

BIOLOGY DEPARTMENT

Technician Assistant Application

Hello,

First, thank you so much for your interest in serving our department this academic year as a Technician's Assistant! We are incredibly grateful that you are willing to work with our departmental technician to help prepare the teaching lab spaces for student use. This position provides and an excellent opportunity for our students to gain work experience and further their education by exploring courses from behind the curtain and reiterating certain concepts by examining how experiments are prepared. To help us determine your suitability for this position, please complete the following application indicating your interest, capability, and availability.

If you have any questions or concerns, please feel free to reach out to John to get more information or ask clarifying questions (john.wangsgaard@msvu.ca).

Thanks so much!

Biology Department

Please complete the tables below to indicate your availability during the week, interest in specific courses and subject matter, and any relevant experience.

Name:	[ENTER YOUR NAME HERE]
ABOUT YOU	
<i>In the space below, please let us know a little bit about you and your interest in this position. This does not need to be a formal cover letter, we just want to get to know you and understand your motivations and drive.</i>	

GENERAL AVAILABILITY					
<i>Indicate the Term you are applying for below by indicating one of the following:</i> - Fall - Winter - Fall and Winter					
Application Term:					
<i>Please complete the grid below by indicating your availability on each day of the week so that we are aware of any overlaps you may have with your academic responsibilities.</i> Type an 'X' in the boxes when you are available.					
TIME	Monday	Tuesday	Wednesday	Thursday	Friday
9am – 10am					
10am – 11am					
11am – 12pm					
12pm – 1pm					
1pm – 2pm					
2pm – 3pm					
3pm – 4pm					

COURSES OF INTEREST

NOTE: Please indicate which of the courses listed below you are most interested in. This will help when determining your responsibilities if you should be hired for this position. There may be times where you work to prepare materials for all labs, even if you haven't indicated a specific interest, but if certain tasks can be allocated to you that may be of more interest, it is helpful for us to know.

FALL TERM

<i>Course</i>	<i>Interested</i>
BIOL 1152 – Introductory Biology I	
BIOL 2202 – General Microbiology	
BIOL 2203 – Plants: Form and Function	
BIOL 2207 – Microbial Diversity	
BIOL 3312 – General Ecology	
BIOL 3310 – Physiology of Animals	
BIOL 3374 – Genetics: Genes and Genomes	

WINTER TERM

<i>Course</i>	<i>Interested</i>
BIOL 1153 – Introductory Biology II	
BIOL 2202 – General Microbiology	
BIOL 2204 – Animals: Form and Function	
BIOL 2240 – Cell and Molecular Biology	
BIOL 3309 – Physiology of Plants	
BIOL 3322 – Animal Developmental Biology
