

## 2026-2027 Research Support Fund (Forecast)

### Allocation of the 2026-2027 Research Support Fund Grant

Each year, the Mount receives a grant through the Research Support Fund to help pay for a portion of the central and departmental administrative costs related to federally funded research. For **2026-2027**, based on a formula calculated on the percentage of a three-year rolling average of federal research funding (SSHRC, NSERC, and CIHR) awarded, the Mount is allocated **\$749,027**. These funds will be invested as follows:

Category	Allocated Amount	Details
Research Facilities	- (0%)	Not applicable for this fiscal year
Research Resources	\$432,346 (58%)	This funding is used for library acquisitions to support our students and faculty in conducting their research.
Management and Administration	\$285,681 (38%)	<p>There are significant staffing resources that go into the management and administration of research projects. The following examples demonstrate some of the areas and offices involved:</p> <ul style="list-style-type: none"> <li>MSVU’s Research Office, led by the Associate Vice-President, Research, handles oversight and development of research initiatives including applying for grants, and communication of the MSVU-related research objectives and outcomes, as well as research ethics and compliance.</li> <li>Financial Services personnel who handle equipment procurement, materials and supplies for research, grant accounting and report submission, payroll services, and payment of research expenditures.</li> <li>Human Resources, which handles any search processes and hiring of employees for grant initiatives.</li> </ul>
Regulatory Requirements and Accreditation	\$15,000 (2%)	Research Support Funding is used to support a portion of the expenditures related to the process of Research Ethics (both human and animal) review, clearance, oversight and compliance, as well as the Canadian Council on Animal Care required fees.
Intellectual Property	\$16,000 (2%)	MSVU shares the cost of the Industry Liaison Office with several other local universities.

## Performance Objectives for the 2026-2027 Research Support Fund

Eligible Expenditure Category	Output (Investment / Expense of RSF Funds)	Performance Objectives	Performance Indicator	Target Outcome	Reported Outcomes 2026-2027 (due June 2027)
<b>Research Resources</b>	RSF will fund the University Library's Membership in the Canadian Research Knowledge Network (CRKN), which facilitates digital resource acquisition, as well as provides access to critical content in key areas of research.	<ul style="list-style-type: none"> <li>• Manage library subscriptions</li> <li>• Invest in national Open Access / Open Science initiatives.</li> <li>• Support researchers through Article Processing Charge (APC) waivers and discounts with publishers.</li> </ul>	<ul style="list-style-type: none"> <li>• Evaluate current subscriptions to ensure critical programs have access to relevant content;</li> <li>• Analysis of database usage statistics to ensure ROI.</li> <li>• Usage of APC waivers and discounts.</li> </ul>	<ul style="list-style-type: none"> <li>• Research output is made possible through CRKN-acquired content, thus continued membership is critical.</li> </ul>	
<b>Management and Administration of MSVU's Research Enterprise</b>	RSF will continue to offset a portion of the salaries of staff that directly support the MSVU research ecosystem (e.g., Research Ethics and Compliance Officer; Grants Officer; Financial Services – Grants and Special Projects, procurement; Payroll, and Human Resources)	<ul style="list-style-type: none"> <li>• Maintain the human resources required to support MSVU's research enterprise.</li> <li>• Streamlining processes for pre- and post-award services across departments to assist researchers in research and grants administration.</li> </ul>	<ul style="list-style-type: none"> <li>• Maintain (or increase) the number of positions supported by RSF.</li> <li>• Maintain (or improve) the level and quality of assistance provided to researchers by the Research Office, Financial Services, and Human Resources.</li> <li>• Collaborate across research</li> </ul>	<ul style="list-style-type: none"> <li>• Increased clarity and efficiency in inter-departmental processes and communications to support researchers and research teams by publishing updated processes.</li> <li>• Maintain and further develop the number of workshops or</li> </ul>	

		<ul style="list-style-type: none"> <li>Continued support for MSVU researchers using research administration best practices, providing a variety of training and increasing researchers' preparedness when applying for, receiving, and administering Tri-Agency grants.</li> <li>Increased communication of resources, opportunities and tools via Research Office websites, SharePoint sites, research bulletins and training events.</li> </ul>	<p>administration units to streamline and maintain up-to-date processes for pre- and post-award services</p> <ul style="list-style-type: none"> <li>Provide training opportunities and resources for researchers on topics such as research data management (RDM), research and data security, knowledge mobilization (KMB), EDIA in research and research impact (RI)</li> <li>Documents and websites under the auspices of the Research Office and Research Ethics will be revised to ensure accessibility.</li> <li>Promotion of research data security to the MSVU research community.</li> </ul>	<p>training opportunities to assist faculty in grant preparation, post-award administration, EDIA in research, KMB, as well as RDM and Research Security.</p> <ul style="list-style-type: none"> <li>Research Office documentation and websites shall be up-to-date and accessible.</li> <li>Ensure continued growth of research resources and tools for grant capture, research management, EDIA in research, KMB, RI, and RDM, available via the Research Office website and SharePoint sites.</li> </ul>	
<b>Regulatory Requirements and Accreditation</b>	A portion of the RSF is used in support of the Research Ethics	<ul style="list-style-type: none"> <li>RSF will help to offset costs for MSVU's Canadian Council for Animal</li> </ul>	<ul style="list-style-type: none"> <li>Maintain the human resources involved in the regulatory requirements of</li> </ul>	<ul style="list-style-type: none"> <li>Continued support for research ethics</li> </ul>	

	<p>and Compliance Office, providing budgetary funding for the operation of the office and its affiliated responsibilities.</p>	<p>Care annual fee and external lab inspection services that support MSVU's institutional compliance with CCAC requirements.</p> <ul style="list-style-type: none"> <li>• Enhance institutional research ethics capacity through improvements to REB review, targeted researcher education, risk-based oversight, and the development of guidance addressing emerging ethical challenges.</li> <li>• Provide and enhance research ethics training opportunities and research ethics consultation for the MSVU Research community.</li> </ul>	<p>MSVU's research enterprise.</p> <ul style="list-style-type: none"> <li>• Monthly Animal Care Lab Inspection and reporting to the ACC via arms-length externally contracted personnel.</li> <li>• Researchers are able to consult with the Research Ethics and Compliance Officer and/or the REB</li> <li>• Training for REB members (including community members).</li> <li>• Increased research ethics capacity and initiatives will strengthen compliance with TCPS, improve the quality and efficiency of ethics review, and ensure robust protection of research participants.</li> </ul>	<p>and compliance at MSVU.</p> <ul style="list-style-type: none"> <li>• Maintain MSVU's "Good Animal Practice" Certificate provided by CCAC.</li> <li>• Provide ethics training and outreach opportunities for the MSVU research community and for REB members.</li> <li>• Continue to build and develop REB and ACC documentation for researchers to assist with navigating complex ethical issues and supporting responsible conduct of research.</li> </ul>
