Important Notes

Academic Advising: all CHYS students must seek academic advising once admitted to the program. Book an appointment online at www.msvu.ca/advising or contact advising@msvu.ca to book an appointment.

GPA:
Students must achieve a GPA of 2.0 in the required 4.0 units of the concentration.

Students must also obtain a GPA of 2.0 in 9.0 units of required coursework, including the 8.5 units of required professional coursework (excluding NUTR 2240 and PSYC 2222).

Note: practicum courses cannot be counted in the calculation of the GPA.

Practicum: CHYS students are required to successfully complete 2.0 units of supervised practicum, at least 0.5 unit of which must be completed under CHYS department supervision.

These practica are completed from 8:30-4:00 two days per week during the fall and winter, or as four-week block placements (Monday-Friday) in Summer Sessions I & II. Students may not enroll in daytime courses during practica days. Before any placement, students must meet the following prerequisites:

- a cumulative GPA of 2.0 or higher at the end of the academic term prior to the practicum experience.
- completion of all prerequisites for the practicum for which they intend to register.

Students who do not complete any practicum successfully will not be permitted to continue in the program.

Child Abuse Register, Vulnerable Sector Check and First Aid Certification: Students are required to produce the following documents on the first day of each of their practica: Child Abuse Registry letter, Vulnerable Sector Check, and Emergency First Aid & CPR "C"/AED certificate. Go to msvu.ca/practicumdocs for more information on obtaining the required documentation. In accordance with government of Nova Scotia requirements, students who do not produce the required documentation will not be permitted to proceed with the practicum.

While you are strongly encouraged to seek out academic advising throughout your time at the Mount, you are ultimately responsible for meeting all degree requirements as listed in the academic calendar.
