancelled while other sections may be going ahead, please pay careful attention to the section numbers of the courses on this list. If you're unsure of your section number, please check myMount. If you have questions about which courses are affected that are not answered here, please email registration@msvu.ca.

Please note that this list may be updated. Visit msvu.ca/LabourRelations for the most accurate list.
